President's Message December 2013

Chilly Winter weather has found us. Hopefully everyone is surviving the chilly nights and frost covered mornings. November took us out of our mild Fall weather and into Winter. It gave us another opportunity to give back to our community by volunteering at EFN (The Emergency Food Network) where our team repackaged 6,400 pounds of frozen corn in 2.5 hours! There was also a fun time at the Spanaway Eagles with Pull Tab Mania, another fun trip out to the Rainier View Winery, and club elections. I'd like to thank everyone that decided to take a chance a run for office. Congratulations to our new Executive Committee for 2014:

Mustang of the Month

Jason Dingledine

2013 Boss 302

My interest in the Mustang started as a kid, hearing my father talk about his '70 Fastback that he had before I was born. When I turned 16, started looking for a 60's Stang, but it wasn't in the cards at the time. After I enlisted in the Army, and was stationed here at Fort Lewis, I was finally able to purchase my first Mustang, a 2005 V6 automatic in Windveil Blue. I had that car from May 2009 through November 2012, and the only mods I made were a Pypes dual exhaust and JLT CAI, with a Bama Performance Tune (all from American Muscle).

During my 4th deployment, I found out that Ford was discontinuing the Boss 302 from its product line. I started looking in earnest for one to purchase once I returned home. I wanted to purchase it from Lakewood Ford, as they had taken good care of my wife and I when we purchased her Ford Edge. They weren't able to make any trades with another dealership, so I was forced to go elsewhere. I found my 2013 Boss 302 at Bellevue Ford, and the rest as they say is history. I didn't even test drive it before starting the paperwork.

I asked my daughter Antoinette to give the new car a name, and she chose Evelyn. Being an 80's kid, I had to put my own twist on it, so I stayed with Evelyn, but spell it Evil-Lyn (He-man reference for us 80's brats). She is Boss #2235, and is one of less than 300 cars built with the Recaro seat/Torsen Differential package in Performance White paint. The only mod I've made so far is to add the MMD hood struts, so I don't have to use the annoying prop stick when the hood is open. The next two mods will be a one-piece aluminum driveshaft, and the Raxiom in-dash replacement navigation system. Sub-frame connectors and other suspension upgrades will follow later.

Evil-Lyn is my daily driver, but she has seen a small amount of Auto-cross track time. In the spring, I plan on doing the Hooked on Driving class out at The Ridge, and doing more road course driving.

2013 Charities Funded

Club members at the November meeting formally adopted the following organizations to receive proceeds from the 2013 annual car show at a level of \$1,000 each.

EMERGENCY FOOD NETWORK

EFN provides more than 15.1 million healthy, nutritious meals annually at no cost to over 67 food banks, hot meal sites and shelter for distribution to low income families and individuals.

In 2012, programs in their network accommodated 1,381,602 total visits. EFN spent neatly \$1.45 per visit to assure that each time a community member walked into a food program with nothing, they walked out with enough food for 11 meals.

With an administrative overhead of under 4%, EFN distributes \$12 worth of food for every \$1 received....that means PCMC's donation of \$1,000 equals \$12,000 toward EFN's goal "that no person goes hungry."

PUYALLUP VALLEY ST. FRANCIS HOUSE

Offering hope and eases hardships of those in need in East Pierce County. They exist to improve the lives of those in need by offering the following services and programs:

Clothing Bank provides gently used clothing and household items to families

Furniture Bank provides beds, tables, chairs and other items to families who otherwise would have to eat and sleep on the floor.

Meal Program serving 5 dinners to the homeless each week serving over 12,000 meals annually.

Back to School Program served 917 students with a back pack, supplies & a new outfit.

Small Food Bank to tide families over while they wait for assistance from larger banks.

Emergency Assistance Fund to assist with utilities, rent, gas or bus vouchers.

CARING FOR KIDS

Caring for Kids is an all volunteer organization helping kids in need in Lakewood, Joint Base Lewis McChord, Steilacoom and University Place. All money and in-kind donations go directly to helping kids. They provide school supplies, clothing, hygiene and dental products, food, books, ready to learn materials and holiday gifts. In addition they also collaborate with the Methodist Church Friday Dinners, the Fish Food Bank and the Food Connection Food Truck in Springbrook.

Many of you will remember that Caring for Kids was this year's recipient of PCMC's School Back Pack & Supply drive associated with our annual car show and received \$291 from the 50/50 raffle.

SANTA'S CASTLE

While not receiving a cash donation, Santa's Castle is the targeted charity for this year's toy drive held in conjunction with the Fantasy Lights cruise and Holiday Gathering. Please bring an unwrapped gift to either event. In special need are gift cards, items of interest to teenagers, books for all ages, board games, infant items.

