Happy New Year and welcome to my first Presidents Message! It's a new year and as the beginning of a new year always does, it brings hope and change. It's a time to reflect with gratitude on the events of the previous year and awaken to opportunities that will present themselves to us in the new year. With this brings excitement and anticipation of what's ahead for the Pierce County Mustang Club. The new year also brings opportunities to help each other, and to achieve our professional and personal goals.

I want to start the new year by acknowledging the steady leadership and hard work of the people who have served our club last year. We owe our immediate past president Heidi Geise, our Board of Directors, and Officers and all the folks who contributed to various committees and events a huge debt of gratitude! Keeping an organization like ours moving forward is a lot of work and dedication to our mission and goals. We are strong due to everyone's efforts.

In the upcoming year we as club members will continue to support our events, charities, and non-club Mustang events. My goal is to build our membership and to promote effective exchange and dissemination of information about our club. Connecting with one another about our fascination and passion of Mustangs is our common bond.

I encourage all members to contribute to your PCMC. There are several ways to show your support, such as but not limited to, volunteering for events, attending monthly general meetings, and educating, encouraging, and mentoring fellow Mustang enthusiasts. It is really our duty to each other to share our lessons learned and real-life experience. We also raise funds and support several local charities so your support for these programs is always a welcome blessing!

Now a little bit about my husband Dale and myself. We have had a shared love of Mustangs for a very long time. I could never afford a Mustang in my "younger" days but I have always loved and admired them. My husband is a "car guy" and has loved Mustangs and Fords forever! Here's a list of our Mustang's past and present:

1966 Mustang 289 – Candy Apple Red

1967 GTA Fastback – Lime Green

1968 Mustang Fastback – Gold Metallic

1969 351 Cleveland with shaker scoop hood -

1998 Cobra SVT - Black

2014 Mustang GT 5.0 – Race Red

2012 Boss 302 – Competition Orange

2019 GTs Shelby SixT Limited Edition (#5 of 21 produced) – Black with Orange Racing Stripes

The 2019 is our newest purchase. Yes, we traded in the Boss 302. We loved that car but we definitely found the 2019 GTs worthy of us trading the Boss!

Dale and I joined PCMC so we can share our love of Mustangs with others of similar mind. We enjoy the camaraderie of this club, we have met many wonderful people, made new friends, attended fun events, car shows, and the many fun car "cruises". We're having a blast in our retirement, with big dogs, fast cars, and loving life!

I am excited to serve as president in 2022. I wish you all strength, joy, prosperity, and grace in the coming year. I hope we all can connect in ways both old and new.

Thank you for allowing the Board of Directors, Officers, and myself to serve you, PCMC, and the Mustang world in 2022!

Happy New Year!

Sandy Fleischbein

Toy Drive Thank You

Dear Pierce County Mustang Club,

On behalf of the Santa's Castle Board and its many volunteers, thank you for your generous donation to our gift giving program. Your contribution and support have made it possible for Santa's Castle to provide gifts to military children from Joint Base Lewis-McChord and military communities throughout the Pacific Northwest.

In 2020, 155 elves volunteered and served 2633 children from 1245 military families. This would not have been possible without your support.

We appreciate your continued support of Santa's Castle and our service members and their families look forward to another great year.

Sincerely,

Donna J. Handoe, President

Charity Involvement

Another thank you for the car club T-shirts

Dear Mustang Club,

I want to thank you for the generous donation of shirts to Child Study and Treatment Center.

We placed these donations in the incentive store in our older kids' unit. This incentive store helps to reinforce positive behavior and gives the youth an opportunity to learn about finances and saving "money".

I hope the Club has a great holiday season and New Year.

Sincerely,

Erik Logan, RN
Director of Nursing Services
Department of Social and Health Services
Child Study and Treatment Center

PCMC checks supporting local charities were distributed the week before Christmas.

In 2021, the total value of cash, volunteer time and merchandise donated by the club to our charities was \$8,402.30! Fantastic job Mustangers!

The room can only hold 60 people. Recommend people RSVP by January 22, 2022. Party Committee requested the club to purchase 60 \$10.00 Sizzler Gift Certificates to hand out to our members as they enter the restaurant to help pay for their meal. 2022 to Zoom or Not to Zoom

Zoom was having a sale to renew Zoom for another year. The board members decided to go ahead and take advantage of the reduced price for another year since we still have people who attend our club meetings virtually.

