I don't know about you but there is lots going on around our house as winter ends and spring comes rolling in. It seems the sun just energizes everyone and brings a smile to almost every face.

We had a great turn out for the March Poker Cruise. As usual, Kathy and Jerry Murphy did a fabulous job organizing it. You can read all about it later in the newsletter. Friday Night Dinner Out was at Brank's BBQ in Sumner. Again, photos later in the newsletter.

I am seeing more and more of our beautiful Mustangs on the road as I travel around my neck of the woods. Don't forget that it is Mustang etiquette to wave when you see a fellow "Mustanger." Sometimes I wave and people look at me like, "Do I know you?" And then I realize I am in the Fusion rather than the Mustang. Oh well, it's a Ford!

As we turn the calendar from March to April, life gets even crazier. In April we have:

- 1st Saturday—Daffodil Parades
- 2nd Saturday—Club 1st Aid/CPR training
- 3rd Saturday—Club at Emergency Food Network
- Following Sunday—National Mustang Day Cruise to America's Car Museum to hang out with other Mustang Clubs and friends
- And of course, mixed in among all those events are our usual Board Meeting, Show Meeting, Club Meeting and Friday Night Dinner Out.

Don't forget that at April's Club Meeting we will be celebrating the Mustang Birthday!

It is time to start collecting peanut butter for the Ford Peanut Butter Drive. Bring it to the May meeting for a photo but if you can't be there, any event will do. Let's beat last year!

We really need to look for things to do....

*Life is always an adventure.....*

*Let's enjoy the ride together*

*Heidi Geise*

Trivia: Thanks, Burt!

Q—When was the last factory built

## Car Show Update

Hi PCMC Members!

We need your help collecting items to fill up our awesome goodie bags. Keep on the look out for **anything you would like to find in your goodie bag at a car show**. If you only see one or two items bring it in – we will add it to the growing collection of awesome goodie bag items.

Keep cleaning out your closets for all the great raffle items.

If you have an item you are donating for the raffle, please

try and have it to us by July's General Meeting. You can bring it to any PCMC event – any Committee Member will gladly accept it. If you can not make it to any event and plan to bring the raffle item to the car show – Please let Charlene know so we can be prepared for it.

Don't forget to see Missy to sign up to help at the show - we still have some empty spots to fill.

Thanks for all the great items and help,

Charlene

## Car Show Etiquette Reminders

Every year about this time we review etiquette at car shows. This actually could fit for a lot of occasions: shows, cruises, life.... But here we go, just some reminders.

1. Do you love hearing about what is wrong with your car? I didn't think so. Others don't either.
2. Be respectful. Most shows are intended to be family friendly. Talk cars, talk imagination, talk detailing, talk positively.
3. Driving into and out of shows obviously needs to occur and we must be courteous and careful. There are children, pets, and some that don't move as quickly as others. Keep that in mind as you are entering and leaving. Don't burn out, rev your engine, etc. We all have loud engines. The hybrid Mustang isn't out yet.
4. People put a lot of hard work into organizing a fun, safe, respectful show. Respectfully follow the directions of the organizers on where to park, what classification to enter, etc. Every show is a little different so just because you were in a particular class in one

show, doesn't mean it will be the same in all.

5. Speaking of parking! If you and your friends are not in the same class or don't arrive at the same time, park where you are told and move your chairs together somewhere they are not in other people's way and visit. Don't save spaces or expect others to move for you.
6. Respect the show organizers enough to let them know if you must leave early, before you drive out.
7. We are guests at the venues but in addition we are driving beautiful cars with lots of power. Most shows, certainly for ours, there is no alcohol or drug use at the show.
8. Leave the venue cleaner than when you arrived. That was my mother's motto and my mother was always right.

These events are supposed to be fun, social events. Let's keep them that way!

## Mustang of the Month

Roger Britten

2001 True Blue Coupe

The 2001 Ford Mustang is part of the 4th generation of Mustangs.

This generation went from 1994 to 2004.

