ell this has been quite the month. Thank you to all who have coordinated and supported each of our club events in May. On a personal note, thank you for all of your thoughts, prayers, and support as Paul went through his surgery. Paul and I, along with our family, are greatly appreciative of all the kindness.

As we move into the summer months, I think we are all looking forward to warm days, backyard barbeques and certainly those “top-down-on-the-convertible” or “windows-down-music-up” drives. What a beautiful region we live in for those events.

As always, we have plenty of activities to keep us busy so check out the calendar in this Newsletter.

- Leavenworth Cruise
- Rainiers Game
- Thank you Korum—Mini Display
- Vintage Races

If you want more, there is a show almost every weekend somewhere. Check out the Mustang Shows and Open Shows, several of them are listed on our website.

It is fun to be part of an organization that has such diverse events throughout the year and, of course, great people. The diversity means that if someone likes cruises—we have cruises—if someone likes socializing—we have meetings, and dinners—if someone likes talking cars—we have tech and car people and tours of car related shops—if someone likes detailing and spiffing up that beautiful ride—we have shows and go to shows as a club. We contribute to charitable organizations and provide a service to the community when we can and are called upon to do so. I am proud to be part of Pierce County Mustang Club.

If you have an idea for an event that you believe would be fun for the club, remember we have a planning meeting on November 3rd.

Life is always an adventure.....

Let's enjoy the ride together

Board Report - In the Works - Harley Edwards - Executive Meeting was held on May 1st ran by Heidi Geise. We had the normal reports from Nancy. National Mustang Day had 9 clubs with 162 Mustangs. We sold 334 tickets for ACM. To help keep our cruises manageable we will no longer be sending our newsletter "The Pony News" to

other clubs. We will also increase the number of directional sheets we print to 30 and number of people to 30 to 40 for the club cruises. If a member invites someone to join us, we ask that member to be responsible for their guest.

Car Show - Charlene Rivera - Car Show registration forms are available; we still have 42 goodie bags available. If you or know a business that might be interested in sponsoring a class - please let Charlene or a committee member know. We are collecting items for the raffle and goodie bags - it can be anything. We also will be filling "theme" baskets, if you have any item that might help fill on of these themes - Seahawks, Mariners, A Day at the Beach, or Family Game Night - we would love to have it. Bring it to any PCMC event and we will store it until the show. We need members to sign up to Volunteer at the show, please see Missy or Charlene and we will get you on the list. June's Car Show meeting will be at Pam and Wayne Pistella.

Mustang of the Month

Davona Arnold

1964 1/2 Mustang Convertible, 2015 Triple Yellow GT

Aloha

It's an honor to have my Mustangs be Mustang of the Month for June.

I grew up as an only girl with five brothers. They all had Mustangs, 60', 70's, and fox bodies. They would always park them together and take pictures of them. I felt this was very odd behavior, and wanted nothing to do with Mustangs. So when I was able to afford my first fun car, I purchased an '82 Firebird, to the dismay of my brother's.

I would always park my Firebird next to one their Mustangs, just to irritate them.

Fast forward to 2014, I'm married, living in Hawaii, and about to approach the big 50, My husband James, said you need to treat yourself. Knowing I've always love classic cars and convertibles, he found a '64 1/2 Mustang convertible, prairie bronze, with a 260, in California. A car that was the same age as myself. It started to grow on me.

I decided to make the call to my oldest brother Gary, a PCMC member, and stated I wanted to buy a Mustang. After he got over the shock, Gary got on

the phone, to the owner, who had owned the car since the 70's and was waiting to find the right home for his beloved pony. He was convinced that my family was a perfect fit.

Gary hooked up his car trailer and was off to California to pick up my Mustang. All my brother's pitched in to make repairs before my car got shipped from Seattle to Hawaii.

Not long after, the new '15 Mustang made its debut. Gary was in love. A few months later I saw my first one going down the highway. I was in love and followed it for miles.

Gary, then sent me a photo of his new '15 triple yellow GT. I could not wait to drive it and was soon behind the wheel, putting the pedal down, and looking over and seeing Gary smiling, replying with, "I knew you would get a kick out this car."

Last fall Gary invited me to join him, along with his wife Cathy, to drive one of their GT convertibles, on the 2018 North Olympic Mustang Club, cruise and show as it was one of his favorites. Sadly he passed unexpectedly in Dec. In memory of him I joined PCMC and was able to acquire his triple yellow GT, and with family and PCMC member's, made the cruise to Port Angeles, for the North Olympic Club Show and cruise this past month. What a great weekend of Mustangs and beautiful weather.

I look forward to participating in many more future events, in the triple yellow GT.

Thank you PCMC. Awesome Mustangs, great people. And thank you for allowing both my ponies cars to be June Mustang of the Month.

Devona Arnold

Show Update

Hi PCMC Members!

We need your help collecting items to fill up our awesome goodie bags. Keep on the look out for **anything you would like to find in your goodie bag at a car show**. If you only see one or two items bring it in – we will add it to the growing collection of awesome goodie bag items.

Keep cleaning out your closets for all the great raffle items.

If you have an item you are donating for the raffle, please try and have it to us by July's General Meeting. You can bring it to any PCMC event – any Committee Member will gladly accept it. If you can not make it to any event and plan to bring the raffle item to the car show – Please let Charlene know so we can be prepared for it. We have some theme baskets we are trying to fill, if you have anything to add to one or more, we would greatly appreciate it. **Our themes are Seahawks, Day at the Beach, Family Game Night, and Mariners. Maybe we could add a Huskies or Cougars basket.....or if you have an idea on one, please share.**

Don't forget to see Missy to sign up to help at the show - we still have some empty spots to fill.

