Presidents Message September 2012

As summer is coming to a close I am wondering just where it all went. So many fun activities and good times with friends and even adding so many new friends to our club. But, we're not done just yet! There are so many upcoming events to look forward to, a lot of them in good weather.

We've added many new members to our rolls this summer. If you see a new face at a meeting or upcoming event take some time to chat with them and welcome them into the club. I remember when dad and I were new, the time people took to welcome us and get to know us was greatly appreciated, and all of the great connections we made meant and continues to mean a lot to us. So make a special point to make a new member feel a part of our great club.

Tip of the Month: Steel wool. I recently saw someone at the Props & Ponies car show using steel wool on her exterior windows and chrome! It was a beautiful 1965 coupe so I thought I was either delusional from the ungodly hour we woke up that morning, I was mistaken, or she was crazy! So I asked her. Sure enough, she was using 0000 steel wool on all exterior windows and her chrome. Her car looked amazing. It takes absolutely everything off the surfaces. You can find it at any hardware store. It comes in a pretty large bag for about \$2. Just make sure you get 0000 (4 zeroes) steel wool, that is the finest it comes. Works great.

Mission Statement

To promote a better understanding and stronger fellowship in the preservation and maintenance of all Mustang and Shelby automobiles.

Mustang of the Month Nate Irving 2002 Black GT

Well, the story began in January 2009 when I started shopping for my next car. My previous car was a 91 Fox GT that I did love but was getting near its end of reliable life. I found my 2002 black GT with 70k on it for a steal of \$6500. I bought it and started modding everything on it. It's only been to the shop once and that was for my Dyno pulls. Everything was built by me, I set up gears, welded my roll cage, fabricated much of the blower set up, and made my own high Hp fuel system using factory parts. Point is if I didn't know what I was doing, well I learned it. The only stock parts left on the car is part of the body and the short block. I've had a lot of fun with the street pounding 441hp car I've come to love.

Recipe Corner

A Plus Fair Corn Dogs

"Make your own corn dogs just like at the fair with this rich buttermilk corn batter."

Prep Time: 15 Minutes. Cook Time: 4 Minutes. Ready In: 19 Minutes. Makes 20 servings.

Ingredients:

1 cup all-purpose flour	2/3 cup yellow cornmeal
1/4 cup white sugar	1 1/2 teaspoons baking powder
1 teaspoon salt	2 tablespoons bacon drippings
1 egg, beaten	1 1/4 cups buttermilk
1/2 teaspoon baking soda	2 pounds hot dogs
	wooden sticks

Directions:

1. Heat oil in a deep fryer to 365 degrees F (185 degrees C).
2. In a large bowl, stir together the flour, cornmeal, sugar, baking powder and salt. Stir in melted bacon drippings. Make a well in the center, and pour in the egg, buttermilk, and baking soda. Mix until everything is smooth and well blended.
3. Pat the hot dogs dry with paper towels so that the batter will stick. Insert wooden sticks into the ends. Dip the hot dogs in the batter one at a time, shaking off the excess. Deep fry a few at a time in the hot oil until they are as brown as you like them. Drain on paper towels or serve on paper plates.

Drive In Movie Night

Did you know Mustangs go well with movies? Well they do! On a sunny August night 11 cars, mostly Mustangs, gathered at the ole watering hole, Panera Bread, formerly Krispy Kreme, in the South Hill Mall area, and headed out caravan style to the Auburn Valley 6 Drive In to watch "Whimpy Kid Diaries 3" and "Ice Age 4: Continental Drift". There were trivia games, door prizes, and companionship along with a couple of pretty good family friendly movies.

A good time for all then home for the ponies, for the next day would be busy polishing them up for the big show on Sunday.

Thanks to all that came out for the fun!

Back Pack Collection

furnishing the raffle items. Our appreciation to club member Wayne Pistella, owner of Top Dollar Gold & Silver, for his cash donation from the sale of match box cars at the show.

~Submitted by Nancy Freeman

As part of the annual pack back collection at our club show attendees donated back packs, school supplies, and cash in exchange for entry into a special drawing. As a result, club member Pete Freeman delivered to Bill Franklin, Executive Director of the Puyallup Food Bank, 12 stuffed back packs and cash totaling \$84.50. Total value of the donation was nearly \$600.00!!! Many thanks to Charlene Rivera and Joanie Nordlund for

Car Show Goody Bags

Having fun while filling 65 car show goody bags. Hope you pre-registered and received one. Each embellished canvas bag contained 17 items. Many thanks to Brown Bear, Elitie Automotive, Discount Tire, Meguires, MCA, Griot's Garage, Emerald Queen Casinos, West Valley Mortgage, South Hill Mall and Hooked on Driving as well as committee members for providing additional articles. Special thanks to the club members that took the time to fill them.

PCMC Annual Car Show

On Sunday August 12, 2012 some very dedicated PCMC volunteers got up at a dark thirty to start setting up for the annual car show held at the South Hill Mall. It turned out to be a very warm day but the attendance was high and smiles aplenty. There were 179 pretty ponies from all over the Northwest including Port Orchard, Seattle, Port Angeles, Oregon and British Columbia. We had 54 club members vs. 125 non club members participate, which means the word is getting out that we have a great show with fantastic goody bags and neat specialty classes that get voted on. This year it was decided to do two best of shows, one for the early years (64 1/2—78) and one for the later years (79-Present). The winners were Mike Rasmussen for his Mystic Cobra and Roger Henningsen for his “Eleanor”. Great work everyone and hope to see you all next year.

