**H**ow about this weather we're having? July was a very fun-filled month for the club.

Thank you:

- Tom Alpert, for organizing a great day at the track watching some very fast vintage cars.
- Sue and Dave had a great turnout for their BBQ (loved to burgers and the company).
- Christmas in July was a HO HO HO great time, Thank you, Pete and Nancy for putting this Sleigh ride together.
- The month is ending with one of my favorite Mustang Shows, Ponys on the Waterfront in Port Orchard.

This month is just as packed fun filled events

13 Aug - Pierce County Mustang Club's Mustang and all Ford Roundup. This is our show and we need all of your support pulling this show together. Looking forward to seeing everyone there. This show is the main event that provides us the funds to run the club and still provide substantial donations to local charities.

15 Aug - General membership meeting. This month we will have Lance Lambert as a guest speaker. Lance is a lifelong Puget Sound resident and a celebrity Car Guy. He is an author and has hosted several TV shows. He just finished his new book and will be telling us more stories from the Puget Sound car scene. He will have copies of his book to sell for \$15.00. His is one of the best story tellers and you won't want to miss it.

27 Aug - PCMC Members Picnic. This is our opportunity to relax and have a great time. Bring the family out to Frontier Park in Graham. The theme this year is Western BBQ. Check the flyer in this newsletter for all of the information.

Stay safe in your travels and see you on the road,

*Greg Robbins*

**PCMC President**

#### Trivia Question:

Q—Who was the first woman to serve as chief engineer for the Mustang? What year(s) did she hold this position?

A—Janine Bay 1994-1999 responsible for the design and development of the 1999 Mustang as well as the 1999 Cobra.

(only female member of Mustang of America Hall of Fame)

## Old Business

**Car Show** – Missy Willert & Charlene Rivera – We still need Volunteers! Please don't forget to sign up to Volunteer to help at the show – we have some empty spots to fill, please see the list and let Missy know where to add your name. If you don't sign up, please come and help. The car show supports all the fun events and the end of the year charity donation checks PCMC gives. We are filing Goodie Bags on August 8 at Rick & Joanie Nordlund's at 7 pm – if you arrive early you can join us for the last planning meeting. Car Show – we will be arriving at 6am to start setting up. If you do not want to wait in the long line, please plan on being at Griot's before 7:30 – we close the gates at 7:30 so the members who are there can prep their cars. Thank you for all the raffle items and goodie bag items. Don't forget to bring your backpack filled with school supplies or \$20 to the car show. The backpacks and cash will be donated to Caring for Kids.

**Vintage Races** – Tim Gwyn – Fun day with the PCMC members, Special Guests, Race Car Drivers and the Race Cars.

**JBLM July Car Show** – Rick Nordlund – JBLM made some changes for the show this year; the show had a good turn out for being on the day before the 4th of July and some of the vendors were there.

**Guest Speaker** – Missy Willert – At August's General Meeting, Lance Lambert will join us to share a few chapters of his new book. In the past, Lance has brought copies of his book for purchase – cost \$15, please bring cash or check if you wish to purchase his new book.

**Christmas in July Cruise** – Nancy Freeman – PCMC will be collecting toys and gift cards early this year for Santa's Castle. Join us for a cruise in July. Wear your ugly sweater and bring your toys. Please check out the flyer, web site, or talk to Nancy Freeman for more info.

**Picnic at The Velasco's** – Sue Velasco – Fun day & good food with 8 PCMC cars and one Sling Shot – Butch gave rides to all the members who wanted one.

**Mustang Round Up** – Pam Pistella – There was the track day on Thursday, Friday was a Poker Run – this was new this year, Saturday the Judge Show and dinner with Steve Saleen. Sunday was the show and shine. Fun filled weekend

**Mustangs on the Waterfront** – We will meet at Safeway on 6th, leaving there at 7 am.

**Moving the Storage Shed** – Nancy Freeman – What a great day! 19 members plus a bunch of pick ups showed up to move the new shed in 2 hours. Thank you to all who helped. Due to the fact that PCMC pays 1 full year in advance we save over \$600 on the cost of the shed rental every year. The new shed location – Shur Lock Storage on 160th, turn onto 58th, turn right at blue fire hydrant. We have plenty of room for the truck to come in to be loaded and unloaded in this new location.

**Car Show 4 Kids Open Show** – Pam Pistella – Lots of great cars.

## New Business

**Friday Night Dinner at the Old Spaghetti Factory at 7pm.**

**Hood Canal Cruise** – Burt Kreidler – This is still in the planning stage – it will be the long way around Hood Canal. More info to come.

