Trivia:

Q—Jeff Bridges was in a movie with a Mustang II. What was the name of the movie?

April was a busy month loaded with a wide variety of activities. On the 9th we participated in the Daffodil Parade by supplying transport for the Educators of the Year, VIP's such as Rhubarb, the Tacoma Rainier's mascot, a council member, a couple of Sea Gals, royalty from Canada, their float was in an accident on their way down to the parade, and of course, our ever popular Special Unit. We had a great time. A big thank you to Korum and Lakewood Ford for allowing us to borrow a couple beautiful convertibles for the day.

Your car show committee has been hard at work collecting sponsors, donations, raffle items, contents for the goody bags, and vendors to make this year's car show one of the best yet. The t-shirts are in and they look great. Contact Missy Willert or Nancy Freeman if you'd like one, or ten! If you have any items you'd like to donate for the raffle contact Joanie Nordlund. Check out the current Volunteer sign up sheet later in this edition to see where you can help the day of the show.

April 17th was National Mustang Day. Monika Kirkland organized a great day; she even made sure that Mother Nature gave us fantastic cruising weather. This event was so well attended, we had several non-members participating too. The LeMay Museum welcomed us with coffee and donuts as well as a photo op to kick it off. With such great weather and so many cruisers, there were a few unavoidable glitches. We would like to put together a "Cruise" kit with some items such as walkie talkie radios. So if you have some of your own, and if you don't, they can be purchased very inexpensively, it's a good idea to use them to communicate during a cruise.

Make sure you let Bill Norman know if you plan to attend the Winery Cruise, as he will be supplying sandwiches. Remember, wine tasting is not required, but fun and fellowship is.

Our Friday Night Dinner Out was another hit. Due to some logistical problems, we changed the location this month to The "New" Old Spaghetti Factory. They took great care of us on such short notice and the food was delicious. This month we will be going to Farelli's Pizza.

A group of us spent a few hours volunteering at EFN repackaging 5,600 lbs of frozen peas. I think we have all had our fill of "Frozen" and pea/pee jokes! We had a good time. If you haven't joined us at EFN yet, you might want to consider it. We will be going back in the fall.

Korum Ford has asked the Club for help moving cars for the "Wallup in Puyallup." We did this last year and it was a blast. We will meet at Korum on Thursday, May 12 at 6pm to move cars from the dealership to the fairgrounds. On Sunday, May 15 at 7pm we will move them back to Korum. If you are interested in helping, please email me (pcmcprresident@gmail.com) with the day(s) you are available to help by May 6.

Coming up this month we have:

3rd-Board meeting

10th-Car Show Meeting, @ Bill Norman's, everyone is invited

15th-Rainier Winery Cruising and Tasting

17th-General Membership Meeting

20th-Friday Night Dinner Out-Farelli's Pizza

Hope to see you at one of our events this month,

PCMC General Meeting Minutes—April 19, 2016

Call to Order - Greg Robbins, president

Welcome Visitors, New Members, and Returning Members

Membership Report – Nancy Freeman – PCMC is having a great membership renewal, with 67% of 2015 members renewing their memberships. PCMC has 83 memberships, 10 charter/honorary memberships totaling 93 memberships, 144 members.

MCA Update – Nancy Freeman – MCA board will be having a meeting at the end of April for a By-Law vote. The first By-Law change – When a new treasurer is voted in to office, there will be an audit of the books. The second By-Law change – MCA wants to have a 3 tiered membership. Standard – as it is now – hard copy of Mustang Times, discount on shows, and the right to vote. Digital – emailed copy of Mustang Times, discount on shows, and the right to vote. Associate – no Mustang Times, still have vendor benefits, enter MCA shows, but no vote and can't hold office. MCA is trying to draw new members. Questions were raised about the cost and what the point was to joining MCA to receive no benefits or input into the club per attaining to the Associate membership.

Approval of March's General Meeting Minutes

1st Nika Kirkland & Bill Norman, 2nd Paul Youngedyk, Membership Accepted and Approved.

Treasurer's Report – Nancy Freeman

Car Show – Revenue – Registrations, Sponsorships, T-shirts/Tanks

Expenses – Mouse and Flash drive for Show Computers, Stamps, Printing

Club – Revenue – Membership Dues, General Meeting Raffles, Pass through Funds, Car Show

Expenses – Printing, Postage, General Meeting Raffles, Club Cruises, Car Show

1st Pam Pistella, 2nd Bryan Zimbelman, Membership Accepted and Approved.

