As we are reaching this year's end, it's time once again to think ahead to next year. Club elections are just around the corner at the November General Membership meeting. The direction our club takes is up to all of you.

If you are unable to make the meeting there is an alternate option for you to cast your vote. You can print the ballot from this newsletter and mail it to the club PO Box. Make sure you mail it in time for just before the meeting mail pick up.

Good luck to all those seeking election!

Don't miss out on the rest of this year's fun events! Check out the club's website for all the details.

From the Editor:

As a new member (and somehow recruited newsletter person) a big THANK YOU to Missy. Being president takes time and energy that often happens behind the scenes.

You have done a great job, Missy!

Do you have a topic you would like to see regularly or a news item you would like to share in the Newsletter? Send it to pcmceditor@gmail.com. The deadline is the 28th of the month. If this is a topic that the editor needs to research, please get it in by the 20th.

President's Message (cont.)

Tip of the Month from the President:

Take advantage of sales and lists for upgrades, personalizations, and sparkly mods for your pony. I'm getting 2-4 discount emails each week now that we are getting closer to gift giving season.

If you have some ideas or even an overall vision for your pony, research the what, where, and how much from the various companies that offer parts. Think about putting some of the items on your gift list. Make sure if a certain company has an email list, you register for updates and sales. That way when they start sending out those discount offers you can strategically drop hints that prices have dropped. Win-win all around.

Some helpful tips on “How to Plan a Cruise”

Pick a Place - It can be anywhere **YOU** want to go or share with other Mustang Friends

Examples – A long drive, bowling, mini golf, a restaurant, a museum, a park, pumpkin patch, Christmas lights, scavenger hunt, progressive dinner or an event like an apple squeeze. You can pick anything or place.

Check Availability – Make sure they are open. Make sure they know a group is coming, sometimes they will offer a discount. Check to see if it is “kid friendly”, some members like to bring their kids. This will make it easier to pick a date for your cruise. Try to give a little notice so you can share at a club meeting, get in the “Pony News”, on the website and for members to get on their calendar.

How are you getting there – Some places you can just meet everyone there or plan a drive to get there. If you plan a drive – pick your route; please make sure you **DRIVE** the route. This will help you find bathroom stops and see if there are any changes you might want to make.

Are You Planning a “No Host Meal” – If you are having a meal, please give the restaurant a few days notices. This makes it easier for them to have the staff scheduled. Check for “Kid Friendly”.

Make a Flyer – Make sure you have the basic info – Place, Meeting Location, Leave Time, Date, Time, Cost, Contact Info, and What is happening – i.e. if you plan on collecting items for a charity, or “No Host Lunch”. If any part of your event is **NOT** “Kid Friendly”, please state that. Make sure the “Pony News” editor, Facebook, Membership for an alert, and the Website get a copy.

Extras – Printed Driving Directions or Navigation Devices are helpful. You can add Trivia Questions, A Quiz, Prices, or Raffles for example. You can make dash plaques, in the past members have used the regular dash plaques, some have been creative with packages of hot chocolate, or apples, or paper leaves, or paper

horses, even a compass. You can also collect items for our charities – gloves, scarves, hats, socks, and food items - anything.

Incentive – Piece County Mustang Club will help with up to \$100 to set up a cruise. You must show receipts to be reimbursed. This is to help with anything – dash plaques, raffles, shoe rentals, printing. PCMC will not cover more than \$100, so watch what you spend. Some members have been able to set up a cruise without using the incentive, but it is available if needed.

HELP – If you need any help, please ask. Most of our members would be willing to go on a test run or help with a route or give some guide lines or feedback.

Please Note – You don’t need to follow these tips, planning a cruise can be lots of fun and very simple – it is inviting your friends to join you on your adventure.

Mustang of the Month

Ron Lively

1989 Scarlet Red LX Hatchback, 2002 Black F-150 Lighting

Ron's friend bought the 1989 Mustang brand new and drove it until 2003 when she decided she needed a new car. Ron maintained the car for her during this time. He told me the car has been washed every Sunday since it was first purchased.

She garaged the car for a while. Then Ron told her she needed to sell it because it wasn't doing anyone any good in the garage. She told him she wouldn't sell it but she would give it to him. So in 2005, it became his.

