As I started to write my message this month, all I could think about was the loss of two of our great friends. With the passing of Mikey Lanigan and Mama Sha it reminded me of the importance of staying in contact with people that matter in your life. We can get so wrapped up in our own trials and tribulations of life that we forget to stop and connect with people. Please reach out to someone you might have lost touch with and reconnect. It is important. We love our cars, but they will always take a back seat to the people. I think of this club as a family and we should always remember **People** make the cars, the cars don't make the people.

Thank you to Butch and Jay Jay for a fabulous Mystery Cruise. It was your first time organizing a cruise with the club and you did awesome. Can't wait until the next one. Who could ask for a better Father's Day then to spend it with family and friends at a baseball game. Thank you Paul and Heidi, for a great time at the Rainier's game. A special thank you to Griot's for the awesome items for the raffle.

Coming up:

- July-1 is the club day at the Vintage Races. If you purchased car corral passes, we will meet at 8:00am, leaving at 8:15 from the Panera Bread parking lot at the South Hill Mall.
- Make sure if you are attending the Picnic at the Velasco's on July 8 that you send them an RSVP @ sueval@wildblue.net, as they are making their secret recipe for homemade hamburgers on the grill. Please see the flyer in the newsletter for more information.
- July 23, we will celebrate "Christmas in July" with a cruise and toy drive to benefit Santa's Castle on Joint Base Lewis McChord.
- July is also a very busy car show month. Please check the Non-Club tab on the events page for a list of shows and watch for email alerts from Nancy on meeting location and times.

Hope to see you all soon,

Greg Robbins

Dear Pierce County Mustang Club,

On behalf of the Santa's Castle Board and its many volunteers, thank you for your generous donation to our gift giving program. Your contribution and support has made it possible for Santa's Castle to provide gifts to military children from Joint Base Lewis-McChord and military communities throughout the Pacific Northwest.

In 2016, we served 2210 children from 999 military families. This would not have been possible without your support.

We appreciate your continued support of Santa's Castle, our soldiers and their families and look forward to another great year.

Sincerely,

Tracey Jones, Secretary

Mustang of the Month

Robert Brown

2016 Black California Special GT

Most of my adult life I have had at least one Ford in the driveway from my first '65 Ford Ranchero to my present '16 Mustang California Special. This Mustang is my third, the first one was a '98 Mustang GT, the second was a '13 Mustang Premium 6 cylinder. My present Mustang is by far my favorite. Even the black interior with the orange stitching is a kick as it is the iconic Harley colors so I have the best of both worlds as my other passion is my Harley. Even my wife who is not a Ford fan says this Mustang is her favorite one.

Go to the website—Events—Past Events and view our library of photos in photobucket!

What you will find on the site?

This is where we have our photo history. When you get there, you will see our most recent uploads.

Go to the library. The first page will be a few of the months event photos. Look off to the left and you will see the folders by years. If you want to see all of the photos from an event, select the year and the month and then the event you want to see should be there. Open that and you will have all the photos that have been posted from that particular event from whomever has posted any photos.

MICHAEL “LITTLE MIKE” “MIKEY” LANIGAN

It is with great sadness that we must say good-bye to a dear friend of our Mustang family, Michael Lanigan.

Mike joined PCMC in August of 2007 and was an active member up until his unexpected death in June. He could always be counted on to help out in

any way and over the years coordinated cruises, served on the board and was a wonderful ambassador for the club.

As word of Mike's death spread to those both in and outside the Mustang family many of the same phrases were written about him: infectious giggle, big, big heart, joy of getting together with others, he loved to play cards, his extensive car knowledge.

One member remembers that "when we first joined the club, Mike was very welcoming and could always be counted on to be happy and help us navigate this amazing world of car clubs."

Mikey loved cars and particularly Mustangs. One member wrote, he was a "guy who loves Mustangs and fast cars."

At this time a gathering to remember Mike is still in the planning stages. However, the family has suggested donations to St. Francis House in Puyallup would be welcome.

In the News

Trying to keep up with the Mustang news? Here are a few items to check out.

In ***Mustang Times***:

- Want some summer reading, ***KAR-KRAFT: Race Cars, Prototypes, and Muscle Cars of Ford's Special Vehicle Activity Program.*** This is the story of the company that helped build Ford's Total Performance program. Let me know if you read it and want to review it for the Newsletter.
- ***Mustangs as Art***—from my perspective as a former public school educator (because aren't we all educators?) I thought "what a great idea." This article is about an Art Teacher who inspired his students to draw Mustangs.

In the National Fish and Wildlife Department there is a Junior Duck Stamp program where kids draw ducks and their habitats. Wouldn't it be interesting to have students draw cars, Mustangs in our case, and display them at our shows. Maybe we could keep the young Mustang enthusiasts going, show students another view of the potential for jobs that combine their interest for cars and art, maybe sell some of them.....just some random thoughts as I read this great article.

- For history buffs, there was a review of a documentary, *The 24 Hour War*, in an article by Marcus Anghel. According to Anghel it is a "great watch" about, what else, the 24-Hour Race at LeMans. Specifically, the Ford—Ferrari competition of the 60's. I looked it up and it is available on Amazon as well as other places. Again, if you watch it, let me know and I will save space for your review.

