# President's Corner

August 2010

Hello PCMC families,

Congratulations to Jerry and Kathy Murphy for receiving August's Mustang of the Month.

July was a fun month with many events to choose from. On Saturday July 3<sup>rd</sup> at the Vintage Races 11 club members attended, Dennis Willert and John Pace both received trophies that day. John took his Mustang back to the Edelbrock area and Vic Edelbrock signed his air intake and his dash – way to go John! While Jerry Murphy was visiting with Vic and Kristy Edelbrock, he mentioned the car show, which peaked Kristy's interest. Jerry walked away from there with a 334 page book on the History of the Edelbrocks for our show raffle that both Vic and Kristy signed. Larry Rivera had an early Christmas when Tim Gwyn asked Larry to drive his Mustang to the races.

The Freedom Festival was on the cold side but 16 Mustangers showed their support on Fourth of July at Joint Base Fort Lewis-McChord.

Well, it looks as if Mike and I have passed on the torch of getting lost to another club member who got lost on Pony Trails and then again after Pony Trails.

The MCA Grand National was an awesome event to attend. Between the Judged show and People's Choice we had 24 members attend. It was a great day for meeting Steve Saleen and getting his autograph! Several members received trophies.

Matt Sparkmon did a fantastic job on heading up Night at the Drive-in. 22 Mustangers enjoyed watching "The Sorcerer's Apprentice" and "Toy Story 3". Thank you Matt for taking on that event.

At Mustang's on the Waterfront at Port Orchard, we received the Club Participation trophy with 25 members attending, 13 received trophies. Landon Lively did an awesome job with the value cover races and received first place, defending his title again this year – great job Landon!

With our show around the corner, everything is coming along great. Raffle items are plentiful and all classes have been sponsored. I look forward to seeing everyone there and don't forget to bring backpacks and/or school supplies for Sweet Willie's.

As we are headed into August, we are coming closer and closer to the Holiday events; we are looking for someone to take on the Fantasy Lights Toy Drive event. If you are interested in doing so, please contact me. This year our Holiday Party has been moved to the Puyallup Activity Center, located (almost) across from the Police Station on Pioneer Ave in downtown Puyallup.

Just a reminder that elections are in November, only four months away. If you are interested or know someone who is interested in running for an officer or board position, please contact Nancy Freeman with your nomination.

Even though Summer is coming close to ending, there are still plenty of shows on our calendar. For more information, check out our website for upcoming shows.

# Mustang of the Month

## Kathy and Jerry Murphy

To keep me out of trouble, my wife bought me the car which is a story in it's self. My whole family has helped in one way or another in getting our Mustang to what you all saw last year. It went in for needed body work and then new paint which has taken from October 2009 until June 2010. There are some flaws in the paint and the painter has asked for the car back, which will happen right after the Port Orchard show. We are very proud to have been the first recipients of the WTB Phoenix Award from the Warriors at Fort Lewis. Thanks to all for your support and joking about the Stang. Happy Trails from the "Purple Rider".

Kathy & Jerry Murphy

## SOMEDAY...

Some start dreaming young about driving a convertible and others just prefer their mother's arms. PCMC members Jaekub Sparkmon and Heather and Lucas O'Daniel.

## Past events

### PONIES ON THE WATERFRONT

With 25 cars entered in the Kitsap Mustang Club Show "Ponies on the Waterfront" the club brought home the Club Participation trophy seen here with our President Rachel Lanigan. Thorough out the day as car cleaning, judging, poker walks were complete members would wander over to the club tent area to relax and visit. Thanks to the Nordlunds and Willerts for having the foresight to bring tents to get us out of the sun. Congratulations to Landon Lively and his valve cover "Rusty" for first place win. Pictured with Landon is his proud dad Jim.

### MUSTANGS AT THE DRIVE IN

Many thanks to Matt and Cassandra Sparkmon for coordinating this annual evening out at the movies complete with popcorn, chocolate and pop. Matt is pictured (right) with the winners of the trivia contest-beating out their elders by one point. (Are you sure the skunk in "Bambi" was named Flower and not Pansy???) 20 Mustangs, 1 truck and dare I put it in writing...a Camaro... lined up and showed themselves off to the crowd. Bob Gillett is busy cleaning his window, supervising is wife Cynthia and in the background is Larry Rivera collecting more pictures for the club website.

Saturday, December 4<sup>th</sup> will be the annual Santa Parades in Sumner and Puyallup. PCMC will be filing the entry applications with the Puyallup Main Street Association and the Sumner Downtown Association to participate in both legs of this year's event.

We are going to limited to 8 to 10 cars per city so if more members want to participate, we can either draw names for each town or members can state which town they'd prefer. Cars will need to be decorated with a minimum of 100 lights per 10 feet in length which can be easily accomplished with either the LED or Twinkle style of lights, an inverter plugged into the AC outlet or cigarette lighter for a power source. Some nylon zip ties, tape and binder clips. There are also some cool suction cup plastic light holders made for use on houses will also work along hood, trunk lid and doors. Look at Home Depot or Lowes for these types of accessories. Also large fabric ribbons and bows tied over and around each car's, roof, hood and trunk will meet the events decoration requirements. We should also have our antenna flags on while in the parades.

There are some changes in the application process this year which will require me to submit a copy of each car's driver's license and proof of insurance card. I need to fill out 2 entries one for each city, so if there is overwhelming interest, as many as 16 to 20 cars will be able to participate between the 2 towns. If we get more 20 we will do the old draw names out of a hat to select the PCMC representatives at the September meeting.

By the way this is only open to PCMC members. If you belong to another Mustang club, your club would need to submit their own entry application.

The Sumner parade begins at 2:30pm, stages at the high school about 1pm.

The Puyallup Parade begins at 4:00pm, and we head straight there after completing the Sumner parade. They will send me a map and directions for the staging area for that parade later this year. Each leg lasts about an hour depending on where we are in the lineup.

If you are interested in participating please contact Paul Nee prior to the September general meeting @: [paulnetgallant-nee@msn.com](mailto:paulnetgallant-nee@msn.com) or 253-640-9943. If we get too many interested members we will draw names out of a hat to see who will get to drive their rides at the September meeting.

Lastly if anyone wants to march in front of the cars we could have the club banner carried by some that don't want to drive or are not drawn to still participate.

To see the complete list of rules for this event please go to the links provided below:
