019 is already turning out to be a great year. January brought great turn outs to the Car Show Meeting, Club Meeting, FNDO at Brank's, and the History of the Harbor Cruise. Even with wind and rain on some occasions we welcomed new cruisers, new diners, and new members.

If you haven't joined us for an event yet, dust off those stangs, fill up the tanks, charge up the batteries, and don't miss this month's fun. We have a treasure hunt and a FNDO at Aversano's. There are meetings to get involved with at Denny's for the Car Show and Korum for the club.

January and February are busy months for cleaning up and reconfirming our commitment to the club and Mustangs/Fords in general.

- ⇒ You will see lots of opportunities in this Newsletter to get involved and to support our vision. There are 2 ballots for By-Law changes that were discussed at the January meeting. Voting will take place at the February meeting or you can mail in the ballot.
- ⇒ Car show planning is in full swing. Volunteers, raffle items, and goodie bag items are all needed.

If you wondered about our charities, they have been chosen for the year. We did this in January rather than wait for November. See the minutes for details. This early identification helps with the planning. It doesn't identify amounts as that is based on funds at the end of the year. It also doesn't prohibit people organizing cruises to collect items for a charity of their passion.

Speaking of charities, 2 items one new, one reminder, and one revision:

- ⇒ We are no longer going to do the Year Long 50/50
- ⇒ If we are collecting items for a charity at an event or cruise, it is not a buy-in, you are not required to bring anything. It is simply a voluntary collection for those wishing to participate.
- ⇒ This year's Toy Drive will return to the Holiday Party in hopes of increasing donations

Wow! And I didn't think there was anything to say! Here's to a great 2019 and February!

VROOM! VROOM!

Life is always an adventure.....

Let's enjoy the ride together

Heidi Geise

PCMC President

See Heidi if you want \$10 discount tickets for ACM to see THE BULITT.

We will be traveling to America's Car Museum after the Griot's Tech Day (arriving about 1pm) on March 16 and parking on the plaza. You may use your ticket then or at a different time.

Dear Friends,

Thank you so much for your generous donation of \$700 to Caring for Kids. Your love and support make a big difference in our ability to help our kids in need. We couldn't do it without you!

This has been a whirlwind start of the school year! In September we sent out 391 clothing bank orders of new clothes and in October 522. Our volunteers are working every day to fill orders for clothing, school supplies, hygiene products, emergency food and new books. They are amazing!

The holidays are upon us and that adds even more on our plate. We prepared and served 750 families on December 8th. Over one hundred volunteers showed up to help us with the set up and distribution. The following Saturday, with donations from Caring for Kids, Lakewood, Police, and the Lions Club, Springbrook Connection held a Christmas Giveaway helping 425 families. Caring for Kids also served chili and cookies. The Saturday before Christmas is our yearly support of the Springbrook food truck. We bring socks, gloves, color books and other special gifts for everyone. Again we serve chili and cookies. Between the two events we purchase and serve 24 large cans of chili and 10 boxes of Famous Amos cookies.

You would think that it ended there. Since December 15th we have received 15 requests from the schools for families who are homeless or really struggling. The request will continue for the rest of the week.

Our Caring for Kids Happy Hearts Dinner Auction is February 2nd. We continue to work on this daily. This is our big fundraiser!

Once again thank you!

With Love,

Diane Formoso
Founder/Executive

Dear Nancy and Club Members,

Thank you for your donation of \$1,500.00 on 12/13/2018 to Emergency Food Network. With your support, EFN will provide our 71 Partner Programs with a consistent, diverse, and nutritious food supply so that no person goes hungry.

Each year, we send each of our Partner Programs a survey in order to get feedback on our services. Here are some of the comments our Partner Programs shared about our work in 2017:

"Now we are able to have a self-select model and better product variety on a stable basis. Fresh dairy of high quality is greatly appreciated by the customers."

"We are thankful and appreciate all of the support we receive from EFN. Thank you for all you do."

"You are so supportive of our agency and community, making it a pleasure to work with! We could not feed our community without you! Thank you!"

These comments would not be possible without the generosity of people like you. On behalf of those who need it most, thank you for helping us distribute over one million pounds of food each month. Your generosity is greatly appreciated.