**PCMC Member's Only Picnic** – Charlene Rivera – Join us on August 27 for a Western BBQ – the club will supply the main dish, plates, utensils, ice tea, lemonade, and water. ## Mustang of the Month

Charlene & Larry Rivera

2005 Legend Lime Coupe, 1991 White Convertible, 1988 White Hatchback

Larry says his love of Mustangs came from Farrah Fawcett and a TV show called Charlie's Angels. Mine came when I decided I was done chauffeuring our daughter and all the neighbor kids everywhere and was ready to give up the SUV. I searched the auto traders and found a 1992 Wimbledon White Ford Mustang convertible.....

I dragged Larry to Everett-not once but twice for this car. This was the start of the Fox Body Mustangs that we love. The Mustang only had one

problem, well at least according to Larry, it was a four cylinder.

Larry went on the search for a 5.0 - six months later he called me from a dealership to come get my car because he was driving his new to him 1991 Wimbledon White Mustang Convertible GT.

For a few years, we had a lot of fun in these two Fox Bodies. Our daughter got her license and the four-cylinder was the best one for her to drive.....at least according to Larry and her - besides I had my Mercury Sable station wagon to drive and I could always ride with Larry - so they said.

But Larry had a secret plan - the 2005 Mustangs had just come out and he wanted me

to have a new Mustang in green, my favorite color...so off he went in search of another Mustang, but wait there is more ....6 months after the 2005 Legend Lime Green came home - a 1988 Wimbledon White

GT hatch back came home too - he says the 1988 had to come home to us because 1988 was the year we got married and this Fox is a symbol of our year.

Ok - you can't argue with that and another Mustang at our house, making us the coolest house on the block.

Thanks, Larry and Charlene, for the article, the great story, and all you do for PCMC.

## In the News

***Trying to keep up with the Mustang news? Here are a few items to check out.***

From ***Mustang Times***:

**Rally Call**—John Clor, Enthusiast Communication Manager for Ford Performance and FordPerformance.com, is asking for our help. Here is a summary but for details see the ***Mustang Times*** July Issue:

- Ford goal—"gain brand recognition and consideration among young drivers entering the marketplace, as well as among any auto owners who do not currently drive a Ford vehicle."
- While doing this, not forget the current Ford vehicle owners in the process—US!

The article goes into all the data around contributions made by Ford enthusiasts in the general marketplace and in making changes in Ford products themselves, such as putting the 428 Cobra Jet engine into production and not creating a Japanese-based, front-wheel drive car to replace the Mustang (instead it became the Probe).

John's article simple states,

**"We drive Ford Passion!"**

So here is the RALLY CALL:

- Prove to those in Ford Marketing that Mustang Enthusiast and their clubs and their car shows are a hugely important part of the process for showing all, especially young people, the joy of driving/owning a Ford, particularly a Mustang.
- How can we help?

1. Everyone sign-up for the Rally Call sweeps.

2. Tell every "Ford Friend" to sign up as well.

- What is in it for us?

1. Chance to win a 2018 Mustang EcoBoost
2. Encourage Ford to invest in local clubs supporting Mustang Club shows.

We get tremendous support from **Korum Ford in Puyallup** and **Lakewood Ford in Lakewood**. We appreciate all that they do for us and enjoy the positive relationships we have built. We are celebrating 25 years this year and are looking forward to another 25 years or more of this club and the partnerships we have made.

Can we do our part and sign-up as many people as possible? I have no doubt that we can do it!

Go to—<https://www.fordperformancerallycall.com>

Also in this issue of the ***Mustang Times***:

- For Fox-Body owners—Summit Racing now has a Vintage Gauge Cluster for 1987 to 1993 Fox-body Mustangs.
- Roush—The Roush 440A—Only 40 made at the end of the 2004 model year. These were celebrating the 40th anniversary with 400 hp in a limited run. All of these went to one dealer in Florida.

***Keep sending me interesting news you have found.***

***Life is always an adventure.....***

***Enjoy the ride!***

Ideas for Future Articles: **Send me your stories or ideas by the 25th of the month! What do you want to know about?**

## July Club Events

### Cruising with the Club:

### Mustangs Not Required, Enthusiasm Is!

#### Picnic in Roy

July 8

We had a great time hosting the picnic. We had about 21 here, counting a couple of young men who helped out with getting everything set up and did the cooking of the burgers. Everyone enjoyed my special burgers. The food that was brought by the others really added to the BBQ. Thanks to all of you. Here are some of the photos Dave took.

Thank you to Dave and Sue Velasco

#### Moving Day for the Shed

July 9

You folks are the most amazing people we have the privilege to call friends and not just in the Mustang world. The club put out a call for assistance and you answered with strong backs, willing hands, tools, trucks, engineering smarts, repacking placement skills, and laughter.

That was the fastest move on record...just 2 hours from start to final broom sweep.