Ford has had a variety of blue's over the years. In 2001 the blue was this gorgeous True Blue that Roger Britten drives. In 1964 it began with Guardsman Blue, Caspian Blue, and Skylight Blue. I tried to name all of the blues by year but it filled the page. Just note that there have been everything from Acadian,

Brittany, Cadet, Deep Impact.....to Vista and Windveil and so on through the alphabet.

According to [mustangandfords.com](http://mustangandfords.com), 17% of Mustangs have been some shade of blue. That said, I don't know if that includes all the turquoises, aquas, and teals.

We were not able to connect with Roger for a personal story but, "Congratulations Roger! It is a gorgeous car whatever they name the color."

## In the News

***Trying to keep up with Mustang news? Here are a few items to check out.***

From the March ***Mustang Times***:

Several newsworthy topics in John Clor's column. If you didn't get a chance to read it, here are the topics:

**A) Classics beside the New**—What can we learn from looking into the past? What does it say about the future?

**B) Future MACH I**—May not be a Mustang? Is that good or bad?

**C) Ford's "recently established Team Edison electric car division"** - How is Ford joining/leading the future of electric and self drivers? What role will Mustangs play in that?

John certainly gave us some things to think about in this article. My opinion is that it is a must read.

There were also 2 articles about 2 classic movie Mustangs, The Bullitt and Eleanor. The original Bullet, driven by McQueen was brought out for all to see when the 2019 Bullet was unveiled. Interesting story about the ownership of this one which is the car used for the close-ups. The story of Eleanor, "a modified 1967 Mustang fastback," is told by Donald Farr (editor of the ***Mustang Times***. He talks about the new, the old, the developer, and the owner. Makes me want to rent a couple of movies....

While we are talking about the Bullitt, did you know there was a red prototype Bullitt? I was looking for factual information to put into this newsletter and re-discovered [performance.ford.com/enthusiasts/newsroom/2018](http://performance.ford.com/enthusiasts/newsroom/2018) where there was an article about this 2008 vehicle. They built it in red thinking as they were driving it to test it people would think it was a Mustang GT and not a new Bullitt.

***Keep sending me interesting news you have found.***

**Save the Date  
and Future Events**

**National Mustang Day:**  
**April 22 is the Cruise**  
**(see [flyer](#))**

Tickets for America's Car Museum are now available for those that would like them. Remember these are discounted and can be used on the day of the event, later, or can be gifted. They will be good until July 1, 2019. You may purchase as many as you would like at the \$10 discount price.

See Heidi if you want to take advantage of this opportunity and say thanks to ACM for letting us celebrate on their grounds for free.

**What does your Father's Day Plan Look Like?**

Plan on spending the day with PCMC again as we watch the Rainiers and soak up the sun.

See the [flyer](#) in this newsletter.

## New Technology Coordinator:

So here is a basic description of this role.

- Support members in their DIY efforts
- Connect members with resources to find parts and services for their projects
- Help coordinate tours and/or workshops for members around building, maintaining, detailing, etc Mustangs and other vehicles

Thank you **Sam Olson** and **Chuck Botsford** for stepping up to this task for this year.

# Information Article: Car Show Season is Upon Us

By Heidi Geise

I love car show season for a number of reasons. One is that it means spring is here and the weather is improving and we have had some beautiful days in the tail end of winter this year.

Another reason is that people are out-and-about mowing lawns and detailing those gorgeous cars, old and new. I love the smell of freshly cut grass and car cleaning waxes, polishes, and car wash.

I spent over an hour taking photos of my husband's 1956 Ford F100 today. That is another reason I love this

season, taking pictures of all sorts of beautiful cars from all sorts of angles and getting all sorts of details. It is great to have the right weather and the time to play with the shots to get whatever that unique look is for the vehicle. As a photographer, it is also about playing to find that unique photographic style.

What an amazing treat it is when the shows start to emerge. You get to photograph, if that is your thing, or talk engines and detailing, if that is your thing. All kinds of vehicles all in one place. In the open shows, it is all makes and models. I have seen the oldies out showing off their original style. My husband and I even got caught in a road cruise of old hot rods one day. What a thrill!