Gratefully,

Michelle
It was wonderful to meet all of you - Thanks for your ongoing support!

Car Show Update

Hi! We are already busy planning the Pierce County Mustang Club Mustang and All Ford Round Up at Griot's Garage on August 11th, so mark those calendars - if you bought a club calendar it is already marked!

If you would like to sponsor a class or two or know a business that might, please let me know. We have a few members who sponsor a class from themselves and a few who sponsor In Memory of a Loved One. We have lots of ways to sponsor classes.

We have Early Bird Car Show T-Shirts Order Forms in this issue of the "Pony News", save a couple of dollars and order your show shirt, if you want a tank top or v-neck this is the only chance to order them. Tank tops and v-necks are NOT available at the show or after March 19th.

The registration form will be available at the February General Meeting and at all club events until the ordering deadline. See Missy for order forms at events.

We are collecting items for the Goodie Bags and Raffle - if you have an item, please bring it to any PCMC meeting or event and we will store them until the show. Things we are looking for Seattle Seahawk's and Mariner's gear, games, puzzles, spa items, Mustang, Ford, kids items, dogs items, car cleaning - just about anything. If you got a gift that doesn't fit like if you are a Patriot's fan and you got a Seahawk crock pot....donate it. Which Larry did.

If you have any questions or would like to join us in our planning, we meet the 2nd Tuesday of each month - check the website for where we are - February and March we are at the Denny's on South Hill at 7pm.

Thanks,

Mustang of the Month

Rick & Joanie Nordlund

1987 Light Grey (Smoke) GT

We affectionately call our car Spooky because it was built on October 31st 1986. We got the car as a project six years ago, and started the process.

We joined the club in 2006 and enjoy the cruises and shows. We got into cars after the kids were gone to **spend time together**.

In 2014 we joined Mustangs Across America to Charlotte North Carolina for the 50th anniversary

of the Mustang, then we were selected by Ford for a display at SEMA in Las Vegas.

We really enjoy the club and participate in many events. Doing shows and cruises we have met many great people and seen a lot of places we never would have seen.

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

See the next page for Mustang Club of America membership form. One of the benefits of membership is getting the Mustang Times either in the mail or digitally.

In the Mustang Times:

January gave you all you wanted to know about the Fox Body Mustang. It is 40 years old this year. Hard to believe. There certainly are some beauties shown in the article, but none any "foxier" than our own club examples.

MCA has a new president, Steve Prewitt. See his column that highlights the MCA events for the year.

There are details to be found about the Pony Drive to 55. The ending celebration will be at the Mustang Owner's Museum, Concord, North Carolina, opening in April. The Drive will actually be part of the grand opening.

And in case you haven't heard....at the Detroit Auto Show, the Shelby GT500 was announced. In 2020 this monster will have 700 horse power. I may have to shop at a more distant grocery store. With 700 hp

I am afraid I would over shoot my local store by simply turning the thing on!!!

And as always, take a look at John Clor's article. It is all about a group from the Mustang Community coming together to support a young Mustang lover get back into a Stang and get it on the road. Along the way hopefully helping get into the Ford Technician Training Program with a scholarship.

In other news, the 2019 Pacific Northwest Region Calendar of Events is out. Two pages of car shows, swap meets, parades, etc. Pick one up at a club meeting, Griot's, or where ever you get yours each year.

Keep sending me interesting news you have found.

Don't know the name on this one but someone from our club, while out riding his motorcycle stopped to help a young driver in need in a Mustang.

In providing the help he mentioned our club and TJ showed up at our January club meeting and joined.

Thanks to whoever it was and welcome **TJ Curtin-Karch**.

Information Article: History of the Dash Plaque

Submitted by Heidi Geise

As we prepare for our 2019 cruises and all that they entail, I began to consider what we would need for the events Paul and I are planning. I heard someone planning their needs and the dash plaque came up. It got me thinking about these little rectangular gems that we get at all the shows and every event and I wondered where they came from.

I always figured they were a way to tell people where you had traveled and they were stuck to the dashboard. As I researched I couldn't really find any information other than where I could spend money to have some made.

