President's Corner

As summer is coming to a close I am wondering just where it all went. So many fun activities and good times with friends and even adding so many new friends to our club. But, we're not done just yet! There are so many upcoming events to look forward to, a lot of them in good weather.

We've added many new members to our rolls this summer. If you see a new face at a meeting or upcoming event take some time to chat with them and welcome them into the club. I remember when dad and I were new, the time people took to welcome us and get to know us was greatly appreciated, and all of the great connections we made meant and continues to mean a lot to us. So make a special point to make a new member feel a part of our great club.

A big thank you to Charlene Rivera and all the many committee members and day of volunteers for making our car show a huge success. Our show is only as great as our team of volunteers.

TIP OF THE MONTH:

Steel wool. I recently saw someone at the Props & Ponies car show using steel wool on her exterior windows and chrome! It was a beautiful 1965 coupe so I thought I was either delusional from the ungodly hour we woke up that morning, I was mistaken, or she was crazy! So I asked her. Sure enough, she was using 0000 steel wool on all exterior windows and her chrome. Her car looked amazing. It takes absolutely everything off the surfaces. You can find it at any hardware store. It comes in a pretty large bag for about \$2. Just make sure you get 0000 (4 zeroes) steel wool, that is the finest it comes. Works great.

On October 11, 2014 Consonus is planning a mini car show and BBQ – inviting PCMC to join them at Stafford Healthcare in Des Moines from 11am to 12:30. At 12:30 we will cruise with Paul riding in Tom Alpert’s Mustang to LeMay’s Americans Car Museums for Paul to explore. Please join us in creating a “New Chapter” for Paul. Happy Birthday in UP – Missy Willert – We received an email asking PCMC to display their Mustangs at a birthday celebration - To Whom It May Concern, My husband turns 50 this year (in November) and I am throwing him a surprise party this Saturday, Aug. 23rd. He loves Mustangs and I was wondering if the club would be interested in coming to the party and showing a few cars as part of the festivities. The party is at the Curran Apple Orchard in University Place at 5:30 pm. The club members could come anytime from 5:30 – 7:00 or so, depending on what would work best for them. I’m open to ideas. Thank you for considering. Leanne. If you have time to stop by, please do.

Korum Parking – Missy Willert – Thank you for not parking in front of the doors and under the cover – this area is for Korum’s night drop service customers. Please remember to park to the south of the buildings. If you have disable parking, you may park in front of the doors.

Charlene Rivera – A huge thank you to all the members who helped, donated, sponsored, and planned the show. Thank you to all our sponsors. The new place, Griot’s Garage worked out well. We parked 170 cars – 148 mustangs and 22 non - mustangs. We broke our record for the backpack donation with 27 backpacks and \$50 cash for Caring for Kids. Our 50/50 was awesome with \$661, with \$330 donated to St. Francis House and \$ 331 to our winner, Renea Merwin. The raffles were great. We have only 2 show shirts left. The 50th Anniversary items sold well. The freebie tables had great info. The goodie bags were outstanding, with ½ dinner to Emerald Queen Casino, Griot’s Spray wax, Almond Roca Candy, and many, many more items. Thanks to Bill Norman for donating 2 -\$25 gift certificates to Rainier Winery for two of the goodie bags, Wendy Minnieweather won one. MC’s were good.

Minutes (continued)

Thanks to Dan and Jolene Alpert for updating the computers for registration and voting. We had 5 vendors – Jazzy's, LeMay's, Battery Systems, Costco and Thrive Life. The Daffodil Queen and Princesses, SSG Terry Gadsden, and the members of 4 other clubs pick some nice cars to receive specialty awards. The attendees pick beautiful cars for the "Best of" awards. Kristin King from Korum did a great job awarding the "Best of" awards. We added a "Founder's Award" – Bill Norman and Richard Coombs, two of the original founders pick a stock 1964 ½ Mustang to receive the 1st Founder's Award. Thank you, Rick Nordlund for being able to pick up the rental truck at the last minute. Mustangs West took home club participation. The Kid's Choice ballots were a big hit. We had great photographers – check out Photobucket for the pictures. We had great feedback on our Event Questionnaire. August Fun Events!!!