PCMC End of Summer Picnic

On a beautiful Sunday morning in August PCMC corralled their Ponies at Pioneer Park in Graham for the annual PCMC picnic. If you are a PCMC member and have never joined in this tradition you are truly missing out. Not only is there great food, games for the adult, kids AND Ponies but you get to see members that may not do the car show circuit or don't go on the planned outings. This year the Ponies and their owners played at slow drags, which Jolene Alpert and her pretty blue Pony won, and the blind driver course, which Tim and Darin Hanson (a father and son team) won with a time of 1:04. A special thanks go to the organizers of this event Joanie Nordlund, Missy Willert and Charlene Rivera, they really outdid themselves along with the other volunteers who helped in the kitchen and on the playing field.

Woodburn Oregon All Ford Show and Drag

On Sunday morning, one small pony headed down to Woodburn, Oregon. She was on her own, as her friends from Props & Ponies would not be driving the 2 1/2 hour drive down. We had some rain sprinkles and watched the sun come up on the drive. We made it to Woodburn in record time. We parked the pony and started cleaning her up for the show. Charlene went to register and came back giggling - our mustang class was 1995 to current - including everything from Shelby, Roush, and Saleen to Cobras and Modified. We knew we didn't need to clean the pony, but a show is a show and she must always look her best. We left her shining in the sun as we went to watch the drags. As we were walking to the stands, we walked past a 05 Black GT with red and blue lights flashing – you guessed it Oregon State Trooper, so be careful of the Mustangs you pass in Oregon. An all Ford Drag - we saw almost everything! Pickups - New, Old and diesel too –(I bet you didn't know a full size diesel truck could do 110 miles per hour in 10 seconds?), Pintos, Bobcats, Mustangs all years, Fairlanes - with a stuffed dog in the back-seat, Zephyrs, Lincoln Marks, Galaxys and more. Everyone was driving - men, women, teenagers even Grandpa & Grandma in their 1970's brown Ranger Camper Special 4x4 High Boy Truck. We saw 9 second Fox Body Mustangs at 145 miles per hour do a wheelie stand and a Mustang Funny Car do 255 miles per hour. We saw a perfect 0 take off, in the Lincoln Mark - she won her bract and the cash! We experienced it all including the Drag Strip Food. It was a fun day for us and our pony. We will be back next year. Oh - we beat our record time down on the way home!

Passing of the Guard

As your newsletter Editor it is getting time for me to pass it on to a new volunteer and with that I wanted to share a few things. It has been a truly wonderful experience. I was a newsletter Editor for the Spartan Band Association a *few* years back and publishing a newsletter has come a long way since then. I want to thank Jolene and Dan Alpert for showing me the light on using Publisher and training me on getting it to do what I want it to do and not what it wants to do. I have also watched this newsletter grow and grow and grow! It is wonderful to see members contribute and that the volunteers that plan the various events take charge to supply a write up with pictures so that those that were unable to make it can still enjoy it. My proofreader, Nancy Freeman, decided that we needed to reach more clubs and so she started sending it out cross country. Who knew that in my lifetime I would be an Editor of something that people from all over the Nation would read?! I have had a lot of fun with it and had more ideas that I would have loved to implement but the time just got away. Hmmm, maybe the next editor will let me have a guest column? In this position I have met more club members than I would have otherwise. It is funny because I know you all so well from your pictures and your write ups that when I approach some of you at meetings or even out in public I forget that you don't know who I am, just my email address. I also want to thank EVERYONE for their support and kind words every time an issue published, without it I don't know that I would have continued for as long as I did. On that note I do want to leave our members with some gentle reminders and thoughts when it comes to the next newsletter Editor.

As with all positions in our club this one is voluntary and it takes time and energy to make the newsletter something enjoyable to read. Some months it may only take 4 hours to put together and other months it has taken 20. Which means mistakes can and do happen. None of it is intentional and if that happens send off an email asking to have it fixed and voila it will be.

Be courteous. A deadline is a deadline. I know it is easy to get wrapped up in everyday life that doesn't include Mustangs and it can be hard to remember to get that article/flyer/contribution in by the 1st, 5th, 13th or whenever the Editor has it set for. Believe me, I am guilty of doing that as well. Please know that Editors set deadlines to help them stay on track with their own lives of jobs and family time. While it may seem like only one more thing to "slip in" if you times that by 100 members some months can get a little out of hand.

Contribute! Contribute! Contribute! This is your newsletter. What do you want to see in it? Is there a recipe you would like to share? Is there an event you went to and you want to report about it? Is there news you want to shout out to the Mustang world? Send an email to the Editor (by the deadline) and they will be more than happy to include it in the newsletter.

Patience. While we are in the age of technology with our smart phones, and facebook please have patience when sending an email or leaving a phone message. Maybe they are at work and won't be home for 10 hours or they have a doctors appointment, or it's their first day off in 12 days and they are driving their beautiful Pony. Give them some time to get back to you and if you haven't heard back in 24 hours then try again.

Thanks again for your wonderful contributions and support. May you be as generous with it to my replacement as you were for me.
