President's Message June 2013

It's hard to believe June is finally here, but thank goodness it is! We've had quite a number new members join the club in the past few weeks. I'd like to take this time to welcome all of you and thank you for joining our club. I happen to think we are pretty fantastic. If you are at one of the many upcoming events and see someone you do not recognize, take a minute or two and introduce yourself and make them feel welcome.

Big news of changes coming to our general membership meetings. Korum has decided that they are NOT going to summer hours, staying open only until 8:00 pm, and have requested that we are out of the building by 7:45 pm. The Executive Committee has decided in lieu of this change, that **BEGINNING AT THE JUNE MEETING, WE WILL NOW START OUR MEETINGS AT 6:30 pm.** This will ensure we have enough time for business and socializing too.

Hope everyone's getting not only your cars, but yourselves ready for all the fun happenings getting ready to kick off.

Tip of the Month:

I know most people have their favorite brands, products and concoctions in their car care kit, but do you also have a wide assortment of cleaning accessories?

Don't forget:

Baby bottle brushes for door jams, hood hinges, and hard to reach areas

Bamboo skewers for creases and in between spots

000 steel wool for chrome and glass

Rubber gloves for your hands

Knee pads for comfort

Paint brushes of all sizes for almost anything

Micro fiber rags and tons of them

Maybe even an apron to wear detailing so you don't accidentally scratch the finish

Plastic bags for times when trash cans are far away

Sunscreen

Beef-Stuffed Zucchini Recipe

photo by Taste of Home

Ingredients

- 4 medium zucchini
- 1 Pound Ground Beef
- 1/2 cup chopped onion
- 3/4 cup marinara or spaghetti sauce
- 1 egg, beaten
- 1/4 cup seasoned bread crumbs
- 1/4 teaspoon salt
- 1/4 teaspoon pepper
- 1 cup (4 ounces) shredded Monterey Jack cheese, divided
- Additional marinara or spaghetti sauce

Directions

- Cut zucchini in half lengthwise; cut a thin slice from the bottom of each with a sharp knife to allow zucchini to sit flat. Scoop out pulp, leaving 1/4-in. shells.
- Place shells in an ungreased 3-qt. microwave-safe dish. Cover and microwave on high for 3 minutes or until crisp-tender; drain and set aside.
- Meanwhile, in a large skillet, cook beef and onion over medium heat until meat is no longer pink; drain. Remove from the heat; stir in the marinara sauce, egg, bread crumbs, salt, pepper and 1/2 cup cheese.

Spoon about 1/4 cup into each shell. Microwave, uncovered, on high for 4 minutes.

Sprinkle with remaining cheese. Microwave 3-4 minutes longer or until a thermometer inserted into filling reads 160° and zucchini are tender. Serve with additional marinara sauce. **Yield: 4 servings.**

2013 Korum Mini Mustang Show

By Jerry Murphy

Saturday was the only day for the show this year as per request of the management of Korum. The weather was great and this brought out a lot of people to look at the cars. We set a new record of participants in this year's show. In total we had 32 cars who proudly displayed their ponies. We had classics, new edges, Fox Bodies, 5th generations (10-14') and let's not forget about the Boss and Co-bras. There were great looking cars out there on the parking lot.

I would like to personally thank Rachel Lanigan, Pete Freeman, Charlene Rivera, Joanie Nordlund who helped with Parking and Registration. I would also like to thank all who showed up and helped in one way or another making the show a huge success.

Again, there was great support from Korum and they as in the past certainly made us all feel more than welcome. Jeff Beatty was present and thanked all for their bringing their cars and making this a great show. He also presented the trophies to our winners and was very appreciative of our club. The winners of the Korum Mini Mustang Show were 3rd Place – Dennis Willert, 2nd Place – Ken Coatney, 1st Place – Bill Bailey and BEST IN SHOW – Eric Cobb

Relay For Life

Celebrate, Remember, Fight Back

By Renea Merwin

On Friday May 17th Pierce County Mustang Club revved into Buckley to participate in the Relay For Life event. Officially 12 members signed up to walk different shifts of this 18 hour overnight event but we had a turnout of 16 people with the youngest walker having just turned 2. We only had two members brave the elements for the duration but there was a larger group that stayed well past midnight. There was also one lone member who came out on a rainy Saturday at 7:30am to help relieve the two walkers that had been walking by themselves since 4am.

For those that don't know, Relay For Life is an overnight fundraiser for the American Cancer Society. It is where groups of people form teams to help raise money and awareness of what the ACS can do for those afflicted with cancer. Our club raised over \$1500 in the endeavor, with one club member earning \$596 all on her own!

We met some new faces as one new club member brought his wife out to celebrate and walk the survivor lap. We also had another member join us that day who was able to walk the survivor lap too. It is amazing to stand on the sidelines to clap and cheer as these courageous people, who have fought a serious fight, walk by in their purple shirts.

This year the theme of Relay was Making Cancer History. Going with this theme we chose to decorate our campsite in a space theme as we decided we were sending cancer to the moon. While we did not win for the best decorated campsite we did win for the best decorated garbage can. It was made into a rocket ship, complete with glowing boosters...though the inside joke was it was really a gnome.

The most touching part of the night happened at 10pm. That is when the Luminary Ceremony started. Bags had been made up with people's names that have fought cancer and either won (celebrating), lost (remembering) or are going through it (fighting back). Inside the bags candles (glow sticks) were placed, the lights around the walking area were then dimmed for an hour to let the bags glow. Stories were also shared about people that the bags were made for. Even when it was a story with a happy ending, you needed some tissue.

