WOW! Or should it be Whew! Another car show in the books. Thank you Charlene Rivera and the Car Show Committee for all the hard work you do all year to make this the great show that it always is. From outstanding Goodie Bags to cool raffle items. Many amazing sponsors step up to provide a great venue and opportunities for many awards, T-shirts, and an overall great time. Thank you also to those who support with their time and energy on the day of the event to make things happen as smoothly as possible.

And to those who participate, we couldn't have a car show without the cars and the car people. Whether you are an engine fanatic or just love the beauty of the design, paint, interior, etc, cars are a combination of both, the art and science of the automobile. Throw in the opportunity to socialize with like-minded people about this hobby we all enjoy and you have the makings of a great day. Thank you.

On another note, don't forget to bring your ideas for cruises, events, etc. to our October club meeting. Whether your idea is simply a gorgeous cruise or specific destination, it doesn't matter. If you have an idea of something you think would be fun, let's get it on the list. **You** don't have to be the one to organize and lead it if you are not comfortable but, we will have to have someone willing to do that work. One possibility is that you could work **with** someone if that works better. The ideas will be put together and the events/activities for 2020 will be selected at the November Planning Meeting. Remember, the calendar is open until selections are made at the planning meeting. Is there something we have done that you want to do again or that you don't want to do again. These will be the times to let your voice be heard.

Don't miss all the fun coming up. We have done car shows and parades and there is more to come. The season is not over yet. See the details in the newsletter and on the webpage.

VROOM! VROOM!

Life is always an adventure.....

Let's enjoy the ride together

2019 Pierce County Mustang Club "Mustang and All Ford Round Up"

Happy Birthday to you!
Happy Birthday to you!

Wait Mustang Show.....

Happy Birthday to you!
Happy Birthday to you!

I would like to "Thank" 2 of our long time members - Joanie Nordlund and Clay Concannon for giving up their Birthdays and Birthday weekends (cause our show had fallen on both of their days in the past years) to help at the Pierce County Mustang Club "Mustang and All Ford Round Up". I know for the past 7 years, Joanie has never missed a show and Clay only one. Thank You both for all the time and energy you give to our club when you should be celebrating your special day. I know you will both be helping again cause we only have 11 months until the car show.

Thank You to the Car Show Committee. For sharing your time, thoughts, energy, homes, picking up shirts and trophies, counting to 70 over and over and especially feeding us! Also for listening to me drone on and on about car show this and car show that. You do know - we only have 11 months to the show.

Thanks to our members who after being asked once or

twice or three times or more to sign up to volunteer did and for those members who did not sign up but showed up and helped. We need many, many helpers to make the show go smoothly. Please start thinking about helping next year, maybe sign up to try something new like helping to "Wrangle" the ponies or selling raffle tickets. We only have 11 months until the show.

Thank you to everyone who donated for the Raffles, Goodie Bags, and the Kid's bags. I saw many happy kids wear their new backpack. The word is out - our goodie bags are the "Best"! I have already purchased 5 mini first aid kits. You do know - we only have 11 months until the show.

Thanks to all our vendors. I saw lots of people visiting with them. Griot's Garage is set for August 9, 2020 cause you know we only have 11 months until the show.

Thanks to all our sponsors. Most of our sponsors have been supporting PCMC for many, many years, so we must be doing something right. I know C-J's Pet Grooming and The Fox Picnic are sponsoring for 2020, cause you know we only have 11 months until the show.....

Thank You to everyone!

TJ Curtin-Karch

2008 Vista Blue Coupe & 1988 Cabernet Red Hatchback

My dad purchased the 2008 Vista Blue V6 Mustang new at Korum Ford and drove it to work for 3 years putting 80k miles on it. During high school, my dad made a deal with me that if I graduated with a 3.5 GPA or higher, I would get the car for a graduation present. Since then I've put 50k miles on it using it primarily as a daily driver. My goal is to keep the car looking and functioning as good as possible for as long as I can.

I always appreciate Mustangs, and enjoy tinkering around with fixing things, so finding an older Mustang as a project always interested me. I ran across my 1988 Cabernet Red 5.0 LX Hatch on Craigslist from a gentleman located in Puyallup. This Fox started it's life in Bellevue, was eventually moved to Alabama, and then found its way back to Washington. The Fox has 103k miles on the original engine and will make a great starter project. I'm not quite sure what I want to do yet, but it will be great journey with PCMC, the Foxbody community, and a group of guys called the Misfit Fox Crew.

Greg Robbins who jump started a car to help it get into our car show.

Car club members from other clubs who stepped up to help relocate cars to make sure there

was room for **all**.

Several individuals who provided extra money for Sister Pat and St. Francis House as she left the show. She ended up with much more than the 50/50 amount.

And a huge shout out to all who brought backpacks for school kids that will be distributed through Caring for Kids. Many of those were from outside our club members.

Did you see someone doing something that you believe deserves a shout out?

- Something "above and beyond"?
- Something kind to help someone out, maybe they knew them or maybe not?
- Something they did not expect recognition for?