When he took ownership it had 241,000 miles on it and it now has 253,000 and the engine runs like new. Because of all his care he interior, engine and paint are in great shape.

He wanted everything to be stock and went to great effort to find stock parts when he needed them including finding aluminum wheels (turbine wheels) that he had restored and polished at a place in Kent.

He told me this car was a perfect fit for his goals. He wanted something he was passionate about and that would keep him busy when he retired. Which it sounds like it has done.

Ron talked about the joy of being part of the Mustang Club with his son and grandson. He loves going to shows and on cruises with them. He also spoke of the many new friends he meets at those events when people are

drawn into conversation because of their common interest in cars, particularly Mustangs

His other Ford is the 2002 Lightning which currently has 52,000 miles on it. It has a 5.4 L engine with a supercharger. Ron says, "When I feel I need an adrenaline rush, I go somewhere that I can drive the truck."

Ron had a stroke on April 16, 2014 which is why he hasn't been as active recently with the club. He says he is 98% recovered and is grateful for family that was nearby when it happened. He can still drive and is looking forward to joining the club activities once again.

We wish him the best for the rest of his recovery and will save him a spot for upcoming cruises.

October Events

Apple Squeeze Cruise

The group met at the 512 McDonalds in Tacoma. (We have our own parking spaces there.) Monika put together a great cruise that started with Dash Apples with attached numbers for a raffle drawing.

We traveled some back roads to Steilacoom that were gorgeous, full of fall color and fabulous marine fog that made for a beautiful and very autumn-like drive. The cruise ended at a great Autumn festival where you could squeeze apple cider, eat, listen to local musicians, stock-up on early holiday gifts and people watch.

The group ended the

October 5th in Steilacoom

trip with a wonderful lunch at a local restaurant. The food was good and the company and stories even better.

Monika thanks for a great event!

I don't know where the next cruise will take us, but don't miss it!

Columbia Crest Winery: Car Show—October 5 in Paterson

This looks like a fun day at a beautiful winery on a beautiful day in beautiful Paterson, WA.

Awards went out to:

- Chuck Botsford—1st with his 1976 Coupe,
- Bill Norman—3rd in his 2000 Mustang Convertible
- Wendy Minnieweather—3rd in her 2005 Coupe
- Rick and Joanie Nordlund—3rd in their 1987 White Coupe, "Spooky"

I am seeing our members holding interesting trophies. I am wondering what the celebration was like after the show!

Put another "cork in the bottle" for show stopper awards going to PCMC members.

Q—What was the retail price for the new 1964-1/2 Mustang?

A New Chapter for Paul

October 11 in Des Moines

Wow! What a great opportunity for our club to provide a special day for Paul and the residents of Stafford Health Care. We had 18 Mustangs from the club that came and showed their shine and cool engines for this “car guy.” This gentleman had a stroke and had once owned his own Mustang. The staff supported his efforts and others from the center as all enjoyed the day, the beautiful cars and a great BBQ.

After the show, Paul rode with Tom Alpert in his 1968 GT 390 Red Fastback in a caravan of ponies to American’s Car Museum in Tacoma. Paul selected Tom’s car for the Best in Show.

Paul and the club were treated to parking right in front of the museum where all could see us. Inside we had a great tour which included the Masters of Mustang exhibit.

What a great day for all!

Museum Piece—ACM

So I have been a volunteer at America’s Car Museum now for about 2.5 months. Most of the time I have been a Greeter stationed in the entrance and front of the Main Floor (with the Mustangs of course). Almost every visitor I greet takes a little extra minute to look at the cool 1966 Red Mustang Convertible in the center of the floor.

One visitor stopped and said, “this is the iconic American ‘little red sports car’.” When I share that with other visitors they nod their heads in agreement and then take photos from every angle. You can see the “longing” in their eyes to seat themselves in the car, close their eyes and imagine driving across America, perhaps on Route 66.

It took a long time PCMC member to point out to me the PCMC sticker in the window. WOW! This gorgeous car belongs to our very own Pam and Scott Leach, members since 2012.

Way to go!

Friday Night Dinners

October 24 at Emerald Queen

Another fun get together for members of the Club. This month's event was at Emerald Queen Casino in Fife.