- If you can get a copy of the *Mustang Times*, June 2017 issue, John Clor has an interesting article about Mustang enthusiasts (that would be us) and how we keep the spirit going regardless of the "generational gaps," social media experiences or lack thereof, or other issues of our day. It is about how important Mustang Clubs are and **particularly our shows**. It is the beginning article with more promised for July. It really is a great look at how important our work is for many reasons. It is not just about raising money for charities, which is important. It is not just about adding another trophy to the collection, which is cool. It is also about inspiring and educating another generation of Mustang enthusiasts, which is amazing!

In ***Hagerty Newsletter***:

Nicole Jacque, Apple engineer, trades her minivan for a few Mustangs. According to *Hagerty*, in their Special 2017 Edition newsletter about Mustangs, she likes driving fast behind the wheel of a Mustang. She owns 5: a 2000 Mustang GT convertible, 2011 Shelby GT500 convertible, 2012 Boss 302 Laguna Seca, 2005 Mustang Spec race car, and a 2011 Mustang Touring 2 race car. Wow! What fun!!

Keep sending me interesting news you have found.

Life is always an adventure.....

Enjoy the ride!

Cruising with the Club:

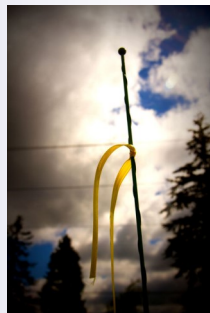

Mustangs Not Required, Enthusiasm Is!

Mystery Cruise

June 11

June 11 we were told was the 2nd best Mystery cruise....just ask Clay.

We started the drive with an honor to Mr. Mike, by carrying yellow ribbons in or on our cars.

Next came the cereal collection, that prohibited Nancy and Pete from putting their top down as both trunk and back seat were filled. All went to the Puyallup Food Bank. We certainly are a giving bunch of people.

18 cars were present, with a total of 28 people + 1 beautiful baby. (Not you Paul!)

The weather was a nice surprise. Tops were down and windows too. This allowed the fresh country air in and great photos. Please check photo bucket provided by Goddess Heidi. There may have been more than a few directional mishaps, blame Butch, he had ME do the directions!!!

Rockridge Orchards was happy to have us visit. The first raffle of Balsamic Vinegar was won by Pete (go figure). The fresh made root beer was killer, with a great taste of cider as well. Smiles and laughter filled the air. The kicker was when they stopped all traffic just so we could pull out in one long pa-

rade.. They are very interested in having us do a car show there at some point, and he's already got a line on a great BBQ vendor.....food for thought.

We had a well needed

rest stop, the next Rockridge Balsamic vinegar went to Paul. A chance to stretch, and laugh some more before we headed out to the Golden Dynasty in Kent.

Mr. and Mrs. Andy provided us a wonderful buffet. It must have been because he said it got so quiet he wanted to turn on music! Butch created his outstanding Korean BBQ pork, Mrs. Andy made her homemade hot mustard to go with it. Take home containers we provided so very little food went to waste!

The last raffle was a giant fortune cookie dipped in chocolate, our Miss Dallas won that and Grammy was happy too!

We thank all who could attend, missed all who couldn't.

Thank you JJ and Butch for a great cruise and the write up. The next cruise is Christmas in July. Dig out those holiday sweaters!

Rainier's Baseball Game

June 18

I for one was a bit concerned that we would have rain for this one. Not only did it not rain, but the weather turned out just right for a baseball game, a little overcast in the beginning and not too hot.

and went in to enjoy the game.

The Rainiers played the Salt Lake Bees. It was a close game right up to the last

We had about 32 people purchase tickets for this Father's Day Game. Rhubarb even

brought his father, Rhubob. It sure seemed like all had a great time.

We started at Griot's Garage where once again they provided us with a couple of raffle prizes and a great discount to get a few more. Every member car went home with something. Thank you Griot's.

After a short drive to the stadium, we parked, met up with a few more, took the required group photo,

couple of innings when the lead went back and forth ending in a Bees win.

Next club cruise, Christmas in July.

In Memory of "Duke Robbins" by Greg Robbins

My father grew up in the late 50's ~ early 60's. This was the start of the modern car culture. As I grew up, I would listen to his stories of the cars he had and how he would modify them to go faster or look better. His favorite was his 56 Merc with a flathead V8 and shaved door handles, Persimmon and White. I heard stories of street races and cruising. When I was about 10 he bought a 1969 Ford Bronco. We would take it all over the mountains of Northern California. I can remember crossing streams so deep water was coming into the cabin. Us kids probably logged 50,000 miles in the back of the Bronco. One of the first modifications to the Bronco was the installation of a roll bar with 2 inches

of foam padding to protect our heads as we bounced around in the back. Each year we would pack our camping gear and head down to the sand dunes at Pismo Beach for the Forth of July week-end. Each year he would push that Bronco to its limits on the sand and inevitably, something would break. That meant, get it home and make it bigger and stronger. My dad's final years were spent in Reno, Nevada and he would always talk about the Hot August Nights Car Show. His love of everything cars is why this sponsorship is in his honor. He would have loved to be involved in this club with me. – Greg Robbins
