Chuck Botsford - ceb_iii@yahoo.com

This has been a month to prove that when we set our minds to a task and commit to it, we get things done. We said we wanted to get new members—and we did! We said we wanted to support the youth interested in our car hobby—and we did, attending 4 high school and college car shows just this month. Thank you.

It is hard to believe but we only have 2 more newsletters and just over 2 months before our own car show. The committee with Charlene at the lead is going like crazy to get everything done and ready for another great show. You will see what is still needed for volunteers, raffles, and goodie bags in this newsletter.

Between now and then we have lots of fun events with the club.

- Family friendly Side Track Distillery—new adventure, can't wait to see it on June 8th
- **Korum Appreciation Display—Let's have a HUGE turn out!!!! June 22nd**
- Rainiers Game June 23rd
- 4th of July festivities at JBLM July 4th and Vintage Races July 6th
- Lunch & LeMay Family Collection Tour July 7th
- Algona Parade and Car Display—club invitation Aug 3rd

If that isn't enough, we have groups going to:

- Wrangler's MC Show in Hillsboro
- Fox Body Picnic
- Mustang's NW Show in Bellevue
- Pacific Cascade MC Show—Kent
- Mustangs on the Water—Kitsap MC—Port Orchard

Still want more? Don't forget the meetings and Friday Night Dinners Out. Gee, I wish I had something to do with my time???

VROOM! VROOM!

Life is always an adventure.....

Let's enjoy the ride together

Peanut Butter!!!!

Official total—493 lbs.

Our contribution added to Korum's and those of their other supporters equated to a truck load of 2242 lbs of peanut butter going to the Puyallup Food Bank. All I can say is, "WOW!"

Random Acts of Kindness!

"Be somebody who makes everybody feel like a somebody."

Shout out to the club members who went to high school and college shows to support youth and their positive work.

Also a shout out to the club for making the Ford Food Drive a great success. Your contributions, along with all of the other contributors, will feed many young people during those summer months when they don't have school lunches to count on.

Thank you!

Did you see someone doing something that you believe deserves a shout out?

- Something "above and beyond"?
- Something kind to help someone out, maybe they knew them or maybe not?
- Something they did not expecting recognition for?

Let me know!

Don't know the names?

Tell the story.

Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

Mustang of the Month

Chuck Botsford

1976 Blue Coupe “slightly modified”

My Mustang and I were united in 1995. For the first ten years she was my daily driver. She started her life as a 1976 Mustang II Ghia.

In 2003, I started making modification on the weekends, where I used some parts from a '78 Mustang II that was my high school graduation gift. I drove her during the weekdays to work. I stopped driving her as a daily commuter in 2005.

In 2011, I stripped her down to the bare unibody. She got a new coat of paint from top to underneath and a new interior as well.

She hit the road again in the spring of 2014 to do Mustangs Across America. Since then we have been in 32 of 50 states. Including a stop at Ford's World Headquarter in Dearborn.

Chuck

PS From Heidi

I have been on a trip or 2 with Chuck and this special vehicle. Not only does it win awards for appearance but when the show has it, it has won for loudest engine as well.

Well done, Chuck!

In the News and Other Information

Trying to keep up with Mustang news? Here are a few items to check out.

Hey! Did you know we have a new car museum in the area? The **Thunder Dome Car Museum** opened on May 29th in Enumclaw. From the photos it looks like some gorgeous automobiles that includes a section for Fords. I am up for checking it out. Any one else interested? Besides the cars they have restrooms and a gift shop but no restaurant. I am sure we could find one near by.

We stopped by **Griot's** the other day and I asked, "Got anything new?"How about microfiber swabs in all sizes (some with foam tips) for those hard to get into seams in the interior or wherever? I know someone who would know just how to put these to use and so do you....There was more but you will just have to check it out.

June 30th is the **Great Race** which ends this year at America's Car Museum in Tacoma. The Car Show starts at 9am and goes to 5pm. The \$25 registration includes 1 adult ticket to the museum. The Great Race finishes between 1:30 and 3:30. Best bet for parking.....be in the show. If the club arrives together they can park together if there is room otherwise, go, park, and walk around to see all the amazing vehicles. FYI—there will be food trucks, a beer garden, vendors, and lots of cars and people.

Let the Shows Begin!

May

Well, not just any shows, but those that are put on by local high schools and colleges.

In an effort to support the car interest with our local youth and help raise funds for their various causes, we have had a few members attend their car shows. Heidi contacted the organizations and offered our support in whatever way we could including visiting their groups to teach detailing or talk about car clubs, attend their shows and perhaps sponsor a class. They were glad to have our support and really just needed cars at the shows at this point.

