Trivia:

Mustangs have appeared in films and on TV more than 3,300 times in the past 50 years, according to mustangimdb. Who founded this Mustang Movie Data Base?

August is finally here; hopefully our “Summer Weather” with it. Either way, August is packed with club events.

PCMC General Meeting Minutes—July 19, 2016

Call to Order - Greg Robbins, president

Welcome Visitors, Guests, and Members

Membership Report – Greg Robbins for Nancy Freeman – No new members at this time.

Approval of June 2016 General Meeting Minutes as they appear in the “Pony News”

1st Paul Nee, 2nd Jerry Murphy, Membership Accepted and Approved.

Treasurer’s Report – Charlene Rivera for Nancy Freeman

Car Show – Revenue – Sponsorship, Pre-Registrations, T-shirts, Raffle Tickets

Expenses – Fire Extinguishers Inspections, Awards, Petty Cash, Computers

Club – Revenue – General Meeting Raffle, Car Show

Expenses – Membership Supplies, Printing, Postage, General Meeting Raffle Prizes, Photobucket Up Grade, Cruises, Car Show

1st Dennis Willert & Josh Rhives, 2nd Paul Geise, Membership Accepted and Approved.

Old Business

Car Show – Charlene Rivera and Missy Willert – The car show planning is going well. The last planning meeting is at Rick & Joanie Nordlund’s on August 9 – if you would like to come help stuff Goodie Bags, please be there at 7pm, no early birds unless you want to go over all the last minute car show plans. We have 45 pre-registrations, only 25 Goodie Bags left, make sure to get your registration in to receive a Goodie Bag. Don’t forget to bring your backpack to help Caring for Kids. Don’t forget to purchase a car show t-shirt. Please plan on being at the car show to help by 6am at Griot’s Garage, if you are not there by 7:30 you will need to get in line with the other cars. This will let the members who arrived at 6am have a chance to prep their cars for the show. An alert will be sent out to remind you of what you volunteered to help with, thank you.

Vintage Races – Tim Gwyn – Great day with 14 cars on Saturday. Everyone had a great time.

Mt. St. Helen’s Cruise – Greg Robbins – Fun day, great cruise with 19 Mustangs and 1 truck. The weather was over cast, so the mountain was photo shy, but thanks to

Heidi, she will photoshop the mountain into the picture. The photos will be available on PCMC’s Photobucket page.

JBLM 4th of July Car Show – Jerry Murphy – Nice show, smaller turn out than normal. Everyone was able to get on the base with no problems.

Lakewood Mini Show – Missy Willert – New date – Saturday July 23 at 10am, please no early birds. Awards for Best of Show, 1st, 2nd, and 3rd place. Employees and guests of Lakewood Ford vote. Dash plaques and free BBQ for all members.

New Business

Friday Night Dinner is at Butter Biscuit in Bonney Lake.

New Logo Design – Greg Robbins – The committee has been working on redesigning the club’s logo. It is now easier to enlarge and make clean copies. This design will be on the letter head, window decals, future t-shirts. We will need to check on using it for the club jackets. Everyone will receive a “new window decal” in 2017 when you renew your membership.

PCMC at Northwest Trek – Heidi Geise -Members can purchase discount ticket for \$14.50 until August 10 – mail to PCMC or give to Heidi. On September 10, we will meet at Safeway in Graham leaving at 8:30 to cruise out to Northwest Trek. You can bring your own picnic or purchase food at the park. We need to check in together to make sure we all ride the same tram. Questions – please see web site, flyer, or ask Heidi.

Photobucket – Greg Robbins – PCMC ran out room on our Photobucket account. It has been up graded to hold more of our great adventure pictures – past and present. Photobucket is a great history of PCMC’s adventures.

Mustangs on the Waterfront – Meeting at Safeway on 6th Ave on Sunday, July 31st leaving at 7:30 am.

Mustang of the Month – Congrats to Hank and Maggie Deck and their 2014 Race Red Mustang Coupe.

Car Show—Almost Here!!!

Dear Pierce County Mustang Club Member,

In 2007 my husband, Larry, and I joined Pierce County Mustang Club. We have been to a lot of cruises, car shows, general meetings, holiday gatherings, club picnics, Friday night dinners, executive committee meetings, car show meetings – you name it, we have been to it. We keep renewing our club membership due to the great members. I continue to be involved with the car show due to all the help we can give to PCMC charities.

Every year Nancy, our club's treasurer and membership director, gives out a club roster. I see a lot of names of members I know, some I have never met, and some I have not seen in a few years. Last year the car show committee set a goal to get our Founding/Charter members involved at the car show, we had 8 shows up! Most of them have not been to a show in over 10 years – they enjoyed seeing and meeting old and new members, they had a great time and promised to come back in 2016.

