## **2020 PCMC Car Show Has Been Cancelled**

(details inside)

The Park has canceled our picnic for August as well. We are currently scheduled for the last Sunday of August 2021.

**FNDO for the year are all cancelled.**

**See inside for more details.**

[See Calendar](#)

## **Mustang of the Month** **Clay Concannon & Robert King**

**Our August meeting will be on Zoom as the library will be closed through August at least. We are going to stay with our Tuesday night meetings as the location is not currently an issue for days or the week..**

**Stay tuned for alerts!**

### **Aug challenge should you choose to take it on:**

Have you taken that car out for a personal cruise to get out of the house? Send a photo of you and your car on the road. Please don't snap it while you are driving....safety first. For an extra bonus see the "Road Trip Scavenger Hunt" later in this issue.

Send your photos to [pcmceditor@gmail.com](mailto:pcmceditor@gmail.com). I will see how many we get and how many I can get into the newsletter.

Take care! Stay Home Stay Healthy

Chuck Botsford - ceb\_iii@yahoo.com

**W**ell, well, well...Here we are still. But you know what is good? Here we are still! As crazy as all this is, we are all here reading our car club newsletter, meeting on Zoom, changing the routines of life as we used to know them, some for the better and some.....the decision is still pending.

So I loved the photos of your activities. We didn't get a lot and if you still want to send more in I can find a place for them. The masks, you will see in this newsletter. It is interesting to see the creativity and the personalities of members coming through on the decorative face coverings. I heard a story that one member's grandson liked his Spiderman face mask so much that he just wore it all the time.

This month, if we can't get together, at least we can share in the personal road trips each of us have made to break the daily routines and enjoy the beautiful area while staying safe. Send the photo and tell us where you went. I will include on the next page a "Road Trip Scavenger Hunt" for a little extra fun.

You will see in the Show Update that this year's Car Show has been canceled. Thank you to all the sponsors, the show committee, and Charlene Rivera, our show chair extraordinaire, for all the efforts they put in trying to make it happen. It just wasn't meant to be with all the Covid-19 issues. Next year will be AMAZING!

**Because of the cancelation of the show, the Board Meeting will move to the regular 1st Tuesday of August, Aug. 4th. Location TBD.**

Also, both Paul and I continue to shout out to all of our friends who have brought laughter and support to us in this bizarre time.

See you when we see you! Hopefully sooner than later!

***Life is always an adventure.....***

***Let's enjoy the ride together***

*Heidi Geise*

**PCMC President**

**PS. Ariel Antholt has announced that she will be stepping down from the club's board. The board will have a recommendation for moving forward after our August Board Meeting.**

"My friend's auto parts store was broken into. She tried to chase after them but she couldn't catch a brake."

Pa dum pa....thank you, Siri

# Charity Involvement

## 2020 Charity Running Total

Did you see someone doing something that you believe deserves a shout out?

## Random Acts of Kindness!

So what random acts have you seen:

Missy gives a big thanks to Clay for vacuuming her truck and Robert for cleaning the remnants of double back tape off the window where the rock was thrown through it and polishing the paint to remove the shadow.

We shout out to all those that have helped over the years re-packaging food at Emergency Food Network. We received this recognition for our club efforts. All of us are anxious to continue this work when EFN is open to that help again.

## Club Meeting Minutes—July 22, 2020 (Zoom)

Call to Order & welcome—Heidi

Call for additional agenda items. Protocol for the online meeting: clapping hands if want to speak, thumbs up if voting yes, mute self when not speaking.

Approve previous month's "Club Meeting Minutes" as seen in the **Pony News** (Zoom Meeting in June) Hank Deck moves Burt Kreidler 2nd

Committee Reports (15 min)

A) Treasurer's Report—Nancy

(motion to approve treasurer's report, 2<sup>nd</sup>, discussion, in favor/oppose) Motion-Chuck Botsford 2<sup>nd</sup>-Hank Deck

B) Membership Report—Nancy

- Bill Pavone was in a motorcycle accident on the 19<sup>th</sup>. Made it through the surgery but is touch and go.
- PCMC earned an award from EFN for all of our volunteering help. Acknowledging our support

C) MCA Report—Nancy

The only show still pending is the Tuscan show. Next year in June Eureka Springs, AR, July in Kansas City, MO, or in Mustang, OK

D) Car Show Report—Charlene

The show has been cancelled. Next year all of our sponsors have allowed us to roll over their contribution to next year's show. Need for those that pre-ordered shirts need to reissue their checks as they were lost in Missy's classroom over the COVID shut down. If you have any ideas for next year show up at our first meeting in January. All those that pre-registered will roll over to next year's registration. Next year we will again ask Korum, Titus and Lake-wood Ford if the board decides to do that as their money was given to the club not necessarily for the show.

Old Business (10 min)

Thank you's (board and club for all you have done during this time) Thank you to everyone for hanging in there with us as we try this ZOOM platform—Heidi

New Business (15 min)

Meeting location/date—Heidi

We will meet on ZOOM on Tuesday nights until further notice as we cannot meet in person. Since we

lost our meeting place (Korum) at the beginning of the shut down we will have the library and Nancy's church to meet on either Tuesday's or Wednesday's as the availability allow.

