## Mustang of the Month Aaryn Spear

Don't forget about our 50/50! Let's meet the goal!

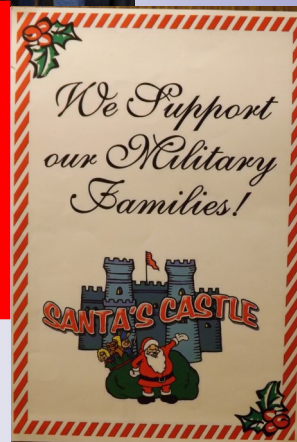

Half goes to our charities and 1/2 to a lucky member in December!!

## ANNUAL TOY DRIVE

We will be collecting unwrapped toys & gift cards at our Holiday Gathering Saturday, December 10th.

Newborn to 18 years of age.

No meeting in December. Have a safe and enjoyable holiday season. See you at our events in December and in January.

Just a few members having fun at a few Club events! See more inside.

Go to the website—Events—Past Events and view our library of photos in photobucket!

## Remembering A Member: Lance Smith

We are sorry to have to report the passing of fellow PCMC member, Lance Smith.

Lance and his wife Sandra have been members since 2005 and until the last couple of years were very active in club activities.

Many of you will remember their pride and joy, the 2007 fire red metallic coupe, "1SWTRID," with it's impressive artwork and murals. Some will also remember his love for playing cards. He was especially happy when playing teams and the guys outscored the gals.

He will be missed.

Finally, the Members, without you there is no club.

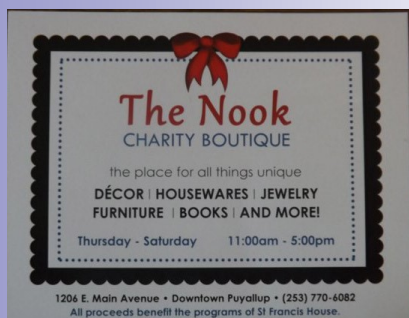

The 2017 Executive committee looks a lot like 2016 with one exception, Robert Bailey is filling the position vacated by Monika Kirkland.

I have truly enjoyed representing this club over the past 2 years and am looking forward to new and exciting adventures over the next year.

Don't forget to bring a new unwrapped toy the Holiday Party on Dec 10.

# Charity Involvement

## 50/50 Raffle

50/50 tickets for 2016 are on sale NOW. You can purchase the winning ticket from Missy Willert at any club event.

**Goal: \$500.00**

**Current Total: \$169 (\$331 to go!)**

## November Charity Items

I spread all the items out that we collected at the Museum of Flight for children and was amazed. I hope the photo gives you a sense of what I felt. Here are the totals:

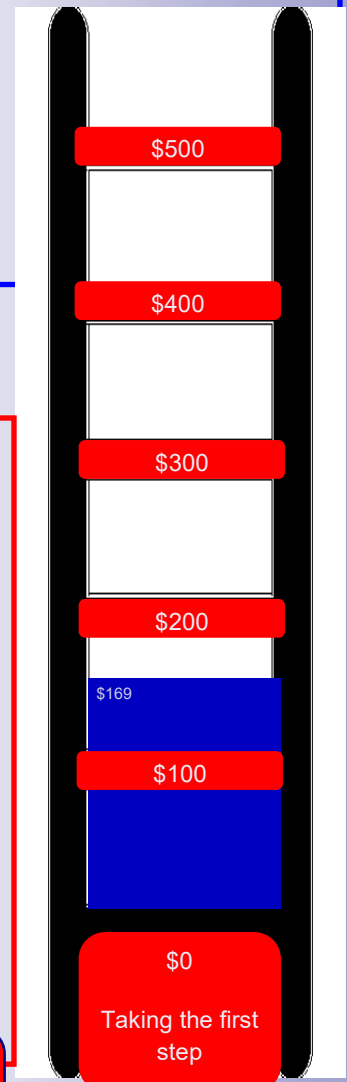

- 38 sets of PJ's
- 35 Stocking Hats
- 14 Newborn Hats (hand knitted)
- 16 pairs of Socks (1 leggings)
- 19 pairs of Gloves

All of these items have about a \$670 value and will go to St. Francis House.

Well Done!

## **Charity Involvement: 2016 Charity Giving in Review**

*Your gifts and support are a blessing to so many.*

### **EMERGENCY FOOD NETWORK \$1,000**

EFN partners with 64 emergency food programs in Pierce County and under their fiscal management our gift will result in \$12,000 in nutritious food to meet their goal "that no person goes hungry".

PCMC volunteers participated in two events that repackaged just shy of 20,000 pounds of produce.

