President's Message May 2013

May promises to be filled with sun! I've almost forgotten what that is. Let the count downs begin! For Reno, for Steamboat Springs, for Relay for Life, and for car show season! I know I'm getting very excited.

This year dad and I have decided to take on our first long distance car show. We've done several day drives there and back shows, but this is the first out of state show. We are heading off to Steamboat Springs, Colorado over Father's Day weekend. We've registered, got our accommodations, made appointments to have the Shelby's detailed, started our planning, called grandma to tell her we will be dropping down to visit for a few days afterward, and are wondering just how many things we either haven't thought of or don't know to think about.

I'm also excited for the Duck Daze parade on June 1st in University Place. I know it's a ways away, but planning just might be necessary for this one. I've been told by the organizer that kids line the street and candy tossing is expected. I've been advised that 50-60 lbs of candy is what is usually needed to make it through the parade. Decorating, you and your car are also encouraged. There are rumblings of giant ducks, hats, costumes, and streamers, basically anything duck goes! If you don't have a club window cling, or lost yours in the Daffodil parade, and would like one, let Nancy Freeman know. You can purchase one for \$20.

Tip of the Month:

Time to check all those hoses, wires, and cables under the hood before show season. Sometimes they wiggle loose and need to be tightened up or ??? Clean off those connections before you spend lots of money replacing them, sometimes you only need to do a bit of refurbishing instead of replacing.

To date the 50/50 Charity Raffle has collected \$129.00.

You can purchase as many tickets as you like at each month's club meeting for \$1.00, write your name on the back (in the event you lose your tickets) and tickets will be held by the Raffle Chair. Tickets will also be available for purchase at club events and cruises. **YOU HAVE TO BE A PAYING CLUB MEMBER TO PURCHASE TICKETS.**

Recipe Corner

TIRAMISU

Compliments of Nikolas Pistella

Ingredients

- *6 egg yolks
 - 3 tablespoons sugar
 - 1 pound mascarpone cheese
 - 1 1/2 cups strong espresso, cooled
 - 2 teaspoons dark rum (white grape juice as sub.)
 - 24 packaged ladyfingers
- 1/2 cup bittersweet chocolate shavings, for garnish

Directions

In a large bowl, using an electric mixer with whisk attachment, beat egg yolks and sugar until thick and pale, about 5 minutes. Add mascarpone cheese and beat until smooth. Add 1 tablespoon of espresso and mix until thoroughly combined.

In a small shallow dish, add remaining espresso and rum. Dip each ladyfinger into espresso for only 5 seconds. Letting the ladyfingers soak too long will cause them to fall apart. Place the soaked ladyfinger on the bottom of a 13 by 9 inch baking dish, breaking them in half if necessary in order to fit the bottom.

Spread evenly 1/2 of the mascarpone mixture over the ladyfingers. Arrange another layer of soaked ladyfingers and top with remaining mascarpone mixture.

Cover tiramisu with plastic wrap and refrigerate for at least 2 hours, up to 8 hours.

Before serving, sprinkle with chocolate shavings.

* Raw Egg Warning

Food Network Kitchens suggest caution in consuming raw and lightly cooked eggs due to the slight risk of salmonella or other food-borne illness. To reduce this risk, we recommend you use only fresh, properly refrigerated, clean grade A or AA eggs with intact shells, and avoid contact between the yolks or whites and the shell. For recipes that call for eggs that are raw or undercooked when the dish is served, use shell eggs that have been treated to destroy salmonella, by pasteurization or another approved method.

Notes:

So I found out that instead of the wine you can use white grape juice as a substitute

Instead of coffee you can just leave that out or maybe add some coco powder (chocolate powder or whatever it is called).

Daffodil Parade

By Pamela Pistella

The Daffodil Festival just celebrated its 80th year. The parade itself has been going on ever since 1934, with the exception of the war years of 1943, 1944, and 1945. The parade travels through the four cities of Tacoma, Puyallup, Sumner and Orting. This year's theme was the "Magic of Music", which had of over 150 entries, including floats, bands, marching, and mounted units. Floats are decorated with thousands of fresh-cut daffodils and the parade is a bridge that links one generation to another. If you would like to know more about the history of the Daffodil Festival go to

www.thedaffodilfestival.org .

