Nora Hennecken

Here it is, 4 years later... This is my last President's Message! First, this is a great club to be a part of. Paul and I have made some wonderful friends since joining this organization. Many of you know the story, but the first meeting we came to happened to be a Board Meeting by mistake. I guess we just saw a meeting and were so excited to join that we skipped over the part about the board. We are, and will continue to be, glad to join in the fun and work that makes PCMC function.

It has been my pleasure to serve as your president for these last 4 years. There have been challenges without a doubt, like trying to find a new meeting site in the middle of a pandemic. There have also been some rewards, like getting to distribute about \$10,000 in cash and merchandise to charities one year. We saw 8 or 9 clubs come together for National Mustang Day at LeMay America's Car Museum another year. There have been some times that I can't quite place in a category, like the year it rained for all 4 Daffodil Parades and as a coupe we carried a Teacher of the Year. Rain wasn't the issue, however. Because we had a teacher in our car, I ended up in the backseat for 4 parades, 9am to about 5:30pm. It isn't the ride in the back of a Mustang coupe, it is the getting in and out.

I know that you will all step up and be leaders, organizers, active participants for the new board and the new President. Getting involved is half the fun. The other half is the relationships, cruises, community involvement, and the **many new restaurants** we have found along the way. For those of you who may be new, one of our "claims to fame" if you will, on normal years, is cruising somewhere to eat. One Valentine's Day we stopped at a doughnut shop and 2 candy stores all within the first 1 ½ hrs. before reaching our destination - lunch. And don't forget the cruise from the pastry shop in Puyallup to the pastry shop in Black Diamond.

With all that said, let's see everyone get involved in our club activities in 2022. It is fun and rewarding and if people ask, "I exercise because I belong to a Mustang Club!"

Life is Always an Adventure

Let's go on it together!

In Memory of Harv Richardson

It is with great sadness we mourn the loss of fellow Mustanger, Harv Richardson.

Harv passed away on 11/10/21 after a lengthy illness. Harv & Fran joined PCMC in August of 2019 after moving here from Sacramento. They were long time members of the Sacramento Area Mustang Club while there. Harv retired after 27 years as Senior Chef from the Navy and had been stationed in our area in the 80's and 90's. Harv was an avid woodcarver and enjoyed restoring classic vehicles. Harv and Fran were married 49 years. Rest in Peace Harv.

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

Mustang of the Month

Paul & Heidi Geise

2018 Kona Blue Coupe & 1956 F100

This is our 6th Mustang we have owned (OK OK...the bank has owned) over the years. This one is the BEST! So comfortable & reliable with a nice “growl” & a 10 speed automatic! That’s right... we like automatics! Paul was a trucker for years & says “I’ve shifted for 30 years in traffic & don’t miss it one bit”. We had a 2007 GT (“spinal Kracker”) & decided to save our spines. So, we looked for a new Mustang. Other than a discussion over color, (Paul wanted orange with black stripes) we came to an agreement of Kona Blue. Paul said “fine... but I want a black stripe with lime green pin stripes. And, that’s what we did. He decided to paint the calipers (himself) lime green & “accent” things in the engine bay with lime green also. Oh... of course he had to add some “checkers” under the hood also.

We like going on the cruises with the club & sometimes just jump in for a quick cruise ourselves.

Biggest drawback is cleaning the back window on the inside... as I’m sure many of us have done. How do we do it? I tie a rope around Paul to help drag him out... but not until I deem the window CLEAN! However, this year we have come up w/ a new plan! We’re going to hire a 12 year old!

We (Paul) also have a beautiful 1956 F100 that gets 8 miles to the gallon...YIKES!!

Love our Mustangs & the “Mustang community”.

PCMC Planning Meeting

Nov 6

Our club planning meeting was held at Nora and Mark Hennecken's home on November 6th. We had a delicious potluck and then went to work deciding what and when to do events for the upcoming year. You will see the events for the year in the chart. Please note that some events need organizers and some need confirmation on the dates. See Heidi or Nancy or Missy for a planning sheet to help you organize an event. Also, see any members of the board or other club members that you might want to team up with to do an event.

