**F**irst, let me say thank you to the members of Pierce County Mustang Club for the honor of being your president for the 50<sup>th</sup> Anniversary year of the Mustang. Thank you Missy Willert for your leadership and guidance over the last three years.

A little about me, I am originally from California and was brought to this area in 2000 by the US Air Force. I retired from activity duty in 2008 and started working as a civilian employee for them in January 2009.

My first car way back in the late 70's was a beat-up 1967 Cougar. My dad and I did the body work and paint in his shop and rebuilt the 289. I drove that car through high school. During my senior year, my neighbor had returned home from the military with a 1967 Fastback. This car was fast and beautiful. He would take me out cruising and I fell in love with the Mustang.

Over the next 29 years I drove some form of a 4-door family car. In 2011 the add campaign for the new 305hp V-6 Mustang with the scene of it racing through town with the Band Of Skulls "Light of Day" playing in the background rekindled my love for the Mustang. As I was shopping for my daughter's first car, I mentioned to a Korum salesman that I loved the Mustang. About two weeks later I got a call from the salesman saying they had a 2011 V-6 that a couple had traded in for a GT. With no more need to haul kids around, Karen and I decided that I should go for it.

The first thing I did after driving my new Mustang (Kandy) home was look for a club to join. I have been a member of the club since late 2011 and have enjoyed the camaraderie and fun with all of the events and functions associated with the club. I have made a lot of new friends and am looking forward to making many more.

Because of the hard work of the past board members this club has flourished. We were so successful with last years car show that we increased our donations by \$1500.00 over previous years. As a club we are more often than not the club with the most cars at a given car show and our cruises and other gatherings are always fun. We will continue to support the Daffodil parades and other community events.

**Member involvement  
makes the club  
work!**

## President's Message (cont.)

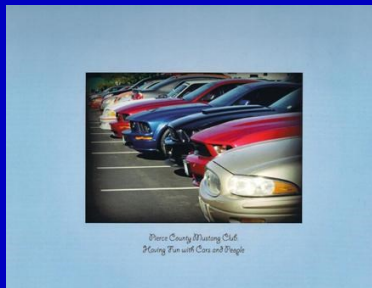

We had a meeting with our major club sponsor, Korum Ford, to go over this year's needs and expectations. They are 100% behind this club. They are going to continue to sponsor us both monetarily, as well as continuing to give us a place to hold our board and general meetings. We discussed the Korum mini show and both agreed that we would not have a mini show this year. However, we will still have other opportunities to show our support for Korum throughout the year.

Our club and its members have a wealth of knowledge they are willing to share, from car care, show prep, maintenance, trip planning, event planning, and just plain old Mustang fun. If you have questions just ask someone to share their wisdom, they'd be happy to give you some tips.

Watch the newsletter and website to ensure you don't miss any of the fun events. If you are not receiving the club events reminder E-Mails (and wish to) please let us know.

Lets have a great year!

Greg

## 2014 CHARITIES FUNDED

Club members at the November meeting, formally adopted the following organizations to receive proceeds from the 2014 annual car show at a level of \$1,500 each.

### EMERGENCY FOOD NETWORK

EFN provides more than 15.1 million healthy, nutritious meals annually at no cost to over 60 food banks, hot meal sites and shelter for distribution to low income families and individuals.

In 2013, programs in their network accommodated 1,404,755 total visits. EFN spent neatly \$1.45 per visit to assure that each time a community member walked into a food program with nothing, they walked out with enough food for 9 meals.

With an administrative overhead of under 4%, EFN distributes \$12 worth of food for every \$1 received....that means PCMC's donation of \$1,500 equals \$18,000 toward EFN's goal "that no person goes hungry.

This contribution was made in the name of Sweet Willie Carson. The representative from EFN is Meritt Hoeh (far left), Volunteer Coordinator.

### PUYALLUP VALLEY ST. FRANCIS HOUSE

Offering hope and easing hardships of those in need in East Pierce County. They exist to improve the lives of those in need. Because we and others cared enough to support their programs many lives have been touched...here's how much!