### **ST. FRANCIS HOUSE \$1,000**

Our gift will be placed in Sister Pat's discretionary fund to help with unforeseen emergency needs of a client. This donation can help prevent a family from becoming homeless, going without electricity or missing a job interview because they need a bus pass.

Additionally, one half our 50/50 car show raffle, plus pajamas, caps, socks, gloves and personal care items valued at over \$1,000 were donated during the year.

### **CARING FOR KIDS \$1,000**

This all volunteer organization is helping kids in need in Lakewood, JBLM, Steilacoom and University Place. Their August Back to School fair helped 2,450 prepare for the school year. In the month following, they responded to an additional 392 school supply orders, 60 emergency food orders and 114 requests at their clothing bank. In the Clover Park School District alone there are 9,501 kids on free or reduced lunch according to September statistics.

As part of our annual car show PCMC members donated 32 "stuffed" back packs and cash combined value of over \$1,000. A drive was also held to collect gloves, hats, socks and \$280 in McDonald gift cards.

### **SANTA'S CASTLE \$500**

Since 1994 volunteers have provided holiday gifts to qualified families of all the armed forces and reserve units based at Joint Base Lewis McChord. Each child receives 2 books, 3 gifts and coloring books/crayons. Babies receive a stuffed animal, toy and quilt.

Our financial support is supplemented by the club's toy drive and our year-long 50/50 raffle.

### **THE TEARS FOUNDATION \$500**

The foundation seeks to compassionately lift a financial burden from Washington families who have experienced the death of a baby by providing funds to assist with the cost of burial or cremation services. Tears also offers free ongoing emotional support in the form of support groups, online support, peer companions and bereavement resources.

### **KORUM FORD LINCOLN**

PCMC added 233 jars of peanut butter to the annual "Filled the Truck Bed Drive" to benefit the Puyallup Valley Food Bank.

### **NATIVITY HOUSE/PEPSI BOYS**

A call went out and PCMC responded collecting 119 pounds of noodles and 324 pounds of sauce to support two Friday night dinners feeding more than 600 individuals.

# Charity Involvement : EFN Volunteer Group of the Month

Congratulations goes to the club for our involvement with EFN. This was just found on the EFN Website / Newsletter. Another job well done!

## Volunteer of the Month

Volunteers are an integral part of our work. They work alongside us at Repack Projects, Mother Earth Farm, and special events to pursue our mission to provide Pierce County with a consistent, diverse and nutritious food supply so that no person goes hungry. Our Volunteer of the Month program recognizes an extraordinary individual and a group each month for their outstanding passion and dedication to our mission.

**November 2016**

### Volunteer Group of the Month: Pierce County Mustang Club

Several times a year for the past four years the Pierce County Mustang Club members drive their Ford Mustangs (old and new) to our Distribution Center to volunteer their mornings at our Repack Project (our parking lot looks amazing with all those Mustangs!). We chose the Mustang Club as our November Volunteer Group of the Month because of their longtime dedication to relieve hunger in Pierce County, always coming to our Repack Project with a full group, and always with great spirit and smiles (despite the tape machines!).

Thank you Mustang Club for your continued partnership. You are a true friend of EFN and the community!

## Mustang of the Month

Aaryn Spear

2011 Performance White GT Coupe

Hi. Well my names Aaryn. I was born in Virginia but grew up here in this beautiful state of Washington.

I formally worked for Riverside Ford but now work for Idens Dealer Services detailing cars.

This is my second Mustang and I would have Mike and Rachel to thank for starting the love of these amazing cars. Growing up seeing them with their two '03 GTs was amazing.

Mine is a performance white, 2011 5.0 premium. I haven't done much to it yet besides lowering it a bit, deleting the mufflers and adding a couple visual mods such as blue lug nuts to match the blue calipers and tinted lights all the way around.

I know not many in the club know or have seen me but I will be attending a lot more events here soon.

I would like to thank everyone for the opportunity to be Mustang of the Month!

Aaryn Spear

Thank you Aaryn. Great story and photos. We look forward to seeing more of you.

### Trivia:

Q—How many of each of the following were created / designed?

