### Presidents Message October 2012

Oh the nights are getting longer and chillier! It must mean club ELECTIONS are here!!! Just like our armed forces, PCMC is looking for a few good Men and Women to stand up, steer the club, and run for one of our elected positions. If you think a member might be a good addition to the Executive Committee, let them know!

We are also looking for a talented or eager pony lover to take a turn with the club newsletter. A very important position within the club is the newsletter editor. Your job is to compile, organize, design, and jazz up the articles and information for the monthly newsletter.

What are some of your favorite things to do in the club? What do we need more of? Calling for your opinions, remember it's your club. Tell us what you think.

Do you have a great idea for a club get-together, outing, cruise, event, or some fantastic function members would enjoy? Why not step up and organize an event for the membership? Your first attempt at event planning? No worries, there are several experienced members of the club that would love to pair up and walk you thru the steps of putting on a PCMC sponsored event. We need a more diverse group of people hosting events and functions. I know there are some great ideas out there, who's ready to plan an event?

#### Tip of the Month:

Metal Magic is my new found amazing place. I had the car detailed in early July. They did an amazing job for only \$196 including tax. They cleaned the Shelby's interior, exterior, trunk, carpet, windows-inside and out, engine compartment, trunk rails, hood rails, door jams, and wheels and tires. It's a good idea to have your car professionally detailed at least once a year, either at the beginning or at the end of the show season. Some people have it done twice.

They also do a very nice job removing dents for only \$100- Paintless dent repair. I had a door ding and they took it out. I could not tell where it was after they removed it. If they can't remove it, they don't charge you.

No I'm not getting a promotion fee, but they do amazing work and they are not expensive. I recently had a memory loss moment. I was in an unfamiliar drive up ATM machine and "thought" I was over too far left. So when leaving, I swung right. I wasn't too far left and the very HIGH curb on the right left a very ugly, large gouge in my right front wheel. Guess what? Metal Magic takes them out too, for less than \$150.

I can't tell you how much I enjoy this place, but you probably have some idea. Check them out.

## Mustang of the Month BOB & SUE PETERS 2006

We bought our 2006 pony last spring. It is the V-6 with a grey leather interior and had 39,456 miles on it. We are both retired and had Mustangs and convertibles in the far distant past. Sue bought a new 69 Mustang convertible when she graduated from college. I had a 1956 Ford convertible in high school and a 1956 T-Bird in college, then a 1966 Mustang. I have added a C&L air intake for better breathing with the SCT tuner. Not the fanciest pony but fits us at this time. Bob and Sue Peters

## Mustangs West Club Show — Lacey

Our club was represented by 29 entries, resulting in our winning the Participation Award. Well done members! It was great to see soooo many members joining in the fun either by entering a vehicle or just dropping by to say Hi.

## Sun Country Mustang Club Show - Yakima

Two ponies started off to Yakima on Friday morning, “ridden” by Rick & Joanie Nordlund and ourselves. They tested their skills on the Canyon Road into Yakima. They found some great fruits stands and a great place for Dinner – Creek Side Inn off 40<sup>th</sup>, which we highly recommend. As our first day of adventure came to an end, we saw the tail end of a pony sticking out of its cover at the Hotel. As we walked by, we knew we knew that pony, See Ya on its license plate. Not wanting to disturbed it we went on our way to our rooms.

We woke up to a beautiful sunny Saturday for the cruise. We lined up at the park and saw the pony we knew from last night it, was Mike & Linda Rasmussen and their Mystic Chrome Cobra pony. We had 22 other ponies in the herd to cruise the Canyon Road to Ellensburg, for a poker walk & lunch at Red Horse Inn. We got another chance to enjoy the Canyon Road, but only this time we had to watch out for a deer and her fawns, bicycles, and runners. Once in Ellensburg, we parked at the Ford dealership and walked into downtown to explore & pick our poker hand cards.

First Stop was a wine shop for some tasting and a card. Then we walked through the famer’s market where we found all kinds of home grown & home made goodies, plus we found another wine tasting place – causing us to miss the next card stop. As Larry and Rick waited at the dealership, Joanie and I came dragging up the street with all our goodies – who knew 10 pounds of peaches, 7 bottles of wine, homemade salsa, and a huge Zucchini could weigh so much. Next time we’ll take the men with us! We loaded up the Ponies and drove to the next stop – Lunch!

The Red Horse Inn was exactly what we needed. Great Food and Milkshakes. Plus, I won the poker walk with 3 of a kind in 9’s. It was a great prize – a game, \$20 gift certificate for the Saturday Night Cruise In, and 2 free lunches at the show on Sunday. After lunch, we went in search of more fruit stands and wineries. After that we had dirty little ponies covered in dust that needed a good bath, so we decide to find a pony wash barn in Selah, where the cruise in was to be held. Luckily we found a pony barn wash, right next to King’s Row, the hamburger joint where the Saturday Cruise In was. We were glad our lucky streak held because we all won raffle prizes. We used our gift certificate for a round of drinks on us. We enjoyed seeing all the other ponies, not just Mustangs, other breeds showed up too. We met & visited with new & old friends alike.

Sunday dawned a little hazy due to the fires in Wenatchee. But the sun was out and it was going to be a beautiful day for the pony show! At the show we found 5 more ponies had made it over from Pierce County Mustang Club making a total of 8. We enjoyed the day full of ponies, prizes, and apples. After the show- 3 of the ponies were hungry, so we took them to the Red Horse Inn for one last meal before heading back over the pass.
