#### **Trivia:**

**Q—**Mustangs have appeared in films and on TV more than 3,300 times in the past 50 years, according to [mustangimdb](http://mustangimdb.com). Who founded this Mustang Movie Data Base?

**A—**Icelandic Mustang Club (who knew?)

**A**s some of you know we had an unfortunate incident during our awards presentation. A disgruntled (Non-Club) participant decided to perform a burnout in front of Griot's Main entrance. This was followed by a very derogatory post on our Facebook page which was immediately deleted. As a club we need to rise above this type of behavior. Please don't engage in any negative comments on social media or in person. If you see a derogatory comment about our club, please let a board member know so we can remove it or try to have it removed.

Well, we put on one hell of a car show. I want to give a huge "Thank You" to Charlene, Missy and the rest of the car show planning committee for all of your time and hard work making sure everything was ready to go. Additionally, to the volunteers that worked all of the different areas, "Thank You"; without your help and support we could not have a successful show.

Even though summer seems to be winding down, the club has many fun events still on our calendar. Besides one last car show meeting and the monthly board and general membership meetings, we've got some members planning cruises/events that are sure to interest you. First off we have the NW Trek cruise planned by Paul & Heidi Geise on September 10th followed by September's Friday Night Dinner Out at the Homestead Restaurant on South Tacoma Way across from the B&I at 6:00pm. In October Burt Kreidler is planning the Aw Shucks cruise to the Shelton Oyster Festival on the 2nd, Hooked on Driving day at the Ridge on the 8th, our Progressive Dinner on the 15th, October's Friday Night Dinner Out at Brank's BBQ in Sumner on the 21st and EFN on the 22nd.

November gives way to our club elections. If you are interested in running for a position either on the board or as an officer, please let any board member know; we will get your name on the ballot. Back to November's events...on the 5th Paul & Heidi Geise & Monica Kirkland are planning a cruise to the Museum of Flight and on the 18th Friday Night Dinner Out at Sizzler at the end of Hwy 512 on South Tacoma Way. December brings us the Santa Parade on the 3rd, PCMC's Holiday Party on the 10th from 5-9:00, Friday Night Dinner Out at The "New" Old Spaghetti Factory on the 16th and October 29th a Calendar Party to plan the club's calendar for 2017. Hopefully you will all be able to find something that interests you.

Don't forget, between now and the Holiday Party our club 50/50 is still gathering steam. Currently the pot stands at \$165.00. So if you'd like to win a healthy sum, Missy will have the tickets for your buying pleasure at all the remaining events leading up to the party. All fliers for the above mentioned cruises/events are at every general membership meeting on the counter behind me. Please help yourself. If you are unable to make the meetings, keep watch for Nancy's mass email reminders, the club Facebook page and the club newsletter. Even when Pete & Nancy are traveling to national MCA shows, those emails still go out.

**Greg Robbins**  
**PCMC President**

## Dan Watson

### 2008 Green Bullitt

Thank You so much. Sorry I haven't been to many events this year I have been busy with a lot of military functions. I'm busier now being retired then when I was active duty.

I fell in love with Mustangs when I was about 5 years old. I remember my parents bringing one home. It was a 1966 Mustang Coupe, that's where it all started. From then on in I have owned several Mustangs over the years but unfortunately with moving around the country and bad driving habits none survived.

That's when a buddy of mine showed up in my driveway with his brand new right from the dealer 40th anniversary Steve McQueen Bullitt. I knew right there I was done. I cursed him, took his for a test drive, and ordered mine the very next day. The only modifications are heated seats, sequential tail lights and the louvers.

I have been lucky enough to have won the raffle a couple of times with PCMC for a day at the track with Hooked On Driving at the Ridge Motor Sports Complex. If anyone is interested in

performance driving with their car I highly recommend it.

As far as the Nurburgring sticker on the back, yes I have driven The Ring in Germany, unfortunately not in my Bullitt. However, that is one every car person should put on the bucket list.

Thanks,

Dan

## The End of July Events

Boy Oh Boy! July was so busy we couldn't get it all in last month. Sunday the 31st 28 vehicles showed up in Port Orchard to show off their pretty owners.....wait.....reverse that. We lost count of the number of people.

We drove away with several awards including the club participation award for the largest representation from one club and a special award for Kathy and Jerry Murphy the Trooper Radelescu Memorial Award.

