We survived another Car-show. The threat of some possible water droplets kept some people at home but those that came out enjoyed a beautiful day. Thank you to everyone that helped plan and organize this great event, but most of all THANK YOU to everyone that came out and participated in the show. Without your participation, our club would not be able to give so much back to the community. In addition, lets give a great big shout out to our sponsors, as well. They always step up, which also helps to make this show a success every year.

We had our annual club picnic (YEEE HAAA!!!). Thank you, Charlene, and Joanie for putting together a great day at Pioneer Park. We had beautiful weather, gorgeous cars, good food, and better friends.

Check out the flyer with the details for the Hood Canal Cruise on 9 Sept. Any time we can drive our cars on a beautiful curvy road with fantastic views of Hood Canal is a good time.

The last two big Mustang Shows of the year are this month, Ponies in the Sun (Yakima) and Ponies in the Park (Lacey), Sept 17 and 24 respectively. These clubs were big participants in our show so lets return the favor and participate in their shows.

On a serious note, this club can only do good thing if good people get involved. Elections are fast approaching and we are looking for people that want to help guide the club forward. The four executive positions (President, Vice-President, Treasurer, and Secretary) and the four director positions are elected each year. If you are interested in any of these positions please contact any of the current board members (listed to the left) and they would love to show you what they do.

Hope to see you all soon,

Greg Robbins

Charity Involvement (Continued)

So, you know how sometimes things happen and you forget to do something you should have done? And then when you correct your error it turns out better?

I was all set up to take pictures at our 25th Anniversary Car Show Awards. We had just finished handing out all the raffles and were ready to call out the winner of our 50/50. Half of this goes to one of our charities, St. Francis House in Puyallup. Each year we invite Sister Pat to join us and accept our donation. She is very busy but this year she made it to the show. I was so excited that she was there, I forgot to capture a photograph.

My husband and I decided we would try to catch her and some photos of the charity the next day..... And then this happened.

Now we will go back to give her a ride....

Thanks to all who contributed to this

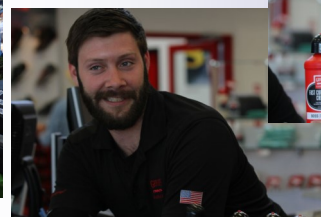

at the show. Sister Pat explained that this type of donation contributes to keeping families in their homes when a bill or two can be the difference between a place to live or being homeless.

We were able to contribute over \$400 which became over \$800 when the 50/50 winner gave her the majority of his share of the winnings and then...someone wanted to make it an even amount...Sister Pat was able to walk away with \$1000 to help those who need it.

Mustang people stepped up and did a great thing this day. Thank you to all of you who contributed.

Some of the Volunteers and Sponsors at PCMC Car Show

Many thanks to all that helped in many ways to make for a great show! See photobucket for more photos.

Mustang of the Month

Jordyn Osborne

1998 Green Coupe, "Kermit"

How I Came About Getting My Mustang

It was shortly before my 16th birthday and I was looking like crazy on Craig's list for a car. I looked at several different makes and models of cars but I knew that I wanted something that went fast and had muscle behind it. I like to go fast and get to where I am going quickly. As I say, "Speedy is my middle name".

It was a nice October day when the car was found at a small dealership in the Puyallup area. I was not there when the car was being purchased as I was in Centralia playing a fast pitch tournament. My dad and grandparents got the car and he drove it down to me as a surprise. It was a good day all around because as he was bringing me my new car, I hit a homerun during my game that night.

After the game, as I walked outside, I saw my new car for the first time. I didn't know that they had

bought it or that my dad had driven it down to me.

Since I was not 16 I did not get to drive it home but, I did get to ride in it. The ball from my home run sits in my car.

The car became known as, "Kermit", named by those in my family. This was mainly because the car was bright green. Kermit sits in the back window of my car watching and waiving to everyone as I pass by

them. Once Kermit is retired, I plan to get another Mustang but I want the next one to be a 5-speed GT convertible.

In the News

Trying to keep up with the Mustang news? Here are a few items to check out.

From ***Mustang Times***:

- First in case you missed it, check out the article and photos from Jon Clor. Look carefully! Yes, that is our own Chuck Botsford at last year's Mustang II Reunion with his "slightly modified" 1976 Mustang II. More Mustang II Reunions coming
- In the same issue you will find an article about a 1964 1/2 that has been in the same family since its purchase when the original family owner picked it off the truck as it was unloaded. Within the article you will find a photo of the first person to buy a Mustang, Gail Wise.
- As for books, *Shelby Mustang GT350* sounds like an interesting read. Written by Chuck Cantwell, who worked at Shelby American in 1964, with Greg Kolasa as co-author. It tells the story of working at Shelby American and of the processes that led to the 1966 Shelby GT350 and eventually the 1967 Shelby GT500.

