Club Meeting Raffle Coordinator

Nora Hennecken

Well, here we are, almost time for our car show! What a busy few months this has been. Even though the car show planning and preparation starts in January, the last few months prior to the event are full of car show preparation. We have volunteers to coordinate, duties to be assigned, show car placement and vendor staging, trophies to purchase, thank you cards to write, raffle items to organize, goody bags to prepare...and so much more! It may look like we are running around with our heads cut off but we aren't. This is a well-organized process that we have been doing successfully for 30 years. I guess it's more like "organized chaos". We know what we are doing and how to get it done! It has given me a greater appreciation for the work that goes into these events and I willingly offer my assistance at other car shows when it looks like they need an extra set of hands. We will need extra volunteers at our show. We know that everybody can't commit to a set time to do volunteer duties, but once you get to the show, if you can help us, please don't hesitate to speak up!

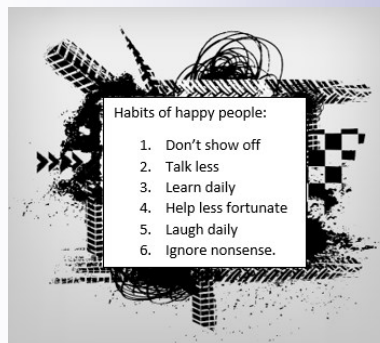

On to another topic. It has come to my attention that there is confusion about my Presidency. I think the confusion is stemming from my advising the Board and general membership that we have our house on the market. My intent was to advise the Board that when our house sells, we will be moving out of state. I did NOT resign. Our house has not sold but is still on the market. Therefore, I am still President of the PCMC and will remain so until I give my resignation in writing. I hope this is clearer and if you have any questions about this (or anything) please reach out to me directly.

Don't forget about our PCMC Member & Family Picnic! Sunday, August 28th is our day to celebrate US and all the hard work we have put into the club car show and other events. It's our time to catch up with our friendships, make new friends, play games, win prizes, eat, and/or just sit back and relax! See the flyer in this newsletter for more information on the picnic. See you there!

I hope the rest of your summer is fun, safe, and not too hot! Enjoy the time with family and friends and I will see YOU at the car shows!

As Car Show Season Begins:

As you register for shows, be sure to list the club affiliation as Pierce County Mustang Club rather than simply PCMC. Often there are awards for club participation and as there are 2 clubs with PCMC abbreviations it is easy to confuse the counters and lose credit.

Shout Outs

Congratulations to TJ Curtin-Karch & Courtney Couch's recent wedding. Wishing you many years of love.

It's coming, it's coming— 2022 Annual Car Show.

Lots of hands are needed 8/14 6am at Griot's for set up. Remember the show underwrites club expenses, activities and charitable donations.

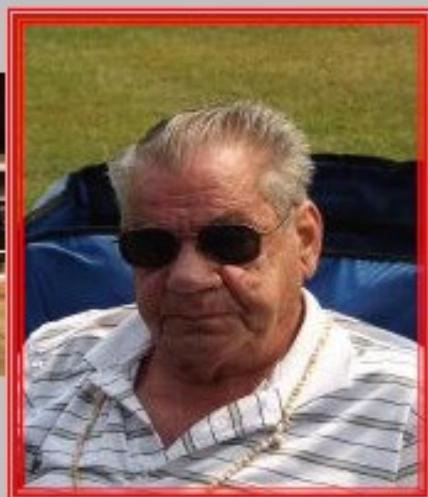

Purpose Statement

In the spirit of fun, community, and education, we are a social group promoting a stronger fellowship through cruises, shows, and charity involvement for our members and local communities. Additionally, we support the preservation and maintenance of all Mustang and Ford Motor products.

In Memory of Our Friend, Family Member, and PCMC Member:

Dennis Willert

Pierce County Mustang Club lost a long time member and Mustang enthusiast this summer. Dennis had been a member of the club since 2009 and served on the board and as Vice President for several years. He was actively involved in helping with cruises and events and welcoming new members that joined our car club world. He and his beautiful Shelby GT500 were seen at many car shows in the area and often in the winner's circle.

Dennis was a veteran and a retired Boeing employee. He was always ready with a great story and to share his experience and thoughts with his fellow Mustang lovers. The Daffodil Parade was a little noisier when he rolled by in his Pony.

Pierce County Mustang Club sends our thoughts to his friends and family. He will be missed!

Mustang of the Month

Bryan & Donna Zimbelman

2000 S281/SC Bright Atlantic Blue Saleen

Congratulations Bryan & Donna!

My Mustang story and how it all started – Bryan Zimbelman

I have owned many Mustangs in my life! It started in high school when I owned a '74 hatchback, which was fun while it lasted. In college, I bought a Black 85 GT hatchback with sun roof, which was an absolute blast to drive for many years until kids came along, then it became very impractical. Then for my 30th birthday we bought a '67 coupe that needed a lot of attention, fast forward 7 years later I finally got it on the road. We had fun with that car for 15 years; during this time we also purchased a new 2007 vista blue V6, which was a daily driver for about 5 years.

In 2008, I was on a business trip in Detroit and was lucky enough to get a VIP tour of the Saleen plant, where I was able to see and sit in the making of the 25th anniversary specials of which only 25 were to be made. I was also lucky enough to see the Dan Gurney tribute Saleens (of which they were supposed to make 100 white, 100 red, and 100 blue but only ended up making 67 total, I think).

That is when I became hooked on owning a Saleen for myself. That began my search of a new edge style Saleen. I happened to find one in OHIO for sale and messaged the seller with an offer and to my surprise he accepted my offer. I bought this sight unseen and after several emails back and forth we got the deal wrapped up and shipped it out west. This car has been so much fun to drive and attend car shows in, as far away as Calgary and Banff Canada, with stops in Mt. Rushmore, SD and Devils Tower, WY.

#00-276 “Power in the hands of a few” vitals are:

1 of 1 per Saleen registry.