Most of the shows we go to are Ford shows, especially Mustangs of course. To see the imagination of owners, the technical expertise of owners and specialists as they put their own twists and turns into the tuning of their Mustangs is sometimes jaw dropping.

When we all get our beauties out in the sunshine and spiff 'em all up, what a sight. It doesn't matter if it is a Ford or Chevrolet, Mustang or an old truck, Model T or the newest Hennessey, Roush, Saleen, Shelby, or whatever specialty vehicle it is. They are all amazing looking vehicles when they are taken care of with the love and passion of a devoted owner.

See you on the road....don't forget to wave!

## March Club Events

### Cruising with the Club:

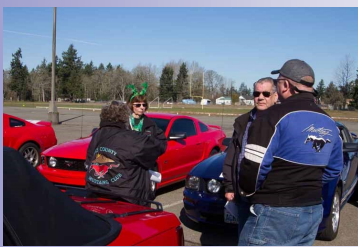

## Mustangs Not Required, Enthusiasm Is!

### St. Patrick's Day Poker Cruise

March 10

Organizer: Kathy & Jerry Murphy

Well, it was an early "Top o' the Morning" to the Mustang club but what a gorgeous day. Jerry and

Kathy must have worked hard to get the leprechauns on our side for this one!

the hard luck story. Jerry says we need to ask him what happened.

We must not forget the other end of the poker hands. Nancy Freeman got Bad Hand, Missy Willert got A Very Bad Hand, and Troy Benedict (another new member) got The Worst Hand. So our new members bookended the Poker end.

As always, there were trophies and awards and the distribution of money from the poker run that went on throughout the cruise. Blair Hamrick, a new member, walked

away with the winning poker hand. Lori Rochefort came in 2nd and Dennis Willert 3rd.

There were awards for the wearing of green. Pete and Nancy Freeman took that trophy as a couple with Joanie Nordlund and Marantha Osborne right behind.

Special awards went out to Missy Willert for spirit and Rick Nordlund for

Jerry thanks Rick and Joanie Nordlund for their help with registration.

Jerry had some great raffle prizes, 2 bracelet watches and 2

pocket watches.

Jerry says "There was not as many participants this year as there have been in past years, but there was still a lot of fun had by all. The route had a few twists and turns but overall the trip was fairly easy and we had great weather. We had time during our stops for some good conversation and getting to know one another as well. We did have an incident due to a mishap with the serving of food and Rick Nordland and since I had handed out the hard luck award before we ate, WELLLL I will make another Hard Luck trophy and present it to him. You will have to ask him what happened."

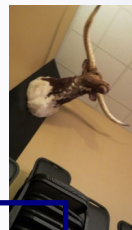

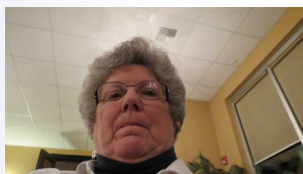

Jerry and Kathy did a great job planning the cruise with a stop in Dupont for pizza at Farrelli's. Thanks for a great day!

Noah's Pet Project began as a part of St. Leo's Catholic Church's Outreach Ministry Program in 1998. We are now a Public Charity under IRS Guidelines. ### In Memory of Eric Cobb

On September 9, 2013 club member Eric Cobb lost his fight with cancer. He was only 26. Eric had a gentle heart and a kind smile. He was a Ford man. He enjoyed showing his 2003 Black Cobra and his 2013 Blue with Black stripes GT500 (Best of Show at the Korum Mini Show 2013). Eric and his dad, Dan restored his grandpa's 1967 F100 that they showed together. He loved to talk cars and work on them with 1988 Fox Body and 1964 Galaxie 500 projects. Eric loved to humor me as I told him about

all the Pierce County Mustang Club adventures coming up, and he even let me drag him to some like the Poker Run and Relay for Life. He made a large impact in all of our lives and hearts.

We miss you, Eric.