From my own reading:

- Although not a Mustang book, *Driving with the Devil* by Neal Thompson is about moonshine, NASCAR, and includes the role played by the Ford V-8. I have found it fascinating to read about the roots of this sport. Where did moonshine come from? What socio-economic conditions made the time and locations ripe for bootlegging and the original NASCAR drivers and money men?

In **Griot's Garage**:

- New Rinseless Wash & Wax. This is a great product for apartment dwellers as you just dilute the wash then wash and dry. No hose required. You can even presoak for really dirty cars.

Keep sending me interesting news you have found.

Life is always an adventure.....

Enjoy the ride!

Using Photobucket

Go to the website—Events—Past Events and view our library of photos in photobucket!

What you will find on the site?

This is where we have our photo history. When you get there, you will see our most recent uploads.

Go to the library. The first page will be a few of the months event photos. Look off to the left and you will see the folders by years. If you want to see all of the photos from an event, select the year and the month and then the event you want to see should be there. Open that and you will have all the photos that have been posted from that particular event from whomever has posted any photos.

Needed for a Restoration

Can any one help out a member?

Hi, I am Brian Zahnow. I am restoring a '68 Mustang and I need a tail shaft for a 4 speed toploader for the small block Mustangs between 1967 and 1973 . These tailshaft are Mustang specific. Other Ford's won't work because Mustang hoods are longer. My number is 732 5079.

Thanks,

Brian

Cruising with the Club:

Mustangs Not Required, Enthusiasm Is!

25th Annual Pierce County Mustang Club Car Show

The Birth of a Pierce County Mustang Club Goodie Bag:

After the planning work that started in January (actually September of the year before), we began the prep stages for the show. As usual, it began at Rick and Joanie Nordlund's for the packing of the goodie bags.

If you registered early, this all could have been yours!

If you did get one this year, let Charlene know what your favorite item was.

It's Saturday morning and here they come, my drivers! I

wonder where we are going. Not to a car show, I didn't get a bath yesterday. Oh no, they have boxes and more boxes. Don't they know I'm not a truck! At least we are going for a drive.

Wow, no traffic. I know this road. Koolrde lives down that road. Well, I guess we aren't going there. Wait, I know this road, too. The club storage shed is there but we passed the entrance. What's this? This is new. Our Mustang friends are here though and so is the big truck!

Oh! I know what this means. The PCMC Car Show is tomorrow! Hopefully, I will get a bath. The last few

years they were too busy and got home too late to give me one.

Wow! I thought they put a lot of stuff in me but look at that big truck. I think I just lost 200 lbs. They emptied me into the truck.

Next stop, my BFF Spooky's home for more stuff for the truck. Oh boy! There is almost as much stuff at Spooky's as there was at the shed. But now, bath time and I will be all clean for the show!

It's show day! I got my bath and more stuff loaded into my trunk. It is very early. Car show, here we come! Well, so what's a little rain. It should be done by 8am.

They are opening the gates at Griot's Garage for me. Hooray, I get to park on the grass! Nice and cool! A perfect spot where I can see everyone and everything that is happening.

25th Annual Pierce County Mustang Club Car Show (cont.)

Look at all my friends, old and new coming to the show. There's Checkers, wonder if they have new bling. Fat Mustang is looking good with

all his new bling. Koolrde, good thing our hoods are up, otherwise we would be blinded by the shine. Here is CIGotIT looking good and CIGot12, nice paint job! Candy is looking sharp. Stand up straight, our "Vietnam Veteran" is here. Here comes last year's Best of Show. Look at the Bosses, Cobras, Machs, Shelby's, Saleems, and Roushes. All nice and clean and shiny.

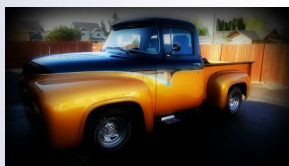

Whoo! Whoo! Look at those "Fox Bodies" and the Mustang IIs. I think the IIs have been hanging out at the garage, good thing we don't test for steroids.

Those first Mustangs don't look a year older and the new ones all have 50 Years of Mustang design in them. SN95 are out in force. Hi! You parked by me.

Do you hear that exhaust? 1SwtRde and LTD are here. Awesome! We miss their drivers.

Look at those trucks. My owners need to see what a real truck is and next time pack those boxes in it. Nice Fords out front and a couple of Mercurys have joined us too.

Wow! I don't think I have ever "seen" an Aria 51 Stealth at a car show before. I wonder if it will get "The Longest Distance" award.

