First off, congratulations to the Club for earning the MCA President's Award again this year. This award is based on our charity and community involvement, activities, car show, etc. Thank you Nancy for putting this together every year and to all the members that make this club work! This is the 9th year that we have earned this honor.

SPECIAL INVITATION: I received notification in November that America's Car Museum (ACM) will be hosting a visit by the "ORIGINAL" Bullitt and owner. We have been invited to see it, listen to a "hoods up" talk and a panel with the owner, and a viewing of the film "Bullitt" with what some call the greatest chase scene of all time. As I get more details I will pass them on to all of you. I do know that it is coming on December 4th and staying for 3-4 months with a break in the middle when it will be gone for a short time. When it will be on display and any special events have not been announced yet. If we go as a group, 10 or more we will get a special \$12 discounted entrance ticket. They are looking for people who may be interested in sitting next to it for ACM special events. The current owner is very nervous about the car and this is it's first outing where people will be close enough to touch it. Let me know if you want to car sit a Bullitt.

Thank you to all who served on the Board this past year as well as those that ran for an office this year. Congratulations to those that will be serving next year:

VP Missy Willert

Secretary Charlene Rivera

Treasurer Nancy Freeman

Directors Burt Kreidler, Hank Deck, Harley Edwards, and Chuck Botsford

Past President Greg Robbins

It has been a good year. I hope everyone has a great holiday season and that we see all at the Christmas Party and other December events. Next year is already looking to be full of fun. So get ready to mark your calendars with all the PCMC events or get a club calendar where they are already marked for you.

Life is always an adventure.....

Let's enjoy the ride together

Let's Eat Out Fund Raiser

Thanks to all the members and their guests who joined PCMC at the Old Spaghetti Factory for "Let's Eat Out Fundraiser". PCMC had 43 people helping us earn \$117.55 plus \$15 donated by members who could not join us for dinner. PCMC will be donating the \$132.55 to PCMC Charities.. Thanks!

Charity Involvement (continued)

Your gifts and support are a blessing to so many.

EMERGENCY FOOD NETWORK \$1,500

EFN partners with 64 emergency food programs in Pierce County and under their excellent fiscal management our gift of \$1500 will result in \$18,000 in nutritious food to meet their goal "that no person goes hungry".

PCMC volunteers giggled their way through frozen corn and fresh picked pears, and related jokes, repackaging a total 17,700 pounds into family sized packages for distribution.

ST. FRANCIS HOUSE \$1,500

Our gift will be placed in Sister Pat's discretionary fund to help with unforeseen emergency needs of a client. This donation can help prevent a family from being one step away from homelessness, going without electricity or missing a job interview because they need a bus pass.

Our 50/50 car show raffle benefited St. Francis in the amount of \$494.00. Plus many other attendees made significant private donations.

CARING FOR KIDS \$700

This all volunteer organization is helping kids in need in Lakewood, JBLM, Steilacoom and University Place. Their August Back to School fair helped over 2,000 prepare for the school year. In the month following, they responded to additional school supply orders, emergency food orders and requests at their clothing bank. In the Clover Park School District alone there are approximately 9,500 kids on free or reduced lunch according to statistics.

As part of our annual car show, PCMC members and guests donated 37 back packs filled with school supplies or made cash donations for a combined value of \$1,350.00.

SANTA'S CASTLE \$1,200

Since 1994 volunteers have provided holiday gifts to qualified families of all the armed forces and reserve units based at Joint Base Lewis-McChord. Each child receives 2 books, board game, 3 gifts, and coloring books/crayons. Babies receive a stuffed animal, toy and quilt. As often as possible kids also receive a bike.

This year's Christmas in July BBQ collected a combination of \$528 in toys and cash. Santa's Castle will also receive one half of the year-long 50/50 raffle which is finalized at the Christmas Party.

THE TEARS FOUNDATION \$700

The foundation seeks to compassionately lift the financial burden from Washington families who have experienced the death of a baby, by providing funds to assist with the cost of burial or cremation services. Tears also offers free ongoing emotional support in the form of support groups, online support, peer companions and bereavement resources.

Earlier this year a \$100 reward for club participation at the Tears Car Show was donated back to them. During the year, other awards and keep the change donations totaled \$338.80 and will be gifted.

KORUM FORD LINCOLN

PCMC members donated 324 lbs of peanut butter to the annual "Fill the Truck Bed Drive" to benefit the Puyallup Valley Food Bank.

NOAH'S PET PROJECT

A new charity was sponsored this year during a cruise and resulted in the collection of 270 pounds of food and additional cash.

Missy Willert as she mends from recent surgery. What's the rpm on your "Shelby" scooter?

Sue and Dave Velsaco as they too recover from surgeries.

Vickey Olson as she is scheduled for knee surgery.

Passing of a Founder

It is with sadness we share the death of one of PCMC's founders, **Clinton Bearteet**, earlier this month. Clinton was one of the original seven gentlemen who saw an opportunity to bring Mustang owners together in a shared passion. His member number was 1002. He and his son Donnie own The Mustang Ranch in Eatonville specializing in the restoration and maintenance of the first generation Mustangs and have been long time sponsors of the club's annual car show.