I heard one delighted member exclaim, "Oh the humanity!" when referring to the heap of food on the plate returning to the table (his own plate).

We learned the unique eating habits of some members when going to buffets. Begin and end with dessert. Kind of a dessert sandwich. My kind of thinking!

Conversations were fun, with lots of laughter and stories galore. Don't miss these great events!

Emergency Food Network

October 25 in Tacoma

Day of Caring

Here we found ourselves together again. Today it was about helping others and we were joined by a couple of members from another Mustang Club and some good people who just wanted to help.

Today we packaged corn. About 6400 pounds of corn. Three hours of yellow, frozen corn! I don't know about others but I am not eating corn for at least a week.

Truly an enjoyable 3 hours knowing that we were helping provide for others.

As usual, lots of humor, a couple of flying kernels, and lunch afterwards that included dessert.

It is a good thing that we worked because the food theme, especially dessert for the 2 days, is

not helping me get out of our Mustang or in for that matter.

We all left talking about when we would be doing this again. That is working at EFN not eating dessert.

Saturday, December 6th

will be the annual Santa Parades in Sumner and Puyallup. PCMC will be filing the entry applications with the Puyallup Main Street Association and the Sumner Downtown Association to participate in both legs of this year's event.

We are going to be limited to 8 to 10 cars per city so if more members want to participate, we can either draw names for each town or members can state which town they'd prefer. Cars will need to be decorated with a minimum of 100 lights per 10 feet in length which can be easily accomplished with either the LED or Twinkle style of lights, an inverter plugged into the AC outlet or cigarette lighter for a power source. Some nylon zip ties, tape and binder clips. There are also some cool suction cup plastic light holders made for use on house windows and the like which will also work along hood, trunk lid and doors. Look at Home Depot or Lowes for these types of accessories. Also large fabric ribbons and bows tied over and around each car's, roof, hood and trunk will meet the events decoration requirements. We should also have our antenna flags on while in the parades.

The application process requires me to submit a copy of each car's driver's license and proof of insurance card. I need to fill out 2 entries one for each city, so if there is overwhelming interest, as many as 16 to 20 cars will be able to participate between the 2 towns. If we get more than 20 we will do the old "draw names out of a hat" to select the PCMC representatives at the October meeting.

By the way, this is only open to PCMC members. If you belong to another Mustang club, your club would need to submit their own entry application.

The Sumner parade begins at 2:30pm, so we stage at the Sumner High School stadium parking about 1pm. The Puyallup Parade begins at 4:00pm, and we head straight there after completing the Sumner parade. They will send me a map and directions for the staging area for that parade later this year. Each leg lasts about an hour

depending on where we are in the lineup.

If you are interested in participating please contact Missy Willert prior to the October general meeting @ mary-helenwillert@yahoo.com or 253-565-0592.

Lastly, if anyone wants to march in front of the cars we could have the club banner carried by some that don't want to drive or are not drawn but still want to participate.

To see the complete list of rules for this event please go to the links provided below: <http://www.puyallupmainstreet.com/images/SantaParadeApplication.pdf>

2014 Sumner & Puyallup Hometown

Well the paperwork has been submitted and if you're like me, you can't wait for Saturday, December 6th to arrive.

I just want to let everyone know that the cool little suction cups used last year are at Lowes. They also have abundant supplies of LED lights in assorted strings of 50 & 100 lights in colors or all white. Remember to power these you will need an AC inverter to plug into your car's lighter or AC adapter outlet.

As soon as I receive the information from the Puyallup Downtown Association & the Sumner Main Street Association with staging directions, I'll get them out via email.

I'm also looking to see if anyone (2 to 4 people) would like to carry the club banner in front of the cars in either or both parades. Anyone interested please call Missy at 253-565-0592 or email at: maryhelenwillert@yahoo.com

If you want to come out to either parade and cheer on your fellow PCMC members, the Sumner parade begins at 2:30pm and goes west down Main Street from the high school to Kincaid Street.

In Puyallup the parade starts at 4:00pm and begins at Main and Meridian and travels south on Meridian just past the Pavilion (Pioneer Park) then turns right for about one block.

Be sure to bring your camera to snap some pictures of the festively adorned Ponies.