A new Mustang convertible and a new Lincoln joined us. They are looking for new owners. It won't take long. They

Lakewood

are beautiful. That Continental might have found a new home with CIGot12.

I think we're all here and looking our best!

Korum Ford

Need new insurance? Charlie Brown is here from Allstate. Need a new part? O'Reilly's Auto Parts can fix you up. Want to go visit lots and lots of friends? Check out LeMay's Family and Friends at Marymount.

Look at all the yummy food. Ivar's Seafood is here. And wait! Is that coffee I smell? First time for that.

Thanks for

coming, Park and Grind!

Awesome Goodie Bags and look at those raffle prizes! There are tables of trophies, nice and shiny like us. 25 years of Pierce County Mustang Club, how cool is that!

Pierce County Mustang Club Summer Club Picnic Aug 27

Howdy Y'!!!

We had a rootin' tootin' time. We arrived in our Mustangs and corralled them by the fence for all to see.

Joanie rang the dinner bell to let us know it was time to put on the feed bags. We filled up our plates with some great grub - BBQ ribs, fried chicken, beans and more beans, lots of salads, corn on the cob, strawberry shortcake, pumpkin cake, fruit pizza and lots more. Lots of choices to fill our tummies. Nobody left hungry. Thanks to all who brought a side dish to share.

The kids were busy in the jump house.

The older kids were busy with slow drags and blind man's obstacle course. If you have never witnessed either one of these games- you are missing some fun! We awarded the slow drag winner, Bill Ostruske - a

brand new member a great trophy. The two person team of the blind man obstacle course, Luann (driver) and James (navigator) Hanson each got their own trophy to

take home and they don't have to share. They all rode Mustangs, well drove Mustangs cars.....

Thanks to Joanie for fixing the BBQ ribs and Rick for picking up the Fried Chicken. Jim Cassidy for helping with both games. Thanks to all who helped set up, run the games, set out food, clean up and pack the storage shed.

It is always fun to relax and visit with our PCMC friends- thanks for coming!

See you'll next year!

Charlene

PS - George - I won't tell anyone you were the first one eliminated in the Slow Drags.

Many thanks for Printer Cartridges:

Sue and David Velasco for donating 8 printer cartridges to the club. We will get \$16 in Staples print coupons for them! Also to Charlene and Larry Rivera for the 4 cartridges they donated which will translate to \$8 of coupons.

Have we got an opportunity for you?!!

Yes folks, it is the time we start looking ahead to the future. We will be electing new officers in November so be thinking about how you would like to contribute to the success of the club. We will elect officers and board members:

President, Vice President, Secretary, Treasurer (although we have voted Nancy in for life on this one) and 4 board members.

Meeting Raffle Coordinator:

We have a winner! Margie Deck has volunteered to coordinate the meeting raffles. Monika, thank you again for the great work this year. **Margie, tag—your it!**

Come join us next month at Tonalá's in Spanaway.

Trivia :

Q—When/where did the custom of winners spraying champagne start?

A—In 1967 at the 24 Hours of LeMans when Gurney and Foyt, driving the Ford GT40, saw C. Shelby and H. Ford II and decided it would be a good idea to spray them. The rest, as they say, “is history.”

Guest Speaker: Lance Lambert

August

We had the privilege of having Lance Lambert read from his latest book, "A Kid's Kingdom Growing Up in the City of Destiny". Lance read excerpts from his book while we laughed and found some connections to our own lives. He has a great

writing voice that paints a vivid picture of all his adventures growing up in Tacoma. We all particularly enjoyed the last story in the book. Lance explains that this experience is to date the most embarrassing event of his life. Let's just say that this graduation night event has been brought up at every Stadium High School class reunion since! You will have to buy the book for yourself for the rest of the story.

Thank you Lance for coming down south once again to share your new book and fun stories. We look forward to the next new book next year.

Lance is a journalist for the Seattle Times, the host

of Vintage Vehicles (a TV show that he says will probably not air any new shows) and a radio host on a new station at 107.3 that begins airing in September.

"Cruise the Hood"

P.C.M.C. Hood Canal Cruise

Saturday - September 9th

Join us for the last cruise of summer.

A cruise just for the pure enjoyment of navigating our mighty steeds through miles of spectacular Northwest scenery and twisty roads.

The route will take us across Key Peninsula North via the Purdy spit. We'll circumnavigate Case Inlet and the southern shore of the canal where it runs into US-101.

There we'll wind our way north along the western shore until we turn off toward the Hood Canal bridge and home.

The round trip is about 160 miles and will take about 6 hours including stops along the way for photo ops, bathroom breaks and Lunch at the Olympic Timber House Restaurant in Quilcene. olympictimberhouse.com