22nd All Ford and Mustang Round Up

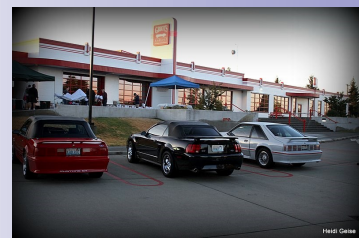

A HUGE THANK YOU to all the members who helped, donated, sponsored, and planned this show. Pierce County Mustang Club would not be the outstanding club it is with out our members. A special thank you to those who did many different jobs, filling in where needed, and all the time you gave to the car show. I cannot thank each and every one of you enough for your help.

Thank you to all our Sponsors. Please check them out on our web site and visit them. You will also find a list following this article.

Thank you to all those who meet on Saturday night to load the truck, Sunday morning to unload & reload the truck at Griot's, and for those who drove to the storage shed to unload the truck again - it was wonderful having new faces to help with this, plus all the muscle made it look easy! Thank you, Rick Nordlund for helping Tom Alpert by picking up and driving the truck so Tom could bring his mustang to the show.

This year's car show was at a new place, Thank You **Griot's Garage** for hosting and donating to our raffle and goodie bags.

We had 170 cars to park all over Griot's - thanks to the parking crew, they fit them all in.

We broke records with our 50/50 tickets sales. They were always busy as they sold \$661 worth of tickets, with \$330 going to **St.**

Francis House and \$361 to Renea Merwin - our 50/50 winner - awesome job! We collected 27 backpacks and \$50 for **Caring for Kids** - thank you to all who donated.

Our raffle tables were full of great items - thank you to all who collected, donated, stored, organized, set up, and transported - these raffles passed through many different helping hands.

Our Tack Shack - was a great place to visit with 50th Birthday items and show shirts, by the way we only have 2 shirts left - Awesome Job! The MC's played some great music and kept everyone informed and on time. The Freebie Tables were set up and kept well stock with great information. Registration flowed, never a long line.

August Events (Continued)

The goodie bags were full of items - Griot's Spray Wax, Almond Roca Candy, pens, paper, chip clips, hand lotion, crackers, air freshener, flashlight pens, chapstick, $\frac{1}{2}$ off Dinner at **Emerald Queen Casino**, Mustang cars, screwdriver pens, 50th Birthday Mustang Posters, and many, many more great items. If you didn't pre-register for the show this year, you missed out on a great goodie bag. In 2 of the goodie bags, Bill Norman donated 2 - \$25 gift certificates for the Rainier Winery - you needed the winery's business card to have a special stamp on the back - Wendy Minniweather checked hers and got one of the certificates, but I still have the second one, so you might want to double check your bag for the winning card.

We had 5 vendors, I hope everyone got a chance to check them out - I heard **Jazzy's** had some great food, **Costco** had candy and memberships for sale, **LeMay's** had a former PCMC member and membership to LeMay's, **Battery Systems** had cute guys and batteries, and **Thrive Life** had some great emergency preparedness ideas.

We had "Kid's Choice" ballots reach all our visitors under 12. I'm sure everyone had their picture taken at least once, lucky me, I'm in half of them - the show photographers did a great job, check out the pictures on PCMC PhotoBucket page.

Counting of the ballots went great - with a quiet room and early start - we were able to be finished on time. Thank you, **Korum Ford and Lincoln** for bringing the new Lincoln over for all to see - nice car - hope everyone was able to check it out, plus **Kristin King** from Korum did a great job awarding "Best Of" trophies. Our late - Gail Van Alstyre and early - Lou Piazza "Best of Show" are beautiful Mustangs. Best Paint - Shannon & Kevin Johnson and Best Interior - Tiffany Dagan were well chosen. Best Engine went to "KOOLRDE" - Pete & Nancy Freeman - so kool you need to wear shades to look at this engine. Congratulations to all our "Best Of" winners, our visitors picked gorgeous cars. We also had SSG Terry Gadsden pick out our "Fallen Hero" award - the car he wants in his drive - A Shelby Super-snake. The Daffodil Queen and 2 of the Princesses picked a 1966 Mustang, for the first time -the chosen car was not yellow.

