## President's Corner

May 2010

Hello PCMC families,

Congratulations to Charlene and Larry Rivera on receiving the May Mustang of the Month award.

This month is a FULL calendar of events each weekend. Please check the website for flyers for times and dates.

April 10<sup>th</sup> was the Daffodil Parade, PCMC participated with 13 cars, one borrowed from Korum, a big THANK YOU goes to them! We had a great time experiencing all four cities with fellow club members and friends. Thank you Paul Nee for coordinating this for us and we look forward to next year.

April 24<sup>th</sup> and 25<sup>th</sup> was the Korum Mini Show, despite the storm we endured on Saturday we had a great showing and a fun time. 23 cars participated this year; Lance and Sandra Smith took home the Best in Show, Bryan Zimmerman received First Place, Dan and Jolene Alpert received Second Place, Bill and Tanner Norman received Third Place. Jerry Murphy did an awesome job working with Korum to make this year a great show.

Nichole Schiele from Motorbooks Inc. contacted me as well as several other clubs Presidents about a series of Mustang Books that they just recently launched called "Weekend Projects", of course it is for your Mustang! The book hits the shelves July 15<sup>th</sup>. She will be sending us a free copy of the book for our Annual Car Show in August (raffle) as well as three other different Mustang books. Her email stated that this book is the perfect companion for the over 600,000 Mustangs that have been sold since 2005 (WOW, 600,000 Mustangs sold in the last five years). As you know the Mustang is the most popular American performance car of all time and is supported by a huge aftermarket devoted to increasing its performance and improving its looks. In July she will be sending flyers that will have a 25% discount towards the purchase of the book.

Welcome to all of our several newest members, we look forward to having you join us at the meetings, on the cruises and at any shows we attend. Check out the website for all upcoming events.

Enjoy the sun (when it decides to show itself!)

## Past events

### 4TH ANNUAL KORUM MINI SHOW - Day One

Twenty two member cars came out to the club's annual mini show to say thank you to the Korum Automotive Group for their continuing support of the club and its activities. Depending on the whim of the weather god, polishing rags came out and convertible tops went down, then up, then down, then up. At one point during the show high winds, heavy rain and hail had attendees singing "The Boat Show, The Boat Show". As always regardless of the weather there was a wonderful sense of camaraderie among the attendees. Congratulations to those selected by Korum employees and visitors: Best of Show Lance & Sandra Smith, 1st place Bryan Zimbelman, 2nd place Dan Alpert, 3rd place Bill Norman.

### 4TH ANNUAL KORUM MINI SHOW – Day Two

Sunday dawned bright and clear and eighteen club cars joined or rejoined in the fun. With judging out of the way members put down their cleaning and polishing rags and enjoyed each others company while playing cards and dominos and general chit chat. By the end of the event the club had 2 member renewals and 3 new members! Many thanks to Jerry Murphy for coordinating the

# Past events

Pierce County Mustang Club does the Daffodil Parade and becomes part of the Carousel of Spring

This year's 77<sup>th</sup> annual Daffodil Festival's Grand Floral Parade found 13 polished and shiny convertible Mustangs piloted by PCMC members, Linda and Mark Arsenault with their '05 silver pony; Bob Batiuk and his '95 red GT; Cary Beaty's '03 grey GT; Mike Dougherty his wife and their red '89 5.0 foxbody; Bob Frender who was out of town allowed Matt Sparkmon to maneuver his fire red '06 pony; Steve Khambata showed up with his 302 powered '70 Mustang; Monika Kirkland went topless with her '03 convertible; Michael and Rachel Lanigan brought their '03 Black GT; Jason Moorash and his '05 green GT; Rich and Joanie Nordlund and their charcoal grey '03 GT; Pammy Pistella and her '05 pony; Larry & Charlene Rivera drove a silver convertible provided by our partner and main sponsor Korum Ford; and Tanner coached Bill Norman through the four city extravaganza in Bill's 2000 blue GT. Paul Nee and Joanie Nordland carried the PCMC banner in all 4 legs of parade and I for one can appreciate Ibuprofen and my hot tub as a way to unwind after the long day of parading.

In Tacoma, eleven of the cars carried the 22 Educators of the Year picked by the festival's princesses and queen. These teachers were chosen as a person who has made a impact in each of these ladies life's.

Cary and Jason had the honor of carrying Joint Base Lewis-McChord's Army Colonel Tom Brittain and Command Sergeant Major Matt Barnes at the very front of the parade behind this year's co-Grand Marshals, Pierce County Sherriff Paul Pastor and Lake-wood PD Assistant Chief Mike Zaro.

In Puyallup Cary was out in front behind co-Grand Marshals cars 2<sup>nd</sup> Lieutenant Brannon Young who represented JBLM and 12 cars carried the teachers.

Then it was off to Sumner where all 13 cars carried teachers (no military representatives in Sumner or Orting). Jason had a family function to attend so the remaining 12 cars headed out to Orting to wrap up a beautiful, sunny Northwest spring day and carry the teachers through the last leg of the longest parade in the United States.

Before the parade began in Tacoma, King 5 News had their mobile unit and reporter Roberta Romero was interviewing and video graphing all of the cars live on the morning news. She even did an interview with yours truly for a couple of minutes. If you would like to see the recorded Tacoma portion of the parade, Tacoma City TV (Click channel12, unsure about Comcast) is replaying it at various times during April.

The teachers were a great bunch and overwhelmingly praised our members and the fact of their chauffeurs escorting them in Mustangs. The Daffodil Festival folks also offered their appreciation and the crowds lining the parade routes cheering and encouraging the drivers to rev up their engines.

What a great event and from the response of those PCMC members who participated, they can't wait to do it again.

## Past events

What is Valentine's Day without chocolates and wine (and the occasional beer), well thanks to event coordinators Tom & Dori Alpert those cruising in February found out. First stop Boehms Candies where Zachary Alpert and Jaekub Sparkmon discuss what to get their mom's, then off to the Château Ste. Michelle for the tour and wine tasting, it that wasn't enough then over to Redhook for beer and lunch. While cruising attendees work on a trivia quiz of valentine related questions and munched on chocolate.

A great day for cruising, catching up with old and making new friends, crossing your fingers as you draw your poker hand, and wearing the green. We cruised through Kent, Covington, Tiger Mountain area, ending at Snoqualmie Falls for the view and hors d'oeuvres at the casino. Congratulations to the top winners Connie Karnitz, Randy Brown and Jim Lively. And condolences to crappy hand "winners" Missy Willert, Mike Kirkland, and Sandra Smith. Voted to have the Best Use of Green were Justin Jay and Kelsey Gaurin.
