April showers bring May flowers. We certainly had enough rain in April and our yards should be in full, beautiful bloom soon!

I am ready for the sunshine. Our cars are ready! Yesterday, Dale and I went to Kitsap Mustang Club's car show at West Hills Ford. The sun was shining, blue sky, shiny car, and it felt great! They had a nice turn out with a lot of beautiful cars. It was fun to get out, enjoy the weather, drive the car, and talk to nice people.

I recently was surfing the internet to find and read about other Mustang Clubs in other states. It was shocking to me to see so many that were inactive or headed that way. Just a reminder to participate in other car club events and show your support.

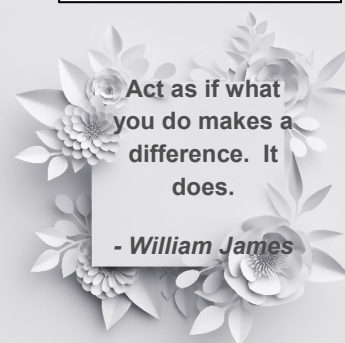

Of course, supporting our own Pierce County Mustang Club is priority for fun times! Our volunteer events, car shows, cruises, dinners, brunches, and meetings is what makes us strong. If you haven't had time to join us, please try to do so this year. We have a full calendar of fun events. Remember...we are a social cub, so get out of your shell and get social with us!

May is a month for Cinco de Mayo, flowers, sunshine, and Mom's. I wish you all a very happy May and Happy Mother's Day. I hope to see you all at a PCMC event (or two, or three...) and meet you if I haven't already.

Sandy

2600 lbs of what???

Anyone for Macaroni and Cheese?

Yes folks, we repackaged 2600 lbs of elbow macaroni. Elbows were flying and so were the jokes, as we revved up our engines and flew through the morning’s task.

This is always a great experience, lots of fun and for a great cause. We did this so quickly that they sent us home after only 1.5 hours. They said it was because we were done with the product but I wonder if it had anything to do with those jokes....

We will be doing the repackaging in October again. Make sure to sign-up. You never know what it will be each season.

Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

In Memory of Robert Mower

Let us remember our club member Robert (Bob) Mower, Sr who passed away April 12, 2022. He and Patricia have been members since June 2018.

According to a family friend, he was retired from the USPS where he was a high ranking manager in maintenance. He enjoyed wood turning and made pens and other small items.

He and his wife enjoyed traveling, especially to Hawaii at least once a year. They traveled to family reunions in Idaho every summer and hosted many family celebrations. He used to take every grandchild on a trip to the USA location of their choice. "He was a great guy."

Robert and Patricia have several classic

cars, including 2 Mustangs. They are a 1967 red/black convertible and a 1966 titanium grey convertible

Our thoughts are with all of Robert's family and friends.

1997 Mustang Coupe

I've been a member of the Pierce County Mustang Club since November of 2005. I own a 1997 Mustang Coupe. I bought the car in 2005 when my Dodge Caravan broke. I wanted to buy another minivan but my son said, "No, Mom.... Buy something

FUN!" So I did. I joined the club as a way to meet people and I have met many wonderful people. The car is fun to drive and I enjoy the club.

Mustang Day Cruise and Scavenger Hunt

April 2nd (no foolin')

Organized by Clay Concannon and Missy Willert

Photos by Nancy Freeman

It was a gorgeous day to celebrate the beginning of our favorite cars. We know it was early, but it was the day we took our beauties out to say, here we are, here

we have been since 1964, and here we are going to stay.

The cruise took our club from Lakewood to Westport. There was a scavenger hunt along the way and of course lunch at the end. Thank you Missy and Clay for the work to get this organized.

Daffodil Parade

Submitted by Heidi Geise

April 9

Can you believe it? After a week that went from hail and wind enough to knock down trees, cause power outages, and to wreak havoc on the poor daffodil blooms to a day of 75 degrees we got Saturday! It was predicted to be anything from rain and wind to snow and hail and maybe thunder and lightening, and we got a cold and sometimes windy day but sunny and lovely for a parade in April in Washington.

The crowds were the best I have seen in my experience with the Daffodil Parade. They were large and happy to see the bands and the floats and the princesses and ...

The MUSTANGS.

I heard in each parade at one or more points, "here come the Mustangs." It was like they were waiting for us.

The Festival Organization was very appreciative to our group for our support, not just this year but over the years. They told us that personally and it was part of the announcement on TV when we went through Puyallup.

Thank you to our group for doing this again this year. We were up near the front with the coupes as the parade officials wanted to acknowledge our years of support. The 3 convertibles carried VIPs in the very front of the parade. And thank you once again to the Howell's for opening up Burger Ranch for us to start.

It is a long day from 8am to 6pm, through 4 cities. But what I always notice (and don't always remember until we are there), is the reason this community parade is so important. Take one look at the smiles on the princesses and young people in the bands and drill teams and other groups that are part of this event. Look at the excitement of the youngsters in the crowds that

have sometimes been waiting for hours to see their favorite part, whatever that might be. Take a look at the adults as they remember from their youth and hold their kids up to see the groups come through even those noisy Mustangs. And take a look at the seniors on the side as they look back and remember when perhaps they were in the parade themselves. It really is an amazing experience and always makes me a bit emotional.

After 2 years without a parade, I felt like the crowds were grateful we were all there to celebrate the coming of spring together—We Are Better Together!

See the next page for photos and more on photobucket.