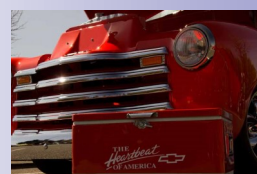

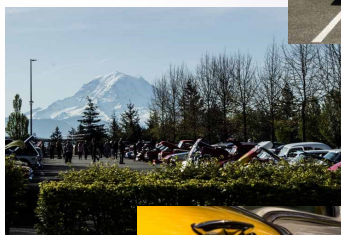

With that said we had 5 cars at the Bonney Lake High School show where Pete and Nancy Freeman

took first in their division. At Clover Park Tech, we had 6 cars and Rick Nordland took Best Mustang. We had a few members at Mt Tahoma HS show and 7 at the White River HS show as well.

These shows are all Open Shows so we got to see some gorgeous old and new cars of all makes and models. We also spread the word about our show and invited the students (as well as the participants with Fords) to come see our show and participate.

It was a busy month and we didn't get to all of them as there were conflicts with our club events and more than one show on some days. We hope we have opened the door for continuing conversations and encouragement in the car hobby and in the future of automobile clubs.

White River High School Show

Club Cruise to Port Angeles Show

May 5

Fourteen Mustangs from our club joined 140+ Mustangs on the water in Port Angeles for a beautiful weekend. Some arrived on Saturday and took a cruise with 45 cars around the area. More showed up for the show itself on Sunday.

We had lots of awards going to our club's members and their cars. You can see photos on photobucket.

Here are just a few to get you started.

Treasure Hunt

May 11

Organized and Submitted by Charlene Rivera

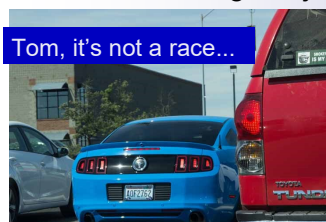

It finally happened!

We were snowed out twice and then we got the hottest day to find clues all over Pierce County - thank goodness for air conditioning.

PS From Heidi

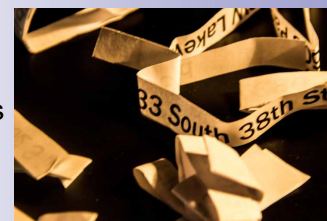

Charlene did a great job organizing this cruise. It is always fun and is also a great way to learn how to use the GPS for those of us that might need help.

With 16 stops there was plenty of practice. Our new GPS doesn't yell at us to

make a "legal U-turn at the next available time" like the old one did. It does get demanding though, "in .4 miles turn right. **TURN RIGHT NOW!**"

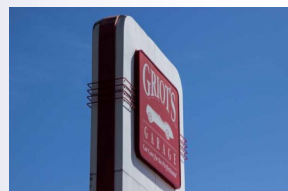

Thank you Charlene

We visited a few of our sponsors, a couple of our member's home, and a favorite restaurant before we had lunch at Bob's Burgers & Brews. At Bob's some had Onion Ring

envy - they do have great onion rings, I know because I stole a few from Larry's pile. Thanks to the members who helped me celebrate Lilyanna's 8th birthday with a mini Treasure Hunt for her. Thanks to Lew & Louanna and Joanie & Rick for helping with handing out the clues.

Thank you for all the help you give to Pierce

County Mustang Club – from the car show to the newsletter and ALL the stuff in between.

In Memory of “Duke Robbins” by Greg Robbins

My father grew up in the late 50's ~ early 60's. This was the start of the modern car culture. As I grew up, I would listen to his stories of the cars he had and how he would modify them to go faster or look better. His favorite was his 56 Merc with a flathead V8 and shaved door handles, Persimmon and White. I heard stories of street races and cruising. When I was about 10 he bought a 1969 Ford Bronco. We would take it all over the mountains of Northern California. I can remember crossing streams so deep water was coming into the cabin. Us kids probably logged 50,000 miles in the back of the Bron-

co. One of the first modifications to the Bronco was the installation of a roll bar with 2 inches of foam padding to protect our heads as we bounced around in the back. Each year we would pack our camping gear and head down to the sand dunes at Pismo Beach for the Forth of July weekend. Each year he would push that Bronco to its limits on the sand and inevitably, something would break. That meant, get it home and make it bigger and stronger. My dad's final years were spent in Reno, Nevada and he would always talk about the Hot August Nights Car Show. His love of everything cars is why this sponsorship is in his honor. He would have loved to be involved in this club with me. – Greg Robbins
