Chuck Botsford - ceb_iii@yahoo.com

Let It Go! Let It Go! Let It Go! And I don't know about you but I am ready for March in hopes that there will be NO—SNOW! SNOW! SNOW! SNOW! SNOW! (How about that, 2 Christmas songs in the first paragraph of the March newsletter.

Club activities had to be reduced this last month as most of you know because of the snow. The Board and Car Show meetings were both cancelled and the Treasure Hunt Cruise was postponed 2 times. It has been rescheduled for May 11 and will replace the May cruise to the History Museum. We can hope that it won't still be snowing.

As you will see in the minutes, the 2 By-Law revision proposals were voted on at the meeting and both passed. What that means is that in November when election time comes around, counting will be done by the immediate past president and someone from the club at-large that is not related to any of those running for an office. And in Jan 2020 the dues will increase. Thank you for your time in voting and expressing your views on these 2 issues.

March will be a busy month so mark your calendars for:

- Griot's Tech Day (and for those interested a trip to ACM to see The Bullitt)
- St. Patrick's Day Poker Cruise
- Friday Night Dinner Out at Round Table on 160th in Puyallup

The beginning of April means the Daffodil Parade(s), so get those Mustangs out and get them ready to show their daffodil spirit. Let Missy know ASAP if you are planning on parading. Remember we need as many convertibles as we can get and welcome all the coupes that want to join.

Spring is almost upon us so whether you are doing the parade, shows or just cruising with us through the Washington countryside, get the product out, warm-up the muscles (both the car and the body) and get ready to show our best stuff!

VROOM! VROOM!

Life is always an adventure.....

Let's enjoy the ride together

Heidi Geise

PCMC President

See Heidi if you want \$10 discount tickets for ACM to see THE BULLITT.

We will be traveling to America's Car Museum after the Griot's Tech Day (arriving about 1pm) on March 16 and parking on the plaza. You may use your ticket then or at a different time.

Charity Involvement

2019 Charity Running Total

Cash Dona- tions		EFN (April)		Ford Pea- nut Butter (April/May)	225.85 lbs already (350 is 2019 Goal)
Back- packs & school supplies (Aug)		EFN (Oct)		Show 50/50	

Peanut Butter

Keep bringing the peanut butter in.

We are currently only 125 pounds left to our goal. We may even surpass it!

Random Acts of Kindness!

“Be somebody who makes everybody feel like a somebody.”

Hplyrikz.com

Two shout-outs:

1—Lee Windh for donating peanut butter even though he is still fighting that Cancer! Thank you!

2—Rick Nordlund for going to Lee’s to pick up that peanut butter when Lee was unable to bring it in himself!

And a third to all those that lugged the collected peanut butter from the Korum Board Room to Missy’s car. We will be collecting until the April meeting so keep bringing it in to any club event or let someone know if you need it picked up.

Did you see someone doing something that you believe deserves a shout out?

- Something “above and beyond”?
- Something kind to help someone out, maybe they knew them or maybe not?
- Something they did not expecting recognition for?

Let me know!

Don’t know the names?

Tell the story.

Be the energy that you want to attract!

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

In the **Mustang Times**:

- It is almost April and that is Mustang Birthday time. 55 years of continuous production. Not bad for little pony I'd say.
- So did you watch the Daytona 500? 2019 was the first year in racing history that the NASCAR cup field included a Mustang. Not just one but 12 and 3 in the Top 10 starting positions (Austin Rexinger in fordauthority.com) Best finish was J. Logano in 4th place.
- Another airbag recall that includes the Mustang. Those build June 8, 2009 to December 16, 2011. Reference # 19S01.

The Treasure Hunt got lost in the snow!

Where did it go? It has been moved to May and will replace the History Museum Cruise.

This move gives you plenty of time to update your GPS, go to AAA and get new maps, or just wander around the area trying to memorize street names, intersections, and landmarks. What ever way you find your way around, get prepared for another fun mystery drive with Charlene and her crew of clue givers.

Mustang of the Month

George Ftikas

1975 Mustang II Blue 2+2 (Monroe Handler),
1975 Mustang II Silver Ghia

I bought the 2+2 in June of 1981 outside of Fort Campbell, Kentucky where I was stationed at the time. It's green with a light green interior. To pass

post inspection, I had to get a new exhaust and the cheapest route was going with side pipes. In April 1982, the car was sideswiped on the passenger side while I had stopped for a one car accident. I picked up the car from the Ford dealer body shop a couple of days before I was scheduled to leave Fort Campbell heading to Korea.

When I returned from Korea in 1984, I was stationed at Fort Riley, Kansas. The car went through a rolling restore / transformation while I was there. The car was painted a midnight blue with a silver hood scoop and tail panel.

In 1986, the car was parked in Indiana while I was heading off to Germany. After my assignment in Germany was done, I was stationed at Fort Lewis, Washington in 1989. In 1993, I drove the car from Fort Lewis to Fort Gordon, Georgia for a six month school. A couple of weeks after I returned to Fort Lewis in August 1993, I was stopped at a stop sign and was hit by a military Hummer (HMMWV). Jim Cassidy always tells folks it was run over by a tank.

I fought with Army claims for a few months before I had my insurance company deal with it. I bought a rotted out 1976 Cobra II to replace the parts I needed to include the dash unit as mine was broken in three pieces. I found a guy to get it put back together and paint the car. I had the Cobra II spoiler and side window louvers put on as well. I got it back in the spring of 1994.

We moved into our new home and one day in August 1994, I was washing the car and had the stereo on and heard that the Pierce County Mustang Club had gathered at Mallon Ford. So after I was done washing the car, I headed off to check things out. I joined the club and attended the PCMC show at the Lakewood Mall for my first show ever. I was in the club for several years.

In 2013, the car went through another major change. An original Dave Kent Monroe Handler body was purchased and installed on the car. The hood was drastically modified (all steel construction) and a roll cage, a new 302 motor and a new Ford 9 inch rear end was installed. The car was painted Kona Blue. It is still a work in progress, but it has come a very long way since then.

I joined back with the club at their show at Griot's Garage in 2017.

The Ghia was purchased in October 2006 as a Father/Son project while he was in High School. It has gone through a few changes since we got it. It is still used as a daily driver for now, but someday, it will get a major overhaul as well.