In an attempt to get more history, I turned to a group I belong to on Facebook, ACM Volunteers. Now you know me and social media. It is hard to imagine that I even know it exists but "low-and-behold" I do and I decided to turn to it for information and posted a question! I am getting so modern!

Initially I got a few responses that they all had some and some were old ones. They got them at shows and events just like the rest of us. I got a cool story from a friend, Jim, whose oldest one is from 1965 and his favorite from the 1971 SCCA TransAm race at SIR. "That was the year the back stretch slid away, and the race was cancelled but the dash plaques were handed out to workers rebuilding the track. So I [Jim] got the dash plaque and Parnelli Jones didn't." Another friend, Doug has one from a 1969 Model T club event.

Some thought they may have been associated with racing and some thought they came from England.

Finally, our friend Joe, sent me a website link, www.jeepparts.com/Archives/1950_1960_1970_CarClubPlaques.html and there it was. The author, Brian French, shared

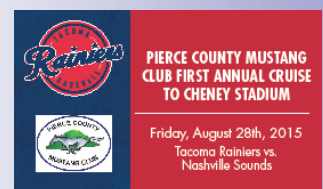

some history. According to him these plaques started in the 40's and were a way to advertise the car club affiliations you have. It doesn't sound like they were on the dash but rather, hung from the back bumper.

I know I have seen old cars with them on the dash so I am assuming at some point they stopped making them of aluminum and bronze (some still are) and stuck them on the windows and dash.

Rather than from racing, it appears according to Mr. French, they were for clubs and particularly for Hot Rodders of the 50's. Clearly the practice is still out there and very much part of the club culture.

With that said, where ever the practice started and however you display them, on the dash, on the bumper, on a board in your trophy room:

DISPLAY THEM PROUDLY!

Information from Brian French from:

History of the Harbor Cruise

Jan. 26

Organized by Robert King and Clay Concannon

We are finally out and about again to start the 2019 season and what a great way to begin the year. It was clear that we were all ready as we had 22 beautiful Mustangs and an equally gorgeous F150.

Clay and Robert put together an amazing cruise through the backroads of the Peninsula area. There were curves and straight stretches, fog and sunshine, beautiful water front views and cozy in the woods roads to 2

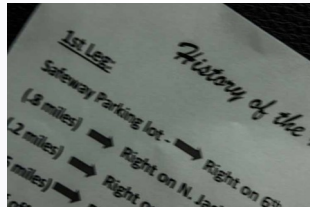

different locations.

Our first stop, after some adventurous roundabouts, was the History

of the Harbor Museum in Gig Harbor. Here we got a tour and some time to learn about the area and its beginning years as a harbor and fishing community to how it became what it is today.

We then spent some time looking at the stories and artifacts in the museum. It is a very cool location and well worth the trip. Some of us even spent some time in the original

ing an education background professionally, this was a bonus. I think I am a little late however on the assignment that was due in 1901.

1-room school house that was on the property. With many of us hav-

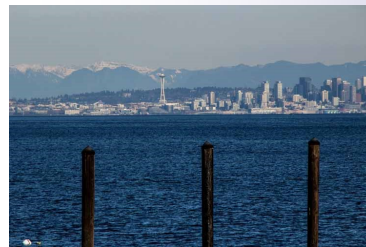

The next leg of the journey to us to lunch at Manchester Grill.

Great place with very friend-

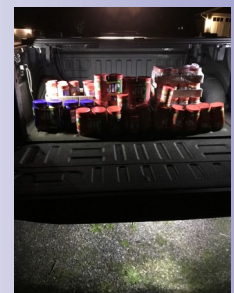

ly service. I would be amiss to not mention that we got there via slightly different routes but we all got there.

After some time on the water front to snap a few photos of the Seattle Skyline, the mountains, the ferries, and each other, we were on our way home. What a great trip to start out the cruise season.

We also began our peanut butter collection for the Ford Drive Hunger Away collection. Our goal is 350lbs this year and on the one cruise (plus some) we have already collected 141.75

lbs. A big shout out to Monika Kirkland and Robert Brown who each brought 35 lbs.