Well, this year the car show committee has set a new goal, and we need your help! We are inviting YOU to come to the Pierce County Mustang Club All Mustang and Ford Show on August 14th at Griot's Garage. You can stop by and say "Hi" and check out what PCMC is up to, we would love to see you. If you really want to - bring out the Mustang and show it. Come find me, I would love to put a face to a name.

We all love to share and see the Mustangs. You joined PCMC for some reason – come to the car show (or any other event, there are a lot to choose from – check out the website at www.piercecountymustangclub.com) and hang out with us!

Thanks for your time!

TOO COOL EVENT

John Clor the “world’s” leading Mustang II enthusiast is organizing the first ever Mustang II national gathering set for August 19-21 at Ford’s own Product Development Center in Dearborn, Michigan.

What better time to stage the event than in the 40th anniversary year. It will be held in conjunction with the Mustang Owners Club of South Eastern Michigan’s annual Mustang Memories show as well as on the same weekend as Detroit’s famed Woodward Dream Cruise. As John says, “It just doesn’t get any better than that”.

One of the highlights will be “Dinner with the II Designers” set for the evening before Woodward, fans can meet and mingle with some of the car’s original designers after a special Mustang II presentation. Plus, later get your car judged by actual Mustang II designers and Ford VIPS.

Go to www.toocoolevents.com learn more about the show, registration and hotel availability.

Look for the flyer for September’s Cruise to NW Trek in this newsletter. Don’t miss the fun!

Trivia:

Q—Mustang serial No. #001 was a preproduction model used for a promotional tour. What happened to it?

A—It was “inadvertently sold by a dealer to a Canadian pilot, Cpt Stanley Tucker—March 1966 Ford traded the 1 millionth Mustang to Tucker in exchange for the 1st car”

Mustang of the Month

Hank and Margie Deck

2014 Race Red Coupe

My current Mustang is a 2014 3.7L, V6 Race Red Coupe I purchased in April, 2015. My son promptly christened her 'Charlene'. I joined the PCMC a few months later. My wife, Margie, and I have enjoyed our time with the PCMC

so far and look forward to future club events.

My first Mustang was a 1966 3-speed black coupe I bought in 1969 when I was a student at Bowling Green University in Ohio. Over the years I've owned several sports cars including

two Corvettes, a Chrysler Crossfire, and a Saturn Sky Convertible. In 1998, I purchased my second 1966 Mustang with the aim of restoring it; however, after several years of work on it, I had to let it go due a company transfer. In 2015, after driving a Lincoln MKZ for several years, I decided it was time to go back to the Mustang. 'Charlene' is a great car and I look forward to driving her for many years to come.

Hank Deck

PS—Congratulations on your selection as Mustang of the Month. We look forward to you, Margie, and "Charlene" joining us for many events in the future.

Informational Article: Modified or Stock (reprint)

As requested, here is a reprint from last July.

Modified or Stock is sometimes a confusing topic as each show is a little different. I asked Charlene Rivera, our car show Co-Chair and she gave me some tips. I also, as usual, borrowed information from another Car Club Newsletter, Kitsap Mustang Club (with permission).

The following are guidelines that may help you decide. However, as I have said, it varies from show to show so it is best to ask at each one.

At some shows they use the guideline that if your car has three or more **significant** and **visible** items (examples listed below) then it should be registered in a modified class. Our show uses five. It is pretty standard that if your car is **personalized**, it is **modified**.

Clubs also look at modifications differently with some counting engine modifications as individual mods and others counting dress-up modifications to the engine as one mod. Our club uses the guideline that what came out of the Ford Factory is stock. Some dealerships will add modifications. Our club uses a mix of Kitsap, Mustangs NW, Mustangs West, and MCA. Here are some guidelines to modifications:

Paint – obvious custom paint jobs, including murals (i.e., flames, graphics, stripes, etc.)

Body Work – all body alterations, addition of flares, spoilers, air dams, hood scoops (non-stock), ground effects, etc. (Note: a complete body kit, such as a Saleen kit, which includes front and rear spoilers and side skirts will put that Mustang automatically into the modified class)

Under the Hood – Chrome dress up kits, plating or powder coating of parts, special wiring harness, non-stock coolers, non-stock superchargers/turbochargers, blowers, nitrous

Wheels/Tires - Aftermarket wheels or tires larger than stock

Chrome – blacked out with color or black trim treatment or chrome removed and panels filled

Interior – custom or aftermarket seats, custom upholstery work, custom steering wheels or consoles, gear shifter changes, additional (non-stock) tachometer or other gauges, roll bars or other related safety equipment.

