This month's challenge: Ok "Stangers" here is your assignment should you choose to take it on:

While we are all hunkered down, take a photo of you and your family enjoying taking care of your Mustang.

Send your photos to pcmceditor@gmail.com. I will see how many we get and how many I can get into the newsletter.

It is official! I would take the 2019 February “snowmagedon” over this month and however many weeks it covers. With that said, let us take a moment as we move through this unusual time, to think about what we can each do to bring this to an end with COVID-19 and to take care of ourselves and each other. I have heard many remarkable examples of people stepping up to help others and to uplift their neighbors and community.

These things always make me stop and think how grateful I am for my health and that of my family and friends. It also makes me give pause to send my thoughts out to those that have been impacted much more seriously by this illness and to those taking care of them and all of us. It always puts things in perspective for me.

Thank you all for your flexibility as we maneuvered our club through the month. Jerry & Kathy Murphy, I am sure, planned a great Poker Cruise that we will have to wait to experience until next year.

At this time we don't know what April is going to bring entirely. Please stay safe and be patient as we learn and make adjustments as we go to get through this together.

The very first event for April was the **Daffodil Parade**. As you know it has been cancelled. After a vote of the Club Board, we took the \$140 for the flowers we ordered and are donating it to the Daffodil Festival. They are very appreciative and had wonderful things to say about our club and it's community support.

At this time **EFN, Cruise to the Carriage Museum are both cancelled** as is the April Board Meeting.

We are moving forward with other activities. It is time to sign-up for **Rainier's Game tickets**. See this newsletter for the details. Bring your money and completed ticket form to any club event and give it to Heidi or Paul Geise or Nancy Freeman or send it into the club address on the flyers.

Don't forget to let Heidi or Paul know if you are interested in the July - Two Day Cruise to the **Western Antique Automobile and Air Museum (WAAAM) in Hood River, Oregon**. It will be July 11-12. Details are on the flyer in this newsletter.

Life is always an adventure.....

Let's enjoy the ride together

Heidi Geise

Jerry and Kathy Murphy for stepping up to do the St. Patrick's Day Cruise and then having to cancel it due to Covid-19.

Thank you to Hank and Margie for the preplanning you did for the April Cruise. I am looking forward to going to the Carriage Museum with the club at some point.

I have seen and heard many examples of people stepping up to help their neighbors. Here are a few:

- School bus driver delivering meals to young people
- Check out the on-line videos of people in Barcelona and various Italian cities with people enjoying

meals together, each on their own balcony or neighbors joining together on their balconies for sing-a-longs or impromptu concerts

- Ford, GM and others working to build respirators
- Teachers in their cars parading through school neighborhoods trying to uplift their students.

There are many more. Thank you to all of them and to all of you who have done what you could do.

If you need help, we have members who have stepped up to do what they can.

Did you see someone doing something that you believe deserves a shout out?

Shout Outs

Sandra Smith as she recovers from recent surgery and complications.

Elke Schwartz as she searches for a repair location for her Mustang fender bender.

George Ftakis—let us all give 3 cheers for some good news. George's cancer is starting to listen to his doctors.!!!

I have heard from almost half of our members and all that I have heard from seem to be doing ok. Two are out of the state and most seem to be working, playing with kids/animals, watching movies/playing games, and many online ordering parts for their Mustangs. Those stangs should be gorgeous when we get to the shows.

Please take a minute to phone, text, email your club friends to see how they are holding up through these challenging days.

Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

Car Show Update

Being at home and not working has been a bit interesting. After 2 days of wearing PJ's and watching movies, I decided to do as I'm always asking our members to do. I dug through our closets and the garage and then I enter the "Larry Room". This room could supply our car show raffle for years! My problem is I can only remove stuff that has at least 3 inches of dust cause then Larry won't miss these prize possessions. I have found a lot of cool items for the show raffle, getting them by Larry and hiding them in my car show closet was a challenge.

Until Life returns to normal, I hope everyone is finding lost treasures for the raffle.

Pierce County Mustang Club is a great club, a huge Thank You to all the members who help make it that way. Thanks for all the help!

Charlene Rivera, Car Show Chair

Our Club Friends from Around the State

May 3rd is the Port Angeles Car Show put on by North Olympic Mustang Club. Unfortunately, they have canceled this show due to the coronavirus. They are returning sponsor and pre-registration money. Some of our members, who have already signed up, are donating their registration money and maybe a bit extra to cover what they would have spent on raffle tickets to the club. I am sure their club appreciates it. If you want and are interested I imagine you can find information on their website to follow suit.

We are keeping them in our thoughts as this is a lot of prior work and must have been a very difficult decision.

Mustang of the Month

Allan & Courtney Lawson

2015 & 2019 Wimbledon White Coupe, 2015 Black Coupe

In 2017, Courtney and I were car shopping for her at Korum Ford and in the show room was a 2015 Wimbledon White 50th Anniversary Mus-

tang. It was numbered 1000/1964. Courtney encouraged me to buy it, but I just didn't want another monthly payment so we passed on it. I kicked myself frequently after that for not buying it. Then in early 2018, we found the black 2015 Mustang GT with the 50th Anniversary appearance package. We loved the car immediately and bought it. I wasn't going to make the same mistake twice. Several months later we were

into summer, enjoying the black stang then one evening while checking out cars on craigslist, I saw a 2015 Wimbledon White 50th

Anniversary Mustang and was shocked! I messaged the seller who lived in Portland, Oregon and arranged for me to see the car. My son and

I made the trip down to Portland to check it out. She was beautiful and in excellent condition. While looking at the interior and noticed the car's number. The small plate on the dash read 1000/1964. It was the same car we saw at Korum Ford almost a year and half earlier! I im-

mediately called Courtney and she couldn't believe it. We felt like the car found us and we knew we had to make the purchase. The cars are amazing machines and fun to drive. So much fun Courtney recently bought herself the white 2019 Mustang. We absolutely love our Mustangs and happy to share our story with our Mustang family.

In the News

Trying to keep up with the Mustang news? Here are a few items to check out.

From **Mustang Times** March 2020:

Mustang II Reunion is moving to Maggie Valley, North Carolina on October 3, 2020. Plan that trip.

“Green Hornet” and “Little Red” once lost and thought destroyed were found and restored and showing their stuff at Barrett-Jackson Scottsdale auction in January. These 2 experimental Mustangs by Shelby were prototypes that became the California Special.

Lots of information in this issue about the Bullitt, new and original. Look up the magazine on line or borrow a friends.

There is also an article by John Clor, “Why Your Mustang Will Never Be ‘Done.’” I think I know several people in our club this may be written for.

And from **Mustang Owner's Museum**:

According to MOM, Alice Cooper is having a custom Mustang built that will be on display for the first time at the museum for Nat'l Mustang day. What they say is”all we know is that it is a 1st Generation Mustang with an unbelievable sound system.”

If you have something you have seen that you think others might be interested in, send it my way.

In Memory of Eric Cobb

On September 9, 2013 club member Eric Cobb lost his fight with cancer. He was only 26. Eric had a gentle heart and a kind smile. He was a Ford man. He enjoyed showing his 2003 Black Cobra and his 2013 Blue with Black stripes GT500 (Best of Show at the Korum Mini Show 2013). Eric and his dad, Dan restored his grandpa's 1967 F100 that they showed together. He loved to talk cars and work on them with 1988 Fox Body and 1964 Galaxie 500 projects. Eric loved to humor me as I told him about all the Pierce County Mustang Club adventures coming up, and he

even let me drag him to some like the Poker Run and Relay for Life. He made a large impacted in all of our lives and hearts.

We miss you, Eric.
