Springtime is here. It's time to start cleaning the winter grime off of our cars if you drive them on a daily basis like me, or remove the car covers and back them out of the garage.

Car-show season is upon us and the club has a lot of great events coming up. Please check the events calendar in this publication or check online for all of our upcoming events. We have had a great turnout for the cruises so far this year with several new members participating along with all of the regulars. We had fish at Alki, Papa Pete's Pizza in Centralia, and a poker run to the Span-A-Park Eagles. The "Friday Night Dinner Out" is a great opportunity to meet, share stories and make friends.

We have been selling raffle tickets for two passes to a driving event with Hooked On Driving. Don Clinkinbeard from Hooked On Driving came to the March members meeting to talk about his program and draw the winning raffle tickets. Congratulation to Paul Geise and Dan Watson, you are going to have a great time pushing your ponies around the track! Congratulations also to Mark Smith and Tom Rochefort for winning the Rainier Winery gift certificate and the Mustang Ranch gift certificate respectively. Don also told us we would be receiving the \$40.00 discount code for events this year. If you are interested, please contact Charlene Rivera for the discount code.

work!**

Are you interested:

If you want to order a club jacket or vest? Please contact Nancy Freeman pnredride@msn.com for an order form. An order of 6 or more keeps the cost down.

Charity Events

50/50 Raffle— All year the club provides an opportunity for members to purchase tickets for this raffle. Fifty percent of the proceeds go to a member with the winner drawn at the Holiday Potluck. You don't have to be present to win.

Fifty percent goes to one of the charities we support.

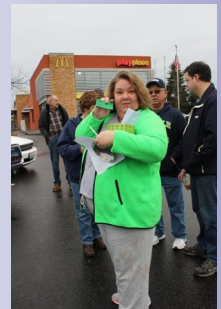

Missy has set her goal this year at \$600 so we will be hearing from her a lot. Be ready to give at any PCMC event. We are already up to \$112! (only \$488 to go) We can do it!

This fund raiser is fun and the more we collect, the more goes to our charity. Fun and a good cause!

Upcoming events:

- **Emergency Food Network**— April 25th at 8:45

Our club participates in this twice a year, April and October. We repackage food such as potatoes, oats, corn, etc which then goes to the people the Emergency Food Network supports. Another fun and worthwhile cause. Volunteer slots are filled for this event.

Upcoming Event Preparation

Are you ready to PLAY BALL?

As you know, August 28th we are planning a cruise and fun evening at a Tacoma Rainiers game.

Because this is the last weekend for the Rainiers this season and a Friday Night Fireworks event, they are expecting a large crowd. We have reserved 20 seats and can reserve more but the sooner we get our seats the better the chances are we can all get seated together.

Tickets will include a hot dog, chips and beverage, club recognition on the board, reserved seats, and program for \$11.50. For \$17.50 you get all of those “goodies” plus a Limited Edition Tacoma Rainier’s Hat!!

See the flyer with the ticket order in the Flyer section of this newsletter. Please bring this to a club meeting or send it into the club (info on the flyer) as soon as possible.

Mustang of the Month

Paul & LaVonne Youngedyk

1984 SVO Silver Hatchback, 1971 Grabber Blue Mach I, 1978 Blue/Gold Ghia

I have been into Mustangs since before they were popular. I "Restored" my first '65 in 1976. I have been a member of the MCA since 1976. My membership number is 2550, yes four numbers.

First is a '71 Mach One. I bought it in the summer of 2012 with the intention of having it road-worthy in time for Vegas. Found out that it didn't have floors so that wasn't going to happen. I've got a nice 351 Cleveland in the works though.

Next is the '78 Ghia. The restoration started in 2001, it has a new front suspension.

The '78 hatch is a project for my daughter, we are thinking about a turbo 2.3, five speed. It will probably be Cobra yellow with either the stallion trim or a black horse shadow.

The '88 is going to donate its 2.3, T5, computer and wire for the '78 project. Then I will sell the body to someone who wants to do a 5.0 or mod project.

Silver is one of my SVOs. It hasn't run for four years due to a fuel delivery issue.

So the real "Car of the month" is Red, the other '84 SVO.