According to the Kitsap Mustang Club article, modification lists serve as a means to “Level the Playing Field” for all involved and is for guidance only. Everyone at one point or another will make a few modifications to their Mustang and there is nothing wrong with that. But, it is difficult to fairly judge a bone stock V-6 coupe against a GT with a Saleen Body Kit, Bullet Interior, over-sized aftermarket rims and tires, and a supercharger (or vice versa) in the same class. From what I have seen this seems to be true at most shows.

So take stock of your car, talk to the club sponsoring the show you are entering, and mark your entrance accordingly.

Have fun and enjoy showing your car. I am personally looking for the classification for the funniest sign....

Thank you to:

KCM and Charlene Rivera for information for the article.

(See the next page for the list of modifications for our show in August.)

See you on the road...don't forget to wave!

July Events

The month started out full of events for the 4th of July. We had members at the **Vintage Races** on the 2nd and **JBLM** on the 4th.

We had quite a herd show up at the South Hill Panera to gallop up

to Pacific Raceways for the Vintage Vehicle Races on Saturday, July 2nd.

There were more than a dozen of us parked in the car corral representing Pierce County Mustang Club.

We arrived early enough to claim prime spots to watch the races and catch up with each other.

One of the racers was the cousin of club member, Bryan Zimbelman. It was even more exciting to have a "connection" with one of the racers on the track.

(Continued on next page)

4th of July at Vintage Races and JBLM (continued)

Whether they wandered the pits, checked out the vendors, watched the races from our vantage spot or walked across the track during

heats, went out during the lunch break for parade laps or made donations to be a passen-

ger in one of the professionally driven BMW's, everyone had a great time.

A big thank you to Tim Gwyn for organizing this fun annual event again this year.

While a few members relaxed after the races, some cruised on out to JBLM for their annual car show on the 4th. The club had 5 cars at this event where Bill Norman

took a 2nd Place.

This show is like a country fair with cars and good food. There was a live band and lots of happy people.

Thank you Jerry Murphy for the great pictures from both events and to Missy Willert for the Vintage Racing write-up. See even more of the photos on Photobucket which you can get access from our club website.

Mt. Saint Helens Cruise

July 17

As we were traveling today along this gorgeous cruise, I had this “WOW” moment. It came as we were winding around the mountain and over the river across the bridges. I looked out in front of our car and in the rear view mirror and it was Mustangs as far as my eye could see. My eye may have missed a couple of stray SUV’s but it is known to do that. I just

thought “WOW, this is really cool.” It felt like it was something special as we all traveled along this great cruise that Greg Rob-

bins put together.

We had 21 cars (all but one a Mustang) and lots of members and prospective members. We were able to stay together, for the most part, the entire trip with 4 stops, then lunch, then a photo opportunity, before the Observatory and heading home.

The people in this club have always been a special draw. We had close to 40 people. Everyone looked to me like they were having a great time. As always, there were stories and adventures and food (always food). This time we brought our own picnics. Most of us did. We are putting a string on Lee’s lunch so that next time he makes one, it actually gets into the car with him. And Bill and Carol...it is something special when you leave a cruise part way through because of brake issues, go home to get another vehicle and catch up with us to continue the cruise. And if that

wasn’t special enough, their Mustang was so despondent that they would trade her for another vehicle to finish the cruise, that when they got home, the brakes were cool and they caught up and finished in the original Stang.

Greg took some great shots at the photo spot. Lots more shots are on photobucket. Don’t forget to look.

PS—Too Good to leave out.

Adventure with Mr. Ugly from Josh & Natasha:

Mr. Ugly had a great cruise up to Mt. St. Helens. No issues at all. On the way back, about 40 miles outside of the park, my wife and I looked at each other as we both smelled fuel. I pulled over and verified that the main fuel line on top of the tank had ruptured. With no cell service, we were forced to push on. Less than a mile away, we started to spit and sputter. We found refuge in a private driveway with “no trespassing” signs and chickens everywhere. We were greeted by a helpful man with no tools. He offered me his driveway if I could find some tools. Shortly after, one of his buddies walked out and said that he had some tools. “Tools” was an exaggeration. He had a socket with no ratchet, a multi-tool, and a screwdriver. He offered to go get me some fuel line while I dropped the fuel tank. Within one hour, Mr. Ugly was back on the road and I smelled heavily of gasoline and chicken poo! We found this nice little barbecue joint with no bathroom. Me and the wife ate a delicious dinner, while Mr. Ugly soaked up the sun. The rest of the drive was uneventful, thankfully!