2,500 households are served annually, approximately 7,500 young children. They, along with other nonprofits continue to work tirelessly to help the many homeless youths that find themselves on the street. They serve 16+ communities including Puyallup, those along the 512 corridor and the Salishan area. 63 families received emergency rent and utilities support to keep them warm and safe in their homes. Financial gifts prevented 34 families from becoming homeless. Over 12,000 meals are served annually to the homeless.

The representative from St. Francis House is Sister Pat Michalek (far left), Executive Director.

. (continued on the next page)

## Charity Giving (continued)

### CARING FOR KIDS

Caring for Kids is an all volunteer organization helping students in need in Lakewood, Joint Base Lewis McChord, Steilacoom and University Place school districts. All money and in-kind donations go directly to helping kids. They provide school supplies, clothing, hygiene and dental products, weekend bags of food, books, ready to learn materials and holiday gifts. In addition they also collaborate with the Methodist Church Friday Dinners, the Fish Food Bank and the Food Connection Food Truck in Springbrook

The representative from Caring for Kids is Volunteer Lyle Atteberry (center)

### SANTA'S CASTLE

While not receiving a cash donation, Santa's Castle is the club's targeted charity for this year's toy drive held in conjunction with the Fantasy Lights Cruise and Holiday Gathering. Sponsored by volunteers of the 191st Infantry Brigade Santa's Castle has provided Christmas to children of Army, Air Force, Navy, Marine, Coast Guard, active National Guard and Reserve families (E-4 and below) experiencing financial difficulty since 1994. In 2013, Santa's Castle provided gifts to over 2,751 children from 1,245 families.

**ADDITIONALLY**, through out the year the club ties cruises and charity work together by collecting hats, gloves, coats, socks, peanut butter, 50/50 raffles, Relay for Life sponsorship, and a backpack and school supply drive. Club members continue to volunteer twice a year as part of EFN's Repack Program

### **Sweet Willie's – Missy Willert**

In October, some PCMC members attended the Sweet Willie's celebration of life. Willie and Sally Carson came to visit to fulfill Willie's bucket list. Sweet Willie's was PCMC charity for 10 years. PCMC collected & donated many items, plus gave our time and money to Sweet Willie's. At the celebration, it was asked of all the people in attendance to give to a charity during the holiday. PCMC Executive Committee recommends that the donation to EFN be in honor of Sweet Willie's – Willie and Sally Carson.

### **PayPal – Missy Willert**

Due to convenience of use, it has been presented to use PayPal as a form of payment. The Executive Committee would like to make it an option of use for returning members to pay 2015 membership dues. The member would take on the added cost of the use of PayPal – 2.9% plus \$.30 per transaction as a convenience fee. Depending on how this trial period goes, it is possible we may use PayPal for pre-registration for the car show and other club items. We would use "check this box" in lieu of a signature on-line.

## Some helpful tips on “How to Plan a Cruise”

**Pick a Place** - It can be anywhere **YOU** want to go or share with other Mustang Friends

Examples – A long drive, bowling, mini golf, a restaurant, a museum, a park, pumpkin patch, Christmas lights, scavenger hunt, progressive dinner or an event like an apple squeeze. You can pick anything or place.

**Check Availability** – Make sure they are open. Make sure they know a group is coming, sometimes they will offer a discount. Check to see if it is “kid friendly”, some members like to bring their kids. This will make it easier to pick a date for your cruise. Try to give a little notice so you can share at a club meeting, get in the “Pony News”, on the website and for members to get on their calendar.

**How are you getting there** – Some places you can just meet everyone there or plan a drive to get there. If you plan a drive – pick your route; please make sure you **DRIVE** the route. This will help you find bathroom stops and see if there are any changes you might want to make.

**Are You Planning a “No Host Meal”** – If you are having a meal, please give the restaurant a few days notices. This makes it easier for them to have the staff scheduled. Check for “Kid Friendly”.

