Tip of the Month

Car covers. If you're like dad and me and have too much stuff occupying the garage to fit in a couple Mustangs, a car cover can save all your hard work leading up to a show. Car covers allow you to spread out your detailing over a few days without having to redo yesterday's work. Not sure about all covers, but we lucked out and have waterproof covers. Huge bonus!

Mustang of the Month

Paul Nee and Lynette Gallant-Nee

65 Coupe, 65 2+2 and 04 Coupe

Our journey into Mustang land began with Lynnette getting her 1965 coupe from her parents for her first car in 1977.

Years later when we got together, we were having a discussion of projects that needed to get done and that led to her putting her car into several local shops and resto-modding her 1st car in 2003 / 2004. This is her Titanium Grey Mustang coupe known as Net's '65 that most in the club have seen. It sports a slightly built 289, true dual exhaust and a C4 automatic transmission.

A year later I bought a 1970 Mach 1 which got totaled in an accident on SR 512 in April 2006. I took the insurance money from that car and purchased a 1965 2+2 which has had some resto-mod work done and just needs paint and a built engine to get it back on the road. Lynnette and I have a 2004 grey Mustang coupe and 2012 FX4 F-150 for our daily drivers. We are both born and raised Ford people and love our vehicles.

Mission Statement

A social group whose purpose is to promote a better understanding and stronger fellowship in the preservation and maintenance of all Mustang and other Ford Motor products.

IN LOVING MEMORY

On September 9, club member Eric Cobb lost his fight with cancer. He was only 26.

Eric had a gentle heart and a kind smile. He was a Ford man. He enjoyed showing his 2003 Black Cobra and his 2013 Blue with Black stripes GT500 (Best of Show at the Korum Mini Show 2013). Eric and his dad, Dan restored his grandpa's 1967 F100 that they showed together. He loved to talk cars and work on them with 1988 Fox Body and 1964 Galaxie 500 projects.

Eric loved to humor me as I told him about all the Pierce County Mustang Club adventures coming up, and he even let me drag him and Amber to some like the Poker Run and Relay for Life but only if I promised him no car seat in his Mustangs, so Lilyanna would ride with us.

Our hearts and prayers go out to Eric's parents, Dan and Liz Cobb, his family and to Amber and Lilyanna Rivera, his girlfriend and her daughter. He had large impacted in all of our lives and hearts.

We miss you, Eric!

2013 Ponies in the Sun by Charlene Rivera

Wineries, Fruit Stands, Fire, Giant Teapot, and Miner's – what an adventure for the cruise on Saturday. Yes, I said fire – Bill Norman's 1968 CA Special caught fire when the power steering dumped all over the parking lot. Larry and I were watching him back up when the flames shot out from under his car! I jumped out and ran over to Bill telling him his car was on fire, he just said "No big deal, just the power steering pump". I guess when you have had your mustang as long as Bill has you know all the ends and outs. Bill's only complaint was he would have to strong arm it for the rest of the cruise and the way home. Later he told me he had called the Mustang Ranch and the part would be waiting for him when he got home.

On Sunday, 9 Pierce County Members showed their cars. It was very hot day, big thanks to Rick and Joanie for picking a spot on top of the hill to give us shade and a visiting spot.

After the show a few members headed to Miner's for their awesome food. A few headed back to get home in time to watch the Seahawk game – good thing there was game delay. We stayed and got to watch the Lighting and Thunder show.

34TH INTERNATIONAL MUSTANG MEET

Thirty four years ago an American and a Canadian started the IMM as a simple get together with fellow Mustang owners. That year 33 cars got together in Lethbridge, Alberta, Canada. And each since the show location has alternated between Canada and the U.S.A.

Thirty three years later 408 cars met in Bozeman, Montana hosted by the Bridger Mountain Pony Car Club over Labor Day weekend. Besides the car show the event featured a BBQ, cruises to Lewis & Clark Caverns, Paradise Valley, a photo op with the "Morman Mustang" as well as plenty of time to reconnect with IMM friends.

Congratulations to Bill Norman who took a 2nd with his 1968 California Special (boy did the Cal Specials old and new come out for this show) and to Pete Freeman's 1993 which placed 1st in the 1979-1993 modified class.