Old Business

Car Show – Charlene Rivera & Missy Willert – Classes are all sponsored. Registration Forms are available. We have 48 goodie bags left. Early Bird T-shirt/tanks are ready for pick up. We are collecting Goodie Bag and Raffle items. Join us at the next car show meeting May 10, 2016 at Bill Norman's at 7pm.

EFN – Nancy Freeman – EFN is this Saturday at 8:45. We have 12 members who have signed up to help. This is a great way to give back to the community by helping to repackage food for the local food banks.

Rainier's Baseball Game – Heidi and Paul Geise – The money for tickets is due May 2nd. The game is on June 11. Cost is \$12.50 for dinner and seat or \$18.50 for dinner, seat, and a hat. Tickets are available after May 2, but you are not guaranteed to sit with PCMC members. See Heidi or Paul to purchase your tickets or see the flyer.

Duck Daze Parade – Missy Willert – Join PCMC members as they turn their Mustangs into Ducks. This is a fun, but short parade. Meeting at Lefty's to stage at 8:30, and returning to Lefty's after the parade for a no-host lunch. University Place goes all out for their Duck Daze. If you want more info on the events, cityofup.com

Daffodil Parade – A huge Thank You to Korum and Lakewood Ford for the use of the 2 beautiful Mustang Convertibles. Thank You to Pam, Missy, Heidi, and Paul for organizing the convertibles and the coups for this 4 city parade. PCMC was able to fill in convertibles for the Daffodil Parade emergencies.

Rainier Winery Cruise – Bill Norman – Join PCMC members on a 2-hour cruise to Rainier Winery for some wine tasting and plant purchasing. See Bill to sign up.

West Seattle-National Mustang Day Cruise –

Wow! What a great day for a cruise, 44 mustangs, AMC – donuts & coffee, twisty curves, raffle prizes, great scenery – the Puget Sound & Seattle, good food at Claim Jumpers, new and old PCMC members, and a few guests joined PCMC members on this back road adventure to West Seattle. Thank you, Monika for the hard work putting this cruise together.

I grew up in the mid west 45 minutes away from a drag strip so Foxes were very popular. My plans for the car are to drive it till the wheels fall off. The only upgrades I plan on doing are safety and performance, hence the cars name. Last winter I completely overhauled the suspension and future plans are to replace all of the steering components.

Informational Article:

See What Mustang Building Can Start?!

I was wondering what to write about this month when a very cool piece of membership news came across email.

Jim, Debbie and Landon Lively are PCMC members. Landon is a junior at Seattle Christian School and is part of their robotics team. Here is what James wrote about Landon and his team:

"They [the Robotics team] compete against 148 schools in the PNW area...most much bigger and well funded. It is with First Robotics. A great program to spread STEM [Science, Technology, Engineering, and Math] throughout the public schools and community. VERY big deal and very competitive but teaches the best morality to the kids and gracious professionalism. They got funding from NASA and other large corps as it takes about \$40K just to start a team. They won the Rookie All Star Award as well as the Industrial Design Award. This is almost never given to a rookie team as it recognizes excellence in engineering, design, and build."

"Not bad for a first year team and it all started with building mustangs....."

Sincerely,
James P. Lively

Young people find their interests and future careers in many ways. It sounds like this young man may have found his in the family garage. When I asked James, he said that Landon wants to study aerospace engineering.

Go Landon!

Those who have built their own cars, rebuilt old one's or repaired them for show, daily driving or whatever the purpose, know that there is a great deal of reward in seeing pieces come together. I have had the pleasure, as an educa-

tor, of watching these First Robotics teams come together, and build, compete, win or not, grow and share their common interests. The fact that the Mustang might have had any part in this experience for Landon and his team is that much more exciting.

This also makes me wonder if this story is just the beginning. How many other young people can find their passions in various aspects of rebuilding or restoring classic cars such as the Mustang? I see young people with great car enthusiasm that is just bubbling under the surface as they are not yet sure what to do with it. I met a 4 year old not too long ago that was looking at a muscle car and telling his mother what kind of car it was, "no, it's a b'cuda, Mom." In Landon's case, "all the robotics and love for building has come from an appreciation of these old classic automobiles," says James.

