## President's Corner

### Presidents Message March 2012

I'm not sure if I want March to come in like a lion or a lamb. After our January and February winter weather I don't think the chance of early March snow is something I am interested in, but at the same time I don't want to have storms at the end of March either. Too bad Punxsutawny Phil saw his shadow!

The activity calendar is starting to fill up! Fun times are here again. Let's remember to make sure that PCMC events are fun for everyone too. How you ask? We all have beautiful Mustangs and love to show them off. While there are many people that love to see them, not very many love it when they hear us or have to go into defensive driving mode to avoid our horsing around. Please be mindful always but especially as we meet and travel as a club, of others around us. The last thing we want is to be known around the area for poor behavior and reckless driving. Please no burn outs or racing as we leave our gracious host Korum. We need to remember Korum is a place of business and that we should not do anything to tarnish their ability to attract business or jeopardize their sponsorship of PCMC. When driving as a caravan let other drivers move freely in and out of our lines. Don't cut people off or weave in and out of traffic. Basically, just be courteous.

Lots of fun events are just around the corner. Don't forget if you want a stang fix in between PCMC events, come out to Krispy Kreme Tacoma Mall @ 7:00 pm every Friday night (Mustangs not required). This is not a PCMC sponsored gathering, but just a fun time with fellow Mustangers. The Poker Run on St. Patty's Day promises to be lots of fun. Don't forget to come decked out in GREEN; your Mustang too!

## President's Message Continued

*Continued from page 1*

The Daffodil Parade is a fun day. If you have not participated in a parade with your Mustang yet, why not give it a try; this year it will be 79 years old. Did you realize that there are over 20 million daffodil buds, 8 million tulip, and 1 million iris buds sold per year in Washington alone! One of the things I love about this club is that there is a wide variety of events and activities that there is always something planned or on the horizon for just about anyone. The day following the Daffodil Parade (April 15<sup>th</sup>) is the Spring Cruise, ending at the Little Creek Casino. Sounds fun. April 28<sup>th</sup> is your opportunity to spread some good will. The club has a spot for 15 people to volunteer at the EFN (Emergency Food Network), one of our sponsored charities, to repackage food for 3 hours. It may not sound fun, but it really is. And as luck would have it, there are still spots open for volunteers. If interested call Nancy Freeman.

I don't want to get too ahead of myself or the calendar, but something is fast approaching that I have been excited about for 3 years! MAA or Mustangs Across America. I cannot wait! Dad and I first saw some special on the Speed channel about it and watched out of curiosity. What a blast it looked like. North Carolina, Texas, Detroit are rumored destinations. We won't know for sure till a year before the event. This will herald the 50th Anniversary of the Mustang and also rumored Ford may throw in events around the country or ? I know it is some time in the future, but it is just 25 months out and I have already begun to start saving money each month for the trek. Last time a few PCMC members went, I'm hoping they will share their expertise and show us newbies the ropes. I think I will also need this much time to figure out just how it is that I am going to be able to take 3 weeks off work and still have a job! This one promises to be worth it, whatever the actual event(s) will be!

Lastly our own annual car show is in the planning stages, but much help is needed. The working committee meets on the 2<sup>nd</sup> Tuesday of every month. It is sponsor time. We need everyone's help to bring in sponsors. Remember, it is OUR show so we all need to pitch in and make it amazing and better than it was last year. Contact Jerry Murphy for more info.

Tip of the month: There is a wealth of knowledge in our club on just about every subject Mustang. If there is something you need help with or even were just curious about ask around. Great for car show knowledge-Bill Norman, Pete & Nancy Freeman, Monika Kirkland, Larry & Charlene Rivera, Wendy Minniweather, Mike & Rachel Lannigan. Superb trip planners: Bill Norman, Pete & Nancy Freeman, Monika Kirkland, Renea & Tony Merwin. Parade Guru's: Paul Nee, Rick & Joanie Nordlund. Clean Freak's: Bill Norman, Pete & Nancy Freeman, Monika Kirkland, Larry & Charlene Rivera, Wendy Minniweather, Mike & Rachel Lannigan, Jim Cassidy. I have most likely not mentioned several people, which means I need to ask questions too.

Having great fun with great friends is a wonderful day!

