President's Corner

President's Message November 2013

I can see clearly now the fog is gone, or mostly gone! Wow, I've lived here for 41 years and can't recall a time we've had such thick fog or for so long. Hopefully all the ponies are safe and sound.

As we begin November our list of club activities are few, but packed with fun. Keep your eyes peeled for email updates and check out the club website so you don't miss out on the fun. November is also when the club elects our new officers and board members for the coming year. Ballots will be available at the November general membership meeting. If you can't attend the meeting, print the ballot in the newsletter and mail it to the club's PO Box. Make sure it arrives by the next general membership meeting on November 19th so it will be counted. Newly elected Executive Committee members will be posted on the club's Facebook page.

Tip of the Month

If your pony gets to hibernate during the winter months, why not save some money too? Call up your insurance company and move your coverage to non-driven, staying in the driveway or garage only. That way the pony is covered if anything should happen while stabled and you save money. Just don't forget to call up and re-activate your full coverage before driving.

Club – Revenue – Membership, General Raffle, 50/50 Club Raffle, Misc

Expenses – Printing, Postage, General Raffle, Bank Chargers, Photobucket fee

1st Bill Norman, 2nd Roxanne Babcock, Membership Accepted and Approved

MCA Representative’s Report – Nancy Freeman – You can register on line for all the 50th Anniversary Events. You can register separately for the win a Shelby Marathon for \$75 and you don’t even have to run or be present to win. Check out the MCA website for more info.

Old Business

November Elections – Missy Willert – If you would like to run for a position on the Executive Committee, please let a current member know and they will add your name to the ballot. We currently have the following members running – Jerry Murphy for President, Dennis Willert for Vice President, Nancy Freeman for Treasurer, Charlene Rivera for Secretary, and Greg Robbins, Pam Pistella, Bryan Zimbelman, Mike Lanigan, Rachel Lanigan, Renea Merwin, and Stacey Mellinger for one of the 4 positions on the Committee.

New Business

Bylaw Amendment – Missy Willert – Article VI. Elected Officers/ Directors Section 7 Current bylaw wording: PCMC will pay MCA dues for the above positions during term of office. Proposed bylaw addition: PCMC will pay MCA dues for all the officers, directors, & regional director. Reason: Officers and regional director are required to be current members of MCA. While the past president and 4 other directors do not have that requirement they do provide extensive service to the club in terms of time to attending meetings, organizing events and providing leadership. This will voted on at the November meeting and a ballot will appear in the November newsletter for non-attendees.

Meetings – Missy Willert – November will have both Executive Committee Meeting and General Meeting with elections. December will have Executive Committee Meeting and NO General Meeting.

PCMC Raffle Update — October

General Meeting Raffle

Raffle brought in \$60.00; expenses were \$39.94 for a total of \$39.94 in revenue.

Thank you to the following people for donations:

Sonny & Barb Alvarez

Monika Kirkland

Larry & Charlene Rivera

To date the 50/50 has \$233.00.

You can purchase as many tickets as you like each month for \$1.00, write your name on the back (in the event you lose your tickets) and tickets will be held by the Treasurer. Tickets will also be available for purchase at club events and cruises. **YOU HAVE TO BE A PAYING CLUB MEMBER TO PURCHASE TICKETS.**

The drawing will be held at the annual PCMC Holiday Party in mid December and you do not have to attend to win. You will receive 50% of what was collected throughout the year and the Emergency Food Network will receive the other 50%.

The Emergency Food Network can take a \$1.00 donation and turn it into \$12 of food. For example, if we sell \$300 in tickets during the year, they can take their \$150 share and turn it into \$1,800. That can purchase a lot of food for people who need it.

ALERT...ALERT...ALERT...ALERT

There are 11 50/50 tickets with no name. I believe the person(s) who bought them has the tickets with their names on it, as the tickets I have are "keep this..." And just gave me the wrong set. I believe they were purchased either July, August or September and may have been purchased by two different people.

