**H**ere we are in March already and things are picking up quickly so lets get right to it.

Fortunately, February 2020 was much improved, at least for the car cruise scene over February 2019. We had a great cruise north to the winery and lunch for our **Sweetheart Cruise**. Read all about it later in this newsletter.

Look for the Flyer in the flyer section about the **Daffodil Parade** we are looking for at least 12 convertibles and anticipating about 12 coupes for the parade. We are again carrying the Princesses and several dignitaries. If you are available to drive a convertible loaner from one of our dealership sponsors that would be great as well. Please let me or Missy know—convertible, coupe, or loaner driver.

We do have a calendar change for May. The **May Peninsula Loop Cruise** **has been canceled** so please mark that on your calendar. There are lots of car shows that month so we shouldn't be lacking for things to do.

It is time to think baseball! The details for the **Rainier's Game** are in this newsletter as well. Bring your money and completed ticket form to any club event and give it to Heidi or Paul Geise or Nancy Freeman.

Whew....if all that isn't enough, please let Heidi or Paul know if you are interested in the July 2 day cruise to the **Western Antique Automobile and Air Museum (WAAAM) in Hood River, Oregon**. It will be July 11-12. We would like a ballpark number so that we can find lodging in Vancouver and let the museum know. Details will follow after our practice run.

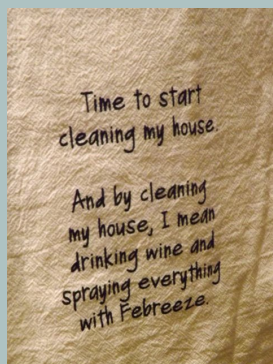

Now don't forget the **St Patrick's Day Cruise** in March and the **National Mustang Day Cruise** in April. And.....KEEP BRINGING THAT PEANUT BUTTER!

*Life is always an adventure.....*

*Let's enjoy the ride together*

## Food Bank Update

The Food Bank is now operating each Wednesday and Friday from the Education wing. Clients wait in their cars and are called in by number. Families get a commodity bag - canned and dried foods, cereal, plus a meat item, butter, and eggs, breads when available. Some personal items are also available. Starting this week we are giving fresh vegetables - potatoes, carrots and onions. We are thankful for all the wonderful donations - our storage areas are full! We continue to get weekly deliveries from EFN (Emergency Food Network). Monetary donations total near \$35,000!

Rebuilding of the Food Bank building is in progress. Cleanup of the burned area has been completed FREE by Lemay Garbage Service. Crescent Realty has offered to rebuild for FREE! Once started, the building will be finished in less than two months. Smokey, our director, asked that it be completed by the end of the school year. We will continue opening Wed. and Fri. until the new building is open. We thank the church for giving us the space and storage to continue operation and volunteers to help.

## Warm the Heart Collection

Thank you to all who contributed to the collection at this Sweetheart Cruise. We collected 13 caps, 14 pairs of gloves, 29 pairs of socks, 2 scarves, and a \$20 for more goodies.

Thank you for your generosity.

Pierce County Mustang Club  
P.O. Box 44853  
Tacoma, WA 98448

Dear Friends,

Thank you so much for your generous donation of \$600 to Caring for Kids. We would not be successful without your continued support and the community. Together we will make a difference in the lives of our kids and families in need!

On Friday the 10<sup>th</sup>, along with our everyday work, we delivered 24 new coats to Tyee Park Elementary School. Every day is a challenge with the need for clothing, school supplies and food. We also supply the Springbrook Closet and Arrow Community Park with food on a regular basis. Emergency food packs, air beds, blankets and homeless packs are in high demand.

The Happy Hearts Dinner Auction was a big success. Our volunteers are so organized and competent. Everyone said they had fun, which is so important. The Clover Park Technical College Culinary Department served 550 people in 30 minutes. The food was great! Although the preparation for the event can be overwhelming, it seems to work every year.

We have started moving into the Alfaretta House which will be a storage area for extra backpacks, school supplies and auction items for next year. Our major move will be in June to our new place.

By the way we are already shopping for the Holiday Fair in December!

Once again thank you for your support!

With Love,

Diane Formoso

Our thoughts go out to **Bill Norman** on the loss of his dog, Roscoe.

Congratulations to **Paul Nee and Lynette Gallant-Nee** as they join the elite group of Lifetime Members of PCMC. Paul served as our president in 2011 and oversaw the redesign of the membership application bringing it into the 20th century. Paul and Lynette were instrumental in initiating PCMC's involvement in the Daffodil Festival Parade, as well as, leading various cruises.

Keeping you in our thoughts, **George Ftikas**.

Good to see all out and about after various surgeries: **Jay Roney, Suzanne and Bill Morchin** (and **Samuel** is surgery free I believe).

### Random Acts of Kindness!

What.....no one did anything kind this month.....I cannot believe it.

about how old cars had headlights you had to light with a match. A young girl raised her hand, ever so politely, and asked....."what's a match?" OUCH!

Let me know what you see that is note worthy.

Not a kindness but funny...well really it just made me feel old....I was explaining to a group of preschoolers

Did you see someone doing something that you believe deserves a shout out?

