Believe it or not our show is just around the corner. This is the biggest event of the year for our club. We do lots of cruises and go to dinner and hang out in general but this is the event that makes all that happen as well as provides a huge chunk of what we are able to provide to our charities each year. I want to thank in advance, Charlene Rivera for her leadership and all the others that meet once a month to make sure all gets done. Lots of work goes into making it happen and in making it successful. Don't miss your opportunity to help at the event and to see the show full of all sorts of beautiful Mustangs and other Fords.

Besides August being SHOW TIME, it is also our club picnic. This is always a fun way to wind down the summer. See who has the slowest Mustang and is the best sightless driver. Does all that sound strange? Come to the picnic and see what it is all about.

It is always fun to walk around a show and see what people have done to personalize or even simply detail the shine into every corner of their treasured classics. And if I may speak personally, it is never that simple. July and August are the months to see the variety, the care, the passion people put into their cars. Every weekend there are 3, 4, 5, or more shows to see. Some only Mustangs, some only Fords, and some all sorts of makes and models. Whether you go to enter, get ideas for your car, or just stroll around talking to other passionate owners and eating, enjoy the sites, smells, and tastes of the summer car show season.

Life is always an adventure.....

Let's enjoy the ride together

July Mustang of the Month

Scott & Jody Wickett

1967 Red Convertible

Just in about Scott & Jody Wickett's 1967 Mustang convertible - We bought this car over 20 years ago (where does time go?) and it is always a work in progress. Upgrades over the years include front power disc brakes, limited slip 9" rear, Borgeson integral power steering, and 4 speed AOD transmission. When upgrading the transmission (after the original C-4 went out) we discovered the engine is not original (it has the original 289 heads but the block is an early 70's 302). The engine is tired so we cur-

rently have a late 80's roller cam short block being built.

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

In the July **Mustang Times**:

Wow, was it packed this month. Here are a few of the tidbits I took away from the issue.

- It is the 50th Anniversary of the Cobra Jet, the 1968 Mustang Fastback Drag Car. Sixty-eight are being built to celebrate. According to **Mustang Times**, they have a supercharged 5.2 liter Coyote V8, NHRA certified roll cage, drag race specific additions, and specially designed weld racing wheels with a 50th anniversary badge. They will be rolled out on August 23rd-26th at the Cobra Jet 50th Anniversary Reunion in Norwalk, Ohio. That ought to be a site to see.
- The 2018 Mustang was the best selling sports coupe in the world for the 3rd year in a row. "Global registrations in 2017 totaled 125, 809 cars." According to the article over 1/3rd were outside the US. That means about 81,866 in the

US. I wonder if they will all come to our show???

- Another anniversary! What car appeared 50 years ago and was a single car build for a tire test? You got it, the Shelby American, 427, Shelby GT500 Super Snake. In 1978 only one of these was built by Shelby American for the purpose of testing the Goodyear high-speed tire. Well, according to the **Times**, there will be 10 more built from donor Mustang fastbacks. They will have 550hp 427s from Shelby and Shelby serial numbers. Starting price — \$249,995. Not bad (if you can do it) as the original sold at auction in 2013 for \$1.3 million.
- And...if that isn't enough anniversaries....40th for the 1978 King Cobra. You know the one. Based on the Mustang II with the snake on the hood and the 302 under it.

Keep sending me interesting news you have found.

Bill and his 1986 California Special

The Mustang Club of America's National Show in Lincoln, Nebraska recognized Mustangs celebrating their 50th anniversary. Among the 16 California Specials on display was our own Bill Norman (and Roscoe).

How Did You Celebrate the 4th?

Submitted by Barry L. Weary

Hello Folks,

I just wanted to write a quick "Thank you" note to your fine club for letting me park my 1970 Boss 302 in the car corral, (and run the parade laps), with your members on Saturday, June 30th, at the PNW Historics. I'm sharing a couple pictures that a friend of mine was able to take of the Grabber Orange contingent, from within the larger group of beautiful Mustangs that your members had there on Saturday.

Thank you again for helping me to have a wonderful time at the racetrack this past weekend!

Take care and God Bless!

July 28—Christmas in July Picnic

Organized & Hosted by Jerry & Kathy Murphy

This is was the warmest Christmas I can remember!

Thank you for opening your home to us.

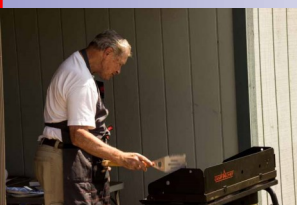

Thank you to Jerry and Kathy Murphy for inviting the club into their yard for a barbeque and collection of toys for JBLM's Santa's Castle. A busy time of the year but a few brave souls brought their "sleighs" to Spanaway filled with toys and contributions to the food table.

Jerry, the grillmaster, did up some tasty burgers and dogs and there were salads

and chips and, oh yes, Charlene's deviled eggs. Fortunately Kathy and Jerry put up some tents and provided lots to

keep us all hydrated.

It was great sitting around and hearing stories of travels and past jobs and simply enjoy the company of friends and Mustang family.

2018 July Car Shows

Once again, July is "Pick-a-Show Month." We had members in Nebraska for an MCA show, Auburn for a Show For Kids (proceeds going for childhood brain trauma research), Bellevue for the Mustangs NW car show, Port Orchard for Pony's on the Water by Kitsap MC, and I am sure there were others I missed.

We had individual award winners and a Club Participation Award tie with Pacific Cascade Mustang Club at Port Orchard where both clubs brought 22 cars each.

See the section in this Newsletter about Bill Norman and the Nebraska show. Here are a few photos from Bellevue and Port Orchard. As always, more photos can be found in Photobucket.

Brian Simmons got Best in Show for newer models at Port Orchard. This is the second year in a row for Pierce County MC getting that award as Dennis Willert received it last year. Congratulations.

Many car shows offer trophies or cash prizes to the club with the most cars registered.

With two clubs in Washington using the initials PCMC it can be confusing to those counting attendance and may void your entry being included. Please, always use either Pierce County Mustang Club or Pierce County M.C. on your entry form.
