President's Message September 2013

Oh say it isn't so! As the leaves begin to turn and the car show circuit winds down, so comes to an end does summer. Even as summer comes to a close, there is a bit of life left. Some members will cruise over to Yakima and Paterson for

shows. Locally Riverside Ford and Mustang's West are favorite shows too.

Even as the shows come to an end, monthly cruises and events start ramping up. We are still looking for someone to take charge and organize a September outing. If interested, contact a board member and we will get it on the calendar.

Some sad news to report. One of our club's co-founders, Bill Ochs, recently passed away. Services were held August 31st at Good Shepherd Lutheran Church. The club sent flowers. Several members attended the service. Thank you Bill for pulling us all together. I know the club has changed my life. You will be remembered.

<http://www.legacy.com/obituaries/tribnet/obituary.aspx?n=frank-ochs-bill&pid=166571380#fbLoggedOut>

The car show was another huge success! Thank you to everyone that participated, planned, and headed up committees and especially our co-chairs Monika and Charlene for a great show! For those interested, the next car show meeting will be held at the Lanigan's home on September 10th at 7:00 pm. We will be wrapping up this years' show before we begin to plan for next years' show.

Tip Of The Month

Mr. Clean Magic Erasers. Yep, you heard me Mr. Clean Magic Erasers. I recently discovered these are great to get rid of film on the inside of your windows, dust your dash, and even eliminate smudges you find in the finish of your car's paint.

Mustang of the Month

Randy Brown

2007 GT

I bought my 2007 GT with the GT appearance package, brand new in October 2006 and it has been my daily driver every since. I have driven it all over Washington and Oregon on road trips, rallies, etc. and it fits in nicely with the other Fords that I own, which include a 1965 Mustang hardtop, a 1963 Mercury Comet S-22 and 1972 F250. Mustangs and Fords have been in my family since before I was born. The 1965 has been in my family since 1974 when my mom received it for her graduation present, I can remember riding around in it while growing up. I bought my F250 from my Grandfather when I was sixteen. When I turned eighteen I was given the 1965 Mustang. The Comet was a car I worked on in auto shop in high school for my math teacher. A few years after I graduated my brother had the same teacher and found out the car was for sale. That was all I needed to know and bought the car.

IN LOVING MEMORY

It is with sadness we announce the passing of charter and lifetime member Bill Ochs on August 15th. A graduate of Lincoln High School, he attended UW and UPS and was a 32 year educator for Tacoma Public Schools.

During the summer of 1991, Bill noticed while attending Mustang car shows that at almost every show he attended, there were other attendees from the Pierce County area. In talking with these folks it was suggested that they start up their own Mustang club and thus was born the Pierce County Mustang Club.

Bill is survived by his girlfriend of 21 years Toby Barton and his three children, Dawn, Brian, Mark, 3 grandchildren and one great grandchild.

To those of you who attended Bill's services, drove your Mustangs and wore club colors, thank you...Bill would be so pleased.

Recipe Corner:

Ingredients

- 1 [pie crust](#)
- 6 granny smith apples,
- 1/4 c cup sugar
- 1 Tbsp brown sugar
- 1/4 tsp [cinnamon](#) (more or less make adjustment as desired)

Directions

1. Heat oven to 375°
2. Cut off the top of 4 apples off and discard. Remove the inside of each apple with a spoon very carefully, as to not puncture the peel.
3. [Remove skin](#) from 2 additional apples and slice very thinly. These apple pieces will give you filling needed to fill the four apples you are baking.
4. Mix sliced apples with sugars and cinnamon in a bowl. If you prefer more or less cinnamon and sugar, make adjustments as desired.
5. Scoop sliced apples into hollow apples.
6. Roll out pie crust and slice into 1/4 inch strips.
7. (You can also add a strip of pastry inside the top of the apple almost like a liner to add a little more texture/sweetness to the pie.)
8. Cover the top of the apple in a lattice pattern with pie crust strips.
9. Place apples in an 8x8 pan. Add just enough water to the cover the bottom of the pan. Cover with foil and bake for 20-25 minutes.
10. Remove foil and bake for an additional 20 minutes or until crust is golden brown and sliced apples are soft.

People's Retirement Home Display By Missy Willert

The cold, cloudy, dreary morning soon turned to a hot sunny afternoon. Just perfect for getting the cars ready in the morning and enjoying residents and participants in the afternoon. Eleven cars, and that pesky new Harley, turned up to display their beautiful vehicles for the residents of the retirement home.