FNDO—Buttered Biscuit in Bonney Lake

July 22

I have never seen so much food!!!! I was

going to take a picture of Karen's Cinnamon Roll French Toast, but my mouth kept watering and my arm wanted to grab a fork rather than the camera. YUMMMMM.

No one left hungry from this FNDO. We had 15 members show up and most of them left with

food for the next few days as well as what they ate this night. For me, this is going to

mean an awful lot more time on the stationary bike.

See you next month at Ben Dew's on 6th Ave.

Lakewood Mini Show

July 23

On a mostly cloudy Saturday, 29 club members came

out to Lakewood Ford to show their cars. This was our biggest turn out so far. The staff at Lakewood Ford whipped up a fantastic BBQ lunch for us. Members had the afternoon to catch up with each other while customers and employees looked over our cars and voted for their favorite one. In addition, we had 7 more

register for the car show and gained a new member with a potential of

2 more.

As with everything we do, no event just happens. The Lakewood Ford Members Only

Mini Show was a success because so many members came out with their cars and helped us show Lakewood Ford how much we appreciate how much they do for our club. So a big thank you to Lakewood Ford for putting on this show for us.

Alpha Steel Buildings

Alpha Steel Buildings, Inc., HAS BEEN LICENSED AND BONDED IN WASHINGTON STATE SINCE 1981, when it was founded by Robert W. "Bob" Smith. Since then they have constructed more than 12,000 buildings throughout the state, all engineered and built to withstand nature's forces. They specialize in post-frame (pole) buildings, but have plenty of experience with wood-framed ("stick frame") and metal-framed buildings as well. Their clients come to them with their concepts of what they want, and Alpha Steel Buildings make that happen for them-whether it's additional living space, a new garage, barn, arena or commercial building. Each building is designed and engineered to suit their clients' specific needs: no two are alike.

For their clients' peace of mind and to expedite construction, they offer complete engi-

neering and permitting services. It is important to note that they own all of their own heavy construction equipment, which they utilize for everything from excavation and site preparation to lifting roofing materials. After years of experience working together, their highly trained equipment operators and construction crews perform the work efficiently and professionally. For you, this means no delays waiting for rental equipment or temporary operators to be available at any phase of the project. Plus, your building costs are not inflated by mark-ups on equipment rentals and associated administrative expenses.

Call on Alpha Steel when you want a building that will last for decades and know you're getting the very best "*from dirt to done!*"

● NEWS AND NOTES ●

NEW MCA MEMBERSHIP OPTIONS!

The Mustang Club of America has implemented new "Tiered Membership" options as a way for Mustang enthusiasts to choose the level of involvement and benefits from their MCA membership. Previously, only one membership level was available. Now there are three pricing levels—Associate, Digital, and Standard.

Associate Membership: At \$25 annually, Associate members have access to MCA vendor benefits, including the Ford X-Plan and the MCA website. Associate members may also enter MCA National and Grand National shows but do not have access to the digital or hardcopy issues of *Mustang Times*. Associate members may not vote or hold MCA Regional or National office. The price of an Associate Membership is the same for all members, regardless of where they live in the world.

Digital Membership: The \$35 annual Digital Membership includes all the benefits of the top-tier Standard membership except these members will not receive a mailed copy of the printed *Mustang Times*. Instead, Digital Members will have access to the digital edition through the MCA website. The price of a Digital Membership is the same for all members, regardless of where they live.

Standard Membership: Standard Membership is the "old" \$50 per year MCA membership but with the added benefit of accessing the digital *Mustang Times* in addition to receiving a subscription to the printed magazine via mail. The price of a Standard membership is higher for members living outside the United States due to the added postage cost of mailing the *Mustang Times* magazine to addresses outside the United States.

Frequently asked questions:

Can current (Standard) members change to an Associate or Digital Membership? Or can Associate or Digital Members change to a higher level membership? Yes to both. Members are free to change the

level of their membership. There are two ways to do this. At the time of membership renewal (within 30 days of the membership end date), members can use the online renewal function on the website to choose the new level of membership. If a member wants to change the level of membership at a time other than renewal, they should contact Kristie at the MCA office (850-438-0626 or mcaofficemanager@gmail.com) and she will manually change the membership level. If a member wishes to switch to a higher priced membership, the additional cost will be collected at the time of the upgrade.

If I change to a lower-priced membership level in the middle of my membership term, will MCA refund the cost difference? MCA will not issue refunds for mid-term membership level reductions. However, we will be happy to extend the expiration date of your membership with any excess funds.