The club and Freemans are blessed,

Pete and Nancy

## FNDO—Old Spaghetti Factory

July 21

Come join us next month at the Brank's in Sumner.

## Christmas in July: HO! HO! HO!

July 23

No, I am not losing touch with reality or forgetting in my retirement that this is July. Well, maybe I am losing it but I do remember that this is the August issue and a July event.

In order to get a jump on those holiday specials, club members went out and filled the back of the Freeman's SUV with cash, gift cards and a sleigh full of toys for Santa's Castle, a charity for children of military families. We did this early so that we could load up the Castle in time for this year's season.

What a fun day with 15 cars and 22 people. We

handed off gifts at McDonalds and then cruised through beautiful country – Dupont, Steelacoom, University Place, and Point

Defiance's 5 Mile Drive. It was a great cruise route. Thank you Pete and Nancy Freeman, and there were no cruises-within-a-cruise.

We stopped at Round Table Clubhouse for great pizza, listened to Christmas music and Paul's Christmas

hat singing—Wish You a Merry Christmas. (Yes ladies, he's taken, he is mine.....)

Don't miss the next cruise.

## PCMC at Local Events

## July

We have been busy this month. Besides the events already described in the newsletter we had members at Vintage Races, JBLM, Mustangs Unlimited Show, and the Port Orchard Car Show as well as a few members attending other events. Here are a few photos showing how our club was represented throughout July.

Here is a write up from Tom Alpert about the Vintage Races.

July 1st, we cruised up to Pacific Raceways for a fun day of vintage car racing at the annual Vintage Races. We met at around 8am on South Hill, where 10 cars took off for an early morning cruise to the event. As usual we were not disappointed with the thunder of cars full on racing the track. There were a few minor mishaps, but no one was hurt and no significant damage to any of the cars.

his grip sending him fish tailing more. He said he was lucky to recover.

Each and every year I am thankful to be able to attend, as we never know when it might be the last we see of these awesome cars in their full splendor. Thank you to everyone who supported the event and we hope to see you again next year!

There was one incident on the back stretch several of us witnessed that had us holding our breath. A blue '65 Shelby hit the edge of the track wrong and threw him out of control. After fish tailing wildly, the

driver regained control and continued around the track. Talking with the driver after the race he said he was trying to decide whether to let the car go off track or recover on the track. He opted for the latter. After it fish tailed once, the wheel slipped out of

## Special Note: Mustang Wins at Corvette Show

Imagine the surprise when member **Jerry Murphy** saw his Mustang on the website banner advertising, the Bow Tie Bash Show, a Corvette Club event! WOW!!!

Congratulations, Jerry!

Jerry received an award which turns out to be a Corvette Club jacket. That should be fun.....Can't wait to see him wearing his new coat to our Mustang Club meeting. My camera will be charged and ready.

## Port Orchard—Mustangs on the Water

It is the middle of summer and what do we do? Well if it is

dressed up in new duds. All in all—lots of gorgeous cars new and old, stock and modified, and a pleasure to view.

Several members won 1st, 2nd, or 3rd for their classifications but we had one that was especially cool. Dennis Willert, still recovering from surgery, could not attend the show. So that his newly painted and wheeled GT500 could show, Clay Concannon sat in the driver's seat to get it there. You know it didn't do too badly —BEST IN SHOW! I know there was a lot of work involved to get it ready so congratulations to all who detailed it and spiffed it up. Well worth the effort.

If you haven't done this show it is one to put on the

the end of July we cruise to Port Orchard and go the Mustangs on the Water. What a fun show.

In the few years my husband and I have been doing

this show we have had heat and pouring rain. This show was perfect in my eyes. The morning was a bit overcast and by 1 it started heating up just in time for the shade and the afternoon nap.

We had about 15 cars from our club. A great showing. Everyone cleaned up pretty and their cars looked good as well. We had some new cars enter for the club, some that had been here multiple years, and some who had been here multiple years but were

list. The water view is wonderful and there are always several hundred Mustangs.

Our show is right around the corner so get those engines cleaned, cars shined, and bodies prepped to put on our own event—25th Anniversary for us this year. Let's make it a great one!

## Have we got an opportunity for you?!!

Yes folks, it is the time we start looking ahead to the future. We will be electing new officers in November so be thinking about that. There are also some volunteer positions that we will need to fill. Below is one of them.

### Meeting Raffle Coordinator:

Monika Kirkland has done an amazing job of filling this position this year. All those cool items that are raffled away at the end of each meeting. That is Monika. Great job!!

She would like to step down, therefore, we need someone to step up for 2018! The club underwrites \$40 per month for purchases. Let Monika or someone on the Board know if you are interested.
