nd we thought the summer was busy! Car show season is complete for the year and now we continue with our many activities. In October we had a fund raiser at the Old Spaghetti Factory, art projects at Tacoma Glass Blowing, charity work at Emergency Food Network, and a Treasure Hunt Cruise through the Tacoma area. We also did Friday Night Dinner Out and our regular meetings.

One of the things I really appreciate about this club is the diversity of activities and interests. It is what attracted my husband and me to the club. Not everyone wants to show their cars but there is usually something for everyone if not every month, within a couple of months. Social activities, charity involvement, cruises, and lots of eating!

This month brings us to our elections and our planning meeting. If you have ideas for future events, I hope you turned in your surveys and I also hope you can attend our meeting to plan for next year. It is also important that you attend the November meeting to have your voice heard regarding the leadership of the club. You will find the ballot in this newsletter. If you are unable to attend, be sure to return the ballot either through a member or in the mail. This club belongs to all of us so let's be sure we are meeting the needs of as many members as we can. Not all can attend meetings and events but I hope all feel as if it is a positive option.

Also, in the November meeting we will be selecting charities for our funds to go towards.

**Your ballot can be found immediately following the President's Message.**

## Emergency Food Network

11,150 pounds of pears!!!! Yes, you heard that right and let me assure you, there were more than a pair of pear jokes but no paring was done. We had 12 members join the fun, and 2 more joined for a no host lunch at Ivar's afterwards.

If you haven't done this before, it is a lot of fun and for a great cause. The food is re-packaged for distribution to food banks in our area.

## **PCMC General Meeting Minutes—October 16, 2018 Meeting**

### 2010 Wimbledon White "Clone 1" GT Mustang

Come to a car display show they said.

Spend the day with Pierce County Mustang Club showing support for Korum Ford! Laugh (as always), have lunch and have a fun afternoon.

Little did I realize I would be drawn to something on the show room floor. Performance White with matte black stripe, 2010 ROUSH Stage 1. The test drive was remarkable! Stability, handling, power, and the great sound....yep she was going home with me!

As I gave up my beloved 98 GT convertible and beat them up on the deal, I went away Happy Happy. Especially when I found out she was a 2010 1 of 1! My Princess Dallas was able to show me how each and every button was to be used before I hit the road home.

Now, the sad news....with the help of friends we searched for the build sheet, only to find out Roush had no record of her. I have badges, labels, buttons, but alas....no birth certificate..

So my new car once called IVORY 1 of 1, is now re-named CLONE 1

***Trying to keep up with Mustang news? Here are a few items to check out.***

***See the next page for Mustang Club of America membership form. One of the benefits of membership is getting the Mustang Times either in the mail or digitally.***

In the October Mustang Times:

Right “out of the gate” as they say, the cover story is the production of the 10,000,000th Mustang. What a sight! And right there with the 10,000,000th was the 1st one ever sold with Gail Wise, the original and current owner, as well as the 1st Mustang off the assembly line. Talk about history! Here are some fun facts quoted from the article by Donald Farr:

- 29,545: Number of miles if 10 million Mustangs (average length of 15.6 feet) were pared end-to-end.
- 6: Ford vehicles that have reached the 10 million mark, including the Model T and F150.

- 1.6 million: Mustangs built at the Flat Rock Assembly Plant since 2004.
- 54: Years to reach 10 million Mustangs sold.

Also in the Times, 50th Anniversary for Mach 1, Grande, Boss 429, and Boss 302. 1969 is coming next year. 1969 was a big year for the Mustang!

## Past Events

### Tacoma Glass Blowing

October 13

Organized and submitted by Missy Willert

Art by Karen & Harley Edwards

On a crisp October morning 5 club members and a co-worker and her 4 year old daughter met in downtown Tacoma for a fun morning of defying science and making 6 glass pumpkins and a glass bowl. Harley decided to make a glass bowl, but Karen, Steve, Lori, Kristine, Maia and Missy all made glass pumpkins of all colors. We all stayed nice and toasty while making our creations in front of the 2000 degree ovens. The crisp cool wind from outside the open garage doors made it the perfect temperature. After we all learned a lot about the process of making blown glass creations, we headed out for lunch at Burger Ranch. Can't wait to do it again!

# Treasure Hunt

## October 27

Organized and Submitted by Charlene Rivera

Ahoy!

We had 13 "Ships" looking for treasure in Tacoma!

We stormed Griots and America's Car Museum.

We drove around and around in a typhoon at B & I and Holy Rosary School.

Some got supplies at Frisco Freeze.

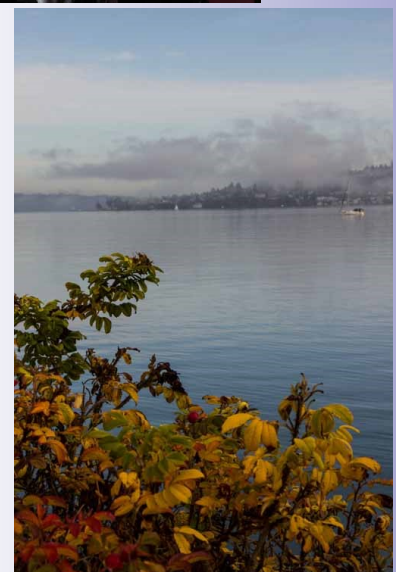

Did we conquer Tacoma? No!  
Did we have a cruise within a cruise? Yes.....2 of me "Buccaneers" walked the plank for that!

Thanks to all the "Buccaneers" who helped and the "Landlubbers" who joined us on our adventure!

Until next time,

Captain  
Charlene

## Puyallup & Sumner Santa Parade 2018

The paperwork will be submitted November 9th so, if you're like me, you can't wait for Saturday, December 1st to arrive. What a fun day the Santa parade is.

You must have at least 100 lights on your car to enter.

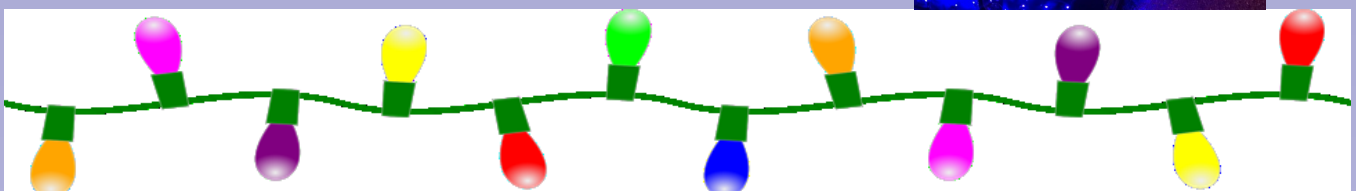

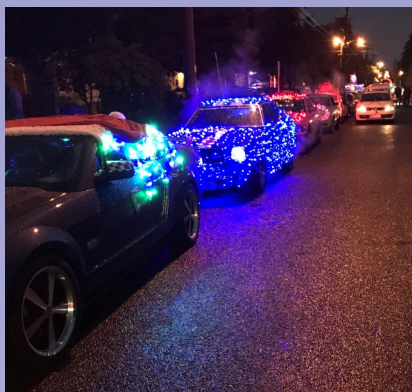

I just want to let everyone know that the cool little suction cups used last year are at Lowes and Home Depot. They also have abundant supplies of LED lights in assorted strings of 50 & 100 lights in colors or all white. Remember to power these you will need an AC inverter to plug into your car's lighter or AC adapter outlet.

As soon as I receive the information from the Puyallup Downtown Association & the Sumner Main Street Association with staging directions, I'll get them out via email.