I always check Craigslist for Pintos for sale and Pinto parts. In November of 2013 I was looking for parts and saw a post for an '84 SVO. If you remember back in the '80s people used to buy perfectly good cars and part them out because they could make more money. Well they are still trying to do that with SVOs. So with a flash of anger I opened the post and found a nice car with fresh paint, new clutch, the only modifications being a conical filter, three inch stainless pipe from the turbo to the tail with no muffler or cat, and a nice Hurst shifter. It was \$4900. I said to my wife, "Hey, look at this". She read everything, looked at me and said "Go buy it, I want to go to Vegas." When I tested it I put it sideways twice on 410 in front of the Bonney Lake Safeway. Excellent!

Now I have a car with no history, a complete unknown. I was betting a 2500 mile trip on it. And it was our first road trip in 30 years. The trip was flawless and I did six laps on the Speedway. Met some funny, funny people. Went to the Counts bar and had the best fish and chips ever.

If you don't know what an SVO is please take the time to find out. I think they are a very important part of Ford history.

Poker Run

BURRRR.... After all the great weather, we got some much needed rain for this cruise. However, it didn't dampen the spirits of the Mustangs and their drivers and friends.

We had 16 cars out and a room full for diners at the Span-A-Park Eagles. Jerry Murphy organized a fun event with stops for drawing cards, raffle "Gnomes" and a pull-tab speed event at the end.

The food was great. A big shout-out to the Eagles who cooked and served.

There were prizes for the most green St. Patrick's Day attire and best and worst poker hands. The prizes went to the following:

- Best Hand: Carol Patten

- 2nd Best: Mark Smith
- 3rd Best: Greg Robbins
- Worst Hand: Paul Youngedyk
- "Worstest": Chuck Botsford
- Best Use of Green: Charlene & Larry Rivera
- Other "Best Use of Green to Kathy Murphy and Missy Willert
- Youth: Jaekub Sparkmon

The big prize went to all who showed and had a wonderful time. It was great to see some new faces at this cruise as well.

See everyone at the next cruise event which is the Daffodil Parade on April 11.

See "photobucket" for more pictures.

Friday Night Dinner

It was a barbeque feast on Friday night at Brank's in Sumner. About 20 people got together in the banquet room to talk and eat. Our favorite things to do other than drive our cars to talk and eat.

We had ribs and pulled chicken and brisket and yummy dessert. The service was great and food delicious. They even pulled out some toys for the children.

Next month our dinner is at the Buttered Biscuit in Bonney Lake. We hope you can join us.

Trivia:

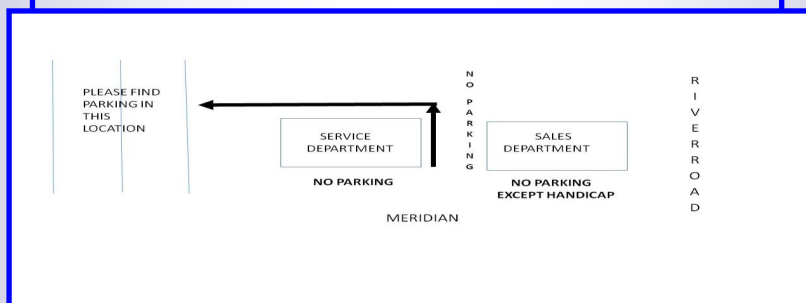

Q—The original song, "Mustang Sally" had one lyrical change when the Young Rascals recorded it. What lyrical change did they make?

A—Original—"Bought you a 1965", Young Rascals "Bought you a 1966" (can we get any more trivial than that?!)

Informational Article: Convoy Etiquette

We will be trying to put in some “Informational Articles” throughout the year. Some topics ideas include: getting ready for a show, convertibles, etc. If you have a topic you would like to see in the newsletter that you think would be interesting for the group, please let me know.

For this month, a reminder about driving in our cruises. Enjoy!

Driving in a convoy is a fun way to travel amongst your fellow car enthusiasts as it shows the power and strength of your group, gives a larger presence to your ventures, and gets attention going down the road. Having a good time and pulling off a successful and safe drive involves common sense behavior and driving etiquette that is kind to both your fellow travelers and the other people on the road.

1. **Headlights on:** This is how the rest of the world knows what is going on. It's also protocol and law in some states. Your lights on enables you to see your brethren and know who is with you. If someone pulls off the road in trouble, they are easier to identify in the rear view mirror. Best of all, it looks cool.
2. **Don't follow too close:** When in a convoy, keeping good distances is a must for safety as well as an act of kindness to the car you are following. Your cars are special and worth a lot of money so don't risk them. Utilize the 4-5 second rule of following as a basis.
3. **Allow other traffic to intermingle:** Instinctively, people in a convoy don't want to allow other cars to merge into the line. You must allow other drivers to move in and out of your convoy. Other drivers usually are intimidated or in awe of the spectacle and need to be given extra consideration. Be patient in letting them find their place and pass them if necessary if they settle in a bad spot. You can actually be ticketed in some

states for not allowing the free flow of traffic through your group. You want other drivers to say, “Wow, that was neat.” Be a friendly convoy.

