### Presidents Message May 2012

Here comes the sun! Or it should be coming soon, right? I hope everyone has had a chance to recharge their batteries, clean out the cobwebs and are ready for CAR SHOW SEASON!!! I know I have started, but am a long way from show ready clean. Hopefully we will actually get some sun so that I can get out there get 'er done.

Not sure if anyone else is counting down, but there are only 32 days of SCHOOL LEFT! (Till June 20<sup>th</sup>) Then SUMMER!!! At least for me, that's how we teachers measure it. I love how busy we get with fun car stuff over the summer. I almost need a nap just thinking about it all. So make sure to check out the Upcoming Events section of the newsletter. Pick and choose what looks fun to you.

Tip of the Month: Save \$\$\$, take advantage of Pre-Registrations as much as possible. Often it is \$5 or more cheaper if you pre-register for shows and events. It also give the organizers a heads up and time to prepare.

Missy Willert  
2012 PCMC President

## Mustang of the Month Eric and Danny Cobb Mustang, Galaxies and A Ford F100

I have been a Ford fan for all of my life. It all started with my dad's 1964 Galaxie xl and his grandfather's 1967 F100 truck that he inherited. When my dad got the truck in 1992 it was in rough condition, so he had to pick one of the two to restore and his grand-

father's truck took precedence over the Galaxie, The Galaxie was pushed aside until the truck was fully restored. By the time it was ready to drive I wanted to get a muscle car! But I got stuck in a Ford Ranger. In 2006 my dad got the mustang fever again and he brought home a 2006 Mustang GT in Vista blue and then my mother had to have one too so she got an 06 Mustang v6 in Windveil blue. As this was the same time I was finishing college and getting a great new job and with me being a kid, I wanted something faster than my dad's! So, I searched all over and found my 2003 Mustang cobra svt. And then I got the bug

and brought home a 1965 Mustang for a project that I have been working on for the past few years and on top of it I found a second 1964 Galaxie to restore on top of the 65 Mustang.

So, I'm Ford crazy!  
Eric Cobb

## Friday Night Cruise In Griot's

Griot's is now holding a weekly Cruise In. Car's and clubs of all kinds are invited each Friday night from 6-9:00 pm. Live car care demonstrations, tour the car museum, shop for products, music, vendors, raffle Griot's products, food vendors, meeting new friends and old are just a sampling of the fun you can have each Friday night at Griot's.

## Friday Night Cruise In Garage Plus

The cruise-in at Garage Plus is located at the Club House with plenty of parking. The Club House has a relaxed community atmosphere and is a great place to meet others who share the same passion for their cars as you do; whether it is a 1946 Ford, a 1968 SS Camaro or a 2012 Mustang GT.

Some of the features of the Club House are a pool table, a full size kitchen, a bar size circular table with a fire place in the middle and several flat screen televisions situated in family room seating areas.

## Wine and Chocolate Event at LeMay's Marymont Museum

The LeMay Family Collection was opened up for a fun event April 20th and 21<sup>st</sup>. Several wine and chocolate vendor's were on hand for luscious samplings and for purchase too. But the backdrop for this event was still Harold LeMay's beautiful car collection. The new location/museum next to the Tacoma Dome has many upcoming events scheduled even before the Grand Opening on June 2<sup>nd</sup>, try to go and check one of them out.

## Daffodil Parade April 14th 2012

On a bright and sunny day in April four communities enjoyed watching the main attraction of the month long Daffodil Festival. The parade wanders through Tacoma, Puyallup, Sumner and Orting, Washington an all day event and the longest parade in the United States. Eleven Pierce County Mustang Club convertibles had the privilege to carry the Educators of the Year, each selected by one of the 24 princesses from the staff at her school. The contingent traveled right behind the Queen's float, consequently no one in the crowd overlooked our beauties. Club convertibles also carried other various dignitaries.

Traveling in a unit not far behind were an additional 18 PCMC Mustangs which delighted the crowd with their loud pipes and revving of powerful pony engines and fun of watching Mustang sheriff cars herd them down the street with their sirens and lights a blazing.

By the end of the day many faces were sun burned, left clutch legs were tired, and the ponies were wishing for a chance to stretch their tires at a speed higher than 10 miles an hour.

The daffodil industry began in 1925 when farmers planted the flowers in response to the dying hop industry. 2012 marks the 79<sup>th</sup> year of the festival.

## Spring Break Cruise April 15th 2012

We started in Tacoma with 14 mustangs, ready to drive to Olympia to meet up with Mustangs West where we added 8 more mustangs. We stopped for a photo op at the State Capitol, lining up 22 gorgeous mustangs. Some people will do anything to get that "One Special Picture", even under the watchful eye of the Washington State Patrol. We continued on to Montesano for a raffle stop where another mustang joined in. Leaving Montesano, we drove a windy, twisty road as we headed out to the winery. But what would a Pierce

County cruise be - if the head mustang didn't take a detour - Thanks Paul for letting us give Aberdeen a Mustang Viewing. In the end, all the ponies made it to Westport Winery, finding another Mustang on the way making our string of Ponies equal 24.

Kim, the owner of the winery, was a great hostess expecting only 20 people not 20 plus cars with 2 or more people.

She explained the wines and the back ground of the labels making it informative as well as making sure all were able to taste and experi-

ence some yummy wine and appetizers. We loaded the Ponies to head out to Shelton, for a no host dinner at the Little Creek Casino.

All you can eat - some started with dessert, some little one wore hers, but all had their fill. We sold raffle tickets and gave out four great raffles making \$107 for Emergency Food Network.

## Track Day At The Ridge Motorsports Park

Christmas came in April, for some of us! On a beautiful, sunny day 19 Mustangs left Tacoma to go and test their skills on the new track in Shelton, The Ridge Motorsports Park. We stopped in Olympia and pick up some more Ponies. By the time we reached the track, we had 57 Mustangs itching to run the new track. We must give the track owners, Rod and Tom Pritchett, HPDE chair for the PCA Pacific NW Region HUGE THANKS for allowing us to test the track out with 3 parade laps. Twist and turns, up and down hill, to the straight away going at least 60 mph. After the Parade Laps – we cruised through Shelton to the Grove Street Brewhouse for a no host lunch.

Sun + Mustang + Track = Priceless

## Emergency Food Network Food Packing Day

Seven of us were all decked out in rubber gloves, plastic aprons, and hair nets ready and wondering just what we would be repacking at the Emergency Food Network. Frozen carrots was our task for the morning shift. We repackaged 11,120 pounds of frozen carrots! We completed our task so well that there was nothing left for the afternoon shift to do! We did almost 10 times the amount of work that is usually accomplished by volunteer groups. In case you didn't know, PCMC ROCKS! The time flew by and before we knew it, we were finished. We headed of to Carr's Restaurant and Bar for lunch.

The next scheduled volunteer opportunity at EFN is in October. Hope to see more PCMCer's out for the fun!