A memorial service will be held this spring.

Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

Mustang of the Month

Tom & Dori Alpert

1968 Candy Apple Red GT 390 Fastback

We've owned our car since 2000 and have been members of the Pierce County Mustang Club since then as well. I found it in my future father-in-law's shop under a bunch of empty boxes and an inch of dust. When I saw it was

an "S" code Mustang, I did some more research to find it was an original Candy Apple Red, 4-Speed GT car. I had to have it! Even more ironic, the date it was sold off the new car lot was my birthday 3 years prior.

After driving it pretty much unrestored a few years, I took it off the road and restored it myself in 2005. I did all the body work and painting as well. The only things I didn't do were build the engine, put in the front and rear glass and put the stripes on.

In 2006, I was contacted by Microsoft looking for a 1968 GT 390 Mustang Fastback to put in a video

game. After getting my car 3D modeled and taking it to a dyno in Redmond for sound recording, Project Gotham Racing 4 for the Xbox 360 was released in

2007 with my car as one of the many to choose from. The Project Gotham Racing series is about driving stock cars of all types. It was fun the first time driving it in the game. It was eerie as it sounded like I was sitting right in the car. You can probably get a copy of it for \$2 on the bargain shelf now. LOL!

The car is meant to be driven, so we like to take it out all the time. I enjoy taking her out to the Vintage Races every year. Eventually, I'd like to put a 5-speed tranny in her and do a few things to make the car a little more economical for long drives.

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

See the next page for Mustang Club of America membership form. One of the benefits of membership is getting the Mustang Times either in the mail or digitally.

In the November Mustang Times:

Donald Farr, editor of the Times, wrote about the movement to electric cars at Ford and yes that includes our Mustangs. 2020 model year will include a hybrid (gas/electric) Mustang. At this point it looks like it might be an "EcoBoost turbo-four to offer V8 power with more torque." As a hybrid owner already (Ford Fusion) it will be interesting to hear this one when the gas kicks in. I have driven the EcoBoost as well and I liked it but it certainly didn't have the Vroom Vroom of our GT.

Keep listening for more from Team Edison which is Ford's electric vehicle group. It should be noted that there is a 2nd article in this issue by Darren Palmer, Team Edison Global Product Development Director (and GT350R owner) about the teams commitment of the members to a quality product that "works flawlessly" and that customers will love.

In the November/December issue of Journey Puget Sound (AAA magazine):

A reminder of winter driving tips:

- Give the car the winter check-up and repair. You know, "electrical systems, brakes, tires, exhaust, engine cooling system, and windshield wiper blades and fluids."
- Create/replenish a basic winter emergency kit.
- Before heading out, check the forecasts.
- Slow down and increase following distances.

There are your AAA reminders!

I know that there are lots of people out there doing good things for others.

With that said, once again, kudos to Chuck Botsford. I

had a whisper in my ear that he was a great help to Missy as she tried to manage her way to our club meeting on her fancy scooter. I saw him carrying things in and out for her and others at the meeting.

Way to go, Chuck. Thank you!

2019 Planning Meeting

November 3

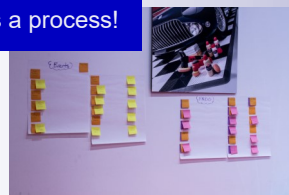

Planning is well under way for our next year of fun and food. You will find the list of events in later in this newsletter (see page 12).

There is a mix of old and new and cruises and destination events. Mark them on your calendars or get a club calendar and don't miss the fun.

PLEASE: Any one interested in taking on the organization of one of these events or interested in sharing that responsibility with someone already connected with it, please let Heidi, Missy, or the person coordinating the event know. We would love to welcome new people to this process in the club.

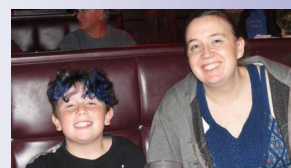

We also want to thank Griot's for allowing us to meet in their back room and for providing donuts and coffee/tea/water as we started our meeting. They are a welcome supporter of our club.

Everything is a process!

Veterans Day Cruise

November 11

Organized and Submitted by Kathy & Jerry Murphy

Photos by Nancy Freeman and Jerry Murphy

The Veterans day cruise began with our traditional briefing at the 6th Ave Safeway store parking lot. We had 10 vehicles show up there to

begin the Cruise and picked up the 11th vehicle at the weigh station just across the Narrows bridge. From there we traveled Highway 16, connecting with Highway 3 around Bremerton and taking that to the exit for Keyport and the Naval Underwater Museum.

During the cruise we had two drawings for wooden Seahawk clocks.

After a couple hours or so at the Museum, we traveled from Keyport down to Poulsbo where we ate lunch at the Loft. Then most everyone

wanted to stroll through the old town and look at the shops and of course bought pastries at the old bakery shop. With some wanting to stay a little while longer and some deciding to go home we ended the cruise, with our pastries in hand, heading home.

I think by the number of thank you's for the cruise, that everyone enjoyed themselves at the Museum. 2017 was the military

(Mainly Army) Museum in Chehalis, 2018 Naval Underwater Museum in Keyport, Jerry said next year we should do one of Air Force and several suggestions were made.... What will it be?