Landon has grown up with this passion. According to Jim, Mustangs have been "a lifelong love in our family. In fact I [James] still have my original 1969 that I got when I was 16 years old." Growing up around cars and restoration, it isn't hard to imagine where Landon's interest has come from. The family currently has a 1989 that they have / are restoring and Landon bought his 1st Mustang last year, a 1967. They "completely rebuilt the engine, transmission, suspension, interior, differential, etc."

(continued on next page....)

Informational Article:

See What Mustang Building Can Start?! (continued)

Sure there is fun in rebuilding an early model Mustang, especially as a family, but that isn't all of it. I recently heard it said that restoring cars is about the saving of art and history. Mustangs are pretty young in the classic car story, but what history can we save with these cool cars. The art and beauty is certainly there. Congratulations, Landon. You have wanted to be a PCMC member since you were 10 and now you are and may I say, you are an inspiration.

Maybe it is just because we recently purchased a mid-50's Ford truck that we will be rebuilding to a degree, but I think we have several members, such as Landon and his family that might be able to teach us a thing or 2 about this process.

What do you say? Share with me your tips.

Let's start with finding the right car to begin the process. How would you go about finding it and bringing it home?

See you on the road....be sure to wave!

March Events

Daffodil Parade

April 9

Yellow, yellow everywhere you look. What a beautiful sight as the area welcomed in spring with daffodils,

marching bands, royal courts, goats, floats, and many other groups as well as perfect parade weather.

We had about 20 some cars meet at Burger Ranch to begin our parade day. Thanks to Terry and Deborah Howells (club members and sponsors) for opening up early just for us.

itself was a great success.

We had 6 different entries this year:

#22 Sea Gals: Bill Norman

#30 Educators of the Year: Steve Khambata, Missy Willert, Monika Kirkland, Bob Frender, Greg Robbins, Tina Fisher, Rick Nordlund, and Dave and Sue Velasco

(continued on the next page)

Though it was a bit of a bumpy start, the parade

Daffodil Parade (continued)

#36 Rhubarb: Terry and Debbie Howells

#58 Council Member Joyce McDonald: Tina Fisher

#91 Special Unit: Jerry Murphy, his son-in-law & grandson, Paul & Heidi Geise, Dennis Willert, Kim & Robert Bailey and kids, Jannadean Hanson, Wayne Hanson Jr, Leland Schiro, Chuck Botsforth

#125 Pinticton
Peach Festival
Royalty: Tom Henderson

On the special units side, our coupes started as 7 in Tacoma, grew to 9 for Puyallup, shrunk to 4 for Sumner, and ended with 3 for Orting. We lost some to other commitments including meals, and some manuals sacrificed their clutches for the cause.

Jerry Murphy organized 3 young men from DeMolay who faithfully, through all 4 parades, marched in front of us carrying our banner. I think they were a

little tired and somewhat sunburned but seemed to be enjoying themselves. I don't think it hurt that we were marching behind a float with young girls on it and 2 behind the "cowgirls" and their goats.

We heard shouts to "rev 'em up" to which several gave the crowd what they wanted. Lots of cheers, "nice cars," and "wows" as we moved through the streets of the 4 communities.

There was even some education as parents could explain the difference between one kind

of pony and the other or one kind of horse power and the other.

All-in-all it was a fun day with lots of

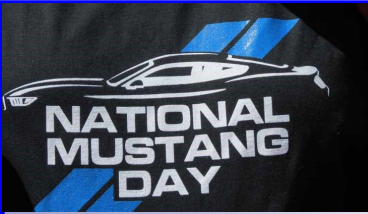

sun and lots of smiles from old and young. Hopefully you were able to get out to one of the towns to catch us live, but if not, maybe you were able to catch us on Kong TV; they did a rebroadcast of the Puyallup leg of the parade. From Missy, "For those of us that drove educators this year it was fun to hear the crowds in every city cheer, clap and yell out accolades. As a teacher, it was very nice; we don't very often get that kind of treatment. "

We have to send out a special thank you to Korum and Lakewood Ford. They each loaned us a

convertible to drive in the parade. Whether or not members drove only thru Tacoma and Puyallup or went all the way thru Orting, we had a great time.

