Gotta love fall....the colors, the changing weather, the hot cocoa by a warm fire.....! Well, it is here and it's gorgeous! Yeah, there's some rain but you know...that's where we get the beautiful trees and flowers.

Again, the club has been busy with the October Emergency Food Drive and the Progressive Dinner. Only one more cruise left this year—Jerry & Kathy Murphy are planning another great Veterans Day Cruise. Be sure to join the fun.

This coming month provides an opportunity for your voices to be heard as the club plans for the 2020 events. We can use as many people at the meeting on November 2nd at Griot's as we can get. We gathered some new ideas at the October Club Meeting but this is where we take those ideas, add more, make choices, find organizers for the events, and get them into the calendar. Thanks in advance for trying to make it to this meeting.

November also brings club elections. Please take a moment to complete your Ballots and either turn them in through the mail or come to the meeting on the 19th. There will be ballots available at the meeting as well.

We have a few events in December as well. If you haven't already done so get your license and insurance in to Missy if you want to do the Santa Parades in Sumner and Puyallup. Put those 100+ lights on that beautiful Stang and let's show off our club and our cars at one more parade this year.

Don't forget the Holiday Party & Toy Drive on December 14th. This is a lot of fun. A great time to relax and enjoy the company of wonderful friends and yummy food. Don't miss it!

Thank you to Mustangs West for the beautiful plaque and the \$100 check for our charities. This was from the Mustang Show in Lacey where we tied with the Kitsap club for the participation award, 19 cars each. Thank you Jesse and Mustangs West.

Life is always an adventure.....

Let's enjoy the ride together

Be the energy that you want to attract!

Unknown

Emergency Food Network

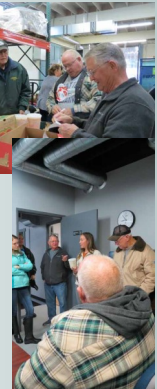

Yes, you read it correctly above, 6600 lbs of clam chowder. Now I could tell you we all worked so hard over a hot stove to make the chowder after some of our members braved the rain to dig the clams, milk the cows and harvest the potatoes but.....this

page is about charity and doing good things for others so telling false truths would not be appropriate.

What we actually did was take off labels, attach new ones and repackage containers of clam chowder that a company generously donated to EFN for distribution to food banks in our area.

It is always fun and rewarding work and this event was no different. There were only a couple of casualties but we won't cry over spilled..... (couldn't help myself, sorry).

Random Acts of Kindness!

Did you see someone doing something that you believe deserves a shout out?

Don't be shy! Let us know if you see something good happening that you think is worth celebrating! It could be our club members or it could be generous acts that others do that you want to give a shout out to.

Kentridge High School Youth—We had the opportunity to take some very nice young people on a short ride to their homecoming celebration. Many spoke of the charitable work they do or are planning.

While on the subject of youth—I had the chance to take some high school seniors through ACM. They were from Vancouver, BC. Outstanding group of young adults from what I saw. Let's hear it for good kids doing good things!

I am also going to give a shout out to my husband who took time to show a group of Boy Scouts how to check car fluids and lights, etc. Thanks, Paul.

Homecoming Escorts Kentrige High School

At the request of one of the organizers, Pierce County Mustang Club had the privilege, of driving the court onto the field at halftime for the homecoming festivities. The students were very nice and one of the student leaders came up and shook everyone's hand and thanked us for our support in the event. He was the "T" in the school name as the gentlemen had Kentrige painted on their bare chests. Gotta love high school football. Raining a little, chance of lightening, and one of the coldest days of the fall so far, but you have to do what you have to do....Is that the mother or the school principal coming out of me?

Our group met at 5ish so that we could pull onto the track to park prior to the game, 7pm start. We watched the game from the end zone and dried our cars for the event.

Just before halftime, the court came out of the stands and off the field. The seniors rode in the convertibles and the underclassmen squeezed into the coupes. It was quite a sight to see the six foot plus freshman boy sit in Chuck's car with the young lady comfortably located in the back seat in her heels and long skirt. Loved it and so did they.

We revved our engines and drove them out to be introduced one car at a time. It sounded great and looked even cooler with lots of oows and awhs from the crowd.

Well it wouldn't be a PCMC story without a challenge or 2:

- All Kent Football Games are played at the stadium next to Kent Meridian. With that said, 2 of our cars went to Kentrige High School to start. Think of it as a cruise-within-a-cruise.
- Entrance to the track for the cars was a steep curved drive down to the field, and just as steep and curved going up, one at a time. Some of the drivers met their club passengers at the top of the hill. I won't mention names.
- Believe it or not, I of course forgot my camera. So sorry about the photos.

All-in-all it was a lot of fun and the kids were great. In our car we had 2 future doctors who wanted to know what the craziest thing Paul had done in retirement.....leaves it wide open if you know my husband. His answer, "go up a ladder to paint the side of the house without his wife knowing because she would have yelled at me." Students—"Did she find out?" Paul—"She knows everything!" Just remember that dear!

recent 'Feast In The East' Progressive Dinner. The four courses, hosted by Hank and Margie Deck, Jerry and Kathy Murphy, Steve and Laurie Howe, and Pete and Nancy Freeman, featured a variety of dining options.

The meal opened with finger-food appetizers in the Deck home and the collection of pet food donations for the Puget Sound Food Bank. Soup and salad followed at the Murphy home with diners choosing from among three kinds of soup and several salads. The Howe's hosted the entrée course, offering a selection of German foods. The Freeman's finished the night with a fun banana split dessert course.

The Murphys, Howes, and Freemans were presented with gift cards to Anthony's Restaurant Group from the PCMC to thank them for hosting. The almost 80 pounds of pet food will be donated to the Puget Sound Food Bank. In addition to providing food for Eloise's Soup Pot Kitchen, Federal Way Senior Center, Orting Food Bank, Nourish Food Banks, Salvation Army Shelter Tacoma, Seattle Dogs Homeless, NOAH Project Free Clinic, Misspits Rescue and several homeless outreach programs,