Let me know!

Don't know the names?

Tell the story.

In the News

Trying to keep up with the Mustang news? Here are a few items to check out.

TODAY'S BIG NEWS (old by now):

Start saving your money because, "The Bullitt Mustang will cross the block at Mecum's Kissimmee, Florida, sale Jan. 2-12, 2020." I think if we use our car show money and each throw in a few dollars from coupon clipping at the grocery store....we may be able to afford a ticket to watch the event. Of course that is just me. Perhaps someone in our club is up for the opportunity. I am just guessing, but I bet there might be an award or 2 at the/any local car show. Imagine that story board.....

From the *Mustang Times*, Sept 2019:

- 2020 National Shows announced
 - March 2020—Tucson, Arizona
 - July 2020—Buffalo, New York
 - May 2020—Arkansas
 - Labor Day weekend 2020—American Muscle Car Museum in Melbourne, Florida

From several sources including **Car & Driver** and **www.motor1.com** (originally saw on **Fox News Internet Feed**) :

- 2020 Ford Shelby Mustang GT500
 - Here are some specs that were listed.
 - ⇒ 0-100-0 mph in 10.6 seconds—sources claim it is faster than any other muscle car. There were some others listed such as the Corvette ZR1 at 10.4 or 9.7 depending on the engine but this was apparently 0-100 plus 100-0 not a continuous motion stop to stop.
 - ⇒ Computer controlled 7 speed dual clutch automatic
 - ⇒ 760 hp 5.2 liter V8
 - ⇒ 625lb-ft torque
 - ⇒ 16.5" front brake discs/Brembo calipers
 - ⇒ Carbon fiber rims
 - ⇒ Custom tires
 - ⇒ Electronically limited tip speed—180mph

WELL! That will certainly get you to the grocery store!

From the president's email:

- I received an email in September from Author Clive Branson who has just published a book, **Ford Mustang: The First Generation**. It is due to come out on November 1, 2019 and can be pre-ordered from Amazon now for \$24.95. Of course we all know what it is about, the beginning of our Mustang 1st Generation (1964-1973). If anyone gets it and wants to review it let me know and we will put something here in the newsletter.

From **www.hagerty.com/** comes several articles about our Mustangs. Check out the site for more on these topics:

- Ecoboost to get the Focus RS 2.3-liter Turbo-four in 2020 as part of a new performance package. It will boost it to 330hp.
- Don't miss the concept cars that didn't make it. Everything from a 4-door sedan to a station wagon to a folding hardtop convertible. And don't think it was just in the beginning. In the '70s there was the Milano, Mach 2, and the very interesting Allegro II to name a few.
- An article covering the 25 Mustang facts that "every enthusiast should know" is included. An article by Scott Oldham in April of 2019 included:
 1. 1st Mustang with 300+ hp—1965 Shelby GT350
 2. 1st with 500+hp—2007 Supercharged Shelby GT500
 3. 1st with 600+hp—2013 Supercharged Shelby GT500

Maybe there will be more of these facts to come?

Algona Family Fun Days

August 3

Algona asked for Mustangs and they sure got Mustangs! Pierce County and Pacific Cascade Mustang Clubs joined together to make one long string of ponies through the streets of the enthusiastic Algona. What a fun day it was!

We all started out from various locations to meet on Algona Blvd to stage for the parade. While there everyone shined up their ponies and got them ready for the drive through the town for the display. When I say everyone, I mean everyone. If you are going to ride, you are going to shine. It is never too early to start learning car care and it never stops!

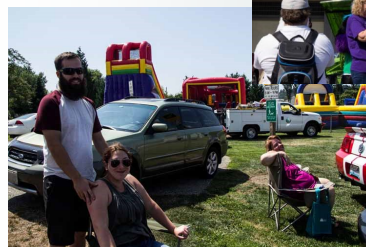

With all the Mustangs, shined and pretty, we took off down the parade route. Smiling faces pointing and shouting and enjoying their day, and that was my husband.....it looks like others were having fun as well.

very cool event, especially for the kids, with lots of free fun for all.

Pacific Cascade, it was great to hang out with you for the day.

Algona, we had a great time. Thank you for inviting us. I believe I can speak for all and say, "we would do it again."

We put the cars on display at the Algona City Hall where they were part of a fun day with lots to see and do in the park. A

Chapter 1: The Preparation

It takes a lot of people and all year to put on a successful car show.

One to lead and many to work behind the leader. Thank you Charlene for taking this on again.

Besides the work, there are a lot of donations of products, money, and time that are included. Thank you to Emerald Queen Casino for goodie bag fillers that helped create an amazing bag and to Nitto Tires for the backpacks to use for the kids goodie

bags. Kids get bags when they come to the show and vote for the Kid's Choice Award and our own Monica Kirkland coordinates all that goes into it. Kaiser Permanente, thank you for the participants bags. Korum for supporting us always and especially with help for the show T-shirts. The Tacoma Visitor center provided bags full of information and many individuals from the club contribute all year long with various items that become part of our outstanding bags.