Please email Rachel Lanigan
at ponyup03@comcast.net or 253.227.4088. IF
your ticket says "Ticket" with sequence beginnings of
50772... & 50776...

As you do not have to present to win it is important I have
your name on the ticket.

Mustang of the Month Scott Delano 73 Mach1 and 02 Coupe

I bought my red 2002 Mustang back in 2007 when my Nissan Maxima died on me. I bought it because I thought it looked good and I've always liked mustangs, but I didn't have many plans for it since it's just a V6. I was looking for decent fuel economy, of course. Then my friends convinced me to get the exhaust done, and then an intake, and then throttle body, and then clutch, etc etc... Next thing you know, I've got almost every bolt on you can think of, with an engine build coming down the pike. I've decided I'm going to build the car as an autocross racer, upgraded all of the suspension and drivetrain. Next, (I already have all of the parts) I'm building another 3.8L into a 4.3L stroker. It's going to be 8.7:1 compression, fully forged, cammed, ported heads, and with a custom intake adapter plate, supercharged with an Eaton M112. With water/meth injection, I have no idea how much power it'll be able to make until the first dyno run. Hopefully it's fun for more than just the first run (and not just blow up). Styling wise, I've got a Saleen front bumper and Roush side exhaust with the skirts. The side exhaust is getting redone when I return from deployment. I just wanted what I think is the best of both brands.

As for my 1973 Mach 1, I just fell in love with the bigger cruiser type body style. Especially with how few 71-73's you see on the road, I knew I wanted one. I mean to keep it mostly stock and take it to shows and bring it out on sunny Friday nights or Sunday cruises. So far it's gotten a complete engine build, flat top pistons for higher compression, and a cam. It's got an Edelbrock intake and Barry Grant Demon on top, with Hooker Headers letting the engine exhale. Other than that, all I really want to do is shorten the rear end gears a bit to make it more fun. At 4300 lbs, I'm already quite happy that it keeps up with WRX's. The gears will be going in also when I get back from deployment. I don't plan on much else, since the Marti Report says it's a one of one Gold Glow Metallic with matching 351C and top loader 4-speed.

PROPOSED BYLAW AMENDMENT

ARTICLE VI. – Elected Officers/Directors

Section 8

Current bylaw wording:

PCMC will pay MCA dues for the above positions during term of office.

Proposed bylaw revision:

PCMC will pay MCA dues for all officers, directors & regional director.

Reasoning:

While MCA membership is not required of the past president & directors it would acknowledge the appreciation of the club for the extensive service they provide to the club in terms of time to commitments, organizing events and providing leadership.

Please vote either by voice at the November 19th meeting or return this form via mail by November 18th to: PCMC, PO Box 44853, Tacoma, WA 98444.

Don't Forget Fantasy Lights

Don't forget, if you will be joining us for this year's drive to tripping the FANTASY LIGHTS fantastic and would like a discount ticket, you need to give \$9 per car to Missy Willert by the November general membership meeting. For full details on the event see the flier at the end of the newsletter

Toy Drive

Help those less fortunate this holiday season by bringing in a new, unwrapped toy to any of the following club events:

November general membership meeting, Fantasy Lights, Club Christmas Party

PCMC will be donating all collected toys to one or more charities we support after the Holiday Party.

JBLM is Looking for a few good Elves

If you are looking for a fun, unique, and uplifting opportunity to volunteer this holiday season, consider joining me for Elf Training at JBLM's Elf University Santa's Castle on November 14th at either 10:00 am or 6:00 pm.

Santa's Castle at JBLM is one of the charities PCMC has sponsored.

This year the dates for Toy Distribution are December 2nd-13th, weekdays, from 8:30-4:30 each day. (Shift times will be coming out soon.). Elf volunteers are used to help Military families 'shop' for toys.