Raffle Suggestions

During the raffle at the meeting many people start to get up as numbers are called for various reasons which has been a little distracting when trying to hear numbers being called. A suggestion was made to move the raffle items to the center of the room on the coffee table vs at the refreshment bar. This will allow people who use the raffle time to get refreshments to not interfere with people who are collecting their raffle prizes

Mustang of the Month Management (MOTM) for 2022

Jerry Murphy will continue to run the MOTM for 2022 notifying the member they have won and to submit a story to our PCMC Editor. The board members discussed whether to continue presenting trophies to the MOTM winners each month or waive the trophy recognition.

Motion to waive trophy recognition – Greg Robbins, 2nd Missy Willert

Mustang of the Month

Jack & Joi Curtis

2006 Tungsten Grey GT

Happy 2022! I am Jack Curtis along with my wife Joi we are relatively new to Pierce County Mustang Club. We joined in February 2021. We really enjoy the camaraderie of the Mustang community.

I have been a "Ford guy" from the beginning. My first car was a 1965 F 100 with a 240 straight 6 and a 4 speed manual transmission. Since then I have had quite a few Ford trucks, an Escort, Tempo even a 1986 full size Bronco. The Bronco was the money pit from hell but I wish I still had it. And now, along with our Mustang I have a 2000 F 250 with the 7.3L diesel. My first experience with a Mustang was in Yakima at a used car lot. There was a

1970 Boss 302 in grabber yellow. The salesman took me out for a test drive, he didn't let me drive it but it did not matter. When he put it in first and laid rubber and into second and put some more rubber on the pavement I was hooked. That was in 1986 and I've wanted a Mustang ever since. By the way he wanted \$13,000 for it but making 3 bucks an hour that was out of my price range. I just wished I had a crystal ball telling me how much it be worth today then the 13K would have been a steal.

Our baby is a 2006 GT! It is tungsten grey with black interior. She joined our garage in October of 2020. In late spring of 2020 my wife, Joi told me that she was thinking of selling her Hyundai Veloster and getting a Mustang. I didn't think much about it, I just thought she was making small talk and wasn't really serious. Then in August she brought it up again and I asked me what I thought about it. I told her that I liked the 67 through 70 Mustangs really well and they were the best looking of the cars. She said that was a little too old for her. I told her how I loved S-197's (although I didn't know that was what they were called) because Ford brought together the classic style with a modern look. I really love the look of the 05-09's Mustangs. So I started looking on Craigslist to see what was out there and in October we found "Susan" in Eatonville. So we brought her home, Joi let me drive her, she gave me the keys and said Happy Birthday. I could not believe it! I was absolutely speechless.

Our Mustang has been given the name Susan. Our family has been naming our cars for 20 years or more. How we came up with the name I don't know, I just knew it was not going to be Sally, no offense Mr Pickett. Since getting her I have put BBK shorty headers on, a rear window louver, new interior door panels, an intake manifold plenum, trunk release button and a front strut tower brace. She came already lowered sporting CS-67 wheels and a K and N cold air intake. I haven't done any engine modifications and don't know if I will. I do know that I absolutely love her and have no intentions of getting rid of her and hopefully she will go to my grandson. He is 4 so that won't be awhile.

Happy New Year PCMC!

Santa Parade Puyallup 2021

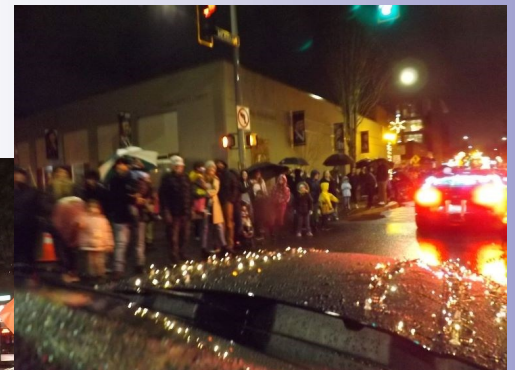

Dec 4

Changes came at us a bit fast that day. We found out late, that the Sumner leg of the parade had been cancelled. Change of plans and time.

Six well lit, gorgeous ponies showed up and were ready to prance through the downtown streets of Puyallup bringing up the rear and making way for Santa Claus. We

made it through the very long, but fun day with all the mist and the rain. The smiles from the crowd, (and boy doesn't Puyallup know how to turn up for a parade!?!?) and calls to rev our engines made it all worthwhile.

Until next year, now Sandy and Dale, now Missy and Clay, now Monika and Kitty. On Paul and Heidi, on Nancy and Pete, on Karen and Harley.
