It was nice to see some new faces at our January general membership meeting. Hopefully even more and more of you will venture out to attend the various events and meetings on our calendar for 2023. It's always fun to reconnect with some old faces and make connections with new ones. Hope to see you February 21st at 6:00 pm in the service waiting room at Titus Will Ford to hear about club happenings, upcoming events, to celebrate our anniversary and to socialize with club members.

February promises an opportunity to shape and plan our car show, a fun, sweet and savory (BBQ) Cupid's Cruise, FNDO at Charlie's in Puyallup and another club meeting. I hope to see you at an event or two.

A HUGE thank you to Hank and Margie Deck for organizing our New Year's party at Aversano's. We had a great time socializing, competing over Mustang Trivia, fighting over heated blankets, car towels and wine at the gift exchange and great food of course.

An ENORMOUS thank you to Shawn and Tony Merwin for setting up FNDO (Friday Night Dinner Out) and SMBO (Saturday Morning Brunch Out) for the entire year.

A MASSIVE thanks goes out to Monika Kirkland and Nancy Freeman for guiding, organizing, steering and making the hard decisions for this year's car show.

A GINORMOUS thanks to Steve Howe for crafting a wonderful newsletter that keeps us all in the know about our club.

A COLOSSAL thank you to Heidi Geise for managing our website and keeping it updated.

A TITANIC thank you to TJ Karch for taking over the club Facebook page. The interaction since TJ took charge is +1275%!!

Yep, I used a Thesaurus!

President's Message—continued

Some Trivia for you...

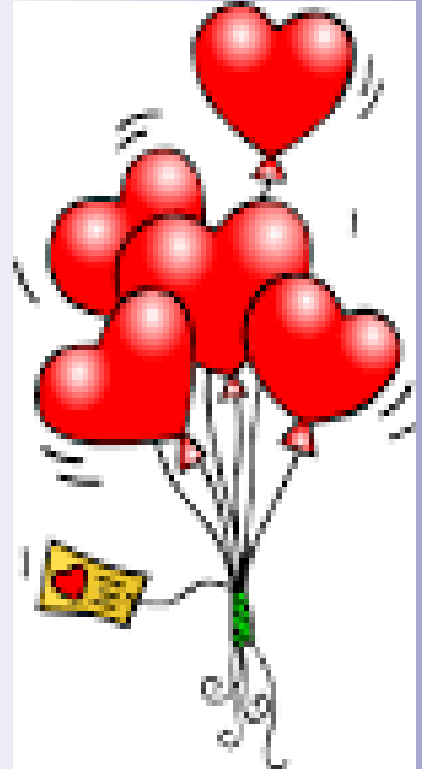

Did you know that the Boss 429 Mustang almost had a rear engine?

On the first day of release 22,000 Mustangs were sold.

Henry Ford II shot down initial proposals for the first Mustang.

The Bruce Jenner Mustang didn't make the cut!

Mustang of the Month

Larry & Charlene Rivera

1988 Oxford White Hatchback, 2005 Legend Lime Coupe

Congratulations Larry & Charlene!

Wow, 15 years has flown by.

When we got our first Mustang was to replace a Dodge be a "soccer mom". Larry enough power, so he went GT convertible. When our her the 92 mustang bought the 2005 legend lime I still didn't want to be a we got the 2005, Larry spotted the 88 Mustang GT hatchback on the side of the road for sell, it followed us home.

We met Jim Cassidy and he talked us into joining Mustangs West. This was our first step into the Mustang community. We meet Wendy Minniweather during a Mustangs West meeting, and it went crazy from there. We started going to Mustang Car Shows (I knew what weekend every local Mustang Club held their show) Wendy kept us busy going to shows and meeting Mustang people.

After dipping our tires into shows, we started looking for Mustang events during the winter months. We came across a flyer for a Sweetheart wine cruise with Pierce County Mustang Club. We went and met the most welcoming people ever! Over time they became a second family to us. We joined Pierce County Mustang Club. Larry was a Board officer. I was secretary and chaired the car show for a few years. As some know, we had to step back from the club a few years ago, we had to take custody of our three grandchildren. As everyone knows, there's only two seatbelts in the backseat of a Mustang. We are hoping to get back into the mustang community, now known as our mustang family.

Charlene and Larry Rivera

(1992 Mustang convertible) it Durango. I no longer wanted to decided the 1992 didn't have and bought a 1991 Mustang daughter turned 16 we gave convertible to drive. Larry green mustang coupe because "soccer mom". Sometime after