All in all we did very well with 9-1st place trophies, 2- 2nd place, 3- 3rd place and 1 special award. With 275 Mustangs present that was a great showing!

Joanie and Rick had the hard luck story for the club. Joanie sent the registration in on June 1st and on about July 26th received a letter from the postal service. In the letter was her registration, soaked through and

through, with a note explaining that the drop box they put it in had been set on fire. So much for early registration.

It was a great show, beautiful weather, and great to see once again, the amazing participation from our club. Keep it up!

## August Events

# 2016 Pierce County Mustang Club: A Day in the Life of a Car Show Co-Chair Aug 14

Hi, from your Car Show Co-Chair!

The car show starts for some at 5:45 pm Saturday Night at the club's storage shed. Thanks to the truck driver and all the lumpers (truck lingo for loader), we were able to empty the shed and fill the truck in under an hour. Boy, it was hot!

After the shed, a fast trip to Pete & Nancy's for more items, a quick dinner with the crew and then home to load up my Mustang. And

load it up we did; Larry had to share his seat and leg room with important stuff for the show.

Finally bed time at 11:15 pm.

Did you know there really is a 4:30 am? Well, on Sunday, day of the show there is - up in the shower, waking Larry as I go, waking Larry again, and one more time.... Putting on my new car show shoes, my final touch, before I head down stairs. We finish loading the food from the frig into the Mustang and off we go to Griot's Garage, hoping to get there first to unlock the gate and then to unload the Mustang before the truck arrives.

Griot's Garage and we are off and running, members and their beautiful

Mustangs all shiny and pretty and ready for the show pull into Griot's to help unload the truck and set up for the big show. Members running everywhere, a big thank you to all for helping. Checking in with Co-Chair Missy to

make sure we are on track and taking care of our last minute details.

The trophies are shining in the sun. The raffle prizes are outstanding.

Heidi is taking pictures. Vendors and Sponsors setting up, huge thanks to Ivar's, Griot's Garage, The Mustang Shop, The Leather Merchant, and LeMay Family Collection

at Marymount.

By 7:45 am, everything is ready, cars are lining up out to the street to greet our guests and their gorgeous rides.

Checking with Missy - Are we ready?

8 am and go, go, go!

There's Heidi again taking pictures.

Registration and pre-registration lines are moving thank you - Monika, Kristin and Nancy. Raffle tickets are selling, Tack Shack is selling T-shirts.

The Freebie Table is full of great stuff to share. Hospitality room has some coffee and yummy snacks.

(Continued on next page)

## Car Show (Continued)

The sound system is up and ready.

Corny jokes, great info about the show and music coming from the speakers.

Cars are being directed to their show spots.

Korum is here with a beautiful Lincoln. Veterans, lifetime members and Founders of Pierce County Mustang Club and of course the Ivar's Baby Clam paid a visit to us today.

Checking with Missy that we are still having a smooth show.

People voting, kids voting for their favorite. Look there, Heidi again taking pictures.

Ballots were tallied by computer and some were hand counted.

Raffle prizes delivered to their new owners and more corny jokes.

Look there's Heidi again with the camera.

Now, I find a spot to hide and Missy does her thing - announcing all the winners with President Greg handing out the trophies - good thing too, I don't need over 200 pictures of me on Photobucket. Backpacks counted, 32 and \$300. Wow! Monika will deliver them to Caring for Kids. 50/50 winner and St. Francis House have a nice chunk of change, \$612, to share. The trophies handed to the winners, congratulations to all.

Best of winners - congrats. How many best engines trophies does Pete have?

Wait, is that one of our members who won late model Best of Show? Yes, it is you Burt. Come get your well deserved trophy.

Did you know the father of the early model Best of Show was once a member of Pierce County Mus-

tang Club.

Goodbyes to our guests - thank you and see you next year.

All The Pierce County Mustang Club members start filling the truck with all of the car show supplies to return to the storage shed for a quick, organized unloading. Then to dinner to visit and share our car show experiences. Finally Home by 9pm.

The car show is over....but wait there are thank you notes and letters to all who make this club the wonderful club it is.

Now, is it over..... Maybe for a month.....but wait if we start this now for 2017.....

Thank you to everyone one who helps make the Pierce County Mustang Club Mustang and All Fords Roundup possible! Thank you to the car show committee and Missy without all of you helping to plan, we would never be able to put this show together.