## Mustang of the Month

Bill, Suzanne, & Samuel Morchin

1965 Red Coupe & 1977 Tangerine Hatchback

My first car was a red 1967 Mustang coupe that I had in High School and drove during my first few years of college. It, unfortunately, met its end on an icy road in Whatcom county. My wife had always said I could get another, and would, on occasion, point out ones for sale.

I finally bought a 1965 coupe about three years ago. A project that I just haven't found the time to work on.

Shortly afterwards, my father called and said one of his friends had a Mustang he wanted to get rid of. This friend had bought a used car for his daughter, but she didn't want to drive it, and so it sat in his barn for over twenty years. It turned out to be a tangerine 1977 hatchback with a broken driver's seat, leaky weatherproofing, and a family of mice, but otherwise all original with dealer sales documents and maintenance records.

Then one night, my wife pointed out a blue 1978 coupe. Our son needed a car, and we went out to look at it. We bought it as well, and immediately put in a new front suspension and exhaust system. It's the one we've driven on a couple of cruises with the Mustang club.

While she will still draw my attention to Mustangs we see on the road, she has stopped pointing out ones that are for sale.

## In the News

Trying to keep up with the Mustang news? Here are a few items to check out.

From **Mustang Times** February 2020:

Say Happy Birthday to the 1970 Mustang. Based on our current roster we have 3 in the club:

- John Gruver—1970 Red Mach 1
- Jerry & Kathy Murphy—1970 Grande Black Cherry Pearl Essence Coupe
- Michel & Kaelin Rockenstein—1970 Red GT Convertible

I don't know if it is intentional but Shelby American is "introducing a limited-edition Bold package for its 2020 Shelby Super Snake. They will be in 3 of the "most prolific colors offered on the 1970 Shelby cars. The colors are "Shadow Black with green stripes..., Green Lime with black stripes ..., and Twister Orange with black." (They are also coming out with a 2020 GT500 Dragon Snake.)

In other celebrating news, Ford is "producing a limited run of Heritage Edition fastbacks in the classic Wimbledon White with Guardsman Blue side and over-the-top race stripes in a nod to the 1965 GT350 competition model." It looks like a beauty.

Mustang Owners Museum (MOM) announced it's 2020 "inductees for its Hall of Fame." MOM members vote and the winners are:

Gale Halderman

Jack Roush

Donald Farr

Tony Branda

Parnelli Jones

Stop by the MOM on April 17th in Concord, North Carolina if you want to see the induction.

So I was flipping through the Winter 2019 issue of **American Road**. Yes I know I am a bit late and this isn't Mustangs (thank goodness). I happened to come to the section on Art Cars. Now I have seen "Art Cars" before. I believe Warhol did one of the 4 that BMW commissioned. I understand it took him less than 30 minutes. Frank Stella did another. They are painted in unusual patterns and sell for large sums.

The article in this issue got my attention for the fact that they weren't painted. Do you remember the noodle art we all did in school or the buttons we collected and someone turned them into a flower. "Sheik Your Groove Thing" is an elaborate display of beads forming 3D women's heads and bodies all over the car, the "Cork Truck" is just that a car where every inch available is covered with wine bottle corks in patterns, a '49 Crosley Hotshot painted and decorated to pay "homage to Timothy Leary. There is the Atomic Dog which I cannot even begin to describe, Chewbaru (covered with dentures and baby doll heads), and so many more that you will just have to see to believe. But the one that pulled me in....the Camera Van. A 1972 Dodge Tradesman covered (I mean covered) with vintage cameras.

I tried to find the magazine on line with the articles to connect you and couldn't but google some of those names. There have to be photos. I'll bring the magazine....

So the question, "What Mustang Art Car would tell your story?"

If you have something you have seen that you think others might be interested in, send it my way.

### Sweetheart Cruise to the Winery

Feb. 8

Organized by Pete & Nancy Freeman

Photos by Nancy & Heidi

A little windy and cool to start this cruise but that didn't hold anyone back. We had 11 cars and 18 wine lovers come out to enjoy the drive and the wine and the food and

the company.

We more or less took a direct route down the freeway from Panera Bread at South Hill Mall to Chateau Ste Michelle Winery. Arriving there we took lots of photos of each other and our cars. I think all were glad to get out of the house and not be in the pouring rain and storm.

Once inside the winery we prepared for a great tour which included not only the making of wine but some of the history of wine making in Washington state and its connection to other states and countries. The tour guide was great and not only had a lot to tell us but made it fun along the way.

We got to sample a few wines while on the tour and at the end had an opportunity to sample more if interested. I saw a few 4 pack boxes of wine make their way to the Mustangs in the lot.

After samples and the required group photo we headed to Plaza Santa Fe for a delicious Mexican lunch. Large portions made this a great lunch and dinner for some.

The group took the opportunity to wish Missy a Happy Birthday (Feb 13th) as well. Nice hat Missy!

All-in-all a great drive and fabulous cruise. I can't wait for the next one

in March for St. Patrick's Day. Jerry and Kathy Murphy always do a great job on that one.

At the beginning of the cruise we collected hats, scarves, gloves and PEANUT BUTTER.

See the charity page for more on that.

Thanks Robert, for the car photo idea