**Make a Flyer** – Make sure you have the basic info – Place, Meeting Location, Leave Time, Date, Time, Cost, Contact Info, and What is happening – i.e. if you plan on collecting items for a charity, or “No Host Lunch”. If any part of your event is **NOT** “Kid Friendly”, please state that. Make sure the “Pony News” editor, Facebook, Membership for an alert, and the Website get a copy.

**Extras** – Printed Driving Directions or Navigation Devices are helpful. You can add Trivia Questions, A Quiz, Prices, or Raffles for example. You can make dash plaques, in the past members have used the regular dash plaques, some have been creative with packages of hot chocolate, or apples, or paper leaves, or paper

horses, even a compass. You can also collect items for our charities – gloves, scarves, hats, socks, and food items - anything.

**Incentive** – Piece County Mustang Club will help with up to \$100 to set up a cruise. You must show receipts to be reimbursed. This is to help with anything – dash plaques, raffles, shoe rentals, printing. PCMC will not cover more than \$100, so watch what you spend. Some members have been able to set up a cruise without using the incentive, but it is available if needed.

**HELP** – If you need any help, please ask. Most of our members would be willing to go on a test run or help with a route or give some guide lines or feedback.

**Please Note** – You don’t need to follow these tips, planning a cruise can be lots of fun and very simple – it is inviting your friends to join you on your adventure.

## Mustang of the Month

**Tazz Gulibult**

### **2006 Screaming Yellow Coupe**

Beautiful car, Tazz!

Unfortunately, we were not able to get connected with Tazz for a story about how this car became part of the family. He joined our club in 2014

We can tell you that the 2006 Mustang is part of the 5th Generation of Mustangs that went from 2005 to 2014. The design was based on the fastback Mustang models of the late 1960s which Ford referred to as "retro-futurism." It was the first to offer the "Pony Package" which allowed V6 owners to include a "GT inspired" suspension, larger wheels and tires, custom grille and more.

Did you know that the ring around the pony on the grille is called the "corral"?

## **A New Way to Renew Membership Being Tried:**

### **CASH—CHECK—PAYPAL**

You now have one more choice for renewing your membership. The club is experimenting with the use of PayPal for membership renewal only. If this test looks like a good fit for the club, then we may extend it to registration for the annual car show.

If you wish to participate the cost will be \$25.00 renewal fee plus usage fee of \$1.03. Watch for the PCMC Alert email with our link to PayPal.

Cash or check in the amount of \$25.00 will still be gladly accepted in person or by mail.

## December Events

### Santa Parades

December 6th in Sumner and Puyallup

We had 4 blue reindeer pulling the red sleigh in the Sumner/Puyallup Santa Parades this year. For the most part the weather was perfect; just some misty wet stuff came down as we were decorating our rides.

Both crowds cheered as we trotted by with fun festive lights, Seahawks themed, and a ginormous Santa hat and candy canes.

We saw a few familiar faces in the crowds calling out our names and even brought us snacks! On Mark, on Paul & Heidi, on Chuck, on Jim, Landon, & Leander (Landon's exchange stu-

dent from Switzerland), on Missy & Charlene. Now we hope more join in the fun next year. Dash away, dash away all!

### Fantasy Lights

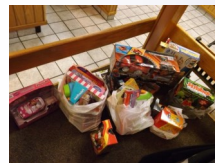

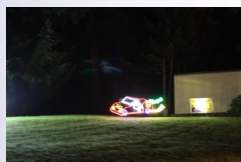

December 7th in Spanaway

Lights! Lights! And more Lights! What a great night to get into the spirit of the season.

A large group of Mustangs brought there drivers and passengers (and a few friends in trucks) to this spectacular event.

Rachel handed out cute Dash Plaque Ornaments and everyone gathered for the "required" group photo before lining up and heading out to see the lights. I am sure I saw a Mustang in lights along the way and some tulips in bloom.

As with any great PCMC event, there was giving, as we collected toys for the JBLM Toy Drive.

Eating was also involved. Pizza at the Spanaway Godfathers.

It was another great time for all.