If you ever get a chance to go to a Relay For Life event I would strongly urge you to do it. While it is a fundraiser for a very serious disease it is a party atmosphere with music playing the whole time, activities galore and each team has a "campsite" that they decorate with a specific theme they have chosen. There is also what is called onsite fundraising where the different teams sell different things, this could be bracelets, cupcakes, or t-shirts, to different activities like a photo booth, carnival type games or face painting.

Relay for Life (Cont.)

Celebrate, Remember, Fight Back

By Renea Merwin

But most importantly if you or a loved one is going through cancer the ACS has many programs out there to help; be it a ride to treatment or feeling pretty again after chemo and receiving a wig. To find out more you can either call their 24 hour hotline 1-800-227-2345 or go online to www.cancer.org

I want to thank all of you that supported our team whether it was by signing up to be on the team, donating money or coming out with your pom poms and being a cheerleader. It was a great experience on many levels and I hope that we are able to round up people to do it again next year.

Hooked on Driving

By Charlene Rivera

Hooked On Driving (HOD) is a community of indi-

viduals who share a passion for driving their cars.

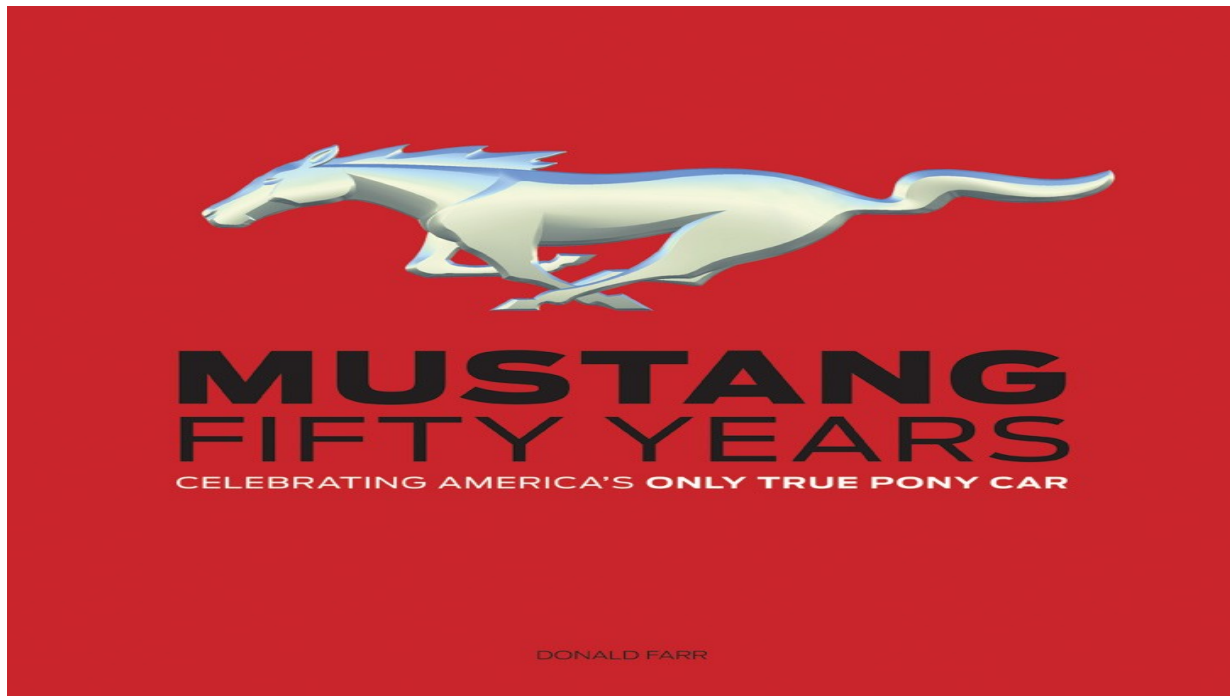

HOD is primarily focused on providing high performance driver training for those with capable cars, in the controlled environment of a race course – with NO competition or training for competition. All that is needed to participate is a safe, well maintained and reliable car, and an auto racing helmet with an SA 2005 designation or newer. There are some restrictions on driving convertibles – please visit www.hookedondriving.com . With a focus on safety, coaching, learning and fun, HOD drivers are able to experience their cars at a higher level on a track than would be safe or prudent on the public highways. As a result, drivers gain a new appreciation of their car – its capabilities, strengths and weaknesses; as well as their own skills as a driver and the need to develop those skills. Oh, and by the way, they have a **TON OF FUN!**

HOD has given PCMC members and their guest a discount cost on their events. If you would like to enroll in an event, please contact Charlene Rivera at riveralarrycharlene@comcast.net to receive the "Code". You may pick any event day that HOD offers or you can join us on our PCMC day, Friday August 23. Lunch is included. Cost is \$250

The Left Behind Cruise

On the flyer it says “ weather permitting “. I intended that to be so for the whole cruise. Now it is just for the picnic part.

After talking to the nice folks in Steilacoom I decided to go ahead with the cruise, rain or shine.

The Museum is sponsoring a tour of 6 historical homes in Steilacoom. I will have to check them out. I will start my journey @ Safeway on 6th Ave at noon. Sure hope you can join me. It will be a short cruise (partially) along the waterfront. In case of rain, there are several eateries within walking distance from one another in Steilacoom. There will also be a tour available @ the Wagon Shop.

Cruising to Anderson Island is still a possibility. The old Island General Store has some seating outside and ice cream (the generic kind) for sale.

Anyhow, some info can be found on the back of the flyer (see pages 20-21). If you need to find out more, you can reach me @ mittelweg4@yahoo.com or by phone (253) 376-5964.

Happy cruising!!!!
Monika