If you are interested in volunteering your time and spread some Christmas Cheer, please email Missy at maryhelenwillert@yahoo.com

Apple Festival Cruise by Renea Merwin

On a sunny warm foggy Sunday morning in October, 20 plus Mustangs interspersed with a few other four wheeled creatures headed down I-5 to begin a back road cruise to Lattin's Country Cider Mill and Farm in Olympia Washington.

The Apple Festival Cruise was an opportunity for our club to not only cruise together but was also a peanut butter drive to help St. Francis House stock their emergency food bank. We enticed members with free raffle tickets for every jar of peanut butter they brought. Once again our club shows how big of a heart it has with 47 jars of donated peanut butter.

There was also an opportunity for club members to win additional raffle tickets. By donating \$3 they were able to play the rotten apple game. Our president Missy Willert was a very lucky apple picker; ending up with 48 additional tickets, which helped her win one of the available raffle prizes. The rotten apple game earned \$30 which enabled us to buy 5 more jars of peanut butter plus 10 jars of jelly.

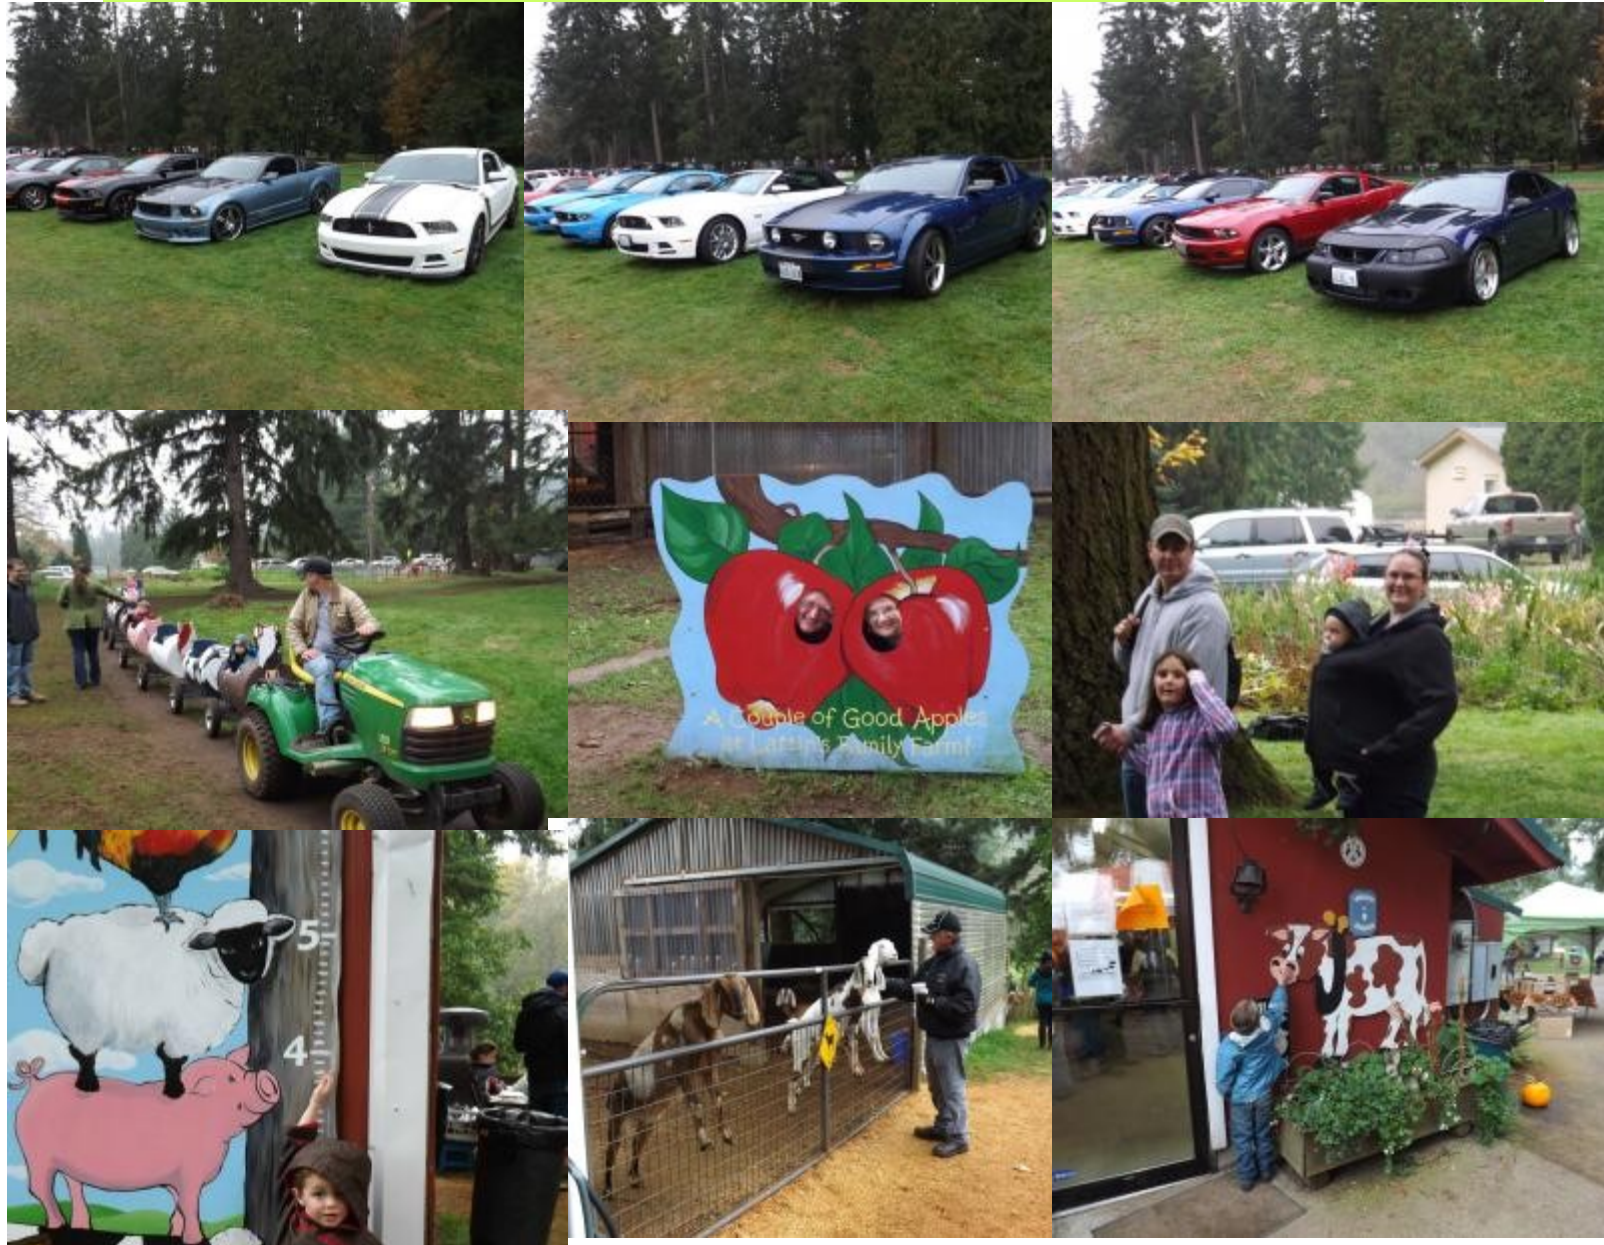

For the cruise part of the day we traveled down back country roads admiring the autumn colors and houses decorated for Halloween. When we pulled into the "parking lot" of Lattin's we stopped traffic as the parking attendants got the string of Mustangs off the road. Once we were all parked a last call for raffles was made and tickets drawn. Missy Willert won a bag of apple themed items, new member Heidi Geise won an apple pie and the Nordlund family won a \$25 gift card to Applebee's.

