#### Trivia :

Q—What famous couple had George Barris design custom his and her modified Mustangs for them in the 1960's?

A—Sonny & Cher—wild head-lights, leopard skin interiors, eye popping colors. (sold in 2010 for \$137,000)

Even though Fall and our typical Washington weather has rolled on in, there were plenty of opportunities for the ponies to roam. We started October with the Aw Shucks Cruise to the Shelton Oyster Festival organized by Burt Kreidler and helping Korum move cars for the Wallup in Puyallup on Thursday and Sunday bringing what didn't sell back on the 2<sup>nd</sup>. Don from Hooked on Driving gave us another opportunity to learn how to master our cars but this time in wet weather on the 8<sup>th</sup>. We helped out the "Pepsi Guys" by collecting supplies so they can put on a Spaghetti Dinner for the homeless at Tacoma's Nativity House. The club collected: 119 lbs of noodles and 324 lbs of sauce.

Charlene organized another fantastic Progressive Dinner on the day of the BIG STORM that never was. What's better than driving your Mustang around and eating ALL DAY with great friends? This month's Friday Night Dinner Out was at Brank's BBQ in Sumner. Many of our members gathered at EFN (The Emergency Food Network) the following morning to package up 14,730 lbs of apples. We ended up the month at Carr's Restaurant planning our 2017 Club Calendar of Events. Whew! Can't wait for what's up for the rest of the year.

We had a request to help support the "Pepsi Guys" who cook and serve meals at Nativity House for the homeless. A few of our members have helped out their before with this group.

It was determined that we would ask members if they could bring spaghetti and tomato sauce to help this cause. As is typical of our club, we stepped up and brought in an amazing amount of supplies for helping this group.

## Emergency Food Network

October 22

Well, weren't we a busy group this week collecting spaghetti makings for Nativity House and then turning around and repackaging food for EFN.

This month it was all about apples....and more apples....and more apples. We re-boxed 14,370 lbs of apples (which were 15 bins). The club was represented by 15 hard working volunteers.

After the work was completed it was time to eat at Ivar's then go home, take a few Aleve, and then a nap.

Next spring it will be time to do it again. Don't miss the fun.

# Mustang of the Month

Rick Doody

## 1965 Ivy Green Fastback & Others

Thank you for picking my car for Mustang of the Month. I've been a car nut since I was a kid, my first car was a '64 Fairlane Sports Coupe. My dad taught me how to work on and restore cars. We rebuilt this car together.

I didn't really start getting into showing cars until 1995. I learned a lot going to shows and

meeting people that are just as crazy about cars as I am. Glad to be a part of a family where people love cars as much as I do.

My dilemma right now is, which one of my cars should I put up for Mustang of the Month?

I picked my '65 Fastback. This car is my "Baby." I've had this car the longest and have accomplished a lot with this car. It started out as my work car and I drove it back and forth from Parkland to Seattle for a couple years. Then I ran across a Mustang show at the Lakewood Mall one summer and that sparked my interest in joining a club. (Yes I became a member back then, some personal issues came up and I left the club. But I'm back now! ) The Club

helped me look up what I had and found out I had a special Mustang. I had what they call a deluxe fastback and only 5,772 were built back in '65. So it got cleaned up and has been a show car ever since. This car has won many trophies and has been picked by Ford to be shown at SEMA twice. What an honor.

I'm hoping to get out a lot more next year and be more involved with the Club. Thank you.

## Aw Shucks! Cruise

Aw shucks, it rained a bit on the way to the Oyster Festival. Did that stop our members.

Nope. We went out and enjoyed the day anyway.

Aw shucks, we had 11 cars and about 20 people on a gorgeous fall drive. Some on the drive and some met up at the festival. We

We drove from near the Narrows Bridge north through Gig Harbor, Allyn and various other spots. Lots of fall colors and a nice stop at the Port of Allyn. With the trip ending in Shelton at the Festival.

Aw shucks, we ate seafood and pulled pork and scones and elephant ears and strawberry shortcake.

There was not a shortage of food although you had to hunt a bit if you didn't care for seafood. Personally, I love it!

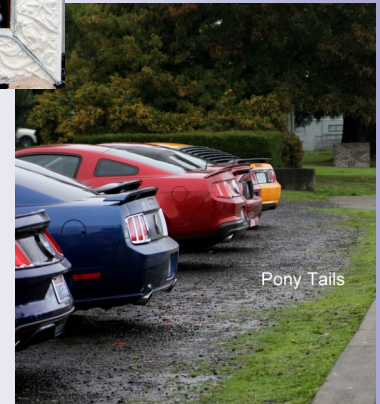

Aw shucks, we had live music. We even lost our fearless leaders, Burt and Connie in the music and beer garden.

