And so another year begins...Let us get right into it because I know this is going to be another great year.

One of the things I am most proud of is the charity work and the community support that we provide. With that said, it is not too early to start collecting peanut butter for the Ford Peanut Butter Drive. Last year we collected 324 pounds. Can we make it to 350 this year? When you see the sales or are in the Dollar Store, think about collecting. We will be giving the peanut butter to Korum in April this year.

Speaking of Ford, we are continuing our partnership with Korum Automotive Group. Thank you to John Hall, Susan Fluery, and Jeff Beaty and all at Korum Ford for their incredible support of our club. They are again providing us with \$2500 as a club sponsor as well as a car show sponsor.

Their support helps provide us the opportunities to raise money for our charities and to cruise around celebrating the Mustang. Thank you Korum.

Some groups may wait for spring to get those cars out and enjoy their rides. Not us. Our first cruise is in January as we mix cruising, eating, and learning on the History of the Harbor Cruise. We will also continue our Friday Night Dinner Out event (usually the Friday night after the Tuesday club meeting). We are starting at Brank's this year. Our Car Show meeting will be the 2nd Tuesday of the month and January's will be at The Geise's (wait—that's my house—honey, get out the vacuum and start cooking)

It is shaping up to be another very good year, full of fun and friends. Mark your calendars using the info in the newsletter and our website.

VROOM! VROOM!

Life is always an adventure.....

Let's enjoy the ride together

Mustang of the Month

2007 Fire Red Metallic Coupe

Always loved cars and the folks who love cars. In fact when hubby and I started dating he had a 1964 Dodge 330 with a 318 it had push buttons on the dash for shifting gears !! So much fun to drive and fast. We drove that car everywhere. Love at first sight—HUBBY and the car!!

Over the years we had several trucks and cars. We always loved the older cars because they had a style of their own. In fact, as a teenager I always wanted a 1967 Mustang but life and raising our family seemed to make that hard to achieve

So in 2004 we bought a yellow Mustang - named Twisted Lemon. We joined Pierce County Mustang Club just days after buying the car and started doing car shows

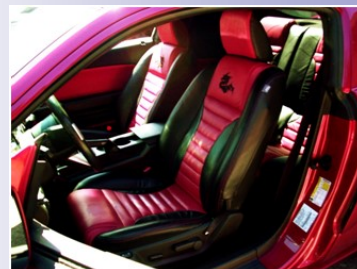

Here comes 2007 and our brand new Fire Red Metallic Mustang - named Mustang Dragon. We went

to lots of shows all over Washington and Oregon, having a blast driving the car and making new friends along the way plus showing the car.

Lots of modifications were made during the next few years including custom paint work, by a very talented artist. We wanted the car to have the old car sounding rumble but be unique and still look like the Mustang it is. Which I believe was accomplished.

It's fun watching folks try and find just how many dragons are located on the car. Nowadays it's me and the Dragon Mustang going out for drives and doing a few shows a year.

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

See the next page for Mustang Club of America membership form. One of the benefits of membership is getting the Mustang Times either in the mail or digitally.

In the Mustang Times:

- Need a new Mustang? How about a classic? Maybe the “first 1964 1/2 Mustang hardtop”? It’s going on sale at Barret-Jackson January 19, 2019. Caspian Bue. “Surviving Ford pilot plant car (only three known to exist)” and the “first Mustang hardtop to receive a VIN, 5F07U100002.” What a beauty! Restored and the first of over 10 million Mustangs built.
- Check out the list of President’s Award Winners. We are on the list and it isn’t a long one compared to the number of clubs around. Congrats and thanks again to Nancy Freeman for submitting out information each year.
- Also, don’t miss the article by John Clor talking about the 2019 marketing strategy for Ford. In a

nutshell as they say, Ford is going to be working on “retaining our own loyal buyers.”