After the raffles we dispersed throughout the farm, where there was something for everyone to enjoy. Some families headed straight for the apple fritters and cider, some went to the pumpkin patch and others rode in a pig car while being towed by a tractor. A member or two was heard to be sad that the goats were not on the goat walk and another member was "thrilled" with the goldfish her daughter won at a carnival game. Because there wasn't a planned lunch afterwards, members were able to stay for as little or as long as they wanted. I know we stayed long enough to enjoy all activities that were offered leaving with full tummies and bags of apples.

A HUGE thank you to everyone for supporting the peanut butter drive!

Hashknife Pony Express

Written by Monika Kirkland

Attention Stamp collectors!!!!

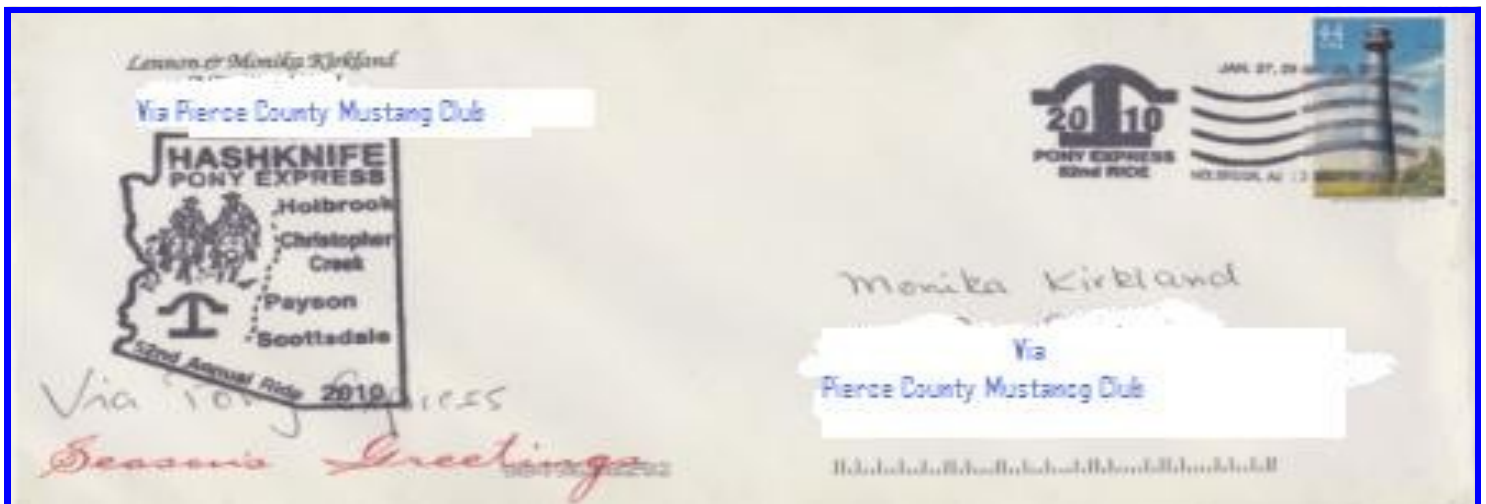

While traveling with the Mustangs Across America Group in 2009 we stopped in Holbrook, AZ for the night. The Navajo County Sheriffs Posse (search & rescue team) invited us to watch a video about the Hashknife Pony Express in their small theatre. Afterwards we visited with members of the posse and it sure turned out to be an informative evening.

For over 50 years, members of the Posse, under the oldest continuous official contract with the U.S. Postal Service, has carried the mail from Holbrook to Scottsdale, via "pony express" style. 27 posse riders carry the mail from Holbrook to Scottsdale on horseback (26+ hours of continuous riding) every January.

Designated Pony Express letters are each stamped with a special cachet that is a collector's item. Letters that are mailed from the Holbrook Post Office are also stamped with an official Pony Express Station cachet.

