**H**appy New Year to All!

First of all, a huge Thank You to our friends at Korum Ford for sponsoring us again this coming year. Not only do they allow us to use their meeting space twice a month but they also provide \$2500 to help support our August car show, loan us convertibles for the Daffodil Parade each year, and are just really nice people. We hope that as we go to car shows, hand out membership applications, and drive around the community in our Mustangs besides having fun and getting new members, we can show the community that the Ford Mustang is the car to have.

I would like to say THANK YOU to the club for the thank you gift you gave my husband and I. I love the scarf and photography book and will certainly enjoy the dinner at Brank's. It is a pleasure to be part of this organization and all that it does.

So if you want to see all the fun you missed or to bring back the memories, be sure to check out PhotoBucket (directions to get there are on the cover page. Lots of contributors. Here is a sample:

As we get started on the next year, take a look at the list of events and mark your calendars. We have lots of fun planned and we start right off with a private collection tour at Ault Electric. I hear there are lots of Fords there. I can't wait to see them and to enjoy lunch at Louis G's in Fife afterwards. February brings a Sweetheart Cruise to a winery and lunch to follow, of course. See details for each in this newsletter.

*Life is always an adventure.....*

*Let's enjoy the ride together*

## Mustang of the Month Ken & Cindy Baccetti 2013 Black Coupe

Wow, that's awesome! (the MotM Award) Thanks guys.

Here's a couple pictures of my 2013 coupe. It's been "slightly" modified of course. Complete suspension overhaul keeps it in the corners while Willwood all around keeps me safe. Typical engine upgrades with long tubes and Borla exhaust. With 3:73's and a tune this V6 really woke up. Great handling and plenty fast!

### Santa Parade 2019

Dec 7

Organized by Missy Willert (article by Miguel—one of Missy's students)

Photos by Nancy Freeman

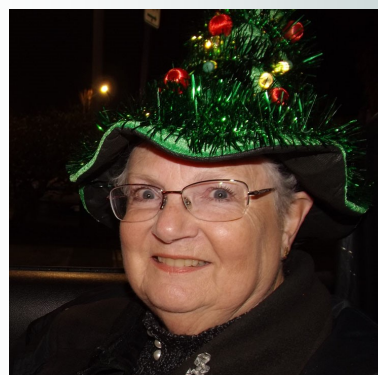

We had 7 Mustangs in the parades this year. Everyone loved Ariel and Bryce's Mustang with Olaf on the antennae, big hit! Chuck and Anette were so bright blue I think their Mustang II showed up on satellite. All the little kids wanted to eat Missy's car because of the candy canes. Hank's car was lit up with colorful LED lights. Paul and Heidi dressed up their ride like Russell Wilson in a big Santa hat. Pete and Nancy spread the LHS JOY with their Black and Gold decorations to celebrate Lincoln High's Football programs return to the State Semi-Finals. Trevor and Nathan enjoyed Bumpa's engine vroom vroom every time the crowd yelled to lite 'em up!

There were two new friends who came this year, one of Missy's students, Miguel Miguel, who drove with her and Nathan Baxter who rode with Trevor (Missy's nephew's) in Dennis Willert's Mustang.

We all got a little soaked decorating our cars, but we had a great time. We hope more join in the fun next year.

Article written by Miguel Miguel (for his writing assignment)

(Way to go Miguel! I hope you got an "A"!)

# Holiday Party

Dec 14

Photos by Missy Willert and Heidi Geise

It was a relatively small group of 30ish for our end of the year Christmas/Holiday Party but it was fun all the same.

Nancy Freeman got everyone organized and decorations were up in a flash while Chuck supported Heidi's efforts to get the slide show, "Review of 2019" up and running. The food started to roll in and the aroma of delicious holiday morsels made everyone hurry to get organized so they could fill their bellies with yumminess! (I don't know if that is a word but it is now!)

As people ate they enjoyed the company of fellow Mustang Club Members, listened to holiday music, and watched the year go by in photos of all the events of the year. It was a busy year!

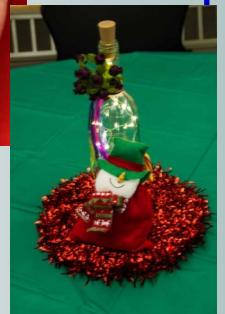

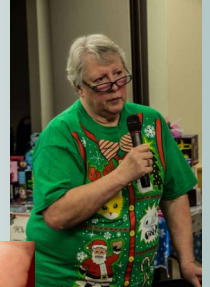

We celebrated the hard work of Charlene and her team to make our car show a success, the long time membership of Sandra Smith who

joined us from Ocean Shores to receive her Lifetime membership award, and Heidi (me) thanked everyone for their generous gift (see the President's Message).

It was a lovely even-

ing. See Photobucket for more memo-

ries.