National Mustang Day West Seattle Cruise April 17

What a great day to celebrate the Mustang in Washington state...lots of sun, perfect cruising

weather. So perfect that instead of 20 cars we had 44...club members and others who saw our post and decided to

“crash” (pardon the pun) the cruise. Fun for all.

From this members perspective, it couldn't have gotten any better!

Fabulous job, Monica Kirkland. After 3 or 4 trial runs on your own you ended up with the most cars we have ever had on a cruise and we all ended up at Claim Jumpers for lunch.

We were invited by Lemay America's Car Museum to stop by for a photo op on the

Plaza. I am not sure we could have gotten another Mustang into our space. We had coffee and donuts and took several photos of all of our members and cars in front of the museum.

As we traveled through the beauty of Des Moines, Burien, Normandy Park, and West Se-

attle we saw the Sound, lovely neighborhoods, andwait....what is that? Another Mustang Club coming the other way down the same route with

what was another 20 or so Mustangs. (Pacific Cascade MC)

The Ponies were out and running on their special day!

Of course, it wouldn't be a PCMC cruise without a stop for lunch. We ate at Claim Jumpers where the wait staff did a great job with this larger than expected group. It was such a good time, we had a couple become new members before we left the restaurant.

As always...Fun

FNDO

The Old Spaghetti Factory

April 22

Pasta, bread, soup, salad, dessert...No one left hungry.

The Old Spaghetti Factory welcomed 18 of our club members for our

monthly dinner out. The service was great, the food delicious, and the conversation, as always, full of fun and jocularity. At my end of the table I

heard everything from where you can get the best customized peanut butter to "it doesn't matter what the show is...it is Tom Selleck."

Don't miss our next dinner out on May 20 at Farrelli's on Canyon.

Emergency Food Network

April 23

Never at a loss for things to do at this club!

Saturday morning, 15 members showed up in Tacoma at the Emergency Food Network. EFN repackages foods to be distributed to food banks around the area.

We have done apples, oranges, squash, oats, and corn just in recent trips. What will it be this time....I can still hear the 4 hours of scooping, bagging, dropping, and the unlimited and unfiltered jokes....PEAS! Cold and green, peas.

We repackaged 5600 pounds of them. All while listening to great tunes and non-stop puns.

In all seriousness, it was great fun for a great cause. I will say that I saw few being thrown which I couldn't say for the oranges.

After packaging we all went to Ivar's for a great and well deserved lunch (no peas in sight).

(All pea-ed out)

(They made me say it!)

Hooked on Driving

Hooked on Driving (HOD) is a community of individuals who share a passion for driving their cars. With a focus on safety, coaching, learning and fun, HOD drivers are able to experience their cars at a higher level on a track than would be safe or prudent on the public highways. As a result drivers gain a new appreciation of their car – its capabilities, strengths and weaknesses; as well as

their own skills as a driver and the need to develop those skills. If you would like to test your skills or learn new ones, contact Don.

In Memory of Eric Cobb

On September 9, 2013 club member Eric Cobb lost his fight with cancer. He was only 26. Eric had a gentle heart and a kind smile. He was a Ford man. He enjoyed showing his 2003 Black Cobra and his 2013 Blue with Black Striped GT500 (Best of Show at the Korum Mini Show 2013). Eric and his dad, Dan restored his grandpa's 1967 F100 that they showed together. He loved to talk cars and work on them with 1988

Fox Body and 1964 Galaxie 500 projects. Eric loved to humor me as I told him about all the Pierce County Mustang Club adventures coming up, and he even let me drag him to some like the Poker Run and Relay for Life. He made a large impacted in all of our lives and hearts.

We miss you, Eric.

Fun Facts: (from Pete Freeman)

The phrase "rule of thumb" is derived from an old English law, which stated that you couldn't beat your wife with anything wider than your thumb. (There was no mention of what the husband could be beaten with.)

Trivia:

Q—Prior to 2012, how many years was there a BOSS Mustang?

A—3 (1968, 1970, and 1971)

Shinoda was asked what project he was working on and he said, "the boss's car." Therefore the name, BOSS. Homage to Bunkie Knudson.