August challenge – photos for Newsletter—Heidi

Please send your masked photo's for the newsletter.

September challenge for the newsletter is to take photo's of your personal cruises. Please take photo's NOT while you are driving. There will also be a scavenger hunt in the newsletter too. September cruise - Black Diamond Loop 9/5/2020—Monika Monika is waiting to hear what state of closure we are in before she makes a determination on whether or not she continues to plan for this cruise.

We have 2 other cruises planned for this year. Any thoughts about if we should continue to plan those or bag them and move on.

- Hank Deck-keep planning we may get lucky
  - Leon Johnson-has never been on a cruise yet
- Mustang of the Month—Dennis

- Robert King and Clay Concannon

Club Picnic-The governor moved the date until the end of the month of July, we are waiting to see what the parks do before we make a decision if we hold the picnic. Governor moved back the amount of people that can gather to 10.

All other activities are just board meetings and club meetings at this time.

Congratulations to Chuck and Anette on their recent July 4<sup>th</sup> wedding.

Heidi's son is getting married now in her backyard.

All other local shows have been canceled.

Many of you already know this already. Unfortunately, COVID did not strike our house, but Heidi's cancer has returned. This is the reason you may have noticed Missy's name on the agenda instead of mine. I am waiting for the treatment plan and where we go from here.

Thank you for all of you that have hung in here with us during this time and for those that have helped us continue on in this forum.

# Car Show Update

By Charlene Rivera

What a relaxing time July and August can be with no car show to plan....I could get used to this, but I will wait until 2022.

I would like to thank the 2020 Car Show Committee for all the help with the planning, just think 2021 will be easy cause most of the work is done – we just need to bring our Sharpies to change that 9 to an 8 and the 0 to a 1.

If you would like to purchase a show shirt for the show that didn't happen, we have sizes Small, Medium, Large, XL, 2XL, and 3XL – they have 2 beautiful Mustangs on them. Cost \$20 each. Please contact Nancy if interested. She also mentioned Pete and

her would delivery them at no extra cost to you.

Mark your calendar's August 8, 2021 at Griot's Garage.

Stay Healthy cause at next year's show we will need lots and lots of volunteers!

Thanks,

Charlene Rivera

## FOR MCA MEMBERS

One of our very own is running for a MCA positions. Here is information he has sent us:

Bob Frender is running for a MCA Board position again. He needs more than 1 or 2 votes to get back on the Board of Directors. The only way he can find out if clubs want him there is to ask each club to have it's members vote for him if they want him in this position.

The nearest BOD members live in California, Arizona, and Nebraska. Members in 11 states would have to contact one of those members without a representative nearby. He says, "I ran for the BOD because Bill Johnson thought it would be a good ideas as he didn't know how much longer he could keep up with the travel requirements. I was runner-up this past election and voted to take over a retiring BOD member as of this past April to cover thru January 2021. I started this trek in 2009 and it has been a blast."

He says, thank you to the club members for their time.

Bob Frender

MCA 18356

If you would like to see Bob represent our area on the BOD for MCA. Go to [www.mustang.org](http://www.mustang.org) and cast you vote his way. You must be a MCA member to vote.

### Shout Outs

#### To all of us! Keep hanging in there.

Hey! Hey! A big cheer to **Chuck and Anette Loeffelbein-Botsford**. Yes that is right. They tied the knot, got wed, joined forces, whatever you want to call it ———They got married! Congratulations. The club couldn't be happier for you!

**Lee Windh** for getting the word that all cancer is clear!

Sending our thoughts to **Bill Pavone**. Bill served as our own PCMC president in 2004. He was critically injured recently in a motorcycle accident.

**George Ftikas**—keep fighting. You are always in our thoughts.

**Bryan Zimbelman**—Congratulations on your first HOLE IN ONE! It was 153 yards with a 7 iron.

### Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

## Mustang of the Month

**Clay Concannon & Robert King**

**1988, SSP Maroon, 1988 White Coupe, 2013 Silver Roush**

For me, (Robert) it all started in the Spring of 1979. My parents had the choice between a 1979 Mustang Coupe 5.0, or a 1977 Plymouth Road Runner in Green. Well, I'm sure you can figure out what their choice was. Being that our family was all Ford's at this time. My destiny was already laid out for me.

We may not have the '79 Mustang anymore, But I still have the plates and keys to it. I don't think there has been a time we haven't been without a Mustang.

In 1996 I met Clay, I think I spread my love for Ford to him as well. Our stable is made of mostly Fords. And his love of Volvo's. There are 2 of those gems in the stable.

Currently we have the notorious 1988 Pierce County Sheriff Mustang SSP. Which has been in our family since 2008. It currently has 55k miles on it. And after searching for 20 years. We were able to find the missing link. In January of this year, we brought home a 1990 King County Police Mustang SSP. Which is currently going thru a restoration process. Next year you will get to see it with the famous green and gold stripes that King County had.