Beyond the Mustang Times:

If you haven’t seen it yet, don’t miss THE Bullitt at ACM. Amazing story and a beauty of a car in it’s unrestored glory. I will keep you posted on upcoming talks by the owner. It looks like now that might be March. The car will be at the Museum until the end of April with a bit of a vacation in January to travel to a show and back.

Keep sending me interesting news you have found.

Got a topic you are curious about or know about?

Harley Edwards gets a shout out from Missy Willert. Missy still doesn’t have the V8 on her scooter or a cargo carrier. Harley helped her and Dennis maneuver the scooter and all of her bags to the last club meeting.

I would also like to give a shout out to all the club members who contributed to various charity collections last year. Because of your support we were able to give over \$8500 in financial support and product to those in need in our community as well as give our time in such ways as food repackaging at EFN. Thank you for your generosity!

Did you see someone doing something that you believe deserves a shout out?

- Something “above and beyond”?
- Something kind to help someone out, maybe they knew them or maybe not?
- Something they did not expecting recognition for?

Let me know!

Don’t know the names?

Tell the story.

Be the energy that you want to attract!

Potato Casserole:

As requested at the Holiday Party, here is Kathy Murphy's Potato Casserole. I don't know about you, but this was on our Christmas Day Table. Yummy! Thanks, Kathy.

2 lb. bag hash browns

1 Can cream of chicken or cream of celery soup, undiluted

1-8 oz. carton sour cream

1-8 oz. Cheddar, shredded

1 tsp. onion, or to taste

½ stick butter, melted

Salt and pepper

While potatoes are thawing, mix all other ingredients. Add potatoes. Mix well.

Pour into greased 2 quart casserole or 9 x 13" pan. Bake at 350 for 1 hour

or until done.

I hope you like it.

Kathy

Holiday Party

Dec. 8

Ho! Ho! Ho! What a party!

Although we were down in

numbers this year, it was still a fun and yummy time.

Food was delicious and the company, as always was as great as the cake that we started with. Why did we start with cake? Nancy said we had to eat alphabetically so that meant C for cake comes before H for ham or T for Turkey. We just did what we were told.

Regardless of the order, it was all very good. You probably already saw the Potato Casserole recipe (previous page) that Kathy Murphy sent as requested. It went very fast!

There were great gifts for the gift exchange and beautiful table arrangements hand made by our own Sue Velasco.

While we visited and ate, holiday music put together by Paul Geise and a slide show of our year's events could be seen by all.

Thank you to Nancy for organizing everything and for JJ and Butch for doing a ham and other foods as well as running the gift exchange. A great time was had by all.....and to all a good night!

Santa Parade

Dec. 1

Not a bad day in December for a parade. We had a little rain through Sumner but there were lots of towels and we wore a hat so we stayed dry.

There were 7 Mustangs and their owners for the Sumner parade and 3 for Puyallup. From where I

sat there were larger crowds at both parades than we have seen in the past. It

seemed all were having fun and enjoying all of the groups that came out to cruise through the parade. I know our ponies

and their riders had a great time.

Get ready for next year! Let's see if we can't get a few more out to share the joy in December 2019.

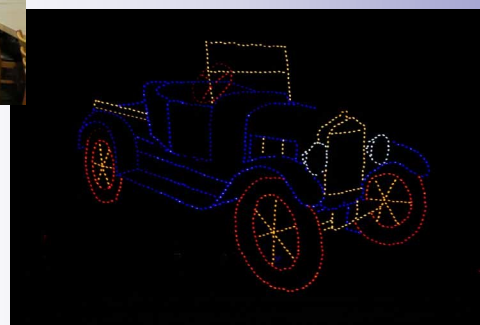

Fantasy Lights

Dec. 15

Pete & Nancy Freeman, Organizers

A merry crowd showed up to cruise through Spanaway park to view Fantasy Lights. None were disappointed. We even entertained a couple of potential new members.

The lights were gorgeous and the pizza afterwards at Godfathers was yummy. Thanks for all that came and for Pete & Nancy for setting it up.