35th INTERNATIONAL MUSTANG MEET

Every other year the IMM is hosted by a Canadian club and while travel to Edmonton, Red Deer, Lethbridge, Winnipeg, Calgary, Saskatoon or Regina can be a bit of a trip, the same can't be said about the 2014 IMM.

IMM35 will be hosted by the Greater Vancouver Mustang Association, just a 4 hour trip. The River Rock Casino Resort in Richmond, BC will be the host hotel and the show location is a 5 minute drive to the Lansdowne Centre a 130+ retail center.

If are planning to attend be sure your passport or enhanced drivers license is current and book your hotel room NOW. Nearly 100 folks have already registered for the event. Flyers with hotel and registration information will be available at PCMC club meetings or contact Nancy Freeman at cezar6321@msn. And she will scan a copy to you.

2013 Traveling Daffodil Parades by Pam Pistella

For the past several years the Pierce County Mustang Club has been a part of the Daffodil Parade in April. Many of our new members or not so new members may not know that we continue to be a part of the Daffodils during the summer escorting some of the Princesses in various parades around the Sound such as Pt. Townsend, Gig Harbor, Morton, Shelton, Eatonville, University Place, Buckley and Tacoma just to name a few.

Now that summer is officially over and the parades have ended, I would like to thank Paul Nee for being our "Go to Guy" for the Daffodil parade along with all the travelling parades where escorts were needed for the princesses. Paul has been the link between the Daffodils and our club who keeps the good relations between them going strong.

Thank you to the special units who attended the Daffodil Parade in April. A special thank you to the convertibles who participated all summer long, Bill Norman, Bob Frender, Bob Batiuk, just to name a few. Thank you all for your support this summer.

I am looking forward to next year. Although April will be sketchy due to the 50th Anniversary Crouse across America is the same weekend as the Daffodil Parade. If you have a convertible (will be in town for April's Parade), please let Paul Nee or myself know as soon as you can so we can figure out if we will have enough convertibles to transport the Educator's of the Year during the Daffodil Parade. If you have never done a parade and thought about doing it, I recommend join in!

Saturday, December 7th will be the annual Santa Parades in Sumner and Puyallup. PCMC will be filing the entry applications with the Puyallup Main Street Association and the Sumner Downtown Association to participate in both legs of this year's event.

We are going to limited to 8 to 10 cars per city so if more members want to participate, we can either draw names for each town or members can state which town they'd prefer. Cars will need to be decorated with a minimum of 100 lights per 10 feet in length which can be easily accomplished with either the LED or Twinkle style of lights, an inverter plugged into the AC outlet or cigarette lighter for a power source. Some nylon zip ties, tape and binder clips. There are also some cool suction cup plastic light holders made for use on house windows and the like, will also work along hood, trunk lid and doors. Look at Home Depot or Lowes for these types of accessories. Also large fabric ribbons and bows tied over and around each car's, roof, hood and trunk will meet the events decoration requirements. We should also have our antenna flags on while in the parades.

The application process requires me to submit a copy of each car's driver's license and proof of insurance card. I need to fill out 2 entries one for each city, so if there is overwhelming interest, as many as 16 to 20 cars will be able to participate between the 2 towns. If we get more 20 we will do the old draw names out of a hat to select the PCMC representatives at the September meeting.

By the way this is only open to PCMC members. If you belong to another Mustang club, your club would need to submit their own entry application.

The Sumner parade begins at 2:30pm, so we stage at the Sumner High School stadium parking about 1pm.

The Puyallup Parade begins at 4:00pm, and we head straight there after completing the Sumner parade. They will send me a map and directions for the staging area for that parade later this year. Each leg lasts about an hour depending on where we are in the lineup.

If you are interested in participating please contact Paul Nee prior to the October general meeting @ paulnetgallant-nee@msn.com or 253-640-9943. If we get too many interested members we will draw names out of a hat to see who will get to drive their rides at the September meeting.

Lastly if anyone wants to march in front of the cars we could have the club banner carried by some that don't want to drive or are not drawn to still participate.