The Pierce County Mustang Club has had the honor to be a part of this tradition for the past 4 years. Thank you to Paul Nee for coordinating with the Daffodil Committee so PCMC can participate in the parade and be a part of the Puyallup Valley history. Each year our club has carried the Educators of the Year, Pierce County Executive and PC Superior Court Judge in our convertible Mustangs. We also have had a Special Unit featuring the various styles of Mustangs in our club.

This year was another spectacular event. PCMC was representing in full force. We had twelve convertibles for the Educators of the Year, one for the PC Executive and PC Superior Court Judge. Representing the Special Unit, were seventeen Mustangs. Although the weather was not a blue cloudless sky, we cantered down the parade route in style with our shined up ponies, smiles on our faces, and daffodils on our cars.

Unlike the past years, where there was nothing but sunshine during the parade, this year the rain clouds decided they needed to represent. After all this is Washington and the rain never stops anyone from enjoying a good show. However, the rain clouds were very gracious to the convertibles in all four cities during the parade. To everyone's surprise the convertibles were able to roll through the parade route with their tops down, allowing the special guests they were carrying be seen. When the convertibles were done with the parade route the rain came back and continued until the next parade started. This was a perfect rain scenario for convertibles on a parade day that is being televised. Yes that's right the Daffodil Parade in Puyallup was televised and shown on Kong that night at 7PM.

Continued on page 12

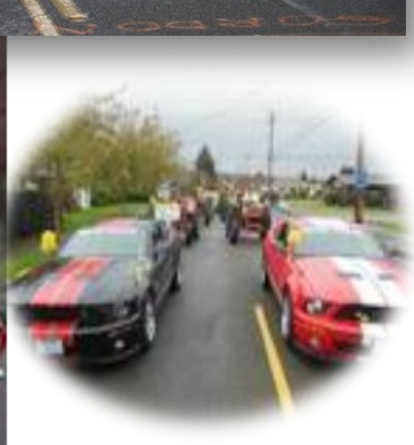

Daffodil Parade (continued)

The Special Unit was not as lucky in the rain department. The rain clouds were so very excited to see so many beautiful Mustangs along the parade route they just couldn't stay away. It may have been raining off and on during the parade but these Mustangs knew how to entertain the crowd. There was a show of sirens sounding off and police lights shinning , engines flexing their muscles and over all looking fresh and sounding mean!

This year's parade was once again a success. Many of us went to Ricky J's in Puyallup after the long day We all sat and ate dinner and watched the parade from start to finish just to see all the beautiful Mustangs shine on television. Thank you to all that participated. If you were unable to make it this year please put it on your calendar for next April. The club is always looking for more cars to join the parade, especially convertibles.

Scavenger Hunt

By Monika Kirkland

First of all, I like to let every one know the cruise organization was a lot of teamwork. Starting with the route mapping done by Rachel & Mike, the crafting of the plaques by my husband Lenny, Nancy's help with South Hill Mall Security, Joanie's arranging the reserved parking and discount lunch coupons at EQC, to Rachel & Charlene help with the score tallying. A big THANK YOU!!!!!!

11 cars participated in our scavenger hunt. The weather was cloudy, but it did not rain on us. We encountered no problems with the South Hill Mall security. As Nancy and I were diligent in checking with them as well as the Applebee's Management.

The route was mapped out by Mike and Rachel. A big THANKS. I stayed in the lead for about 3 miles. Tuned into my music, I missed a turn and found myself all alone on the road. Got utterly lost within those South Hill neighborhoods. And this after driving the route 2 times.

But then I encountered a few Mustangs along the route. Beautiful scenery with the countryside busting out of the seams with those spring colors. I am sure some pictures can be found on our photo bucket site.

Our destination was the EQC Fife. Thank you Rachel & Charlene for helping me weed through all the pictures, things to get, and the Q&A's. Also a big Thank You to Joanie for organizing the ½ off lunch coupon and the reserved parking. The meal was inexpensive and good.