Thank you,  
Thank you!

## FNDO—Ben Dew's

August 19

Twenty-seven members at our FNDO. It seems to me that we are getting larger turn outs each month which is great! I wonder what they serve

Here are a few happy moments from this month's dinner out.

See you next month at The Home Stead on South Tacoma Way.

## PCMC Annual Picnic

August 28

Aloha, PCMC Ohana!

If you made it to the Luau Picnic, you know what a great day of fun and ono food it was. If you missed it, make sure you put it on you calendar for 2017 - it is always the 4th Sunday in August.

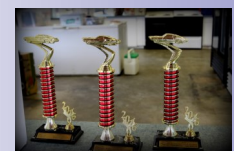

We had "Ponies" sparkling in the sun.

Instead of Hawaiian dancers and Polynesian Fire Dancers- we had Mustang "Slow

Drag" Races and a Blind Driver/Sighted Passenger Obstacle Course. With Sam

Olson winning the slow drag race - making Sam's Roush Mustang the slowest Mustang in PCMC. Robert Bailey is the best at giving directions and Kim Bailey is good at taking direction, what a good pair to win the Blind Driver/Sighted Passenger Obstacle Course.

# PCMC Annual Picnic (continued)

August 28

A bounce house for the little keiki.

We had leis, Pua'a sandwiches, lots of ono side dishes, and Ono desserts.

Great Mustang stories were shared, catching up with members and new friendships were made!

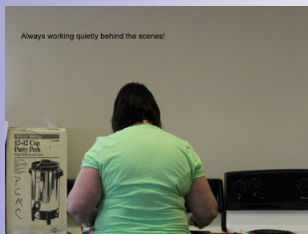

Mahalo to all the members who helped set up, helped with the games, brought ono food, and helped cleaned up.

Mahalo,  
Charlene Pohaikealoha Rivera  
Joanie Nordlund

Thanks Uretta, for posing!

Hey! We have already had some GREAT cruises this year. Don't miss the ones coming up.

While we are at it....Do you have ideas for a fun cruise the club could take in the future? Let a board member know or watch the calendar for our planning meeting and join the fun!

## ● NEWS AND NOTES ●

# NEW MCA MEMBERSHIP OPTIONS!

The Mustang Club of America has implemented new "Tiered Membership" options as a way for Mustang enthusiasts to choose the level of involvement and benefits from their MCA membership. Previously, only one membership level was available. Now there are three pricing levels—Associate, Digital, and Standard.

**Associate Membership:** At \$25 annually, Associate members have access to MCA vendor benefits, including the Ford X-Plan and the MCA website. Associate members may also enter MCA National and Grand National shows but do not have access to the digital or hardcopy issues of *Mustang Times*. Associate members may not vote or hold MCA Regional or National office. The price of an Associate Membership is the same for all members, regardless of where they live in the world.

**Digital Membership:** The \$35 annual Digital Membership includes all the benefits of the top-tier Standard membership except these members will not receive a mailed copy of the printed *Mustang Times*. Instead, Digital Members will have access to the digital edition through the MCA website. The price of a Digital Membership is the same for all members, regardless of where they live.

**Standard Membership:** Standard Membership is the "old" \$50 per year MCA membership but with the added benefit of accessing the digital *Mustang Times* in addition to receiving a subscription to the printed magazine via mail. The price of a Standard membership is higher for members living outside the United States due to the added postage cost of mailing the *Mustang Times* magazine to addresses outside the United States.

### Frequently asked questions:

*Can current (Standard) members change to an Associate or Digital Membership? Or can Associate or Digital Members change to a higher level membership?* Yes to both. Members are free to change the

level of their membership. There are two ways to do this. At the time of membership renewal (within 30 days of the membership end date), members can use the online renewal function on the website to choose the new level of membership. If a member wants to change the level of membership at a time other than renewal, they should contact Kristie at the MCA office (850-438-0626 or [mcaofficemanager@gmail.com](mailto:mcaofficemanager@gmail.com)) and she will manually change the membership level. If a member wishes to switch to a higher priced membership, the additional cost will be collected at the time of the upgrade.

*If I change to a lower-priced membership level in the middle of my membership term, will MCA refund the cost difference?* MCA will not issue refunds for mid-term membership level reductions. However, we will be happy to extend the expiration date of your membership with any excess funds.