Thanks for all the great items and help,

Charlene

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

From the June ***Consumer Reports On Health:***

In this issue there was a tip for a “longer life.” It probably caught my eye because the photo was of someone detailing their car. The tip was to do 30 minutes of easy activity on a daily basis. This included “stretching and household chores.” According to the article a “five-year study of older men in the United Kingdom” showed that this activity would lower the “risk of premature death by 17%.” I know we all do at least this much during show season. What I am wondering is if it improves my longevity chances by having Jude Law detail my car for me.....

From ***Hagerty Spring 2018 Edition:***

Ok, this was new for me but maybe you already knew this. The Mustang’s first race was “the 1964 Tour de France (TdF) Automobile, a 10-day, 4000-mile motorsport spectacle.” IT WON! According to the article, the TdF is a tough race that in 1964 had 117 cars start and only 36 finish. It is a tour of France that includes race tracks, hill climbs and sprints. The Mustang was in the Touring class which from 1959 to 1963 had been won by Jaguar sedans. I’d say, not a bad start.

For a more current event, **Hagerty** also reports that the Mustang, which has been a pace car at the Daytona 500 in previous years. In 2019, Ford Mustang will be entered as a competitor for the first time in the Monster Energy Cup Series. The author guesses that it will be with the GT500 trim. We will all have to wait and see. NASCAR approval will occur sometime this year and the race is February 17, 2019.

Are you one who plan’s ahead? The Grand Opening of the Mustang Owner’s Museum and the 55 Years of Mustang Event are scheduled for April 17-20, 2019 in Concord, North Carolina.

Keep sending me interesting news you have found.

Information Article: Question—What will power our cars in the future?

By Heidi Geise

I have been wondering about this question for a while. It is a dilemma. We all want clean air and to save our natural resources. We love driving through the beautiful countryside amongst the trees, following the rivers to a gorgeous view of a magnificent mountain. And we love the rumble, rumble of our powerful engines.

Now, I am not a chemical engineer nor am I an expert in cars. I am just a citizen of this century wondering what the future holds for those of us in the car club world.

We have all heard that the future of Mustang may be with a hybrid. It is suppose to be here by 2020. My other car is a Ford hybrid and I love it. But will this even be the power source for the future. Hydrogen, biofuels, Flex-fuels, are other parts of the conversation, not to forget the plug-in electrics.

I certainly don't know what is in store. I don't even know whether the self-driving car will be a common sight on our roads within my lifetime. Although not a power source, it does impact our Mustangs. (And does the self-driving car take itself to the gas station, plug itself in or find the nearest fueling station?)

This article, really isn't so much an information article as it is an article to raise questions for us all to ponder. I love my Mustang and I love seeing and hearing other people's Mustangs. I love going to car shows and seeing the creativity of owners and the meticulous detailing that people do to show off the art and history of automobiles, particularly our Mustangs and Fords in general world. I just wonder what the future holds for them.

It also raises for me other questions. Why do we love our Mustangs? Is it the vroom vroom of the V8? Could it be any engine within the design/styling of

this iconic car? Is it nostalgia for a time years ago when we didn't have these same questions but drove easily up and down the road (cruisin' the gut is what we called it) stopping at the drive-in for our food and at the gas station for a 25 cent gallon of gas?

I don't know the answers or even all of the questions. I just know the "time's they are a changin'" as Bob Dylan said and I wonder what it all means and where it will lead. Did you know you could get a Model T that ran on gasoline, alcohol, or kerosene in the early 1900's and that steam and electric engines were available in cars at that time as well? Maybe things aren't changing as much as it seems.

See you on the road....don't forget to wave!

CRUISING WITH THE 3Fs

Pierce County Mustang Club

Falls, Feudals, Farms

- *Snoqualmie Falls—an old favorite*
- *Camlann Medieval Village—first time visit for everyone on the cruise*
- *Remlinger Farms—perfect ending for a busy cruise*

30+ PCMC MEMBERS ENJOY ACTIVE THREE PART CRUISE

More than 30 PCMC members—including several families and first time cruisers—participated in the May 19 3Fs: Falls, Feudal & Farms cruise. The 20 cars traveled from Tacoma to Snoqualmie Falls, through Tolt to the Camlann Medieval Village, and then to Remlinger Farms in Carnation.

After an hour's drive to Snoqualmie, cruisers spent an hour enjoying the falls and the gift shops before gathering for a spirited raffle consisting of various Mustang-

themed items, and \$5 cash entry fees for the village.

After a short twenty minute drive, everyone toured the living history museum, talking with the scribes, cooks, archers, forgers, sheep herders, potters, and herb farmers enacting life in medieval England. The cruise ended with a stop at Remlinger Farms for lunch and shopping in the food markets. A few cruisers took advantage of the reasonably-priced wine tasting at the wine bar

to sample Remlinger Farm labeled Riesling, and others shopped the fresh food market for vegetables, bread, and pies.

The generous cruisers donated some 270 pounds of cat and dog food plus \$10 cash for the Tacoma charity, Noah's Pet Project. Cruise organizers, Hank and Margie Deck, along with a few club volunteers, will deliver the donations to the project during the pet services clinic on Sunday, June 10.

GENTLE REMINDER

Many car shows offer trophies or cash prizes to the club with the most cars registered.

With two clubs in Washington using the initials PCMC it can be confusing to those counting attendance and may void your entry being included. Please, always use either Pierce County Mustang Club or Pierce County M.C. on your entry form.