### Mustang of the Month

Alice Cline, Lifetime Member

Howard Junge and his 2008 Black Bullitt Coupe

### Adjourned

Submitted by Charlene Rivera

## **Mustang of the Month Howard Junge 2008 Black Bullitt Coupe**

My everyday driver, for the last eleven years, has been a Suburban. It has been used to haul dogs for as long as I owned it. I come from a family of Ford owners, when I decided to purchase a car that would be fun to drive it had to be a Mustang. I attended the Lacey Mustangs in the Park Show to have a look at the different types of Mustangs. The rain prevented me from having a close look at the cars there but it did allow me the opportunity to talk with their owners, I decided to look for a Bullitt. I wanted a car that was totally factory stock and low miles. After months of searching, using any means available including the common web searches; I had looked at several possibilities and was still looking. I happened to be going by a Ford dealership and saw a black grill out of the corner of my eye. I turned around to take another look and it was a Bullitt that I had never seen advertised. After a short negotiation and a pre-purchase inspection the Bullitt came into my life last September. The Bullitt is everything I was hoping to find and has been fun to drive. I am hoping for some good weather this summer to get it out of the garage and enjoy driving it in the sun for a change.

## So long Nancy!

At the January Membership meeting, Nancy Freeman was honored for her 8 year contribution to the club as our Treasurer. Nancy has given PCMC many years of financial accuracy. She has decided to give someone else an opportunity to serve on the Executive Committee and has decided to tackle the post of MCA (Mustang Club of America) Representative. New Treasurer, Matt Sparkmon, honored Nancy's service with a plaque, gift certificate to one of her favorite restaurant's, Black Angus, and a Treasurer's charm for her charm bracelet. A BIG THANK YOU to Nancy Freeman for keeping our books in order.

## St. Francis House "helping those in need"

With smiles and sincere words of appreciation the St. Francis House in Puyallup gratefully accepted the club's donation of 35 winter caps, 12 scarves, 45 pairs of child/adult gloves and 3 coats plus a donation of \$20.00 collected at the Snowmaggdon Cruise in early February.

St. Francis House offers hope and eases the hardships suffered by the poor. As part of their programs they maintain a Clothing Bank of new and gently used clothing for those families living in East Pierce County and surrounding communities. In 2011, over 2,400 households that meet or were below the federal poverty level benefited from this service. The clothing bank is set up like a department store and clients can "shop" for a designated number of items (based on size of family) at a pre-set number of times during the year. The money saved by families using the bank can then go towards food, rent and utilities.

Special needs of the clothing bank includes clothing for 7-10 year olds, teens & adults, maternity clothes, new socks & undergarments for all ages, and shoes for men and young boys. If you have items to donate contact club member Nancy Freeman [cezar6321@msn.com](mailto:cezar6321@msn.com) or bring to a club meeting.

## Hot Cocoa/Cupcake (Snowmageddon) Cruise

The Cupcake Cruise was a bit tricky this year with our weather! Thankfully, the snow and debris were cleared and an alternate route and date was found. PCMC members arrived at the Safeway parking lot on 6<sup>th</sup> and Pearl St. to a wonderfully sunny day. Club members were very generous and brought in several items (coats, hats, mittens, and gloves) and \$20 that were donated to St. Francis House in Puyallup to help those less fortunate than ourselves. 33 cars left the lot and cruised down 6<sup>th</sup> Avenue to Burning Cupcakes. Even though Burning Cupcakes was very busy that morning, they welcomed PCMC with open arms, loads of delicious cupcakes, free coffee and tea, and iced lemon water. They were so excited to have all of our gorgeous cars. From there, the caravan cruised the waterfront to Pt. Defiance Park. There was a perfect spot for pictures at the top of Owen's Beach. We ended up at Carr's Restaurant and Bar for lunch, prizes, and fun. Thank you to everyone that came and joined us this year.

## Pre-sale of PCMC Car Show T-shirts

Your car show committee members are hard at work finishing up the design of this years T-shirt. You will find the order form on page 14 of this newsletter. The design shown on the order form is similar to what it will look like. The Mustang will be black and the trees will be green. The logos may also be switched around.

Please note that the picture/form is only for ordering, the shirt will be much better than the one we are using here. The art work is not quite finished but the committee wanted to get the order forms into the newsletter and out to our members now.