I know it made my stamp collecting friends happy to receive such a special envelope in 2010.

To find out more about the Hashknife Pony Express or how to send a Letter via horseback visit: www.gotouraz.com/Hashknife.html

Saturday, December 7th will be the annual Santa Parades in Sumner and Puyallup. PCMC will be filing the entry applications with the Puyallup Main Street Association and the Sumner Downtown Association to participate in both legs of this year's event.

We are going to limited to 8 to 10 cars per city so if more members want to participate, we can either draw names for each town or members can state which town they'd prefer. Cars will need to be decorated with a minimum of 100 lights per 10 feet in length which can be easily accomplished with either the LED or Twinkle style of lights, an inverter plugged into the AC outlet or cigarette lighter for a power source. Some nylon zip ties, tape and binder clips. There are also some cool suction cup plastic light holders made for use on house windows and the like, will also work along hood, trunk lid and doors. Look at Home Depot or Lowes for these types of accessories. Also large fabric ribbons and bows tied over and around each car's, roof, hood and trunk will meet the events decoration requirements. We should also have our antenna flags on while in the parades.

The application process requires me to submit a copy of each car's driver's license and proof of insurance card. I need to fill out 2 entries one for each city, so if there is overwhelming interest, as many as 16 to 20 cars will be able to participate between the 2 towns. If we get more 20 we will do the old draw names out of a hat to select the PCMC representatives at the September meeting.

By the way this is only open to PCMC members. If you belong to another Mustang club, your club would need to submit their own entry application.

The Sumner parade begins at 2:30pm, so we stage at the Sumner High School stadium parking about 1pm. The Puyallup Parade begins at 4:00pm, and we head straight there after completing the Sumner parade. They will send me a map and directions for the staging area for that parade later this year. Each leg lasts about an hour depending on where we are in the lineup.

If you are interested in participating please contact Paul Nee prior to the October general meeting @ paulnetgallant-nee@msn.com or 253-640-9943. If we get too many interested members we will draw names out of a hat to see who will get to drive their rides at the September meeting.

Lastly if anyone wants to march in front of the cars we could have the club banner carried by some that don't want to drive or are not drawn to still participate.

To see the complete list of rules for this event please go to the links provided below: <http://www.puyallupmainstreet.com/images/SantaParadeApplication.pdf>
<http://www.puyallupmainstreet.com/images/SantaParadeAppSumner.pdf>

To forward your driver's license and proof of insurance to use one of the following methods:

- 1) Scan both documents, save as a pdf file, black out birthdates and email to: paulnetgallant-nee@msn.com
- 2) Make copies and send to the PCMC Post Office Box:
PCMC / Attn: Paul Nee / P O Box 44853 / Tacoma, WA 98444
- 3) Make copies and snail mail to: Paul Nee / 9420 South Sheridan Ave. / Tacoma, WA 98444

MAXIMUM PERFORMANCE

Maximum Performance Auto Repair Puyallup was opened in 1994 by owners Byron Parkinson & Glen Smith to provide a high quality full service auto repair & performance car modification facility. The demand for their services grew quickly requiring the addition of more staff. The original shop eventually became too small so in 2005 they added a second building effectively doubling their capacity. Today their talented staff of 8 keeps their well equipped 6,400 square foot shop busy. To keep up with the ever changing demands of the auto repair industry new equipment & training are constantly being added. This ensures properly trained technicians using the latest equipment for servicing your vehicle. Their mission at Maximum Performance is to provide their customers with quality, timely service delivered with old fashioned honesty and integrity. To maintain this standard, they provide their technicians with the training necessary to stay current with ever changing technology. Your car will be repaired in an environmentally friendly shop housing the latest equipment required to service today's complex vehicles. Their staff is rewarded with the benefits and security deserved of professionals who strive to take care of their customer's needs. Stop in and see Glen and Byron and their staff for your automotive needs.
