## President's Corner

### President's Message March 2014

Will it come in like a lion, or a lamb? I'm hoping for a lion! That way spring is sure to be here sooner rather than later. And, selfishly, I'd rather have nice weather as we depart on our grand adventure on the MAA road trip to Charlotte for the 50th

Anniversary Celebration in April. Admittedly, not much else is on my mind in these some 34 days till dad and I head out for our trip.

Luckily Jerry Murphy has a fun Poker Run planned for us all and I'm sure that will take my mind off my preparations for a fun filled afternoon. See flier at the end of the newsletter.

There are lots of fun activities fast approaching, keep a look at the club website for those events.

### Tip of the Month

As dad and I had to resort to driving a non-mustang on the Sweet-heart Cruise last month, batteries come to mind. Dad's battery served him for 5+ years and decided to give out just 2 days prior to the cruise. He did purchase another, but as the weather was not very dry, he did not install it. No problem, we will just take one car, mine. Skip to morning of the cruise and guess whose Mustang does not start! Dad goes in the house to open up the garage to investigate. I call out to him, "Lets just take another car". And we did. Turns out the battery cables in my Shelby were loose. Check those out periodically. For some weird reason, they do come loose.

## 50/50 Raffle Tickets

You can purchase as many tickets as you like each month for \$1.00, write your name on the back (in the event you lose your tickets) and tickets will be held by the Raffle Chair. Tickets will also be available for purchase at club events and cruises. **YOU HAVE TO BE A PAYING CLUB MEMBER TO PURCHASE TICKETS.**

The drawing will be held at the annual PCMC Holiday Party in mid December and you do not have to attend to win. You will receive 50% of what was collected throughout the year and the Emergency Food Network will receive the other 50%.

The Emergency Food Network can take a \$1.00 donation and turn it into \$12 of food. For example, if we sell \$300 in tickets during the year, they can take their \$150 share and turn it into \$1,800. That can purchase a lot of food for people who need it.