Let us also not forget the homes that are impacted for months collecting raffles, goodies, T-shirts, and all the other show requirements. Oh yes, and the 20ft U-Haul that was loaded to capacity on Saturday.

Pierce County Mustang Club Picnic

Submitted and Coordinated by Charlene Rivera

Aug. 25

We started the day with an ugly gray sky - the set up went smoothly with so many extra helpers - thank you! Members showed up a few at a time.

We met new perspective members and a visit by past members — Rachel Wright and her parents Diane and Bob Croxen and her brother. We even had member - Sandra Smith drive in from Ocean Shores to join the fun.

By the end we had a gorgeous blue sky, new friends, and great new memories of the funniest run of Blind Driver & Sighted Navigator Obstacle Course – Thanks, Carl and Pam for running over 22 orange cones.

The food was yummy - the Ivar's chowder was a nice surprise- thanks Carl for the treat. I heard we had a Kahlúa cake, but it disappeared into many members tummies before I could have a taste.

See you next year at the PCMC picnic!

After we ate it was time to play - with kids busy jumping in the bounce house, the adults were ready for the drags - slow drags that is. Congratulations to Jim Cassidy for having the slowest Roush in PCMC. Next up, the Blind Driver and Sighted Navigator Course - who could drive the course the fastest without hitting the orange cones and ending closest to the end cone - Pete picked a new partner (Sorry, Nancy) and finally was able to beat the competition by one second - Great Job, Pete and Lew!

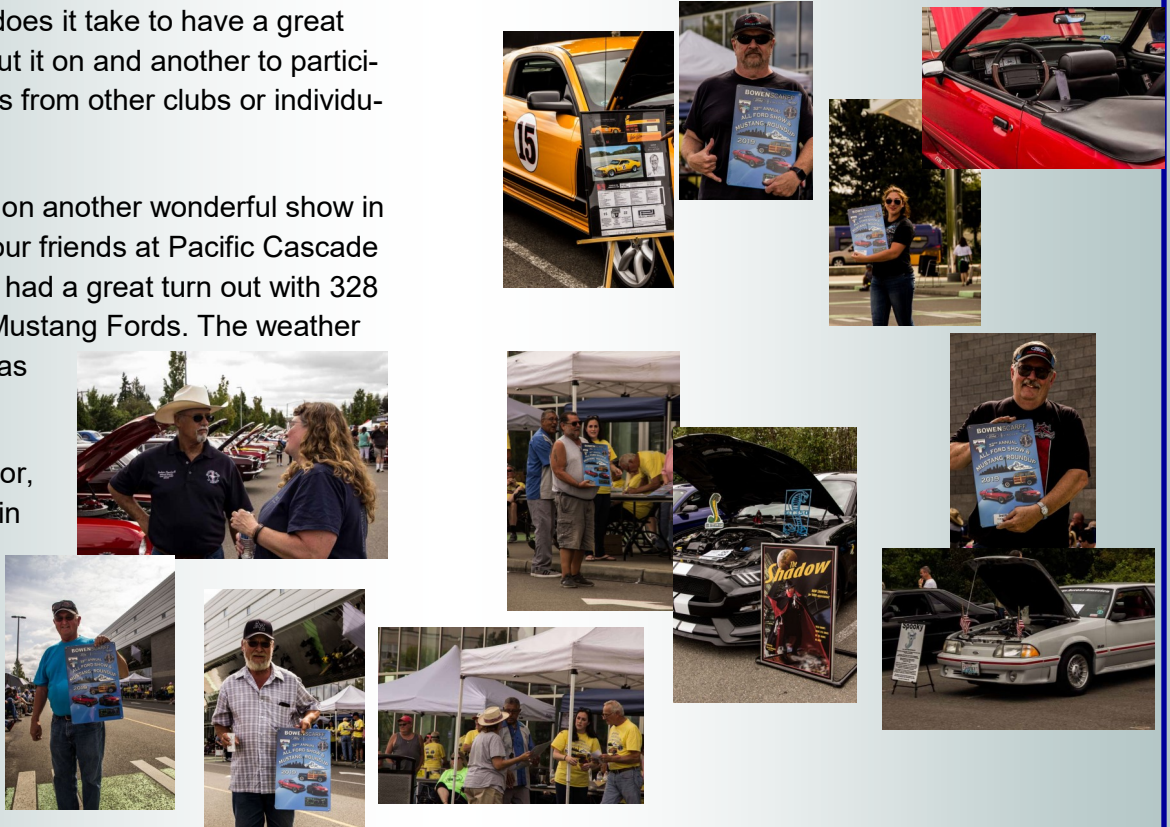

PCMC @ PCMC**Aug 17**

How many PCMCs does it take to have a great show?.....One to put it on and another to participate with their friends from other clubs or individuals.

Pacific Cascade put on another wonderful show in Kent. Thank you to our friends at Pacific Cascade Mustang Club. They had a great turn out with 328 Mustangs and non-Mustang Fords. The weather was great and fun was had by all.

MCA National Director, Robin Paulsell, was in attendance as well.
