President's Corner

President's Message August 2013

We have been pretty lucky weather wise this summer. Members have been near and far this summer enjoying the sun and their ponies.

As we begin August, the count down to the car show is ON! If Charlene and Monika haven't wrangled you in to volunteer at the show yet, don't worry. There's always room for people to help load the truck at the storage shed the night before, early morning set up day of, and break down and unloading after the show. If you can help out, contact our hard working show chairs

Tip of the Month

While it may seem as though the club magically rolls along each month, we have some hard working club members that make it all come together. Club elections are not until November, but the recruiting process has begun! To continue to have a well working club we need members to run for elected office each year. All Executive Board positions are for one term or year. The positions are: president, vice-president, secretary, treasurer, four board positions. All positions need to be filled.

Mustang of the Month

Buddy Mahlum

1988 SSP

This is my 1988 SSP (Special Service Package) Mustang Coupe named "Vixen". I first started my obsession with these cars when I would go over to my good friend, Brian Heimann's house (Fellow PCMC Member) to help work on some of his Mustangs.

I originally started out with a 1990 Convertible, that I had purchased from Brian and began working on her in his garage. But when I had the opportunity to purchase my dream car, I couldn't pass it up and the convertible went away.....wife said I could only have one.

This car was a Traffic car with the Pierce County Sheriff's Department. Brian and Robert King (another Fellow PCMC Member) have been helping me restore this car back to the way it was when it was on the streets of Pierce County. It also helps that Robert owns a 1988 SSP Coupe that was also a Traffic car with Pierce County.

Recipe Corner: Apple Chicken Curry

Ingredients

Makes: 4 Servings

- 4 boneless chicken breasts
- _ 1½ teaspoon nsa curry powder, divided
- _ ¼ teaspoon Mrs. Dash
- _ 1 tablespoon or more nsa chicken broth as needed to prevent sticking
- _ 1 large Golden Delicious apple, peeled, chopped (or use 1 or 2 small Galas)
- _ 1/3 cup chopped onion

Preparation method

With meat mallet or similar utensil, pound chicken to ¼ inch thickness; sprinkle or rub chicken with half of curry powder and Mrs. Dash. In heated nonstick skillet with broth, add chicken and cook, turning, 8-10 minutes or until chicken is brown and tender (cooking time depends upon level of burner). Remove chicken to platter, keep warm. To same skillet, add apples and onions (may need to add little more broth); sprinkle with remaining curry powder and cook, stirring 2-3 minutes or until apple and onion are almost tender. Spoon over chicken. Serve with rice, if desired.

CONGRATULATIONS TO US

Pierce County had a spectacular showing at the Mustangs Northwest show. And with everyone remembering to spell out our full club name to avoid confusion with the other PCMC in the area we took home the \$250.00 prize. This award will be added to our annual charity donation at the end of the year.

Mustangs on the Waterfront (Kitsap Mustang Club) brought out 22 club cars and as a result we “drove” away with the club participation award. Check out the award at the next club meeting. In addition to all the class trophies members took home...Bill Norman's 1968 California Special was selected for the Mayor's Award and Mike Rasmussen's 2004 mystic chrome Cobra received the Carroll Shelby Award. Check out the pictures posted on Photo-bucket.

COMMUNITY OUTREACH PROJECT

Many of the young people in our local communities are unable to afford the supplies they need to start the school year. Once again PCMC is collecting backpack/supplies at our annual August car show. Please consider joining in this worthwhile project, besides the feel good feeling, you will receive a raffle ticket for 2 special drawings. Not into shopping or run out of time? A donation of \$20 will also get you a raffle ticket.

50/50 RAFFLE

Remember tickets are available at all club meetings and events. Drawing will be at the club holiday gathering in December BUT you do not need to be present to win. Get your tickets and lets see how much money we can raise for the Emergency Food Network (and yourself)!

P-51 Photo Op

By Missy Willert

What a nice day for a picture! 16 members took advantage of having their beautiful Mustangs photographed in front of a P-51 Mustang. We were able to help the plane's owner raise enough money to pay for his gas for the Wings & Wheels car show and aerial display the following day at the Narrows Airport.

A huge thank you to club members Pete Freeman for setting up and staging all cars, Stacey Mellinger and Chris and Nancy Freeman for taking all the photographs and downloading them to the club's Photobucket account. From there participating members were able to download their images.

Lakewood Ford Mini Car Show

By Missy Willert

We had 16 cars and a new Harley show up for the show this year. The sun was out in full force and it was a gorgeous day for a display of Mustangs and our appreciation for one of our major car show sponsors, Lakewood Ford. We were able to recruit a new member and also pre-registered 3 cars for the show!

The salesmen at Lakewood put on a delicious BBQ for us that hit the spot. We were visited by a friendly Pierce County Sheriff that stopped in for a visit too.

At the end of the day, employees and customers voted for Rich Eberly-Best of Show, Mike Rasmussen-1st place, Brian Heimann-2nd place, and Dan Alpert-3rd place. Mysteriously all of this year's winners were blue! (If you look at the Mystic at the right angle!). Congratulations to all the winners and thank you to all that came out.

Pony Trails 2013

By Monika Kirkland

Friday the 19th of July promised to be a sunny day. So I decided to head up to Bellevue College and spend the morning cruising with some ponies. The traffic was stop and go for the most part (or so it seemed) heading up via 167 & 405. There was a fair amount of Mustangs and one Grand Marquis in the parking lot. I am bad at guessing but I would say around 150 or so cars.

This time I was the last to leave, since I wanted to just cruise and enjoy the ride. Two more peeps were going my speed. The route took us going east on I 90, through Issaquah to Hobart road, onto SR 18 along the way to where I 90 intersects. From there it was all back roads. The smell of grass and summer flowers filled the air. Awesome vistas, but no place to stop and take pictures.

It sure was a very relaxing drive once we left the towns behind us. The morning started out with overcast skies, which changed to sunny along the way. We ended up coming into North Bend the back way. Town folks enjoyed the impromptu parade. By the time we arrived at the Outlet Mall, I had maneuvered myself to the of the front pack. Seems a large group had taken a cruise within a cruise and loved one little bridge so much that they crossed over 3 times before moving on. (To the amusement of the town folks). After spending some time socializing it was on to some serious shopping and doing a small but awkward favor for a club member in the coach outlet, which did not go unnoticed by the sales staff. Great cruise!!!!!!