Our daily driver that I share with Clay, is a 2013 Mustang Roush Stage 2. This thing is a blast to drive. Going on cruises, whipping around those corners. Making the exhaust growl and scare all the animals in the woods as you pass by. You can say Blue Blood is in our family.

As always have fun in what ever you drive!!!

Robert -n- Clay

## In the News and More

Trying to keep up with the Mustang news? Here are a few items to check out.

From the July issue of the 2020 *Mustang Times*:

- The spring of 2021 will bring a new, fastback model Mustang Mach 1. It will have, according to the *Times* a 5.0-liter V8. The Mach 1 first appeared in the 1969 model year.
- Lots of examples and stories about individual's unique Mustangs. Chuck them out in your magazine or on line.
- John Clor's article touched on an idea that many of you have probably already done but I thought it was worth mentioning. Whatever the kids are doing this summer, were doing last spring, or may be doing this fall consider how to get them interested and educated about your precious cars or how to use cars to teach subjects you may now be doing at home in part. Here are a few ideas from this issue:
  - ⇒ Teach them how to properly clean the car, inside and out
  - ⇒ NAPA Auto Parts has an online blog about kids and car repair, there is also something similar on the online version of *Car and Driver*
  - ⇒ Check out the online entries many car Museums are doing.

From My Own Head:

- ACM will be putting together virtual tours about various topics using the Museums collection. Some of these include hands-on science projects or history tours. These are all pretty cool and include such things lessons for Crash-Test Cars, Biofuel Basics, Stylish Speed, Coloring Sheets for Young Drivers

(includes a 1966 Mustang), drawing templates, A Nation on Wheels (cultural change and the impact of and on the automobile, and more.

- Are you looking for:
  - ⇒ Art Projects (teach kids to take car photos, let them show their creativity by drawing and explaining their future car, etc)
  - ⇒ Science Projects (aerodynamics, physics, chemistry, how the car works like the human body, etc)
  - ⇒ History (auto development, changes over time, why were cars developed, women's influence, alignment of cultural changes and the changes in the automobile, etc)
  - ⇒ Math (design principles, measurement, cost and financing, fuel economy, what to do and how to save for their dream car, etc)
  - ⇒ And I am sure so much more.....

There are all sorts of ways to engage young people in our passion. Part of it, of course, is just about spending time with us around the cars we love.

If you have news that you would like to share or ideas for information to research and include in the newsletter each month, please let Heidi know at [pcmceditor@gmail.com](mailto:pcmceditor@gmail.com) by the 25th of each month (or sooner if you want her to do the research!)

## **FNDO: Canceled for the year**

**Due to the unknown about restaurant openings especially for large groups, the PCMC Board made the tough decision to cancel all FNDO for the remainder of 2020. When we all get a chance to meet again and know where/when our club is meeting regularly, we will decide if this is a club event we want to continue in the future.**

**Frontier Park has closed for August at least.**

**Our Club Picnic is therefore canceled.**

**It is on their books for the last Sunday of Aug. 2021**

### S & S TIRE, INC.

S & S Tire off Canyon Road will help you get back on the road quickly. Their inventory includes passenger tires, snow tires, and car tires from industry leading manufacturers. The ASE certified technicians are ready to meet your needs; whether it's emergency road service, brakes, alignments, commercial truck tire service, and other valuable automotive services at affordable prices. Whether you're from Puyallup, Tacoma, Graham, or another nearby community, you can trust their experienced staff to get your car, truck, minivan, or SUV driving its best.

S & S Tire's philosophy is simple. They never promise more than they can deliver and they always give the customer more than they expect. They know that customer service is not enough. They want customer loyalty and they strive for that loyalty every day. If you are in their area, stop in and see what owner Bill Runyan and his crew have to offer.

### MAXIMUM PERFORMANCE

Maximum Performance Auto Repair Puyallup was opened in 1994 by owners Byron Parkinson & Glen Smith to provide a high quality full service auto repair & performance car modification facility. The demand for their services grew quickly requiring the addition of more staff. The original shop eventually became too small so in 2005 they added a second building effectively doubling their capacity. Today their talented staff of 8 keeps their well equipped 6,400 square foot shop busy. To keep up with the ever changing demands of the auto repair industry new equipment & training are constantly being added. This ensures properly trained technicians using the latest equipment for servicing your vehicle

Their mission at Maximum Performance is to provide their cus-

tomers with quality, timely service delivered with old fashioned honesty and integrity. To maintain this standard, they provide their technicians with the training necessary to stay current with ever changing technology. Your car will be repaired in an environmentally friendly shop housing the latest equipment required to service today's complex vehicles. Their staff is rewarded with the benefits and security deserved of professionals who strive to take care of their customer's needs. Stop in and see Glen and Byron and their staff for your automotive needs.

## New Club Meeting Location & Day

**Next Meeting: Aug 18 Tuesday**

**On Zoom**

**The Wednesday plan didn't work in the club's best interest. The move was made to accommodate the library/church and we can't meet there yet anyway.**

**We will continue to meet on Tuesdays on Zoom.**

**6:30pm—7:30pm**
