**N**o more rain in the Pacific Northwest (well I guess I need to follow up that statement with APRIL FOOLS!)

This year is just flying by. Thank you Jerry Murphy for putting together a great Poker Cruise. It was a great time!

Most of you know the club has the honor of escorting all of the Daffodil's "Teachers of the Year" in the parade. This is a great honor for our club. If you have a convertible and are free on the 9th of April, we could really use your help. We also have a group of non-convertibles that ride further back in the parade (making lots of noise). If you have any questions, please contact Pam Pistella or Missy Willert.

The 17th of April is National Mustang Day. Monika has planned a great West Seattle Cruise that will include us participating in LeMay America's Car Museum's celebration. Come out and support this great cruise.

*Greg Robbins*  
*PCMC President*

#### **Fun Facts: (from Pete Freeman)**

Leonardo DA Vinci could write with one hand and draw with the other at the same time, inventing multi-tasking. (I, on the other hand, can't draw with either.)

#### **Trivia:**

Q—Prior to 2012, how many years was there a BOSS Mustang?

It is here!

The “first-ever” Mustang LEGO set is out.

It has 185 pieces and includes a race driver and a time board.

Happy building!

Sharing from our fellow Mustang Enthusiasts in CAPITAL AREA MUSTANG CLUB OF OREGON.

This was in their last newsletter under Tech Talk:

“When replacing fuses, Ford says to disconnect the negative cable of the battery before starting work. Depending on the year of your Mustang the fuse box location will be different, on older models look for the fuse box to be located under the dash by the drivers kick panel. Newer model Mustangs the fuse box is easier to get to, generally you will find it located under the hood next to a fender, look for a rectangular box and remove the lid to access the fuses.”

“As we are moving out of the winter months it is time to bring the Mustangs out of storage, don’t forget to check your battery health.”

# Mustang of the Month

Lori Brees Eakland

1997 Black With Gold Trim

My Mustang is a Black (stock) 1997 Coupe, with the little 3.8. I purchased the car in the spring of 2005 (with boys off to college and minivan broken) and joined Pierce County Mustang Club in November of that year. I've been a member for 10 years! I've learned so much about Mustangs and how to show a car and how to polish & wax but the biggest thing I've learned is what a great group of people this club has for members! I don't get to meetings very often because of my work but I sure enjoy this group of wonderful folks!

See you at the car shows!

## Informational Article: National Mustang Day

### “The Mustang world unites April 17th”

**Reprinted with permission from:**  
**steve@downtheroadmarketing.com**

One special day a year, the Mustang world unites by taking their Mustangs to the road!

All Mustang enthusiasts know April 17th is the birthdate of the Mustang and was first shown to the automotive world at the New York World's Fair.

The goal of the National Mustang Day is to unite all of the Mustang enthusiasts, by driving their Mustang. Imagine one day a year, the Mustangs are everywhere! In fact, the Mustang Club of America celebrates April 17th every five years as a Mustang Birthday Celebration.

To make this happen, it will take Mustang Clubs, Registries and enthusiasts to help organize the National Mustang Day. How? This year, April 17th falls on a Sunday, a perfect day to go on a cruise. Organize a cruise, invite friends and neighbors to join as passengers.

As the Mustang World organizes such activity, let us know, so we can add it to the website. We want to be the home base to help spread the information so clubs, Registries, and automotive organizations can see how the Mustang Nation celebrates National Mustang Day.

So let's get the Mustangs fixed up, cleaned up and take to work, let your co-workers know you are a Mustang enthusiast, and you will find out your co-workers are Mustang enthusiasts, too. Let the world see why we are Mustang enthusiasts. Whether you take the Mustang on a cruise or to work, it is a day to drive the Mustang.

Nationalmustangday.com is your headquarters to help make this event become part of the Mustang World.

To help make this event build to the level to make all Mustang owners proud to be part of the Mustang World, we will approach the Mustang manufacturers and service companies to help advertise the event to their customers.

We also want to approach traditional restaurants and retailers, to help bring more attention to National Mustang Day.

To make this a National event, we would like all clubs, Registries or/ad individuals to register their plans. For those clubs that register, we will send them a window decal to proudly display that they took part in the National Mustang Day-the largest Mustang event ever held.

From Our Club:

PCMC is celebrating with a Mustang Day Cruise to West Seattle. Monika has taken this on and it should be a great event. We have done a similar drive before and it was spectacular.

As the article says, clean up those ponies and bring them out to ride. Ironically April is National Straw Hat Month as well. What goes together better than a Mustang, ride, and a straw hat?!

## March Events

### Shamrock Cruise & Poker Run

### March 12

Photo by Joe Varady

It may have been a cool day but that didn't stop members from showing up to enjoy a March cruise with fellow club members and friends and family.

Thank you Jerry and Kathy for organizing another fun cruise and poker run.

We had about 24 cars and about 38 people go for a 2 hour cruise

that ended in a fabulous lunch at Tonalá Restaurant in Bethel Station.

There were prizes for best costumed couple, best kid green costume, best poker hands and worst poker hands. Kathy made some great (and very usable) scarves for raffle prizes.

We saw lots of people out for this event which was really spectacular. We hope this is how all of our cruises will be. Lots of people, lots of cars, and lots of fun.

## Friday Night Dinner Out—Aversano's March 18

Well, we were sure sorry to have to missed this one but it looks like it was the usual great food and great fun.

Next month, we will see you at El Toro.

Trivia:

Q—What is the model name of the Mustang above? Hint—Not a Shelby

A—2007 Giugiaro Mustang by famed Italian designer Giorgetto Giugiaro (he also designed a Nikon camera). His son, Fabrizio, later designed the other pictured Mustang Concept car.

## April Happenings for Mustang Birthday!

April 17 marks the 52nd Birthday of our beloved Mustang.

This day has been declared NATIONAL MUSTANG DAY and Mustang owners are encouraged to get their Mustangs out on the road.

The Pierce County Mustang Club has organized a cruise to West Seattle that day. We will meet at the Tacoma Mall Krispy Kreme @ 10 am and cruise along the beautiful Puget Sound waterfront to West Seattle.

Each driver will get a raffle ticket along with the directions and 10 Seattle theme items will be raffled off. Hint—sorry, this is not a raffle for Packer & Patriot fans. We will also raffle off 4 gift coupons for our destination eatery.

We are also promised to receive National Mustang Day window decals so come out and join us.

For the April Club raffle I will have a wrapped Mustang mystery gift as the main prize. I assure you the gift will not disappoint. So get some extra raffle tickets.

Hope to see you all, rain or shine, on Sunday (4/17) for the cruise and Tuesday (4/19) for our membership meeting.

Happy Trails,

Monika