And the winners were:

- 1st place Stacy & friends
- 2nd place Pammy & Cary
- 3rd place Rachel & Mike
- 4th place Renea & Tony
- 5th place Pete & Nancy
- 6th place Tina, Max & kids

Scavenger Hunt (continued)

I would like to thank everyone for coming out. I enjoyed myself (excluding the lost part) and I hope you all did as well.

If there are any suggestions for making the cruise more fun, feel free to let me know. I will pass it along to the next brave soul to organize a scavenger hunt.

If anyone is interested in organizing a cruise of any kind, please let me know. I will gladly lend a helping hand. Just don't follow my car!

Wine Tasting & Nursery Visit

By Pamela Pistella

It was another wonderful wet Washington Sunday afternoon. We had 13 Mustangs join the cruise to the Rainier View Winery and Nursery. When we arrived to the winery we sat in their greenhouse. The green house was full of beautiful greenery and flowers. The owners of the winery talked to us about each of the 9 wine that we sampled. They do not make ordinary American wine. Their recipes come from Europe. If you like wine, this winery is a nice change in pace and it's close by in Graham. We all had a great time talking to one another and wandering around the nursery picking up a few things for the garden. Thank you to Bill Norman for putting this cruise together.

Emergency Food Network

By Nancy Freeman

Early, but not too early on a Saturday morning 10 club members met to volunteer time at the Emergency Food Network and to again participate in their Repack Program. In the past members have repacked huge containers of frozen carrots or peas, this time it was 4,800 pounds of kernel corn. Tasks include filling family size poly bags with product, twisting and sealing, then transferring to large storage boxes for future disbursement to local food banks.

15.5 million meals were served in Pierce County in 2012. More than 14 million pounds of healthy, nutritious food is annually provided to 67 food banks, meal sites and shelters for distribution to low income families and individuals.

Our next day of volunteering is scheduled for November 9th, consider joining in this fun, feel good event.

Many thanks to Nikolas, Linda, Pete, Pammy, Chris, Stacey, Rachel, Missy, Clay and Nancy.

Hooked on Driving

By Charlene Rivera

Hooked On Driving (HOD) is a community of indi-

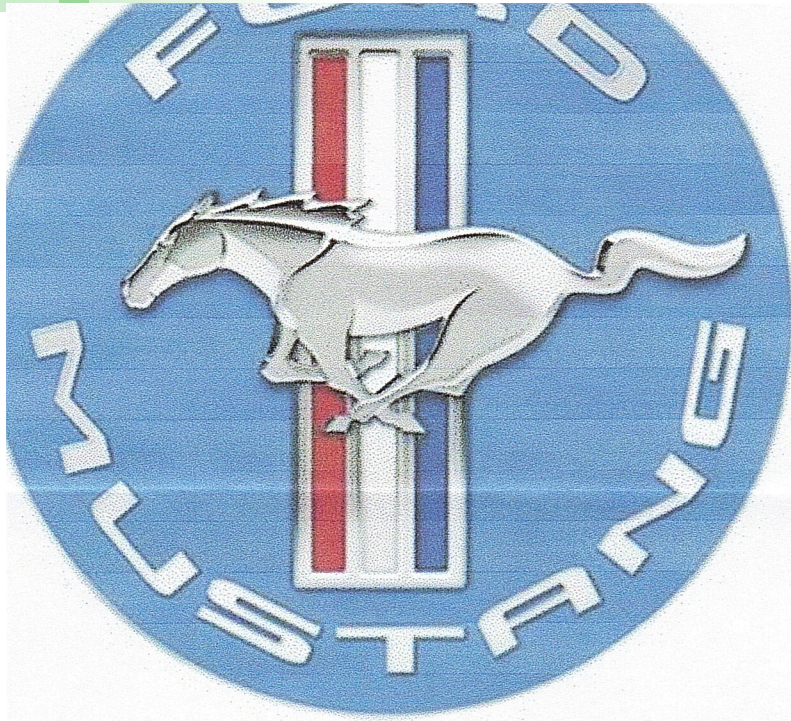

viduals who share a passion for driving their cars.

