President's Corner

President's Message May 2014

WOW the last three weeks have been a whirlwind of events. I'm just starting to feel as though my feet are on firm ground instead of working the pedals across America, so this will be a very quick message. Hopefully Spring has finally sprung!

There are many events on the horizon so make sure you keep a look out for those updates.

Don't forget to take note of the change of location for the Korum Mini-Show this weekend; it is posted to the club's Facebook page.

A BIG THANK YOU TO RACHEL LANIGAN, CHARLENE RIVERA, PAMMY PISTELLA, GREG ROBBINS, AND PAUL NEE FOR KEEPING THINGS ROLLING IN MY ABSENCE.

Tip of the month

With gas prices soaring again, save money where you can. Most car shows offer a lower price for early registration; including our own show. Register early for those shows that are favorites and you know you will attend and save on average \$5 per registration.

Treasure Hunt

Treasure Hunt, 50th Mustang Birthday, and The Left Behind Cruise –we cover 3 events in one.

The “Ponies” traveled from one Tacoma Iconic spot to another, where we picked up eggs with treasure, raffle tickets and funny clues that lead us to The B&I, where Ivan the Gorilla lived, Bob’s Java Jive – which doesn’t sell coffee, Almond Roca Factory for some great candy at a great price. We stopped at some beautiful churches and some great parks. We even went back in time at Frisco Freeze. The weather was all kinds – sun to sprinkles to pouring rain, but this is Washington. We ended at Round Table Pizza for a no host lunch, 50th Mustang Birthday Cake, some great 50th Birthday Raffle Prizes, and a treasure box with a dash plaque and a 50 Years Hot Wheels Mustang. Huge thanks to Greg, Rachel, and Mike for helping pass out the eggs, and to Pammy for helping to set the route.

Treasure Hunt

Daffodil Parade

The Pierce County Mustang Club has had the honor to be a part of the Daffodil Parade for the past 5 years. For the past four years, Paul Nee has coordinated with the Daffodil Committee ensuring our club can participate in the parade, escorting Educators of the Year and Pierce County Executive and PC Superior Court Judge. This year, Paul let go of the reins and let me be the coordinator. Of all years for me to try and take charge, this year was slim pickings when it came to convertibles as well as having various styles of coupes in our Special Unit. Many of our Pierce County Mustang members who have participated every year were off celebrating Mustang's 50th Anniversary either at Griots, Las Vegas or driving cross country to Charlotte. However, where there is a will there is a way, the show must go on and it did.

We had just enough convertibles to carry the Educators of the Year. The Pierce County Executive and PC Superior Court Judge were unable to attend any of the parades this year. To add more to the chaos with the shortage of cars we were also asked to carry two of the Alumni Princesses, who could not walk in the parades, lucky for them we had a small Special Unit. This year thanks to Paul we combined the Convertibles with the Special Units and we strolled down the parade streets together as one. Thank you to all of us old hats who stayed home and was part of the parade and to all the new hats that have never been in the parade. We could not have had a successful parade if it weren't for you. I hope to see you all at next year's parade. If you were unable to participate this year there is always room for you next year.

Daffodil Parade

LeMay's Submitted by Bill Norman

The day started off acceptable, cloudy with a few blue spots; however by 11:00 am that had changed to rain, then wind and rain. But the mustangs showed up, and mostly the older ones. Once all the mustangs were parked, we had free admission to the LeMay Museum. Some of the people took the tour while others of us just went roaming on our own. It was the first time I took in this one.

While just about everyone got out of the rain, there was one individual who was taking aerial photos with one of those remote whirly-things. (Sorry I couldn't remember what it is called, but it is what the people in Seattle are getting huffy about if the police start using.)

After the cake had been cut and eaten, the weather had changed enough where we were asked to go out and stand by our cars to have another aerial photo taken. Then everyone sort of went their own way. Some stayed to do more of the museum while most departed. There were* cars from Oregon, Yakima, and* Seattle.* * Tom Alpert and one of his daughters and myself were there to represent PCMC.

Below are a few photos, one of all the Mustangs parked (mine is in the lower left side of the '0' outside row; Tom's red fastback is part of the '5' upper left outside) and one of the cake they had. The '50' photo was displayed on a wide screen TV, but they will be sending some to us via email.

Woodburn Parade

To celebrate Mustang's 50th Anniversary Mt. Hood Mustang and Fords Car Club put on a parade starting on the Woodburn Dragstrip. There was a total of 1000 Mustangs and Fords all together with the intent to crush two current Guinness book of World Record, one for most mustangs in a parade and the other the most Fords in a Parade.

There were over 800 Mustangs alone. There were 15 of us from the Pierce County Mustang Club who went down to Woodburn to be a part of this celebration. It was a fun day so many different types of mustangs. I could barely keep my eye on the road with all the pretty ponies.