4. **Lead car should keep speed reasonable:** This is hard. It is all too easy to let the speed creep up. When you have a diverse group of cars or participants, there will be people who think it's too slow and others who say you are going too fast. Try to stay with the flow of the other traffic. This reduces the need for constant lane changes and passing, making the drive safer for the group. Also, be sure to allow for flexibility if a few people want to stop. If your convoy is 20 cars or more, this may be difficult. The catch up time required for a 10 minute stop is one hour at 10mph faster than the group is traveling. People can get discouraged or upset at losing the group. If the pack is already moving significantly faster than traffic or the speed limit, it only compounds the issue.
5. **Walkie Talkie Protocol:** Talking on the WT in a convoy is half the fun. You must however respect the requests of the convoy leader when they ask the group to temporarily stop chatter for logistical reasons. Often as the group is departing or arriving at a location, the air must be open for leaders to relay important messages, directions, reports, or warnings. Only one person can talk at a time on a WT channel. To ensure no one is left behind Lead Car, Middle Car and Last Car shall all have walkie talkies. Choose a channel for your convoy that is clear of other radio traffic. Odd channels like 3 or 4 work well in most parts of the US. Lastly, keep the language “G” rated. It is the law, although there really aren't any radio police anymore, it is a courtesy.

(continued on the next page)

Informational Article: Convoy Etiquette

(Continued)

6. **Lend a hand:** Out on the open road you need to depend on one another. This is supposed to be fun. If a fellow traveler is having a car problem—help them. Nobody wants to be left behind, especially in a group setting such as a convoy. Your act of kindness could be the cement that builds a life long friendship as well as giving a story to tell.
7. **Have your car in order:** Tied to the last item, be sure your car is up to the drive. Get the car checked out. People may take heroic action to rescue you should you have trouble.
8. **No horseplay:** Drive like an adult. Goofing off or speeding to show off is bad for the whole group. That wipeout can take out a couple of your friends cars and injure or kill them. Your speeding could attract unwanted attention from the law that can sour a whole convoy outing. After all, convoys can be ticketed as a group in some circumstances if the officer is mad enough with you.
9. **Take it easy:** Sometimes not everything goes as planned. Participants in a convoy usually

have pretty high expectations and are loaded with anticipation of the day's events. It is important to stay focused on the trip at hand and be able to relax when things get hectic, people get lost, or traffic snarls throw you off schedule.

10. **Be respectful of the Leadership Team:** If you as a participant have suggestions or issues with the way things are going with the event, it is important for you to share this directly with whom-ever is in charge. Do this in a respectful manner, preferably in private. To broadcast in a group setting can be divisive and could disrupt the good aura of the event. In most cases, events leaders want to hear your concerns and will take action to resolve them if you are sincere.

SPONSOR HIGHLIGHT

Hooked on Driving

Hooked on Driving (HOD) is a community of individuals who share a passion for driving their cars. With a focus on safety, coaching, learning and fun, HOD drivers are able to experience their cars at a higher level on a track than would be safe or prudent on the public highways. As a result drivers gain a new appreciation of their car – its capabilities, strengths and weaknesses; as well as their own skills as a driver and the need to develop those skills. If you would like to test your

skills or learn new ones, contact Don.

In Memory of Eric Cobb

On September 9, 2013 club member Eric Cobb lost his fight with cancer. He was only 26. Eric had a gentle heart and a kind smile.

He was a Ford man. He enjoyed showing his 2003 Black Cobra and his 2013 Blue with Black stripes GT500 (Best of Show at the Korum Mini Show 2013).

Eric and his dad, Dan restored his grandpa's 1967 F100 that they showed together. He loved to talk cars and work on them with 1988 Fox Body and 1964 Galaxie 500 projects.

Eric loved to humor me as I told him about all the

Pierce County Mustang Club adventures coming up, and he even let me drag him and Amber to some like the Poker Run and Relay for Life but only if I promised him no car seat in his Mustangs, so Lilyanna would ride with us. He made a large impact in all of our lives and hearts.

We miss you, Eric.