August Events (Continued)

The members of a few of the visiting clubs picked a 1933 Ford 40 for the Presidents' Award, the 40 also won the "Kids' Choice" Award. This year, PCMC had a Founder's Award,. When Bill Ochs passed last year; Toby gave us one of Bill's trophies. The Car Show Committee decided we needed to honor our founding members; we used Bill's trophy and invited Bill's family and the other founders to pick a car. Bill Norman and Richard Combs awarded the 1st Founders' Award to a 1964 $\frac{1}{2}$ Stock Mustang.

Thank You to all our Founding Members for starting Pierce County Mustang Club. Thank you to all our car show attendees - we hope you enjoyed the show and see you next year. Also I need to thank my family - Amber & Kevin -for all the help organizing, moving stuff from one room to another, keeping raffle prizes from disappearing, keeping Lilyanna out of the catalogs, coloring books, raffle prizes, and goodie bag items, for not having a dinner table for months, and my late Tuesday nights. Larry - for carrying all the heavy stuff, loading and unloading the car, listening to me worry about sponsorship and going with me to find all the goodies, my late Tuesday nights, the never ending phone messages, the hours I'm on the computer, and all the jobs I volunTOLD you for. Lastly, I need to apologize to my Mustang - I'm sorry I was too busy with the all the car show prep that you missed your bath and had to sit outside the gates and watch the show.

Thank you,

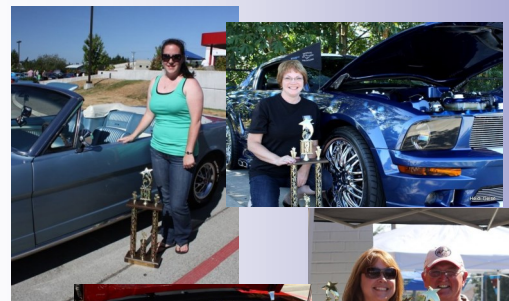

Charlene Rivera

Club Picnic

Whoa Ponies!

It was time to strap on the feed buckets and enjoy the day and company of other pony lovers.

The “string” (that is what a group of ponies is called—who knew?) met up at Frontier Park in Graham. We had about 25 cars there. A great location for all to kick back and have some fun. Games for kids (of all ages) were spread out across the grounds. Younger kids had badminton, water sponges, ring toss and bolo ball toss. Older kids had “Slow Drags” and “Blind Man’s Obstacle Course.” Of course all enjoyed tables full of fabulous food and looking at cars.

We were joined by several new members who dropped by to look and before they knew it were snagged up and entering events.

Slow Drag Winner this year was Missy Willert. This is the 2nd year in a row and 4th time overall for Missy. It looks like she has slow driving nailed. The Blind Man’s Obstacle Course winners were Pete Freeman (navigator). and Clay Concannon (driver)

Thank you to Charlene Rivera and Joanie Nordlund for organizing and to all who helped with the set up of this fun time. Photos are on photobucket. Have a peek!

This was definitely the place to be on Aug. 24th!

Mustang of the Month

Congrats to Josh, Nikki, and Penelope Merwin and their 1991 White GT Coupe

I have always been interested in cars. I never knew what I liked the most so when my family started getting involved with the Mustang Club it seemed like an easy choice of what I wanted to get involved too.

We started our Mustang journey with a 2001

Mustang GT that had more problems then I had time to fix. I never gave up looking for the perfect Mustang that suited me the best. When I found this 1991 Mustang GT on craigslist it seemed to call to me. The moment I drove it I had a big smile on my face and couldn't wait to drive it home. Its not the perfect car by any means it has it's quirks that I think give it character. As far as mods done to the pony they are just the normal quick add ons like intake, headers and exhaust.

Nikki and I have enjoyed going to car shows and our random drives that we take to nowhere. We hope to share the enjoyment that we get

from the mustang and the club with our new daughter Penelope.