Several residents and neighbors came out and enjoyed the cars. The delight on their faces and conversations made it all worth while. There were no trophies at this event, the purpose was purely to entertain the residents; giving them a chance to get out and about to stroll through the ponies and interact and chat with a new group of folks.

The center fed us a tasty lunch of burgers, dogs and fixings. We signed up a new member and peeked the interest of another. Another great day in the Northwest!

2013 Pierce County Mustang Club Car Show

By Monika Kirkland

This year's car show concluded our guest performance @ the South Hill Mall. With the Mall's new leadership and a new restaurant needing more parking, our Show field was cut the middle of July. Thanks to Pete & Nancy's pleading with the Mall, we were able to get 2 more rows of parking. Even so, it proved to be tight quarters. 82 spaces were lost plus Sears did not help by parking 2 Vans in the Show field. A move to Griot's Garage for next year's Show is in the works.

A big heartfelt Thank You goes out to all the volunteers who made it all happen. We registered a record 183 cars. 69 cars pre-registered. In addition to saving \$ 5.00 off the entrance fee, our goodie bags (pre-registration only) held some fantastic loot. The best, I can remember. So for next year: Pre-register, pre-register.... There was also a freebie table that held not only catalogues and informational items. It also had coupons, silicone bracelets as well as pens & pencils. Oh yeah, not to forget some lollipops.

The weather was great and the food vendor had some excellent fixings, I was told. Korum Ford had some new, good looking rides on display and the Kiwanis of Gig Harbor sold raffle tickets for their 1st Generation Mustang. You can also find a link on our web page for a 1st Generation Mustang that the North Olympic Mustang Club is raffling off. Due to space restraints, that group was unable to display their car.

We had 2 photo vendors that do photo as well as digital painting of your beautiful ride. I saw one finished product that just looked terrific. Costco provided us with much needed bottled water. Pammy did an excellent job with our general raffle. That table boosted over 70 primo items that were well received. She netted \$ 1,163.00. The gold coin raffle brought in another \$ 56.00.

Our Backpack drive collected 24 stuffed backpacks along with \$ 120 cash donations. We turned those items along with \$291 from the 50/50 raffle (which was won by Missy Willert) over to Diane Formoso from the charitable organization " Caring for Kids". With that amount netted, some hard core 50/50 ticket sellers had been at work .

2013 Pierce County Mustang Club Car Show (cont)

By Monika Kirkland

Mustangs West took home the Club Participation Award with 22 member cars present. This was PCMC first year not voting at the show and just glancing over the results our club took home @ least 19 trophies. Not bad. Not bad at all. Not to mention the majority of members said it was wonderful to just spend the day checking out the rides without a time constraint.

Registration showed 163 Mustangs and 20 Non Mustangs.

Thanks again to all who came out and those who helped to make the Car show a success. We netted \$ 6023. And for next year, remember to pre-register.

See you there!

Mustangs on the Ridge

By Charlene Rivera

It was a cloudy day as 4 ponies met in Lacey to travel to Shelton for a new adventure. They stopped for feed in Shelton, knowing that they had a day full of fun waiting ahead of them. They trotted onto the Paddock to their special pony stall to rest and were met by two more Pierce County Mustangs and a whole lot more other ponies. The track day began with 2 ponies already experience in B group, hitting the track to stretch their skills. While the other 4 met with riding coaches to help them learn the secrets of the track. One of the 4 was released to run on his own. The other 3 listened and learned, until one by one they were allowed to run on their own too. They had riders join them for the excitement of the track. Passing slower Ponies, and letting the faster Ponies pass them. By the end of the day, they were no longer Ponies but Wild Mustangs Racing the Ridge.

PCMC Family Picnic 2013

By Pammy Pistella

The Pierce County Mustang Club doesn't only know how to throw a great car show year after year they also know how to throw a great Family Picnic. I have been going to the yearly family picnics since 2008. Every year the club never ceases to amaze me. This year has been tops thus far. Charlene Rivera and Joanie Norlund and all their helpers put on a fantastic Picnic.

As always the food was great. The Club provided the yummy chicken that seemed to go as quick as a red Shelby. The games were fun. I won't bore you with tempting you to read all the fun. Just sit back and look at the collage of pictures from the picnic.