- 4 door Mustangs—at least 1 in 1964, presumed replacement for the Falcon
- Station wagons—at least 3; one going as far as a full-sized clay model and 1 functional prototype in past 50 years (don't know about 3rd one)

A—see above

## Informational Article: "The Lawman"

So I was watching something on TV recently and saw a Mustang with what I thought was a unique story. I did a little research and found the following:

In 1970, Al Eckstrand (lawyer and drag racer) formed a "Lawman Racing Team." The purpose of this team was to travel to US military facilities around the world and perform demonstrations to servicemen. These demonstrations were safety exhibitions for "outgoing Vietnam personnel." (Geoff Stunkard Mustang Monthly Nov. 1, 2008)

What did they use? A Boss 429 with a super-charger. It had 780hp. There were 2 built. One was "destroyed at sea when an 8-ton ship container fell on it." (Donald Farr in Mustang 360 Feb. 1, 2004) The other performed for over "240,000 servicemen" according to Farr's article. On the team also were 428 Cobra Jet Mach 1s.

Because military personnel were coming home to automobiles that might have been very different from those they had when they left, Eckstrand wanted to give them an opportunity to see professionals

handle the power of the new muscle cars. Some even got a chance to ride in them.

So I continued to do a little research to see if I could find where this vehicle is now. I really had no solid luck but did see some information that the one that had been destroyed was returned to the US and eventually restored although I am not sure about the level of restoration.

The following websites are sources for this information and have additional information and photos including some with the soldiers. It sounds like this was a special program. Some of the soldiers were brought from the hospitals to see, hear, and ride in this very powerful automobile.

## Museum of Flight Cruise—Nov. 5

Well, we have definitely turned the corner into November haven't we? So this group of

"Mustangers" are not going to let a little rain "dampen" their cruising spirit. In the pouring rain 20 club members with their 12 cars ventured north to the land of airplanes housed at the Museum of Flight in Seattle.

After a little organization we split into 3 groups for a one hour tour of the main floor of the museum.

We got history and saw the development of the airplane. It was amazing to me that in a relatively short period of (1903 to early 1960's) we went from basically cloth covered, bridge-like designed Wright brothers planes running on bicycle parts to the SR-71 (it's prototype seen here) still the fastest and highest flying plane around. And did you see the soup ladles used for skids on the wings of the old mail plane?

I couldn't help making comparisons as we walked through the museum between airplanes

and cars. Early emergency brakes (when they had them) were sticks that were on levers and stuck into the dirt. Same as cars. No run ways just like no roads. Pilot in early passenger planes was outside just like the early chauffeur driven cars.

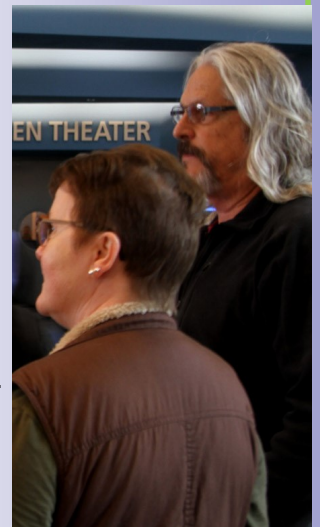

(Sorry, once a teacher always a teacher....)

From where I sat this was a fun cruise that included

great things to see and learn, fun people, and food—always food.

For more photos, check out photobucket as always.

## **Puyallup & Sumner Santa Parade 2016**

The paperwork will be submitted November 12th so, if you're like me, you can't wait for Saturday, December 3rd to arrive. What a fun day the Santa parade is.

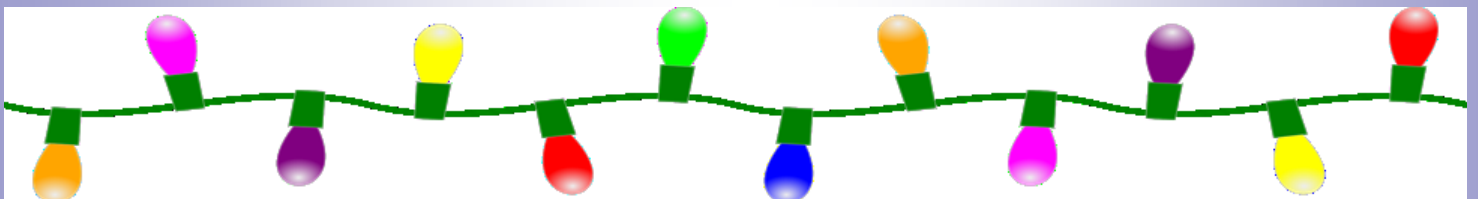

You must have at least 100 lights on your car to enter.

I just want to let everyone know that the cool little suction cups used last year are at Lowes and Home Depot. They also have abundant supplies of LED lights in assorted strings of 50 & 100 lights in colors or all white. Remember to power these you will need an AC inverter to plug into your car's lighter or AC adapter outlet.

As soon as I receive the information from the Puyallup Downtown Association & the Sumner Main Street Association with staging directions, I'll get them out via email.
