Presidents Message April 2012

I think I just saw Noah float down my street! All my bulbs and trees know it's spring, but our weather just does not seem to want to comply. It seems March has come in like a lion and will go out like a lion as well!

Weather aside, spring and the parade and car show season will soon be upon us. Preparations have begun at the Shelby Emporium, aka my driveway. Deep cleanings have started and as weather permits, the new additions are slowly but surely being installed. In case you have not heard the call, time to get moving on your own spring clean ups for the season. Pretty soon the first show of the year will be right around the corner.

Everybody please do your version of the sun dance soon and often! A non-rainy day for the Daffodil Parade would be nice. Paul Nee is getting all of the final info soon.

Tip of the month-a baby bottle brush is a handy tool to clean those hard to reach nooks and crannies like in between the hood springs in your engine or the trunk rails. Tough enough to get the gunk out but not too tough that it scratches the paint. Bamboo skewers will work the same way for the smaller, even tougher to reach areas.

Hope to see y'all at one or all of the many fun events on the calendar this month.

Thnakes up! (As my good friend, Jaekub, would say)

Mustang of the Month Linda and Rusty Yokes 2005 Windveil Blue Saleen Coupe

I think my love for cars started in the womb, or at least shortly thereafter. My father was an excellent mechanic who loved fast cars and motorcycles so everything we did as kids usually revolved around one or the other. He loved to build hotrods and fast motorcycles so my sisters and I would spend hours on end in the garage with him as he restored a gorgeous car or built a custom motorcycle. Being raised in this environment, I naturally gravitated towards fast cars. I owned several fast cars throughout my life but as time went on I finally had to accept that since I had teen drivers I should really get a “mom” car instead of a hotrod. This was a very difficult time for

me and one of my “mom” cars was a 1999 Mercury Cougar. Yes, I know that most people would not exactly consider this as a mom car but since it had a V6 I thought it was a nice compromise. Eventually the kids grew up and moved on so in the winter of 2004, I decided I wanted to buy an American muscle car. Actually, I decided I NEEDED an American muscle car and I did not want some “wannabe” muscle car, I wanted the real deal; a true All American muscle car, something that had stood the test of time and had proven itself as a legitimate muscle car. The choice was obvious, I was getting a Mustang!

After finally convincing my husband that I REALLY needed a mustang, we went car shopping with the intent of buying a GT. Well one of us went shopping for a GT; the other one thought I should settle for a V6. At that time, the mustang had become so popular; you could not find a new GT at any dealership. The only way to get one was to order it. After making it clear to my husband it was a V8 or nothing, we placed my order for a Legend Lime GT and began waiting.....and waiting.....and waiting. During this longer than expected wait, I had heard Korum Ford had a Legend Lime V6 on their lot. Having placed my order for a Legend Lime car without having even seen the color, we decided to stop in at Korum to see just exactly what Legend Lime looked like. I don't know that I ever actually looked at that V6 because as soon as we pulled into the parking lot, I spotted the Saleen. We walked over to her just to look as I knew I could never have anything like that. Even though I had told him I had a GT on order somewhere else, the salesman offered to get the keys and fire her up so we could hear how she sounded. Needless to say, hearing that sweet sound was all it took because my husband immediately decided that was the one and two hours later I was driving her home. Since that day, I have been having a blast with my car. Between all the fun trips I have been on, the new friends I have made since joining Pierce County Mustangs and the enjoyment I have had with the never ending modifications I have gotten hooked on, Mustang ownership has been a blast. Two of my sisters also have Mustangs as well so I know my dad would be proud to know just how much of his love for cars he passed on to his daughters.

Recipe Corner

Scalloped Potatoes with Leeks

Ingredients

- 2 tablespoons unsalted butter, plus more for baking dish
- 2 leeks, trimmed, thinly sliced, and rinsed well (about 1 cup)
- 6 russet potatoes (2 1/2 pounds), peeled and thinly sliced
- 1/2 teaspoon coarse salt
- 1/8 teaspoon freshly grated nutmeg
- Freshly ground pepper, to taste
- 8 ounces Gruyere cheese, shredded (about 3 cups)
- 1 cup heavy cream
- 1 cup homemade or low-sodium store-bought chicken stock

Directions

Preheat oven to 350 degrees. Butter a 12-cup baking dish. Melt butter in a skillet over medium heat. Add leeks, and cook until translucent, 3 to 4 minutes. Arrange 1/3 of the potatoes in dish, slightly overlapping slices. Sprinkle with 1/2 of the salt, 1/2 of the nutmeg, and pepper, followed by 1/2 of the leeks and 1/3 of the cheese. Repeat. Top with remaining potatoes in a spiral. Sprinkle with remaining cheese. Combine cream and stock. Pour over cheese and potatoes. Cover with parchment and foil. (Mixture can be refrigerated overnight.) Bake for 30 minutes. Increase temperature to 425 degrees, uncover, and cook until top is golden brown and potatoes are tender, about 45 minutes. Let rest for 15 to 30 minutes before serving.

Poker Run March 17, 2012

Neither rain, nor sleet, nor snow will keep determined mustangers from enjoying a poker run. On March 17th most of the mustangs came out of their stables only to find a very thin layer of snow on the ground. But, being the resilient species they are they came out to play anyway and by the time they reached their final destination down in Centralia the sun was out to greet them. Proving that it makes Mother Nature smile to see Ponies run.

The 2012 PCMC poker run had 30 cars participating with Ken Coatney leading the pack down the road. The starting point was the Park and Ride at the end of HWY 512, with stops in Tumwater, Maytown rest area, Ground Mound and finally Papa Pete's Pizza in Centralia.

A total of \$240 was collected from the participants with the winners of best hands being Tom Rochefort (\$122.50), Joanna Claxton (\$72.30) and Justin O'Daniel (\$42.20). Jerry Murphy, the organizer of this years cruise, also gave out trophies for worse hands, plus had a special drawing at each stop. People really got into the spirit of wearing green as there were also prizes awarded for the best use of green. This year 1st place went to

baby Lilyanna 2nd place Mama Shay Concannon and 3rd place Pete Freeman.

A very special Thanks to the Leprechaun helpers, Ken Coatney and Friend, Rick & Joanie Nordlund and Kathy Murphy.