Some general information:

- We are going to try Friday Night Dinners Out again. You will see that they are every other month on the even numbered months. They also will start at 7pm.
- Something new will be Saturday Morning Brunch with the Club. This will be on odd numbered months and begin at 10am.

We will be looking for input on a couple of the events prior to confirming them, so come to the meetings and give your opinions..

We also decided to return to a Club Calendar. There is a flyer in this newsletter if you are interested in purchasing a calendar. The cost will be \$12, must be purchased in advance, and we hope to have them available before the end of this year.

Veteran's Day Cruise to Port Townsend

November 13

Organized by Jerry & Kathy Murphy

This cruise was to pay our respects to the men and women of our Armed Forces. On this particular cruise we were paying our respects to the men and women of the United States Coast Guard.

Each year we choose a different branch of service to highlight. We then try to pick some place that is about that branch that will be informative and interesting, preferably something about those who have served and those still serving. This year we chose the Coast Guard. A branch of the

service that, with the ocean beaches and Puget Sound, provides a huge feeling of safety and security on and about our boats and the waters of Puget Sound for us. A service that you never think about it until you need them.

We began by joining up as group to drive to Port Townsend to get something to eat and then go over to the Coast Guard station for a

tour. However, we were unable to contact the Coast Guard Station to make the arrangement for a tour. The cruise did go anyway to Port Townsend stopping at a fine place to eat, The Cup restaurant. The trip was uneventful, crossing the Narrows bridge and also the Memorial bridge connecting Hwy 3 to Hwy 104.

Everyone was very good about waiting for me to park them as I was asked by the owner of "The Cup", so as not to block the path for the window pickup. The owner came out to welcome us to his

place of business. After getting everyone inside in the area setup for us, a small plaque was presented to the owner for having us stop by for his great food. After all had eaten their food we again thanked the owner

for his personal attendance with us making sure all was going smoothly. Afterward it was suggested that due to the fact that we could not get in to tour the Coast Guard station, Harley and Karen would lead our convoy on a tour of Fort Worden. Since Fort Worden is now a State Park a permit is required to park, so we cruised the old fort and places of interest.

A few members of the group decided to head home at this time. Although the station seemed to be closed a few went over to look the Coast Guard station over.

I do want to add that there were quite a few toys donated. After a little more time to collect, a trip will be made to Santa's Castle on JBLM (Fort Lewis) where we will deliver them. Each year we have done this, the people at Santa's Castle are so very appreciative of our support to them. It is a surprising to find out that without this facility there would be families without presents for their families. Thank you for your donations.

Thank you, who made the trip, for your support in attending and making it a great day for Kathy and me.

Santa's Castle Toy Drive

Nov 13

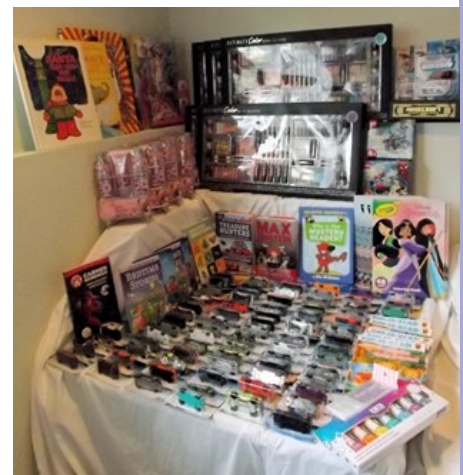

Kathy and I were very pleased to have been the ones to deliver the money and toys collected on the Veterans Day cruise. Santa's Castle was very thankful and very appreciative of the gifts we brought to them from our club. They were excited to not only receive the items but to get them cleared to put them on the shelves. They explained that there was a high number of requests for items that we brought. We were very impressed with the explanation of the total process that was taken in seeing to the needs of the families asking for assistance. They also would not let us leave until they had given us a tour of the facilities and explained how the toys were distributed to all the families in need of presents for their children.

Kathy and I were very impressed and happy that our Club made donations of money and toys helping to see that there would be children having a Merry Christmas.

Merry Christmas

PCMC LOVES KIDS

I am so proud to be a member of PCMC. When the alert went out to donate to the club's toy drive supporting Santa's Castle at JBLM you responded with love. Just shy of \$900 was collected in toys, gift cards and cash! Nancy Freeman