Sponsored by volunteers of the 191st Infantry Brigade Santa's Castle has provided Christmas to children of Army, Air Force, Navy, Marine, Coast Guard, active National Guard and Reserve families (E-4 and below) experiencing financial difficulty. Nearly 900 families received gifts in 2012.

EFN Repack Program

November 9th found 15 volunteers donning warm gloves covered with plastic gloves and the ever so attractive hair nets as they tackled repacking blocks of frozen kernel corn into smaller packages.. The thank you note from EFN notes that 6,400 pounds repacked during our 3 hour shift equates to 5,120 meals are now ready for redistribution to their 67 food bank centers. Many thanks for spending the morning giggling, cursing tie machines, pulling kernels out of sleeves (how do they get in there?), and in general having fun doing something good.

Congratulations to PCMC

For the 4th year in a row, PCMC has earned the President's Award issued by the Mustang Club of America of which PCMC is a Regional Club. The Award is based on earning a minimum of 100 points in categories such as publishing a newsletter, participating in parades, sponsoring a regional car show, a local charity, and/or cruise night. Increasing local membership and new MCA members, as well as having current MCA certified judges.

PCMC is well on its way to earning the award again based on 2013 activities. Paperwork will be submitted in early 2014.

Care Package for Brian Simmons

Brian is currently deployed this holiday season in Manas, Kyrgyzstan. We will be collecting items for Brian's Care Package at this year's Christmas party on Dec 14.

Some things Brian would love to have:

- Home cooked meals in a Jar

2nd Annual Wine Tasting and Gift Shopping Event

Clear skies and a beautiful view of Mt. Rainier brought the Mustangs (some with their tops down) out for this annual event. Rainier View Winery and Nursery played host to PCMC members offering 7 wines for tasting and light buffet, not to mention the opportunity for some holiday gift shopping. Many thanks to Bill Norman for coordinating this fun event.

19th Annual

Fantasy Lights December 7, 2013

At Spanaway Park

\$9.00 per vehicle if purchased through Missy by Nov. 19th.

\$13.00 per vehicle if purchased after or on your own.

Meet at Old Country Buffet (3500 S Meridian Ste 700 Puyallup) at 6:15 for a no host dinner. **Make sure you tell the cashier you are with the Mustang Club when you purchase your meals.** Then we will caravan to Spanaway Park for the delightful light display. Don't forget to bring a new unwrapped toy for the toy drive benefitting our charities.

Saturday, December 7th will be the annual Santa Parades in Sumner and Puyallup. PCMC will be filing the entry applications with the Puyallup Main Street Association and the Sumner Downtown Association to participate in both legs of this year's event.

We are going to limited to 8 to 10 cars per city so if more members want to participate, we can either draw names for each town or members can state which town they'd prefer. Cars will need to be decorated with a minimum of 100 lights per 10 feet in length which can be easily accomplished with either the LED or Twinkle style of lights, an inverter plugged into the AC outlet or cigarette lighter for a power source. Some nylon zip ties, tape and binder clips. There are also some cool suction cup plastic light holders made for use on house windows and the like, will also work along hood, trunk lid and doors. Look at Home Depot or Lowes for these types of accessories. Also large fabric ribbons and bows tied over and around each car's, roof, hood and trunk will meet the events decoration requirements. We should also have our antenna flags on while in the parades.

The application process requires me to submit a copy of each car's driver's license and proof of insurance card. I need to fill out 2 entries one for each city, so if there is overwhelming interest, as many as 16 to 20 cars will be able to participate between the 2 towns. If we get more 20 we will do the old draw names out of a hat to select the PCMC representatives at the September meeting.

By the way this is only open to PCMC members. If you belong to another Mustang club, your club would need to submit their own entry application.

The Sumner parade begins at 2:30pm, so we stage at the Sumner High School stadium parking about 1pm.

The Puyallup Parade begins at 4:00pm, and we head straight there after completing the Sumner parade. They will send me a map and directions for the staging area for that parade later this year. Each leg lasts about an hour depending on where we are in the lineup.

If you are interested in participating please contact Paul Nee prior to the October general meeting @ paulnetgallant-nee@msn.com or 253-640-9943. If we get too many interested members we will draw names out of a hat to see who will get to drive their rides at the September meeting.

Lastly if anyone wants to march in front of the cars we could have the club banner carried by some that don't want to drive or are not drawn to still participate.

To see the complete list of rules for this event please go to the links provided below: <http://www.puyallupmainstreet.com/images/SantaParadeApplication.pdf>
<http://www.puyallupmainstreet.com/images/SantaParadeAppSumner.pdf>

To forward your driver's license and proof of insurance to use one of the following methods:

- 1) Scan both documents, save as a pdf file, black out birthdates and email to: paulnetgallant-nee@msn.com
- 2) Make copies and send to the PCMC Post Office Box:

- 3) Make copies and snail mail to: Paul Nee / 9420 South Sheridan Ave. / Tacoma, WA 98444