Aw shucks, we had a great time, as we always do.

Thank you Burt for the great planning for this cruise.

Pony Tails

We can park pretty, too!

## 2016 Progressive Dinner

October 15

With the Seattle TV Newscasters predicting the storm of the century, I had to go to our local area weather to find if it would be safe to travel. Checking the app every couple of hours to every hour, it said the Bremerton, Tacoma, Puyallup, and Bonney Lake area should be less than 50% chance of rain with winds under 15 mph raising to 30 mph between 5 and 7 pm with no high wind advisories, the Dinner was a go!

We started with appetizers at Lynda and Mike's home - yummy chicken wings, jalapeño poppers, and many more choices to fill your tummies.

We had a Seahawk Fan, Leopard, a Queen Bee, a Crazy Lady and her Doctor and 3 Blind Mice - who lost their way.

Second stop for Soup and Salad, with Brains on the side was at The Bailey's or should I say "The Vampire Family". We had 3 choices of soup and all the fixings for salad plus a yummy pink brain to share. Just after we were all dished up, the Halloween Spirit stopped by and scared us by turning out the lights, but that was OK because it was still daylight outside and the food was yummy so we just kept eating and visiting. We also picked up some more members to travel with us.

Dinner was at The Sparkmon's with help from Renea. We were greeted by "Queen Elsa" - this family loves Disney, don't we all? We had sweet & sour meatballs, orange

chicken, rice, and fried rice - of course I had to try it all! We sang Happy Birthday to Karen, thanks for sharing that bit of info Harley. Happy Birthday, Karen.

After dinner the winds had picked up, some de-

cided to head for home but the rest of us decided to tough it out and head for desserts at Hank and Margie's. Boy, did they miss out on all the delicious

desserts. From cupcakes to cookies to brownies to more, and my favorite Ritz Crackers with peanut butter covered in chocolate - yum! We pulled the raffle tickets and voted for the Best Costume.

- 3rd place went to the 3 Blind Mice of course - Missy, Vickey, and JJ.

- 2nd place to our Queen Bee - Joanie.

- 1st place to The Vampire Family - Robert, Kim, and Lindy.

Thank you to all who dressed up. We collected many personal care items to donate to St. Francis House, thank you for the donations.

Thank you to all our hosts for opening your homes and for all the great food.

Until next year,  
Charlene and Larry  
The Crazy Lady and her Doctor

Thank you Nancy for the photos.

## 2017 Planning Meeting

October 29

We had a great turn out (about 21) for our Club Planning Meeting.

Lots of fun events and great places to eat are planned for 2017. It was fabulous to see members volunteer to plan events and organize FNDO locations. Many who will be doing it for the first time.

As soon as we have a couple of dates and locations confirmed you will see a list such as the

one above so you can plan for the year.

Thanks for organizing this brainstorming session, Missy.

## **Puyallup & Sumner Santa Parade 2016**

The paperwork will be submitted November 12th so, if you're like me, you can't wait for Saturday, December 3rd to arrive. What a fun day the Santa parade is.

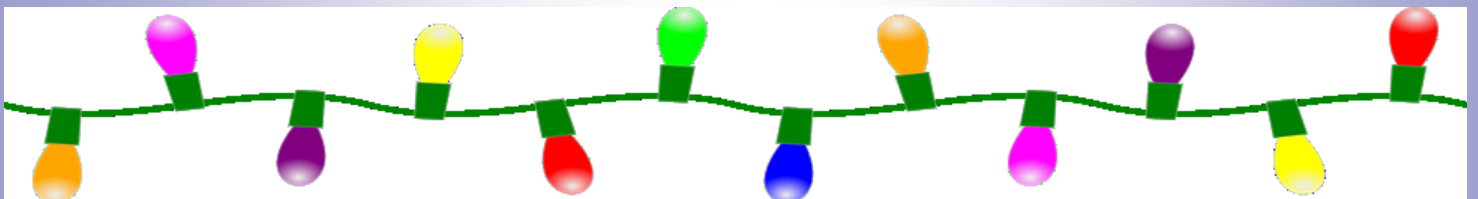

You must have at least 100 lights on your car to enter.

I just want to let everyone know that the cool little suction cups used last year are at Lowes and Home Depot. They also have abundant supplies of LED lights in assorted strings of 50 & 100 lights in colors or all white. Remember to power these you will need an AC inverter to plug into your car's lighter or AC adapter outlet.

As soon as I receive the information from the Puyallup Downtown Association & the Sumner Main Street Association with staging directions, I'll get them out via email.

Anyone interested please call Missy at (253) 565-0592 or email at: [maryhelenwillert@yahoo.com](mailto:maryhelenwillert@yahoo.com)

## **Deadline for contacting Missy is Nov 10th**
