Fall, you have to love it! Crispness in the air, colors in the trees, cozy sweaters, hot apple cider, and beautiful drives in our Mustangs.

Speaking of those drives—we had a great one in September and another one coming up in October. Don't miss the Elk! You can see the flyer inside for more information.

We are only a month away from voting for next year's officers and directors. We still need volunteers to run for Secretary and President. These 2 positions cannot be filled by the previous officers. Please step up to help lead this group. Our club needs you!

Another opportunity to be involved is through the car show and specifically, the car show committee. We currently have Co-chairs for this committee, Missy Willert and Monica Kirkland. We also have 5 members who have stepped up to commit to the committee: Harley Edwards, Rick Coombs, Fran Richardson, Burt Kreidler, and Nancy Freeman. Any others who are interested in working on this committee just need to let Missy know so that you can get notifications of meetings and committee needs. The show is an important part of this club. Volunteers are always welcome and can sign up for various jobs for the show at anytime.

As you have noticed, the club is meeting at Titus-Will **and** on Zoom. The Board felt like this was a way to get as many at the meetings as we can, regardless of the COVID situation. Some people work and it is hard to make a meeting at 6:30 on a Tuesday. Some people prefer not to drive at night. For some, traffic might be an issue. There are many reasons but by offering an alternative way to be involved with our club meetings, the Board hopes more will be able to attend.

Life is an adventure!

Lets travel the adventure together!

President's Award—11th Year in a Row

Well the 2020 Covid shut down did it's best to keep PCMC down, but the club was able to safely continue club activities either online, written, charity volunteering and financial support, as well as early in the year cruises helping to earn the required points.

Consequently for the 11th year in a row we have earned the MCA (Mustang Club of America) President's Award. WELL DONE MEMBERS!!! In the photo with Nancy is Steve Prewitt, MCA President.

We are on our way to again earn the award for 2021 activities. BUT if we are to be successful in 2022 we need ideas for cruises, activities, and members to step up and help plan them. They don't have to be fancy or involved, just something you think others would like to visit or do. We can also earn points for members joining or renewing MCA membership, just let Nancy know your MCA number.

If you have news that you would like to share or ideas for information to research and include in the newsletter each month, please let Steve know at pcmceditor@gmail.com by the 25th of each month (or sooner if you want him to do the research!)

2011 GT350 Coupe

Growing up as a teenager I have always loved Mustangs and have owned some pretty classic ponies too but it wasn't till I turned 50 that I could afford a Shelby which was my big dream as a teenager.

After getting the GT500 I set my eyes on owning a more traditionally colored Shelby and found the Deep Impact Blue/White Stripes GT350. I love to take this car on trips and to the local or out of state car shows. Will it be my last? Can't promise that because I miss the power the GT500 has. For now this is my baby.

Pierce County Mustang Club was well represented at the Yakima, Ponies in the Sun Show. Photos by Nora H.

Mark & Nora took a 1st in their class.

Rick & Joanie took a 2nd in their class.

Ted and Butch hadn't heard the winners of their class yet — but they look like winners already with 3 door prizes coming their way.

Mustang West "Ponies in the Park"

Eleven cars with 18 members, who just knew the rain would hold off until after the mid-afternoon awards ceremony, ponied along to Lacey. Most came home with awards but with the exception of 2 lucky winners got nada in the raffle drawings. BUT to make up for it PCMC did come home with the 6 foot plus tall traveling trophy for club participation! GO PCMC! Photos will be posted to Photobucket in the near future.

A Rearview Look at the Crystal Mtn Cruise

Organized by Monika Kirkland

Article & Photos by Nancy Freeman

Sept. 11

A caravan of nine Mustangs ranging in years from 1968 to 2020 set out to enjoy a trip through the early fall colors. Once we cleared the traffic on the other side of Enumclaw the road opened up to the many fun curves that would lead us to Crystal Mountain Resort.

First on the agenda upon arriving was lunch! You know this club travels on gas and food fumes. Plus it gave an opportunity for new members to learn more about club activities and older members to pave the way. Then on to the

gondola for the non-faint of heart as they zoomed up 2400 feet to the view point. The warm, crisp, clear

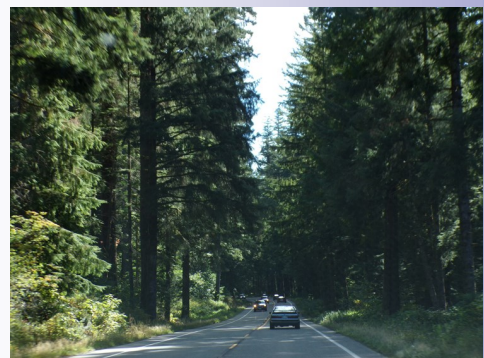

weather was great for taking time to view the gorgeous mountain and valley scenery.

On the trip up travelers spotted 2 car shows, a Corvette and a Oldies/Hot Rod giving many an

activity to check out on the way home.

Special thanks to Monika Kirkland for planning the cruise, Doug & Lisa Schimdt for leading the way and Bill Norman for acting as the chase car. Welcome to the club's newest member Dan Urton. It sure is good to see Paul Youngedyk's '84 Fox back on the road.