HOD is primarily focused on providing high performance driver training for those with capable cars, in the controlled environment of a race course – with NO competition or training for competition. All that is needed to participate is a safe, well maintained and reliable car, and an auto racing helmet with an SA 2005 designation or newer. There are some restrictions on driving convertibles – please visit www.hookedondriving.com . With a focus on safety, coaching, learning and fun, HOD drivers are able to experience their cars at a higher level on a track than would be safe or prudent on the public highways. As a result, drivers gain a new appreciation of their car – its capabilities, strengths and weaknesses; as well as their own skills as a driver and the need to develop those skills. Oh, and by the way, they have a **TON OF FUN!**

HOD has given PCMC members and their guest a discount cost on their events. If you would like to enroll in an event, please contact Charlene Rivera at riveralarrycharlene@comcast.net to receive the "Code". You may pick any event day that HOD offers or you can join us on our PCMC day, Friday August 23. Lunch is included. Cost is \$250

To the Pierce County Mustang Club members with a million thanks and endless gratitude

The personalized gifts of magazines, games, football, and my favorite foods were awesome. It is cold and boring during snow season so everything will be put to great use.

THANK YOU THANK YOU THANK YOU

I am excited to skim the magazines and catalogs when I get a chance so I can find inspiration for the Bullitt. You have all been wonderful friends to me and my family. Thank you for everything. I cannot wait to get home and cruise with you again!

Come Join the PCMC Relay for Life TEAM

May 17th -18th 2013

What is Relay ?

At Relay For Life events, communities across the globe come together to honor cancer survivors, remember loved ones lost, and fight back against a disease that has already taken too much. The funds you raise truly make a difference in the fight against cancer – just ask one of the nearly 14 million cancer survivors who will celebrate another birthday this year!

Relay teams camp out overnight and take turns walking or running around a track or path at a local high school, park, or fairground. Relay events are up to 24 hours in length and, because cancer never sleeps, each team is asked to have at least one participant on the track at all times.

Who Can Relay?

PCMC has formed a relay team. Grab anyone you know, whether it is a family member, club member, best friend or neighbor and partner up to walk as much as you can.

Where is Relay?

The Field of HOPE - AKA White River Alternative Field
27515 120th St E, Buckley

When is Relay?

Relay will start at 6pm Friday May 17th 2013 and will conclude at noon on Saturday May 18th 2013

Because it's a team event, individual participants are not required to be there the entire time. But it's so much fun; you'll find it hard to leave!

Why Relay?

Most of us have been touched by cancer in one form or another. This gives us a chance as a club to honor or remember those that have fought this disease.

How to Relay

- As a team member you would be responsible to earn some money whether it is \$10 or \$100, every penny counts!
- Sign up for a time slot to walk and then show up to walk it. You can walk as little as ½ hour or 1-2 hours.

For more information or any questions you may have
email Renea Merwin at Reneas06GTUP@comcast.net OR call 253-380-2653

The Left Behind Cruise

A lot of our club members will be heading to Reno to participate in the MCA National Show June 7 - 9th. We wish them safe travels and a fun event.

For the ones left behind I would like to organize a cruise/picnic. On Saturday the 8th of June. Leaving the Safeway parking lot on 6th Ave. around noon.

Traveling past Chambers Bay along the water to the historic Town of Steilacoom for a picnic in the town park.

For those that like to experience a ferry ride we will embark the ferry to Anderson Island after the picnic. Cost is around \$20.00 per car.

I know the island has some nature trails. Was thinking about an ice cream stop. The grandkids and I will explore the island during spring break and we will let you all know.

This of course is all weather permitting. This would be an informal cruise with no frills. (No dash plaques, etc.)

Anyone interested please drop me an e-mail mittelweg4@yahoo.com or call (253) 376-5964.

Sunday the 9th there is the Topless (convertibles only) Show at XXX in Issaquah or Horsepower Show at Griot's in Tacoma.
